1		✓				<b>c</b> A circle of light appears before you. A form appears inside of the circle and takes the shape of a Bull. You can only go back to the East from here.
2	✓	✓				The beam of light to the West is much brighter now, so you are getting close. You can also continue back to the East or South from here.
3		✓	✓	✓		<b>E</b> You cannot go any further north. However, on the ground in front of you is a stone with 4 different sigils carved into it. It appears that each sigil is a unique marking. To your East and West you can see large beams of light.
4	✓		✓			<b>d</b> A circle of light appears before you. A form appears inside of the circle and takes the shape of a Horse.
5	✓	✓				You cannot go any further north here. The brush is too hard to get through. You can see a beam of light directly to your north though.
6	✓	✓	✓	✓		You are closer to the northern lights you saw before. There is a beam to your North-East and your North-West.
7	✓	✓	✓			You are very close to the beam of light in the North East. You can go any direction from here.
8	✓	✓				There is a stone tablet on the ground here. It reads "Unite the four and you will find the way". You can go North or South here or back to the West.
9	✓	✓				You are still by the edge of a massive ravine to your west. You can go North or South or back to the East.
10	✓	✓	✓			There is a large stone tablet on the ground here. There are words written in the tablet, but they are damaged and unreadable. You can go in any direction from here.
11	✓	✓	✓			From here you can see 4 pillars of light from 4 directions, NE, NW, SE, SW. The light beams flow up to the sky and fade away. At the point where the light fades, you feel as if you can see a shimmer of light, almost as if another world is above you.
12	✓	✓	✓	✓		There is a large stone tablet on the ground here. There are words written in the tablet. "The fish is quicker than the bull."
13	✓	✓				You come across the edge of a massive ravine to your west. You cannot go any further. You can go North or South or back to the East.
14	✓	✓	✓			This area is very dense with trees, but you are able to pass through. To the South you can hear water.
15	✓	✓	✓			You are at a crossroads. There are trees and bushes all around you, flowing as if in water. Beams of light break through the sky. From this location, you can go North, South, East or West.
16	✓	✓	✓			There is nothing too interesting here except worn paths to the North and South. You can go in any direction from here.
17	✓	✓				The trees to your east are too thick to pass through. You can only go North or South, or back to your West.
18	✓	✓	✓			There is a large stone tablet on the ground here. There are words written in the tablet. "The bull has no love for the horse."

21	✓	✓	✓			You walk into a circle of stones with a small pool of water in the center. As you approach it, the water flows up in to the air and forms the shape of a Trident. The Trident then falls directly downward and spears a fish in the pool of water.
22	✓	✓	✓			The place you have been taken to feels like an underwater forest. You can see leaves, vines and branches of vegetation flowing as if underwater, but you aren't in water. The air is cold and it is fairly dark. There is enough light to see, but it is very dark still. Everything is very quiet.
23	✓	✓				<b>a</b> A circle of light appears before you. A form appears inside of the circle and takes the shape of a Trident.
24	✓	✓				You can see a beam of light coming from the West. To the North of you is a pool of water. You cannot continue East here due to the dense trees and bushes blocking your way.
25	✓					The vegetation here is too thick for you to pass through. You have reached a dead end. You can only go to the North from here.
26	✓	✓				The path here only goes North and East. There is a large beam of light towards the East.
27	✓	✓				<b>b</b> A circle of light appears before you. A form appears inside of the circle and takes the shape of a Fish.
