Questions Raised Regarding Danger From Sandblasting Of Bridge

by Maria Girvin

Recently a flurry of newspaper reports surfaced, once again, over the Mystic Tobin Bridge (MTB) sandblasting done during the summer of 1980. The news was the result of a year old report from the Massachusetts Department of Public Health (DPH) which appeared in the March 18, 1982 issue of The New England Journal of Medicine.

While the Boston Globe headlined their small story

"A public health warning on lead from structures" and the Chelsea Record headlined their's "Bridge de-leading shown to be safe," both stories left out important details.

According to Norman Faramelli, Director of Planning at Massport, de-leading of structures such as the MTB can be done safely if blasting procedures and health precautions are followed. The DPH report agrees. However, this was not the

case when the de-leading process began in Charlestown and residents found their yards and window sills covered with paint chips and blasting sand.

"I think this report confirms what we thought all along," said Dr. Matthew P. Dumont, Director of the Chelsea Community Counseling Center "that the sandblasting was a severe health hazard to surrounding communities." Dumont was

the first to alert Charlestown residents to the possible health hazards surrounding the blasting when he wrote a "letter to the Patriot."

Both this report and an earlier report released by the National Institute for Occupational Safety and Health (NIOSH) concluded that the lax job of sandblasting Massport began with, resulted in some contamination of soil

Annual Good Friday March

The Charlestown Ecumenical Good Friday March of the Cross is scheduled, rain or shine, for Friday, April 9, 1982.

This year members of each parish will carry the 10 foot cross from their church to the next one on the route. At each of the six churches, the marchers will listen to reflections and pray on the theme of Jesus redeeming his people ... the people of our times, our community, our world.

Among the speakers will be Sr. Mary Sampson who works with dying persons and their families at Massachusetts Rehabilitation Hospital. Carol Savinsky will lead the marchers in song and prayer as they walk through the streets of Charlestown, en route to the next church. The Baptist Youth Group will sing at the final stop, across from the Bunker Hill Monument at the Baptist Church.

Young and old ... new residents and old "Townies" ... all Christians join together in this march as a way of keeping

Good Friday holy. All will assemble at Thompson Square at 10:00 a.m., and finish near the Monument about noon. The route is outlined below. Marchers may join in at any point along the way.

Jesus Redeems His People

- 10:15 a.m. at St. John's, Devens Street ... from physical death
- 10:30 a.m. at St. Mary's, Warren Street ... from violent death
- 10:50 a.m. at First Church, Green Street ... from hopelessness
- 11:15 a.m. at St. Francis, Bunker Hill Street ... from self destruction
- 11:35 a.m. at St. Catherine's, Hayes Square ... from apathy
- 11:50 a.m. at First Baptist, Monument Square ... from false gods

Funeral On Friday For Gertrude Powers

Gertrude Hurley Powers, mother-in-law of Gov. Edward J. King, died unexpectedly Monday, apparently of a heart attack, at Massachusetts General Hospital. She was 79.

A lifelong resident of Charlestown, she was educated in the Charlestown school system.

Mrs. Powers was widowed when her husband, Maurice Hurley, died in 1935. She later married John J. Powers of Charlestown. Mr. Powers died in 1963.

Mrs. Powers leaves two sons, Robert E. Hurley of Revere and Maurice M.

Charlestown Old Schoolgirls Association

We are pleased to report reservations are being received in record numbers for the Second Annual Charlestown Old Schoolgirls Association Dinner on May 21, 1982 at the Great Hall and Rotunda at the Faneuil Hall Market Place.

We are not sending tickets for the affair. It will be a repeat of last year. Your identification name tag will be waiting at the registration desk.

As you know, we tried to keep our new group as much like the Old

Schoolboys as possible and they have been doing this for many years and found it the easiest way to handle the large numbers expected.

It will be greatly appreciated if you know of any members who have died in the past year, if you would notify Marie Walsh (241-8866) so that they may be included in the necrology of our 1982 old school girls book which is soon to be printed.

Remember, you must be a member to attend the dinner.

Questions Raised Regarding Danger From Sandblasting Of Bridge

(continued from page 1)

and environments.

The DPH report said, "Samples of surface soil were obtained in July, 1980 in Charlestown within 30 meters of the bridge. Comparison soil samples were obtained within 30 meters of the bridge in Chelsea where no abrasive blasting had yet occurred.

"In 10 samples of surface soil collected from within 30 meters of the bridge in Charlestown, the mean lead content was 3272 ppm (parts per million). Soil samples from within 30 meters of the bridge in Chelsea had a mean lead concentration of 1003 ppm."

The report later concluded, "Although the precise contribution from particulates released by abrasive blasting is not known, blasting appears to account for a considerable portion of the 2000 ppm difference in soil lead concentrations found between the Charlestown and Chelsea samples. In effect, abrasive blasting accelerated the process of environmental dissemination of lead due to paint flaking from the bridge."

The NIOSH report reported a similar finding giving this conclusion, "The high concentrations of lead found in surface soil near the bridge in Charlestown appear to reflect contributions from (a) grit-blasting, (b) "nor-

mal" paint flaking from the bridge, and (c) automotive exhaust. Although the precise contribution of grit-blasting is not known, it is our conclusion that blasting accounts for a significant portion of the 2,000 ppm difference in soil lead concentration found between the Charlestown and Chelsea samples; increased automotive exhaust resulting from daily traffic jams on the Charlestown side of the bridge may also account for a smaller portion of the difference."

Faramelli and Massport Chief of Environmental Management Tom Galvin do not agree their sandblasting process caused elevated blood lead levels in the four Charlestown children found, out of 123 tested. Despite the above statistics, they feel that the children's location within two blocks of the bridge made them more susceptible to lead poisoning from other sources such as car exhaust, soil contamination from the bridge's lead paint coating before blasting and lead paint found in the home.

Indeed lead paint was found in two of the homes of children with excessive lead levels, but these lead painted surfaces did not show signs of deterioration or teeth marks, said the DPH report. There was no lead paint found in the other two homes.

