"Lucifer. No one will enter the New Age unless he receives Luciferian initiation. (David Spangler, Director of the United Nations Planetary Initiative Project (Reflections on The Christ, Findhorn, 1978)

"Lest we forget at least an over-the-shoulder acknowledgment to the very first radical: from all our legends, mythology, and history (and who is to know where mythology leaves off and history begins — or which is which), the first radical known to man who rebelled against the establishment and did it so effectively that he at least won his own kingdom — Lucifer." (Saul Alinsky, Rules For Radicals Lucifer Epigraph)

"The Evil One is the satanic revolt against divine authority...Socialists recognize each other by the words, 'In the name of the one to whom a great wrong has been done...Satan (is) the eternal rebel, the first freethinker and the emancipator of worlds.'" (Mikhail Bakunin, comrade of Marx, Marx & Satan, Richard Wurmbrand p. 27)

"Any country grounded in Judaeo-Christian values can't be overthrown until those roots are cut ... Socialism is precisely the religion that must overwhelm Christianity ... in the new order, Socialism will triumph by first capturing the culture via infiltration of schools, universities, churches and the media by transforming the consciousness of society." (Antonio Gramsci in his prison notebooks)

"Communism is neither a trend of thought, nor a doctrine (but) an evil specter forged by hate, degeneracy, and other elemental forces (spirits) in the universe. In another dimension, not visible to us, it took the form of a serpent, then...a red dragon...it keeps company with Satan, who hates God. It exploits low-level beings and demons to wreak havoc on humankind. The goal of the specter is to ruin humanity." (How the Specter of Communism Is Ruling Our World, The Epoch Times, Preface xxii)

What evil ideology animated Illumined Masonry, Marxist Communism and now much of America's Oligarchy and its sinister master, the Global Ruling Powers?

Global insider, Theodore Roosevelt Malloch, who has worked at the highest levels of Wall Street, the United Nations, at elite universities such as Yale and Oxford, and served on the executive board of Klaus Schwab's World Economic Forum has a chilling answer. It's Luciferianism:

"The E.U. is part, of course, of the globalist empire, the New World Order, and I think many of its origins are in fact quite evil," Malloch explained. "And I think that we should talk about that." (Top Insider Exposes 'Luciferian' Origin of Globalist Empire, WND Staff, 12/25/17)

Luciferianism informs and motivates many American ruling class, Democrats, and global elites:

"Luciferianism is a belief system that venerates the essential characteristics that are affixed to Lucifer," "That tradition has been informed by Gnosticism, by Satanism, and it usually refers to Lucifer not as 'the devil' per se but as some kind of liberator, some kind of guardian, some kind of guiding spirit. In fact, as the true god as opposed to Jehovah."

Malloch identified many people in the E.U. hierarchy and in the Democratic Party as aligned with this belief. He explained how Lucifer is seen as a symbol of independence and of true human progress:

"Turning away from God and turning to Lucifer in order to enlighten yourself,"

Illumination, or enlightenment, is mystical inspiration from the demonic realm invoked by the performance of occult rituals. Among occult rituals there is, for example, ritualistic human sacrifice, mind-emptying meditation, use of substances such as DMT, peyote cactus, LSD and Tantric Kundalini Yoga. (The Worldview of Evil Spirits: Revolution, Evolution, Materialism, Nihilism, New World Order, and more, Linda Kimball)

Spirit-cooking, another kind of occult ritual, is conducted by Mariana Abramovic for American Luciferians:

"This is a ritual in which participants use the vilest human body fluids in order to summon spiritual energies for assistance and favor. To any sane person, this sounds completely ludicrous. But to a Luciferian, this is the practice of enlightenment. This is something that initiates them. It's something that they understand." Malloch

The very popular Tantra Kundalini yoga is based on the occultic chakra system which teaches that universal evolutionary energy (Kundalini Shakti, the Supreme Power; serpent power) is coiled at the base of the spine and flows through human beings and all of creation, uniting everything above and everything below, thus acknowledging divinity in all things and certain people. Through strenuous yoga and other occult techniques outlined in ancient and modern texts, Kundalini Shakti uncoils and rises through seven "chakras" or power centers within the human body. During so-called kundalini arousal, which may last for months or even years, protracted insanity and demonization must be endured. In the words of power yogi Muktananda:

"I was assailed by all sorts of perverse and defiling emotions...my breathing(became) disturbed...my abdomen would swell with air...my mind was sick with fear(my) thoughts became confused, meaningless. My limbs and body got hotter and hotter...Then I felt a searing pain...I wanted to run away, but my legs were locked tight in the lotus posture...Then...a moonlike sphere...came floating in (it) struck against my eyes and. passed inside me...I was terrified (but) still locked in the lotus posture (with) my head forced down and glued to the ground.... I started to make a sound like a camel, which alternated with the roaring of a tiger (I went) completely insane (and jumped and hopped) like a frog (while) my limbs (shook) violently (Later) I learned that this was a Hatha Yoga process effected by the Goddess Kundalini in order for Her to move up through the spinal column into the sahasrana (upper psychic center.) (Play of Consciousness, Swami Muktananda, pp. 75-81, 84-85, 88-89)

