

# Elys Game Technology Comments on Canadian Legislation to Legalize Single-Event Sports Wagering in Canada

The proposed changes gives provinces and areas the ability to offer single-event sport playing goods and the foresight to deal with single-event sport wagering inside their respective jurisdictions. In provinces and areas that elect to offer single-event sport activity bets, Canadians would have got an possibility to participate in this activity within a regulated environment, either on-line or even in physical features.

“We commend Canada’s Ressortchef (umgangssprachlich) of Justice and Attorney General for introducing that significant legislation in help of single-event sports gambling, ” stated Michele (Mike) Ciavarella, Chairman and TOP DOG of Elys Activity Technologies, Corp. “We believe there is strong bi-partisan help support for this bill and, when passed, would possess the incredibly positive impression for both Elys, given our strong authority throughout the space, as properly as the total business, which has been adversely influenced by the COVID-19 outbreak. All of us estimate that roughly CDN\$80 Billion is wagered with sports each 12 months canada. With our set up relationship footing in Canada, sportsbook experience in addition to cutting edge Elys betting technologies, many of us believe there is a tremendous possibility to expand our business around the lieu. ”