However, irrefutable is the statistics that showed a remarkable difference between air qualities when the blasting process was done using all safety precautions and when they were not used. Once air quality samples began as part of an agreement between Massport and the Charlestown community (following a class action law suit) it was found that the highest concentration of lead particles in the air was on June 26 when blasting was done during a two hour period with the canvas shroud not in place.

This becomes particularly alarming when considering the sandblasting began in late April and continued until late June without the proper blasting procedures being followed.

This is noted in both reports. Said the DPH report, "Breaks in technique were noted during the abrasive blasting. Canvas shrouds were not always tightly sealed and occasionally fell to the ground; suction hoses occasionally developed leaks and became disconnected; at times spent grit and paint chips were allowed to accumulate beneath the bridge."

Children were not the only ones to suffer high blood levels. Workers on the center span where lead paint was scraped off and repainted with lead bases paint also showed lead

poisoning. They reported symptoms of tiredness, memory loss and sleep disturbances.

Oddly enough, the removal of the lead paint from the bridge was to decrease the lead poisoning being found in children on the Chelsea side of the bridge who lived nearby. It was while Massport funded Chelsea's Community Action Program Inner City (CAPIC) in 1977, that 79 children living near the bridge were found to have excessive blood lead levels. The high blood lead levels was attributed in part to greater deterioration of homes near the bridge and in part to ex-

posure of children to paint chips and to automotive emissions from the bridge.

With Chelsea now undergoing sandblasting, and armed with the hindsight of what happened in Charlestown, a written agreement has been drawn up with Massport by Mayor Joel Pressman, Chelsea Fair Share and others.

This agreement includes the requirement that Massport identify all pregnant women within 100 feet of the blasting operation and arrange to relocate them during the working days.

Also, residents within those same boundaries shall be encouraged to have a baseline blood lead

level determined before the blasting begins.

In all, "Massport will assume primary responsibility for minimizing any health risks associated with elevated ambient lead levels arising from the blasting project," says the statement.

Galvin said Massport's biggest mistake in Charlestown was to not inform residents of their undertakings, an error they do not want to repeat in Chelsea. "The project was hampered by fear and mistrust," said Galvin. "Meeting in advance and negotiations allows residents to feel they have a firm grasp on the project."

Dear Editor:

I'd like to express my deepest thanks to all those who sent flowers, well wishes and prayers during my recent illness.

Many Questions Must Be Answered

Charlestown Patriot

Charlestown, Mass.

Dear Editor,

I have been reading in the Patriot the suspected problems at the Kennedy Center.

According to the past Treasurer, many dollars were spent on lunches and presumably drinks. One item listed in the March 18th Patriot was for \$3.15 at the Harvest Restaurant. Was this for one or two people? How could anyone extend a credit card for such an amount, even if it was a legitimate expense?

I cannot believe that it was the intent of the donors of money to the Kennedy Center, to have it spent on meals/drinks for employees and/or Board Members of the Center and/or employees of the funders. I do believe there is an obligation on the part of the officers/Board of the Kennedy Center to make public the reasons for all these meals/drinks charged to the Kennedy Center.

Questions that I have regarding this include:

- 1) Is there more than one American Express Card?
- 2) If the answer to 1) is Yes, who has the other(s)?
- 3) Who was authorized to sign the card?
- 4) How many of the charges were signed by Mr. Gardiner?
- 5) How many were signed by anyone else?

If, as stated in the paper, there are notations of where, when, why and with whom these lunches/dinners were held, would it be so difficult for the Treasurer to do an audit of the charges and print in the newspaper the "with whom and why" of the expenditure of the monies and, hopefully, lay to rest all of the rumors in the neighborhood. If the Treasurer can't find the time for this, I think a committee should be appointed, chaired by the ex-Treasurer and comprised of five Charlestown residents, none of whom are connected with the Kennedy Center in any way, to insure an impartial opinion and the chairman shouldn't vote except in the event of a tie.

Also, if there is a Master Charge/Visa Card in existence,

which has been paid either directly or indirectly by the Kennedy Center, this, too, should be audited to see if the charges are fundamentally the same as the American Express charges and the same questions be asked.

The question that remains regarding charge cards is were there any gas company or store credit cards that were paid for by funds of the Kennedy Center and for what and whom were charges made on these?

As for the officers and Board of the Kennedy Center, there are questions they should be answering:

- 1) Do you not have a responsibility for the actions of the paid staff (professional as well as clerical)?
- 2) Why should there be a life time membership on the Kennedy Center Board?
- 3) Should a person who runs for membership on the Kennedy Center Board and is not elected, then be appointed to the Board immediately after elections?
- 4) Are not life time appointments a detriment to the organization? (Members have change of interest, move from the town, and no longer have involvement in Charlestown activities.)
- 5) Should not the members of the Board have the responsibility to attend meetings? (One member appeared for a crucial vote after 1-1½ years absence. Was this because he was alerted that he was needed? If not, how could he be aware about what was transpiring after being absent this span of time? (Please don't say he was keeping abreast of Kennedy Center activities by reading his minutes or he would have appeared a lot sooner!!!!)
- 6) If a Board Member or officer cannot find the time or motivation to attend meetings, should not the by-laws be amended to state "if a member does not attend (?) meetings, he/she will no longer be considered a member of the Kennedy Center Board of Directors."

I believe there has been a mis-spending of funds after reading the list of expenditures (foolish or otherwise) in the Patriot and it would seem to be clearly a dereliction of duty on the part of the Board and officers who have not been accepting the responsibility of overseeing the actions of Kennedy Center employees.

Nothing disturbs me more than the newly elected Treasurer stating at a Board meeting that he has to work for a living and his work schedule prevented him from following the dictates of the Board on the motion that was made and passed. Why would anyone run for an office if he could not fulfill the responsibilities of that office? Was it because he intended to act only as a rubber stamp to the dictates of the Executive Director of the organization with no questions asked?

I am sorry to write a letter such as this, but I do not think we are being represented by the majority of the people serving on the Kennedy Center Board adequately and I would call for a re-structuring of the Board to eliminate appointed members and to have a new election, allowing everyone on the Board to run again, designating some slots for six year terms, others for four year terms, and the remainder for two year terms. There should be a limit on the time a member can serve on the Board. In this way there will be continuity but there would be "new blood" coming on the Board every two years.