With continued practice, surrender, and preparation, one day the kundalini current (possessing demon) reaches full voltage and there will no longer be anyone home but an unholy spirit—the source of Illumination – residing in an empty shell of a body:

"The moment of power transfer had come...Muktananda (adept of Nityananda) was about to make the timeless journey...of the power yogi (the Siddha), but it required the catalytic power of the master guru, Nityananda...who was God to Muktananda, therefore worthy of worship as the supreme Deity. The voyage of consciousness, prized by the ancients, would split Muktananda into fragments...Sometimes (his) body would writhe and twist like a snake's while a hissing sound would come from inside (him)." Finally, it happened – explosion, the point of no return where Muktananda "as an individual would be obliterated. Superconscious states would take control of him, and his consciousness would be kicked out to more and more remote levels." "In place of the former person was the walking void, the Unself, the hollow shell filled with the soul of the universe..." (Riders of the Cosmic Circuit, Tal Brooke, pp. 36-45)

Brotherhood of the Possessed

According to Luciferian Manly Hall, the Illumined Brotherhood (India's god-men, Masons, Marxists, today's Luciferian Brotherhood) is a separate race born of a second birth:

"By this second birth, man is born by enlightened intelligence out of nation and out of race into an international nation and an international race. It is this larger and coming race that will someday inherit the earth. But unless man be born again by enlightenment, he shall not be a part of the philosophic empire." (Worldview of Evil Spirits)

The New World Order

"They're turning to this form of anti-Christ, to Lucifer, and that's the foundation for their 'enlightenment' and for their institutions," said Malloch. "I would argue even for the definition of this whole New World Order." Malloch

The philosophic empire, or New World Order, said Hall, originated in pre-flood Atlantis. It was the Atlanteans that devised a 'Great Plan' which would guide world events for millennia to come, and it included a mysterious blueprint for what would later become America,

"Plans for the development of the Western Hemisphere were formulated in Alexandria, Mecca, Delhi, and Lhasa (in Tibet) long before most European statesmen were aware of the great Utopian program." (Worldview of Evil Spirits, Kimball)

The Great Reset: Precursor to the New World Order

Satan and his evil host have provided contemporary Luciferian with an evolutionary ideological religious system and an Illuminated (possessed) Brotherhood to facilitate the evil New World Order they desire. But in order that it can emerge, Satan requires the destruction of everything that exists and murder of all reactionaries, thus, the still remaining remnants of Western European and America's Christian-based culture and all who defend it are to be completely destroyed.

The evil New World Order is destined to be a living hell on earth under the complete control of the Antichrist and evil spirits. Thus, it will be as it was in the Days of Noah, and this will precipitate the second coming of Christ (Revelation 16: 11-16)

Satanic Inversion of Reality

Luciferianism is an upside-down ideology because premised on an inverse exegesis. Rather than "In the beginning God created..." (Gen. 1-11) and then a Fall, the inverse exegesis begins at the bottom, in the Abyss (Rev. 9:2; Rev. 9:11, Rev. 17:8; Luke 8:31; Rev. 20:3).

Thus, Satan never fell and so is Lucifer, the savior and enlightener of Gnostic Luciferians. Lucifer is also the Void from which matter is emitted and worked on by evolution (Satan's serpent power). As well, Lucifer is the Divine Androgyne symbolized by the horned goat-headed, androgynous (transgender) Baphomet (1), and this is why Gnostics support sodomy and all manner of perversion plus the transition of our children to transgender since they are remaking people in the perverse image of their Evil Master.

Continuing on with Satan's inverse exegesis, God the Father is the true source of suffering and evil; the world He created is a place of suffering and evil; and all of His image bearers who call Him Father are true sons of the evil one. Christian civilization—Western Europe and Protestant America are evil as are the individual souls created by the evil God.

The Great Reset

Before the New World Order can come into existence, Luciferians must purify the world of all sources of evil (see above for a short list). In Marxist controlled Russia, for instance, the purification of evil led to the murder of millions of men, women, and children. Half of them were Christians.

Purification of evil, according to Satan, is why the West and much of the world is undergoing is the Great Reset – the destructive portion of the Plan being facilitated by the Illumined (possessed) Brotherhood through Western Global Transhumanists and their managerial Western Ruling Classes and their followers.

Out of the ashes of the West and the world's civilizations will arise the promised New World Order, but its real architects are Apollyon, the destroyer angel of the bottomless pit, and Ba'al/Beelzebul, the prince of demons. These two high-ranking evil angels, together with their legions of evil spirits, possess and direct the Illumined Brotherhood and dominate and control the demonically darkened minds of Globalists, their Ruling Class managers, certain Democrats, and their myriad followers.

For American and Global Luciferians, the destruction of the United States and all who call Lord Jesus savior will be the supreme act of worship to Lucifer – *that will condemn what's left of their souls to outer darkness for all eternity.*

Despite all of this bad news we must not give in to despair but instead repent of our sins, ask the Lord to redeem our souls, and then lift our voices up in earnest prayer to the Lord our God. Pray to Him that it be His will to smash Satan, his legions, and the Luciferian Beast he has raised up to devour the world and its people. Ask the Lord to take from the Luciferian Beast its power, for all power is the Lord our Gods power. Then in faith continue to fight for American independence from the Beast and Satan's corrupt American ruling class and Democrats animated by evil ideas.
