

# APRIL 2023 NEWSLETTER

## Community Staff

Community Manager, Debra L Hogg  
Maintenance, Doug Holbrook

## From Dougs Desk...

Every opportunity you get, please check your smoke detector. Make sure that your battery is working. If the smoke alarm beeps, press the test button and it will reset your smoke detector. If it does not reset, call me, your Friendly Maintenance Guy.

## Henry Ford said...

If you always do what you've always done, you'll always get what you've always got." This saying comes to mind when I try to accomplish a task that has been difficult. I must remember that everyday there is always something new and more exciting and that one answer is not for every question. Remember, it is OK to go outside the box and try something different.

## Word Find Puzzle

04/01/23 - 04/07/23

Turn in your Word Find Puzzle. If your puzzle is drawn, you will receive a \$10 gift card.

## E-SCOOTER AND E-BIKE SAFETY TIPS

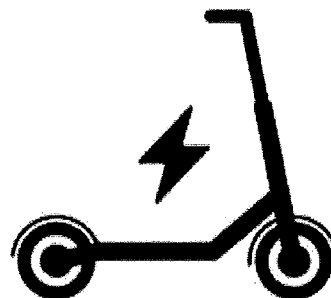

### Help Prevent Injuries and Fires from Lithium-ion Batteries

Residents can do their part to help prevent fires from electric scooters and bikes.

Increase prevention by following these recommended tips:

### DO'S

- Always be present when charging devices using lithium-ion batteries.
- Only use the charger that came with your device.
- Only use an approved replacement battery pack.
- Follow the manufacturer's instructions for proper charging and unplug the device when done.

### DONT'S

- Never charge while sleeping.
- Never use these devices with a battery pack that has been modified/reworked by unqualified personnel or with repurposed or used cells.
- Never throw lithium batteries into the trash or general recycling. Instead, take them to your local battery recycler or hazardous waste collection center