Limits should also be set on the term of office of the Board officers. For example, the President and Secretary could be elected on the even years to serve a term of two years and the Vice President and Treasurer could be elected in the odd year for the same term. Officers should not hold the position for more than one term.

Efforts should be made at once by the Kennedy Center Board to address the charges that have been regarding the use of credit cards and to restructure the Board and the by-laws of the Kennedy Center to make it representative of the people it is supposed to serve and the community in which it is located, namely, Charlestown.

Little Patriots Nursery School In Operation

The Charlestown Boys and Girls Club has begun a week-day nursery school program from 9 a.m. to noon. The program, which has been in the planning stages since last fall, is designed to serve a total of twenty children.

All children must be at least two years and nine months old, but younger than seven. Currently nineteen children are enrolled on Tuesdays and Thursdays, while eleven are signed up on Mondays, Wednesdays, and Fridays.

Help Piece Together Charlestown's Past

On Saturday, April 24, from 10:00 a.m. to 4:00 p.m., the Charlestown Preservation Society will sponsor a work party to help the Institute of Conservation Archaeology number some of the artifacts unearthed in test excavations in Charlestown last fall. This work party promises to be informative and enjoyable as well as useful. Archaeologist Steve Pendery will be on hand to answer questions and

refreshments will be served. So far, six volunteers have signed up, and many more are encouraged to attend.

Call Kathryn Downing at 242-4726 for more information and for directions to the ICA laboratory located in Room 104, Vanserg Hall, Harvard University.

In the early part of the morning, nursery school children work with letters, colors, arts and other specific skills. Halfway through the morning, children wash up and eat a snack. The remainder of the day includes periods of play and creativity.

The head teacher for the program is Mrs. Mary Kelleher. Mrs. Kelleher is a graduate of University of Massachusetts and has a Masters degree from Boston University. She has had previous experience in nursery school programs in Boston and Malden.

Pat Paracci is the assistant teacher in the program. Mrs. Paracci is a graduate of the City University of New York, and lives in Charlestown. Both Mrs. Kelleher and Mrs. Paracci have become favorites with the children and their parents.

Licensed by the Office for Children, the Little Patriots Nursery School is a private program supported entirely by enrollment fees. The rates are \$16.75 for five days; \$12.00 for three days; and \$9.00 for two days.

While only one opening remains on Tuesdays and Thursdays, a few openings are available on other week days. If you are interested in placing your child in a nursery school program, call Mrs. Kelleher at 242-1775.

Triumph And Tragedy Is Soul Tingling Experience

photos by Sandy Jarasitis

A play is a representation of a theme which intends to enlarge your experience as a person. It moves on dialogue, gesture, music and motion. When the subject is one of historical and religious fervor, all that is required from the audience is attention. To get your attention, we extend an invitation for you to view the play, **Triumph and Tragedy** on Wednesday evening, April 7 at 7:30 p.m. at St. Mary's Church, Warren Street.

Any worthwhile product has a guarantee. Our warranty to you is that we will provide you with an awesome soul tingling experience that is unique in local theater. Your reward will be in attending the play. Even if you do not engage in Lenten fast or abstinence, even if you have not prayed since you made your confirmation, and even if the gates of hell have your name on a mailbox, we promise to inspire your soul.

Preservation Society To Meet Sunday

The April 4th meeting of the Charlestown Preservation Society will be held at 8:00 p.m. in the Charlestown Community Center at 14 Green Street.

The meeting will be moderated by Don Jackson, who is looking forward to introducing the guest speaker, Mr. Elisha G. Pierce III, President of

Boston Filter Corporation. As you probably are aware, BFC recently moved its operations from the old Harvard School. Mr. Pierce will speak about his plans for the development of the site and the adjacent parcels, including the Austin Block which has been an interest of the CPS for a long time. Mr. Pierce and his family have owned this property for many years and he wishes to propose a project that will be an asset to Charlestown rather than sell to other developers who may not have the appreciation for the local historical and architectural heritage.

Also, Mr. Joseph Flaherty will be presenting two projects for Charlestown that will prove to be exciting. One of the projects is the clean up campaign which will con-

sist of a ten week work program for our local youth. Clean up activities have long been a concern of several CPS members and there may be an opportunity to assist with this project. The second project will be announced by Mr. Flaherty.

So there you have a good way to kick off Spring - a major restoration and construction project to review, a long awaited clean up campaign and more!

Holy Name To Meet

St. Francis de Sales Holy Name Society will meet on Sunday, April 18, 1982 following the 8:30 a.m. Mass in the Bishop Lawton Hall, St. Francis de Sales Church, 305 Bunker Hill Street.

Views On Dental Health

by Jeffrey D. Cohen, D.M.D.

CLEANING OF BRACED TEETH

A dentist puts braces on a child's teeth to straighten them or correct dental handicaps. But braces make teeth harder to clean, can act as food traps and thus increase the chance of tooth decay. But this can easily be overcome. One of the best methods of cleaning debris from braced teeth is the oral irrigator - an electric device which directs a pulsating stream of water onto the teeth.

Dental researchers at Loyola University tested this premise. Braced youngsters were divided into two equal groups. The first brushed their teeth after each meal, then used an oral irrigator once a day. The second group also brushed but followed with a simple rinsing.

After nine weeks, group one (the irrigators) showed an 80% reduction in total bacteria. In contrast, the group of rinsers had only an insignificant drop in bacterial count. The results indicate that if the irrigator cleaning process is combined with brushing, proper diet, and frequent examinations, a child can have straight teeth without the penalty of additional cavities.

A public service to promote better dental health. From the office of Jeffrey D. Cohen, D.M.D., 338 Main Street, 242-3550.

SUSPICIONS CONFIRMED

"Reaganomics" and Proposition 2½ notwithstanding, voters of our fair city passed into law "District Representation," on the premise that this political boondoggle would provide for fairer representation in Boston's School Committee and City Council, even though the lines for this plan wouldn't be drawn until after the election. Talk about a pig in a poke!

