

**SUMMARY:** Multiple sources are saying that the final procedures of the RV are currently underway! These sources indicate that the large sums of money from China have been transferred into US banks, and the paymasters have been paid. It appears to me that this weekend will be the time of the release of the 800 numbers. **Action is likely either first thing in the morning, after close of banking, or at midnight.**

**A Navy Admiral who was on the board who wrote up the regulations for Guantanamo said that it was precisely to house government employees arrested as traitors that the changes to Gitmo were made.**

## **The GoldFish Report No. 281 Exclusive: Red Dragon Ambassador & White Dragon Benjamin Fulford**

On The GoldFish Report No. 281 Louisa and Co-host Steve interview the spokes person for the Red Dragon Family, The Ambassador, and the White Dragon Society spokesperson Benjamin Fulford, for a discussion about the present economy, financial system, geopolitics and what some of the obstacles have been to fulfilling the 555 Mission for Humanity that the Ambassador introduced over four years ago. Benjamin explains a new system is possible and one that can operate parallel to the Belt and Road Initiative. The Ambassador discusses the remit and Surrender progress of the Old Guard and how it has been underway to make way for global economic prosperity and egalitarianism. Benjamin agrees that the draining of the D.C swamp is where change has to happen first to trickle to other regions in the world. This interview is packed with wisdom and perspective from Behind the Scenes , insider perspectives who want a better world for all people. It gives you an insight as to how the real decision makers of the world think and where they may need to rethink playing God.

**"Strong and Honest" - Bluwolf Update 10-12-18**

10.12.18: I have never seen so much bull as I am seeing the crap being put on the tv about the stock market or wall street.

How they lie said so much as to how sick and weak is that current and deterrent body of rich fools. When our time comes to be. I want strong and honest human beings, strong willing, high voice individuals not afraid to stand behind that which is true.

God elected each and everyone of you to be just that. The change, the protectors of the poor and sick, the reality seekers whom will recover all which has been lost due to the subliminal virtual irrationalities that have all so brainwashed and enslaved. Gods be. Bluewolf

**“...that is one of the great things about Trump. He simply refuses to be controlled, and he will not be intimidated by threats.”**

Donald Trump just made one of the most brilliant moves of his entire presidency. **By accusing the Federal Reserve of “going loco”, he is placing the blame for the coming stock market crash and horrifying economic downturn squarely where it belongs, and he is firing up millions of true conservatives among his base at the same time.**

**Another NASA space telescope shuts down in orbit**

October 12, 2018 by Marcia Dunn

"Less than a week after the Hubble Space Telescope went offline, the Chandra X-ray Observatory did the same thing. NASA said Friday that Chandra's automatically went into so-called safe mode Wednesday, possibly because of a gyroscope problem.

Hubble went into hibernation last Friday due to a gyroscope failure."
