

The Kabbalah is the pinnacle of the Jewish faith, its innermost knowledge which is the foundation of all Judaism. As with all Jewish "culture", there is nothing original in it. All the elements in the Jewish "Culture" are stolen and incorporated from pre-existing Pagan religions all over the world. Judaism is not only filled with stolen concepts and perversions of spiritual truths, but also, it is created in a way to help the Jews further their objectives against this world by the use of occult means, against non-Jews.

As much as we would like this was not the case, this is the case, and many vocal and highly important Rabbis across the planet admit to this very fact without a shred of conscience or guilt. There are some Rabbis (top leaders of the Jewish people) who also talk openly of the genocide of the non-Jews being part of a Jewish divine plan. Therefore this website is created to awaken people in regards to these facts, which surround us but we rarely hear about.

Jews are a race, and not simply a 'religion' as it's foolishly claimed. "You can draw a picture of a Jew, but you can't draw a picture of a Catholic or a Protestant."

Going one step further into the depths of Jewish knowledge and thought, one also finds other truths, such as that the Jews are not only non-human, but that they are the offspring of an alien race. These are not the beliefs of their 'accusers' either- these beliefs come directly from the words and innermost beliefs of the Jews. A fact admitted by Jews themselves, the Jews are an alien race of people, as thus their alien and worldwide hateful behavior, and they have a plan to dominate this world and enslave its inhabitants which they call by the word Goyim (Meaning Cattle in Hebrew). While these truths may be too resounding to some 'normal' people, these are the internal beliefs of Judaism, and this website, not only exposes the "Kabbalah", but will also expose this very reality in full.

Contrary to the beliefs of many people, the jews use occult methods that they have stolen from prior Pagan civilizations and appropriated, later on calling it 'jewish culture'. These spiritual powers not only exist, but they help shape the fabric of this world. For this reason, those of us who fight them mentally and spiritually, did create this website for people to get enlightened and understand the importance of understanding where this centuries-old jewish plot is going.

The jews can be brought to justice by the being whom they call "The Accuser" "The Enemy", which are the Hebrew translations and meanings of the word "Satan". While Satan means negative things to jews, it means nothing but positive things in the ancient language of Sanskrit, predating jews, judaism, and the perception of the "Demons" being evil" by thousands of years. Demon is the ancient name of the Gods of the Pagan people (the Heathens according to the bible and the idolaters).

Jewish Kabbalah is the root of all jewish lies and machinations not only against Humanity but against the creator of Humanity, Satan Himself. The Kabbalah is actually the core of the spiritual warfare of the jews against their old nemesis, Satan, and the Pagan Gods.

We proudly expose the genocidal secrets of the jewish Kabbalah, in accordance to Satan's words: "ISRAEL WILL GET WHAT SHE DESERVES", on the topic of the destruction of Israel and the so called "Jewish people".

## Kabbalah Exposed Updates 12 April 2020

One of the contributors in this website has been revealed to be with the enemy. This is not new for us, as the enemy is highly aware of the value of infiltration and subversion. Quite a few of their writings are not sourced, yet, they reflect jewish knowledge about this subject.

In this case, after the unfolding of related events, they revealed that they were unusually aware of all the subjects relating to Judaism, Jews, and workings of the enemy. They revealed facts in these arguments, before they decided it was time to finally betray the Joy of Satan.

In the case of them saying too much here, it was necessary to gain trust. The moment trust was revoked, they went against all these 'primary statements' from this site.

Examples of this, are jews like the racial jew who revealed that there were no gas chambers. This, they thought, would gain control of the historic interpretation opposition community of the Gentiles.

Their reversal of claims after this fact reveals a lot. Except of the obvious fact that jews will betray their own to infiltrate their enemies, in some of these writings connected to this infiltration, is revealed the enemy is not only aware of the power of the Reverse Torah Rituals, but they are aware these contribute to the destruction of their jewish magick, hexes and curses on Gentiles.