Well, districts have now become a reality, as drawn, and approved, by those who benefit most - the incumbents - and with the blessing of Hizzonner the Mayor. What has changed, really, except that the "ins" have insured their seats for subsequent elections, with the frontrunners expected to campaign successfully for the city-wide council seats.

Now comes the bottom line that we warned about in these pages, folks...**MONEY**. While everyone takes a cinch in their belt to compensate for the multitudinous austerity programs now being effected (not to mention a serious, growing national unemployment), these same politicians are scurrying about for additional office space, furniture and budget changes to fund the new administrative assistants that will also be required.

Shakespeare was right... "What fools these mortals be!"

"MAN'S INHUMANITY TO MAN"

The perpetrators of the recent heinous act of vandalism upon B'Nai Jacob Temple in Milton remain unapprehended (as we prepare this column), but decent people everywhere mourn the fact that this deliberate act of anti-semitism blots out so much of the progress mankind has made in his seemingly futile attempt to live with his fellow man in the spirit of true Brotherhood.

We are moved to openly apologize to Rabbi Nathan Korff, and his Congregation, not just for the loss of their sacred and much revered Torahs, and fire damage to the Ark of the Covenant and other vessels, but for the needless scars placed on the minds and in the hearts of his flock at B'Nai Jacob Temple.

Rabbi Korff's son, Ira, himself a Rabbi, made the following remarks as part of his eulogy at the required burial of the sacred scrolls:

"These scrolls survived the persecution and pogroms of Czarist Russia only to be burned in the democratic republic of the United States of America."

For shame, Boston ("The Cradle of Liberty"), but let us turn it into a new beginning. We know those of B' Nai Jacob, in exercising the tenets of their religion, will forgive us - and will "keep on keeping on" - but we must find ways not only to forgive ourselves but to insure such acts are never repeated. "The Impossible Dream?" We think not, as love of one's fellow man merely starts with head and heart in every home...combined with example!

In the meantime, wherever you are reading this, please consider joining with us in an expression of love in helping to "make-right" the immediate physical damage to this temple of worship by participating in the fund established by The First National Bank of Boston. Send what you will to their good offices at 1625 Blue Hill Avenue, Mattapan, Mass. 02126. Checks should be made payable to "B'Nai Jacob Temple Restoration Fund," and/or may be dropped off at any of their branch offices as well. Do it today.

As for those responsible, we must remind ourselves of one of the lessons of His Passion during this Eastertide, "Forgive them, Father, for they know not what they do," therefore leaving it to civil justice to judge and exact an appropriate punishment for their reprehensible deed.

Shalom, Rabbi Korff, and shalom to your children of Jacob in Milton...and everywhere!

THE CONTINUING WAR ON DRUGS

Citizens for Constructive Education, of Seattle, Washington, originally brought to our attention an excellent pamphlet on the danger of smoking marijuana...as a first step on the way to the use of harder drugs.

Published by America's Future, Inc., of New Rochelle, New York, "Drugs, Demons and Disaster" has been received with much acclaim in many quarters. A Mr. Julian Miller, head of the AntiDrug Abuse Education Fund of St. Louis, Missouri, described it as "the single most powerful and convincing article on the subject he had ever seen," and went on to personally redistribute some 2,500 copies in their drug addiction program.

America's Future, Inc., is a non-profit foundation supporting our free-enterprise economy and constitutional form of government. Founded in 1946, they are the producers of "Behind the Headlines" and other radio programs, and continually publish and distribute pro-

American books, pamphlets and periodicals. Their present budget allows for the printing and distribution of 500,000 copies of this excellent thirty-four page anti-drug pamphlet, and they have kindly made us the beneficiaries of several copies.

To get your FREE copy of "Drugs, Demons and Disaster" simply forward a stamped, self-addressed envelope (business size) to: S.T.O.P., P.O. Box 133, So. Boston, Mass. 02127.

We all have a stake in this serious drug problem, and there's plenty of room for everybody's help. To make our point, we turn to an old axiom..."I wondered why somebody didn't do something. Then I realized - I am somebody." If you are not already involved, what better way to get started.

AND A FLIP OF THE FEDORA TO....

Mayor Koch of New York City for his attempt to move the useless U.N. out of the U.S.; to First Lady Nancy Reagan for her efforts in addressing the problem of drug abuse by the young; to the Black Parent Committee of Boston who now recognize the negative results of forced busing on the education of their children; to Tim Pren-

diville of Dorchester for his exceptional photorama layouts in "The Irish Star;" to the U.S. House for its plans to name a future nuclear aircraft carrier after the "Father of the Nuclear Navy," Admiral Hyman G. Rickover; to Charlestown's Sal Giarratani on his appointment as Editor of "Northeast Grassroots Reporter;" to my fellow comrades of "Southie's D.A.V. Memorial Chapter 22 with whom we made "the long walk in the Evacuation/St. Patrick's Day Parade; to Representative W. Paul White on his appointment as House Chairman of the Mass. Legislature's Joint Committee on Criminal Justice; to Fr. James F. Tuxbury of E. Lynn (by way of Powers Lake, No. Dakota) who has joined with Fr. John J. Keane's apostolate at W. Roxbury; to Marianne Rea Luthin of Dorchester, recipient of the first annual Our Lady of Victories Respect Life Award; to thespians Buddy Ebsen and Efreim Zimbalist for their participation in a forthcoming T.V. drive aimed in part at legalizing school prayer and banning abortion, and to one of the "Super Southie's, John "Wacko" Hurley (his bride Molly is the other) of So. Boston, whose hat we wear - annually - in "The" parade.

Local Residents Avail Themselves Of Health Services

photos by Maria Girvin

The health fair held at the Boys and Girls Club on March 18 attracted 128 adults. Participants in the fair were screened for problems of vision, anemia, weight, blood pressure, diet, and dental care. Women had breast

self-examination discussed with them, and the Boston Commission for the Elderly explained their services to senior citizens. To the dismay of many, a planned screening for glaucoma was cancelled. The Health Fair

represented a total community effort. Thirty-two students from the Bunker Hill Community College helped provide many of the health services. They were supervised by Mrs. Majorie Langway, Director of Nursing Educa-

tion Department at the College. The Bunker Hill Health Center conducted the screenings for diet and dental care, and provided consultation on speech problems, and medical records. Nurse Kris Lewis

and Linda Rayner from the Health Center helped many of the people participating in the Fair and were instrumental in coordinating activities of the day.

