Alin's Coding Services

Optimized for: **Desktop** | Optimized for : **Smartphones** | Optimized for : **Tablets**

Web Design in GIMP (if needed) & Responsive Html/CSS/JS/Jquery/Bootstrap Coding

I can design,code almost any time of website or clone any website you see online.

Price starting at €22.75 / Page

Old Desktop Websites To Responsive Websites Conversion

A desktop website is a website that can only be viewed on laptops,pc's and on some smart tv's.

A responsive website is a website that can be viewed on smartphones,tablets,laptops,pc's and smart tv's.

Price starting at €34.82 / Page

PSD or PHOTO TO HTML/CSS Coding

A .PSD file is a layered image file used in Adobe Photoshop by designers to create designs or to edit photos.

I will slice the psd file you get from the designer and i will convert it in to a responsive website / web page.

Photo to HTML/CSS It's same as psd to html5/css3 ,only difference is that i will slice a photo file (.jpg,.png) instead of a psd file.

Price starting at €50.75 / Page

PSD / PHOTO / XCF TO E-Mail Template Coding

It's similar to psd to html5 / css3 , difference is that i will slice a photo file (.jpg,.png) or psd or xcf and code it as a e-mail template.

Price starting at €36.8 / template

Type of files you wil get: .xcf if needed / .html / .css / .js
