1	Avid	9900-55498-00	Avid VENUE Profile, D-Show Main, Redundant PSU	Main Console	**Main Control Surface for Digidesign VENUE with Redundant power Supply. Digidesign D-Show Mixing Console with Redundant Power Supply**
1	Avid	9900-32598-02	VENUE FOH Rack with 3 DSP Mix Engine Cards, Redundant PSU	FOH Rack	*FOH Rack serves as the central processing component of the D-Show and Profile live sound systems. Generally positioned near the console, the FOH Rack houses an embedded control computer and DSP Mix Engine cards, with room for additional hardware option cards, providing connectivity for local inserts and outboard devices. It works in conjunction with the Stage Rack for remote stage connections, employs VENUE software as its graphical user interface, and enables full Pro Tools integration with optional interface cards.*
1	Avid	9900-31286-01	Avid VENUE D-Show 48x24 Stage Rack	Stage Rack	**48 x 8 Mic/Line I/O Rack for Stage, 19" Format, Redundant Power Supply… The 19" format Stage Rack handles I/O for stage mic/line sources and return signals. A single Stage Rack accommodates up to 48 remote-controlled mic preamps and converters and can be configured with up to 48 outputs (comes with 8). It connects to the mix engine over the digital snake system.**
1	Waves	Mercury TDM	Waves Mercury Plug-in Bundle		**Bundle of TDM Waves Plug-ins Including Diamond, Platinum, Restoration, Transform, and V-Series - Mac/PC AAX Native, TDM, RTAS, AudioSuite, VST, AU, SoundGrid...The Waves Mercury Collection is the most comprehensive set of audio processing tools, now**