In addition, many residents helped in a volunteer capacity to make the day a

success. These included Maureen Kane, Gloria Conway, Virginia McGonagle, Katherine Hickey, Ann Marie Houlihan, and Claire Smith. Participation by the Boys and Girls Club was coordinated by Clubhouse Director, Tom King.

Hurwitz Tournament Finals

The Finals of the Charlestown Clubhouse, Boys and Girls Clubs of Boston sponsored 59th Annual Nate Hurwitz Memorial Basketball Tournament — unofficially the oldest continuous amateur games in the United States — are scheduled for Saturday, April 3.

Top amateur teams from the Greater Boston area will play in the finals at the Clubhouse Gym.

Since the opening of the tournament on March 13th over 50 teams have competed.

"The Hurwitz Championship Games have always been a showcase for top basketball talent in Eastern Massachusetts," says Tournament Director John Brennan. The tourney alumni list includes former N.B.A. player Terry Driscoll (Pistons, Bucks, Bullets), former Boston Celtic Kevin Stacom, and

former Holy Cross standout Ronnie Perry.

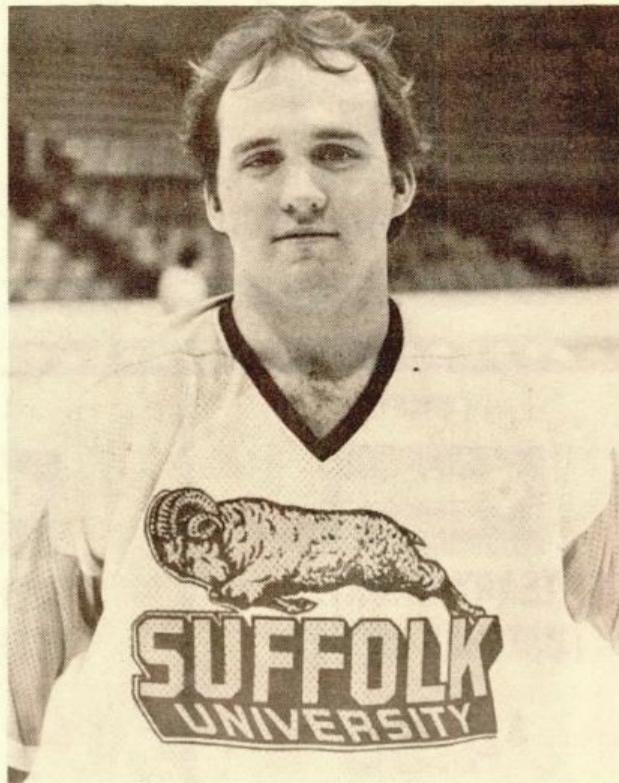

The Clubhouse is indeed grateful to Massport for their contribution towards the success of the tournament and to those whose sponsored trophies for the winning teams and individual players.

Amongst those who have donated trophies are: Governor Edward J. King, Republican Gubernatorial Candidate John R. Lakan, Reading Trophy Co. and Shear Delight.

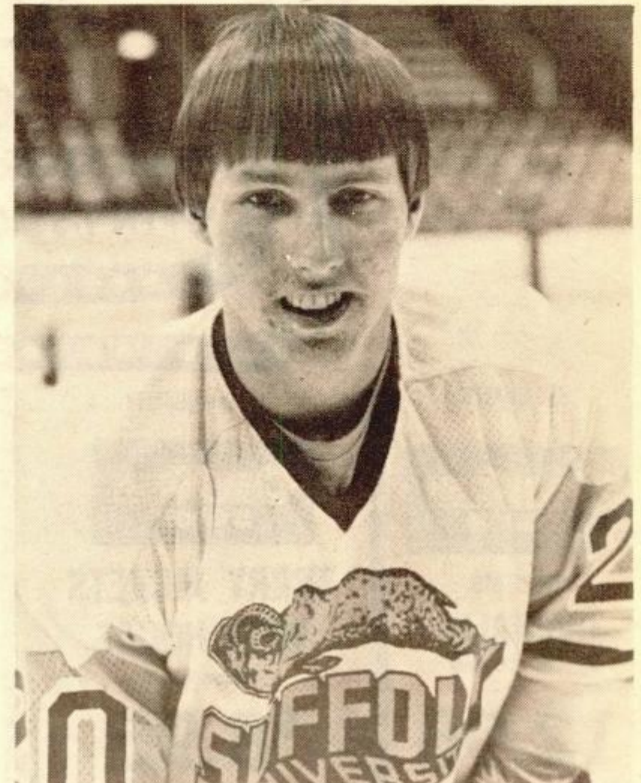

The April 3rd Finals run from 10 a.m. to 3:45 p.m. featuring four age divisions: 12 and under, 15 and under 18 and under, and an open division.

At the conclusion of the tournament, at approximately 4 p.m. an awards ceremony will be held in which State Representative Mary J. Murray of Cohasset, daughter of the late Nate Hurwitz will participate.

Wonderland Dogs Run To Florida

From the shores of Revere to Palm Beach, Wonderland's attention will be focused both North and South on Saturday, April 3.

D.Q. Williams' record-setting Ijusplanowinner continues his assault on the marathon course enroute to the \$10,000-winner-take-all final of the Endurance Countdown on April 3.

Meanwhile, the top

sprinters at Wonderland are basking in the Florida sunshine awaiting Tuesday and Saturday action in the \$15,000 Challenge Series between Wonderland and Palm Beach.

Wonderland's four representatives are Debonair's red-hot Trippen, North Shore's Boxcar Hobo, Kansas' Hondo Topaz and Skinny Beckner's Elgin. Kansas'

Whiz Rocket is the alternate.

Trippen, the 1982 Wonderland Inaugural champion, has 10 track-high victories this season, six over the 5/16ths course and four at 3/8ths. "Trippen is one of the finest dogs to hit here in years," Wonderland's director of racing Herb Brenner says.

