Managua, 18th November, 2021

MRE/DM/00284/11/21

Mr.

Luis Almagro Lemes

Secretary General

Organization of American States

1. Taking into account the "Declaration of the National Assembly in the face of the repeated actions of interference of the Organization of American States in the Internal Affairs of the State of Nicaragua", No. 05-2021; the Declaration of the Caucus of Congressmen and Women before the Central American Parliament of the State of Nicaragua, both of 16th November, 2021; Agreement No. 126 of the Supreme Court of Justice, of 17th November, 2021; and the Agreement of Proclamation

and Adhesion of the Supreme Electoral Council of 18th November, 2021, urging the President of the Republic, in his capacity as Head of State and Head of Government, to Denounce the Charter of the Organization of American States, in accordance to the mechanism stipulated in Art. 143, of said Instrument.

2. Likewise, in accordance with Article 129 of the Political Constitution of Nicaragua, which provides that the Legislative, Executive, Judicial and Electoral Powers are independent from each other and harmoniously coordinated, subordinated only to the supreme interests of the Nation and to what is established within the Constitution:
3. In my capacity as Minister of Foreign Affairs, as instructed by the Constitutional President of the Republic of Nicaragua, Comandante Daniel Ortega Saavedra and in accordance with Article 67 of the

Vienna Convention on the Law of Treaties, I am writing to officially notify you of our unwavering decision to denounce the Charter of the Organization of American States (OAS), in accordance with Article 143, which initiates the Definitive Withdrawal and Resignation of Nicaragua from this Organization.

4. Nicaragua promotes and defends respect for the principles that govern International Law; compliance with the Charter of the United Nations, its principles and purposes, aimed at respecting the sovereign equality among States, non-interference in internal affairs, abstention from the use of force or the threat of use of force and the non-imposition of unilateral, illegal and coercive measures; principles that the OAS is obliged to comply with, but irresponsibly ignores, in violation of its own Charter.
5. The Organization of American States has been designed as a diplomatic political forum, born 

under the influence of the United States, as an instrument of interference and intervention and its actions against Nicaragua have shown that this organization, which operates permanently in Washington, has as its mission to facilitate the hegemony of the United States with its interventionism against the countries of Latin America and the Caribbean. Which is unacceptable for Nicaragua and which we reject and condemn.

6. Nicaragua has repeatedly expressed its condemnation and rejection of the interventionist actions of the OAS, defending its sovereignty, independence and self-determination and the Right of the Nicaraguan People to freely choose their Government and to define their sovereign policies, which is the exclusive responsibility of Nicaraguans, respecting their Internal legal system, Nicaraguan institutionalality and International Law. 

7. We do not view ourselves as a Colony of any Power, and we claim National Dignity and Decorum, in legitimate defense of our Independence, Sovereignty and Self-determination, in the face of aggressive actions, violations of the UN Charter and International Law by the Organization of American States, the United States of North America and of other Colonialist and Neocolonialist Entities, which at this point in Life, believe that they have the power to subdue and humiliate our Worthy People and Government.
8. The Dignified People and Government of Nicaragua resign to be a part of this captive organization in Washington, instrumentalized in favor of North American interests, becoming an architect of interference and disagreement, to the detriment of the Peoples of Latin America and the Caribbean.
9. This Note constitutes our unwavering manifesto and decision to Denounce the Charter of the 

Organization of American States (OAS), so that its harmful international effects against Nicaragua may cease. Therefore, as Depositary, you must immediately communicate to the Member States, Nicaragua's Irrevocable, Dignified and Patriotic decision of Denunciation and Resignation, in the face of interference and the unfriendly and aggressive actions of this Organization, of subordinate Governments of the United States and of the Secretary General, against the Free and Sovereign Motherland of Sandino and Darío.

10. I subscribe, reaffirming that Nicaragua bases its Denunciation of the OAS Charter, its Resignation and Withdrawal from this Organization, on Article 1 of our Political Constitution, which establishes that: "Independence, sovereignty and national self-determination are inalienable rights of the people and foundations of the Nicaraguan nation. Any foreign interference in 

the internal affairs of Nicaragua or any attempt to undermine those rights, threatens the life of the people. It is the duty of all Nicaraguans to preserve and defend these rights." Likewise, it is based on the abovementioned, Sovereign Declaration of the National Assembly; on Agreement No. 126 of the Supreme Court of Justice; on the Agreement of Proclamation and Adhesion of the Supreme Electoral Council; on the Declaration of the Caucus of Congressmen and Women before the Central American Parliament, for the State of Nicaragua; and the Vienna Convention on the Law of Treaties.

As instructed by the President of the Republic Comandante Daniel Ortega Saavedra, in defense of Sovereignty, Self-determination and National Dignity.

Denis Ronaldo Moncada Colindres

Minister of Foreign Affairs

Republic of Nicaragua
