

## JACKSONVILLE FIRST ELECTION POLL

### Executive Summary

Gravis Marketing, a nonpartisan research firm, conducted a random survey of 862 likely voters across Duval county. Potentially likely voters were determined by vote history and having voted in the any of the following elections: 2015 First Election, 2015 General Election or in both the 2018 Primary Election and 2018 General Election. The poll was conducted from Feb 27th through March 4th and has a margin of error of  $\pm 4.5\%$ . Non responses were voided from the total to reflect total percentage. The totals may not round to 100% because of rounding. The survey was conducted using an online panel of cell phone users and interactive voice responses.