The April, 1980 speedster could win the 48th annual \$150,000 Wonderland Derby on August 28th and come

right back November 6th for the fifth annual \$100,000 Grady Sprint Championship — an unprecedented achievement!

Trippen, the pre-race favorite in the Wonderland - Palm Beach Challenge Series, has the top three 5/16ths times and fourth-best 3/8ths clocking of the season.

The series returns to Revere for the third and fourth rounds April 10 and 14.

Little League News

REMINDER!!! Little League tryouts will be held on Saturday and Sunday, April 3 and 4, from 9:00 a.m. to 1:00 p.m. at the Ryan Field, Sullivan Square. If we are rained out, we will try again on Saturday, April 10 at 9:00 a.m.

Playoffs will be starting soon. Please check with the respective coaches about times and dates. Time is running out quickly on this season. Please get to the Rink to see the boys play.

TRY-OUTS

Try-outs will be held at the end of the season. All boys from age groups Mite thru Midget will be eligible, providing their financial house is in order. Please, parents, make sure you're paid up.

We request that parents check with Team Managers or coaches to see where you stand.

Try-outs for Midget Camp in Colorado will be held on April 11 at 7:00 p.m. and April 18 at 9:00 a.m. at the West Suburban Skating Arena in Natick. This try-out is limited to graduating Midgets (year of birth 1965). The registration fee is \$10.00. The camp will be held August 15, 1982.

SPECIAL NOTICE

If you are thinking about letting your son play for independent team, remember that CYHA By-Laws require that he attend game and practice each week or he becomes ineligible. Only High School players are exempt. In 1982-83 season, this Rule will be followed carefully.

VOLUNTEERS

Call Ann Considine (242-0935) if you'd like to coach or manage. Board candidates: Call Kevin Roche - 241-8200 or 242-0993.

There will be a Coaches Meeting at the Mary Colbert Apartments, 20 Devens Street on Tuesday, April 6, 1982, at 7:00 p.m. sharp. We would like to see all the coaches at this meeting. The Manager's Meeting will follow at 8:00 p.m., and we would like to see all the managers there with their records at this meeting. Following this will be the Board Meeting to conclude the meetings for that evening.

The General Meeting will be held on Wednesday, April 7, 1982, at 7:30 p.m. again at the Mary Colbert Apartments.

Travel-time: Coach Eddie Greatorex will take his Pee Wee A's to Providence, R.I., for a regional tournament on April 8 - 11. Good Luck!

Babe Ruth Registration

Registration for this year's Babe Ruth season will be held at the Charlestown Boys' Club on Green Street on Saturday, April 3rd, from 10:00 a.m. to 12:00 p.m.

Anyone who wants to play Babe Ruth must be 13 years old by August 1st and not older than 15 years old

before August 1st.

A \$10.00 fee and a birth certificate must be brought the day of registration. Total cost for one player is \$20.00 for the season, and \$10.00 for a second member of a family for the season. The balance due by the third game.

To Be Honored In Navy Yard Ceremonies

by Jim Harrington

President Kenneth T. Lyons of the National Association of Government Employees and President Edward J. Keelan of Seabrook, N.H. Greyhound Park will be honored by officers and crewmen of the USS John F. Kennedy (CV-

67) on Tuesday, April 6, 1982, in ceremonies to be held on the main deck of USS Constitution ("Old Ironsides") at the Boston Naval Shipyard in Charlestown. The ceremonies will commence at 12:00 noon. Lyons, a Quincy resi-

dent, and Keelan who resides in Dedham, will be presented USS JFK ship's plaques by Commander H.O. Sudholz, USN, Commanding Officer of USS Constitution, on behalf of the officers and men of the aircraft carrier named after the late President Kennedy. Lyons and Keelan played a hitherto, unpublicized role when the warship paid its initial visit to the Port of Boston in August of 1970.

Captain D. Bruce Cargill, USN, the present USS JFK Commanding Officer, sent the two ship's plaques and a letter for the ceremony. The letter, which will be read by Commander Sudholz, reads as follows:

"I would like to take this opportunity to express my sincere thanks to Mr. Kenneth T. Lyons, president of the National Association of Government Employees, for his efforts in procuring the beautiful portrait of President Kennedy which was presented by Mr. Lyons in 1970. Likewise, please express my sincere thanks to President

Edward J. Keelan of Seabrook, N.H. Greyhound Park for the warm hospitality he proffered the crew during the ship's visit to Boston in 1970.

"The enclosed USS John F. Kennedy plaques are forwarded as a small token of a long overdue expression of thanks on behalf of the officers and men for presentation to Mr. Lyons and Mr. Keelan."

Guests at the ceremony will be David F. Powers, a former Charlestown resident who was a Special Assistant to President Kennedy in the White House; Brigadier General James A. Lynch, Jr., of the Massachusetts Army National Guard; First Lieutenant William F. DiPesa of the Ancient & Honorable Artillery Company of Massachusetts; Mrs. Kenneth T. Lyons and Miss Karen Keelan, and Seabrook General Manager Joseph E. Carney, Jr.

"Old Ironsides" crewmen and Commander Sudholz will be wearing U.S. Navy uniforms of the type worn in the War of 1812.

Board Of Trade News

The Charlestown Board of Trade meeting slated for Monday, April 5, 1982 at 6:00 p.m. at the Cobblestone Restaurant, 412 Medford Street, will concern the Street Fair to be held April 23, 24 and 25 at The Bunker Hill Mall in Charlestown. We are grateful to Carey Tarpinian from State Properties of New England for assisting us in the planning of this fair. We urge any merchant who wishes to participate in the fair to try and attend this important meeting as final plans will be made at that time. The weekend fee for any booth is \$25.00, which will be given to the fund for the Bunker Hill Parade as will all the proceeds from the Street Fair.

The Charlestown Board of Trade is presently meeting with The Private Industry Council, The Boston Committee, U.C.P.C. and Boston Parks and Recreation Department about opening The Bunker Hill Pool this summer under the same management plan as last summer. The funding this year is going to be very difficult and we anticipate having to raise a good portion of the funds ourselves in order to effectively open and maintain the pool.