They in fact did not believe they would be THAT effective. The Rituals have been destroying them, and their incapacities to manifest magick and do anything spiritually, is manifesting more and more. Due to the Gods and systematic efforts by skilled Satanic magicians, the Rituals have been effectively in unmasking, destroying, and corrupting the agenda of the enemy and their agenda.

Jews are aware and as this enemy's claims, are well founded. Jews have prophecies, knowledge, and above all fear that the "Gentiles" will figure out how to take their magical system down, "Reverse the Torah", and effectively, destroy jewish religious and spiritual power permanently.

Lastly, the site will undergo checking and sourcing research, because the associated writer and their standing shows that jews would also not hesitate to lie or potentially copy information without giving credit to original writers or owners of this information. Anything of this nature that is discovered will be flushed out.

## "The One God" - A Perverted and Stolen Concept,

# Corrupted by Jews by High Priest Hooded Cobra 666

I have decided it's important to educate a bit on the important number of the ONE, and what this literally means.

The number one is the number of the undivided, the eternal, the permanent, the 'all that is', basically. This is the formless, the Aether, the void that permeates all creation. It's at the same time, all potentiality. In other words, everything begins with the "One". This is the god-force that is everywhere in creation. Essentially, this is not even 'god', but the all-pervading power of nature, so to say.

The enemy scammed this allegory and replaced this concept with 'themselves' in the position of 'god'. They based this concept to justify their crimes against creation, against humanity, and their alien agenda. The enemy knows, as we have stated many times, that all of these things are hoaxes. But like any other hidden order of slavers, their fear is that you know it too.

Creation does not start with the "ONE". It starts with TWO. As thus Satan has been given the "Two" and was called the "Evil one who Divides", but also at the same time, the ultimate Creator of the Cosmos and perceived reality. This is also the symbolism of the Serpent. It divides and brings together at the same time. The Satanic Serpent is the whole, and the division at the same time.

When something does get 'divided' from this 'whole', as a separate consciousness, this is when creation begins. This makes beings co-dependent to it. We are indeed 'one', in the fact we are all permeated by this very essence, but the enemy hides it with hiding spirituality, killing and cursing spiritual people, and trying to pass of spiritual communism as a rule (everyone is 'one') and the 'same'. This is exactly the opposite of what beings in nature should be doing. This right here reveals the soul of the enemy to be that of a parasite and nothing more.

This is only an excuse. To make people understand this. It's actually POLYTHEISM that is divine

and non-primal. Polytheism recognizes that individuals can all be "All powerful" and Gods in their own right, for the universe (nature-god force) is limitless and infinite. It was only when the reptilians set foot in the planet, that they stated this was 'evil' and that humanity had to forcibly forget this and just worship 'the one'.

The 'one', without beings, is nothing- absolutely NOTHING. The enemy knows this, and they pretend to be this highest authority, but nobody is, let alone the enemy. It doesn't have to do with 'worshipping' this thing either. We have to worship our Gods, for its THEM giving a damn about our survival. Not the 'one' or 'nature'. Nature launches a solar flare, and off goes 'humanity'. Respect, upholding, and understanding nature, yes, by all means.

On the other hands, its the Pagan Gods that need our attention, worship, and love and admiration, for it's due to them we exist, know occult sciences, medicine, and so forth. All these are survival tools given to humanity, so that they can endure nature's negative decrees. These weren't given to us by "God". Satan was the only one that gave a damn to save these petty monkeys on this abandoned planet, and to him we owe our existence.

As for "nature", we respect her, uphold her, and again, seek to understand her, but on the other hand we cannot deny the fact that with one solar flare, mommy nature can have us extinct in no time. Therefore, we have to SURVIVE. The enemy tries to play "God" and tries to exterminate humanity, de-evolve it, and enslave it.