The Spring Fundraiser was held last Friday evening at The Irish American Club in Malden and we wish to thank the Club and their staff for their assistance in making our evening a great one. We appreciate the efforts of everyone who bought a ticket to the fundraiser and helped us to reach our goal. We want to give special thanks to John Hurley, Mike Jacobs and Sheila Sweeney for all their efforts and to Karen Van Riper from Mechanical Co-Ordinators Corporation for keeping track of all the tickets for us. The Board of Trade wishes to congratulate The 520 Club and their representative, Chipper Godding, for winning the Grand Prize. It was encouraging to see fellow merchants enjoying an evening together on the dance floor. The night was a memorable one and the people who were there made it so.

by Sal Giarratani TOWN COUNCIL MEETING

The next Town Council Steering Committee meeting will be held at the Legion Hall, Tuesday, April 6 at 7:30 p.m. This will be a very important meeting and one to which we welcome new faces and ideas. If you're concerned about doing something to improve the concept of the Town Meeting, we want to hear from you.

SAY WHAT?
When I hear liberals like Norman Lear telling us to turn off our televisions if we don't like what's on, I just get fuming. That's like

fighting crime in the street by staying indoors!

DC POWER
Just returned from the 1982 Young Republican Leadership Conference which was held at the Sheraton - Washington Hotel. It was good to see so many young conservatives gathered in one spot.

Found out I could understand everyone but those Kentucky folk. And they had as much trouble with my so-called "Kennedy" twang.

IT NEVER DOES!
Wish people would remember: Governments never run out of money, only people run out of

money. It's all our money they're moving around from one scatter-brain scheme to another!

TUNNEL PROTEST
Kudos to all eighteen defendants in the now famous tunnel protest case. They are fighting for what they believe and no one should judge them or anyone's action when it comes to matters of principle.

Mary MacInnes, the Charlestown One, was miffed with an article of mine in which I expressed doubt that public safety would be increased by protestors demanding a jury trial. I was not badmouthing anyone or any group of people. That was never the intention of my column.

I stand with the Boston 18 as they fight on for justice and public safety.

We can differ over what strategy is more effective but the bottom line for all us is public safety!

BOTTOM LINE
Together, we the people can make the difference if we keep on keeping on!

LET'S TALK POLITICS....

It's not too soon to look at next year's mayoralty race as well as the upcoming gubernatorial contest.

Ex-Governor Michael Dukakis may be leading in all the surveys, but when the votes are tallied where they count - at the polling booths next September 14th - he may not achieve the run-away victory some predict.

Governor Edward King has been making some smart moves. For the first time in his career he's acting like a pragmatic politician and he's not about to play dead for the Dukakis forces.

King's engagement of former House Speaker David Bartley was a masterstroke while locally his anticipated appointment of street-smart Stephen J. Murphy as his Hyde Park coordinator will be another excellent choice. Murphy ran the Timilty fight against Kevin White the last time out and delivered Ward 18 to the challenger. Murphy, Sam Conti and Walter Sullivan are political heavy weights in the area.

Mike Dukakis is raising tons of money, but is he raising enough hell? Is he saying, doing, promising anything that will make those who became disenchanted with him four years ago return to the fold?

The Duke is a smooth, polished performer, a natural on television. But now the governor's battle is moving off stage and into the neighborhoods and that's where Ed King appears to be doing his homework - in the neighborhoods.

The mayor's contest may be more than a year off, but it commenced in mid-February.

That's when Kevin White returned from the Caribbean and began making dozens of moves dictated by the computer. White is your consummate politician and I have the highest respect for him as a politician.

In recent weeks Kevin has moved to solidify his Black and Italian support and his recent journey to Southie did him no great harm. He already has the liberals and if he can regain the Irish-English-Nova Scotia vote, he looms as almost unbeatable.

"Almost," but not quite.

There is much stirring in the political vineyard and some would-be mayors appear to be moving very effectively. Suffolk County Sheriff Dennis Kearney is a serious contender as is Register of Probate James Michael Connolly. Others include Rep. Mel King, ex-Councillor Larry DiCara and Robert Kiley. Count City Councillor Ray Flynn in, too.

Top strategists in the White machine don't want a Kearney or a DiCara or a Connolly in the finale. Thus it's anticipated Kevin will run two or three candidates of his own to weaken legitimate foes. Such padding, of course, would strengthen Mel King who comes to the contest with a solid block of support.

Mel King is not to be dismissed. He finished third behind White and Timilty three years ago, nevertheless it is Mel whom Kevin's people want in the general election in November, 1983. Their thinking is this: Mel will peak in the Primary, get almost his top vote then. Kevin will finish first or second, but in any event receive enough votes to be nominated. In the aftermath supporters of the other defeated candidates will go over to Kevin and he will roll over Mel in the face-off, or so White's people speculate.

It's a nice theory and nice work if you can get it, but the computer isn't always correct. There's a blip on the radar screen which the computer hasn't punched out yet.

It represents a formidable foe, a proven vote-getter who might just decide to take Kevin on. If he does, all previous votes and bets are off; all previous polls go down the chute. It will become a new ballgame and it will be a fight to the finish.

Perhaps to Kevin's finish.

Leaving The City Scene and touching down briefly in Washington it appears that at least two of our incumbent Congressmen are held in the highest esteem.

Recently supporters of John Joseph Moakley hit the bricks in the Ninth Congressional District with nomination papers for this outstanding Congressman. Less than 24

hours later 30,000 residents had signified they wanted Joe Moakley to stay in Congress.

Another U.S. Representative whose Irish eyes should be smiling is Dorchester's Brian Donnelly. A recent "City Scene" survey showed an amazing 88 per cent of those polled in the 11th District thought Donnelly was an effective, brilliant Congressman whom they want to retain.

And what of the Peggy Heckler-Barney Frank Congressional contest? Too soon to call, but it could be **this close**.

Hopscotching around some local legislative races: It appears our readers in Charlestown are very happy with Senator Francis Doris and Rep. Richard Voke and both should return to the Hill. The same seems true of Senator Michael LoPresti, but is Mike thinking of a different run? East Boston's Gus Serra should also repeat and Rep. Kevin Fitzgerald appears safe in his 17th Suffolk seat.

The White Administration would like to put North End Rep. Sal DiMasi in limbo and you can look for it to wheel in some opposition, but DiMasi is more than their match. So are Dorchester Reps. Tommy Finneran, Paul White and Jim Brett. Two years ago Kevin's troops tried to oust Finneran and came up zilch. Did they learn their lesson or will they try again? Senator Joe Walsh, a superb lawmaker from Dorchester, will sail to victory. Walsh is one of the best legislators under the Golden Dome.

Another feisty lawmaker expected to get the back of Kevin White's hand is West Roxbury Rep. Charles R. Doyle, but Doyle should win in a squeezer. Be sure, however, that the well-oiled White Parkway machine will try mightily to defeat Doyle, who is a thorn not only in their side, but in their bottom, as well. Turning now to that Dorchester-Southie House seat being vacated by Dan Pokaski, early polling shows urban expert Richard Rouse in the lead.

Jamaica Plains' Senator Arthur Joseph Lewis is not only worthy of reelection, he appears to be a certainty to attain it, a good man doing a good job, Senator Bob Owens, the Mattapan Republican, should also repeat but he may face a heavyweight Republican in the Primary. Rep. Royal Bolling, Jr. of the Mattapan-Dorchester district, should also do well.

Two of my favorite legislators from every Irishman's home town should overwhelmingly win re-election. Billy Bulger will continue his five-star leadership of the Senate and Mike Flaherty will still do Southie proud in the House.

Veteran legislator James Craven of Jamaica Plain may be opposed by so many candidates it may look like a track meet. There are so many talking about running, each should dilute the other's thrust. Never under rate Jimmy Craven. There are those who say he wrote the book.

In another portion of Jamaica Plain, the 11th Suffolk-Norfolk, which also includes precincts in West Roxbury, Roslindale and Brookline, Atty. Richard J. Finnegan appears to have the Democratic edge over Brookline Selectman Eleanor Myerson, Richard Iannella and John Walsh. But that's only Round One. In November the Democratic and GOP winners must take on Independent Ed Kelly, a scrappy, peppy, smart community leader.

And finally, the stats thus far, plus a look in the crystal ball, see no difficulty for Senator Joseph F. Timilty who has moved from Mattapan to Canton. Timilty has been an excellent, sometimes brilliant, lawmaker.

However, there may be trouble ahead for his close associate, Rep. Angelo M. Scaccia in Hyde Park-Readville's 16th Suffolk section. A recent poll of the district shows Angelo could be put to the ultimate test. Scaccia's best hope would appear to be a crowded field. In a one-on-one he is susceptible, the survey showed. Deadline for filing is April 27th.

Gardens For Charlestown Announces April Concert

Oren McCleary, President of Gardens for Charlestown, and Marie Hubbard, Senior Warden of St. John's Episcopal Church, announce the concert by the Boston Society of Music Orchestra on Sunday, April 25, 1982 at 3:00 p.m. The concert will be held at St. John's Episcopal Church, 27 Devens Street, Charlestown.

The concert is made possible, in part, by a grant to Gardens for Charlestown from the Massachusetts Council on the Arts and Humanities, a state agency.

J. Kenneth Scott, conductor/musical director of the Boston Society of Music Orchestra, has announced the program for the April 25th concert. The following works will be performed: EGMONT OVERTURE by Beethoven, TRAGIC OVERTURE by Brahms, and PIANO CONCERTO No. 2 by Rachmaninoff. Sarah Damron-Brown will be the guest artist performing in the Rachmaninoff Piano Concerto.

Tickets for the concert are \$5.00. Patron's tickets are \$25.00 for two (2) tickets with \$15.00 tax-deductible. Patrons will receive program recognition of their generous contribution. Tickets may be purchased by sending check or money order to: Gardens for Charlestown - Concert, P.O. Box 44, Charlestown, Ma. 02129. Tickets will be held at the door unless a self-addressed, stamped envelope is enclosed with the ticket order.

Proceeds from the concert will be used to further the work of Gardens for Charlestown in the community and to establish the Cutler Memorial Garden Fund.

The Cutler Memorial Garden, started in 1940 by the late Rev. Wolcott Cutler, is one of Charlestown's oldest private gardens and reflects the "forest garden" concept as opposed to the formal flower garden. Restoration of the Memorial Garden was started last year and the establish-

ment of the Fund will enable continued maintenance by Gardens for Charlestown over the years.

It is highly advisable to order tickets as soon as possible as seating is limited.

News From The Mount

The Annual Alumnae Basketball Game was held at Mount St. Joseph Academy, on March 12, 1982, before a large audience of students, teachers, alumnae and friends. The Alumnae Team won with a score of 34-32 vs the 1982 MSJA Team, making a comeback after last year's 40-42 loss vs the 1981 Team. Alumnae Team members included past MSJA athletes from the 1975 through 1981 classes, and one alumna from the class of '54. A member of the Alumnae Team was Mary Ellen Harty of Charlestown. Coach was Ms. Jeane Cleary, MSJA Athletics Dept. Chairperson and instructor. The 1982 Basketball Team included Marianne Regan of Charlestown. Coach is Physical Education teacher, Ms. Ellie Petrovick.

The Parents, Students, Teachers Association (PSTA) of Mount St. Joseph Academy will hold its Spring Meeting on Thursday, April 1, 1982 at 7:30 p.m. at the school in Brighton. Members will make nominations for 1982-83 PSTA Officers and Sister Kathleen Moran, CSJ will give an update of news and information. Dan Barton, President, Brighton, will conduct the meeting which will be followed by a Social Hour. All members are invited.

The National Business Honor Society held its annual Induction Ceremony on Sunday, March 28, 1982 at Mount St. Joseph Academy. In order to qualify for NBHS, students must take two or more business subjects in junior and senior years and maintain standards of professional attitudes. No grade lower than B in a business subject and only one C in any other subject.

Parents and friends were welcomed at the Reception following the Induction Ceremony by the Officers of the Business Club and Business Department faculty members including Mr. Peter DeRoeve, of Charlestown.