Never buy the lie that this "God/Nature" is against or pro anyone. It just "IS". It's just creation, infinite potentiality. Everyone is part of it. Now, the more beings develop, they apply this force into developing themselves. Judgement from "God/Nature" is actually what one brings upon themselves for meditating or not meditating, upholding the laws or not.

This doesn't have to do with the tablets of some reptilian kike named Moses, which is a fictitious character, neither with some demented genocidal rabbis. In short, you have to correct your relation to Nature, and how you understand it, work with it's laws etc. If this is not upheld, then people are punished.

This has NOTHING to do with conformity to the Jews. It's all a dupe.

The more these 'divisions' happen, the more creation flourishes and evolves. In fact, this is exactly what nature wants beings to do. The final steps of such as manifested on the planet are different lifeforms, the humans the races, the separate souls that nonetheless, are all "Divine".

The enemy is a criminal and tries to make 'reasons' for the universal crimes they do, such as race mixing. Everything that removes what makes us 'different' (which the ultimate result of race mixing will be, ONE "Human race") is regressing us back into the 'one'. The same goes for death. In short, the more docile, and the lower the type of the lifeform, the more towards non-existence it goes. It goes back to the first primal state from where it actually was...DIVIDED in order to ADVANCE.

Of course, we have to unite with this force (this is what the Kundalini and Meditation does) and we have to respect it and work with it. In simplicity, to understand that we are one with nature and the world around us, and not just 'separate'. This is where the power is at.

Therefore let all the lies of the enemy, that this is 'natural', 'normal' or even spiritually 'founded', as far as their crimes go. Know they go STRAIGHT UP AGAINST nature and the purposes of creation, for the development and evolution of species. They are actually throwing or attempting to throw humanity billions of years of labor, time and evolution, back into becoming stupid amoebas with the IQ that is inferior to that of a pig.

The above is only one example.

The key is with Satan. Satan is the teacher and the master of the ways of Nature, some naive people which call "God". Satan commands, in all the levels, Satan knows. Without Satan as a representative, creation remains faceless, so to say. Unapproachable, and dull.

Lastly, Satan never had a problem with nature, which many naive people call "god" and it's understanding, for example. It's the enemy that invented this lie. If anything, Satan and only Satan and the Gurus (Demons) do actually LEAD to God (the Godhead, understanding of nature) and our realization as people. It's them that brought about, mastered, and passed us down this science.

However, Satan DOES have a problem, same as all the Gods, with these scumbags that lie to Humanity, plague us, and want to convince by lies, deception and killing that they are "GOD" themselves. I therefore reveal them in front of you know, so that you know, they are lowlifes, trash, and if anything, very AGAINST and DISRESPECTFUL to nature and creation in general.

For that reason, amongst many others they need to be SPIRITUALLY DESTROYED and SPIRITUALLY FLATTENED.

Satan, the Gods and us, we will look to it.

## Lucifer And the Philosophy Behind Satan/Lucifer

As we all know by now, we can call the essence of the universe "God", "Source energy", "Akasha", "Ether" or as we see fit. It's this one energy that permeates the whole of creation and keeps it going, but then, there is another thing that keeps creation going: Consciousness. Lucifer/Satan represents this, and the channeling of the energy of the universe, at the same time. Essentially Lucifer/Satan is the Creator.

It's a kosher jewish lie that pre-christian Satanists/Pagans denied the existence of a 'source' of all creation, a primordial cause, or a sole essence that was the source of creation. But they considered this useless, because this was UNEXPRESSED and LATENT in existence...In other words without beings to express this, the universe is as useless as anything that never existed. Therefore the 'created' have a similar position to the 'creator force' in this sense.

However what they all believed is that simply, this is an eternal concept and cannot be expressed. For this the Gods are needed. In Egyptian mythology the Gods came from the Neter, which is basically like the Source or Akasha. Ie, the force of "God" or "Nature" created the Gods. Which then they created us and so forth.

Learning to understand this concept and one's position in this infinity was central and fundamental thinking. Spiritual Satanism or Satan never denied this either. As this something real.

The second title for Satan is Lucifer. Now Lucifer breaks down in two. Luci which comes from the latin Lux which means Light, and fer which means Bringer. Therefore Lucifer is the bringer of the Light. This is a title even admitted by his enemies, but what does this title means I am going to briefly explain into this post.

When people think of light, they think of Sunlight according to human sense. However this light is an unseen, formless, unexpressed light that is basically not a light, but only what it is in itself. But we still call it the light, although it's the light that hasn't manifested. When the light manifests in full power, that is the power of the Sun, and therefore the Sun is the power of the manifested and real, felt and active light. The other type of energy is thoroughly passive.

Anything that is revealed and created, is a form of light and vibration. The revealed and all the potential worlds are light, and they all come from the Abyss of 'Nothingness', the Akasha or the "Chaos". Nothing exists there, but endless potentiality. It's a void, just waiting for a conscious entity to express it. Without a conscious entity or a teacher (which is what Satan/Lucifer is) this light would remain unexpressed and all living entities would never figure this out, as thus remaining ignorant. The person who does this process of en-lightening is called a God, and this is exactly what Lucifer is and what his role is in creation.

Therefore the Demons (Demon = God in Ancient Greek) all obey to Lucifer. The other name of Lucifer which is Satanus is related to Truth and the realization of Truth. Lucifer is even admitted by his enemies to be the "Angel" that was closest to God, ie, the formless light or the neter, or the Akasha or chaos, you name it, and he was the creator and the transferer of the light, ie, the creator manifested. He has the same position in the Yazidis who honor him above "god". Simply because God is neither a kike named Jehovah, and it's neither a form that needs worship or to be followed as on it's own it leads nowhere.

Sat means True, An means God, and As in the jewish kabbalah in Hebrew which is concealed to hide from the masses means boundless Light. Satan still technically means Truth, but to break

down the name as in above, this reveals the real nature of Satan as a being. The jews removed the AS from the name of Satanas to show their wish to cast him 'down' from his position. This deals with who Satan is as a being in the universe, or more accurately, the ET behind the title. Lucifer brings the light, and creates the world, the Soul, and everything that is and exists.

Without Lucifer, the active creator, a manifest creation cannot be, and "God" remains a useless potentiality in the middle of nowhere. As thus the perverted statement of "Lucifer being the favorite angel of God". This shows that this being behind the title has reached a state of equality with this force, which is what the Godhead is.

The light he brings from the highest source of creation, the creative source par excellence, the depth of depths, the "One God" that so many idiots gloat about, which is the chaos, or the light. Indeed there is no way to accurately 'explain' what this 'is' because then we start to define it.

Additionally, as all of us know, Satan leads man to understand the Godhead and become a part-taker in this Divine Creation. Because indeed Satan/Lucifer is God and in the infinite universe, there can be infinite Gods. Therefore Satan/Lucifer is not afraid of us, scorns us, or puts us down. Why should he?

For some reason dealing with the aliens and ET's hiding behind theology, the jews decided to attack Satan and try to curse him from falling from this high position he had in 'front of God' which is basically a metaphor in the mastery of the light, which even the enemy admits, was the superb and the highest possible. This is all strong allegorical language here, coded in the "Fall of Lucifer".

This came because the jews put themselves as "God" and Satan went against their plans, so putting words in the netter's mouth, they supposedly stated that Satan was to be punished. Mass belief into this lie pushed energy into this direction to some extent. But obviously the jews have nothing to do with "God", nor this is real. And this is why people like the Yazidis never bowed to the jews and their crap. Because enlightened people like Sheik Adi can see what is real and what isn't spiritually wise.

In the Yazidi tradition, Lucifer was asked to bow before "Adam" (Man, or what have you) and he denied this proposal because he was the most Ancient and the most ancient and he knew that

would be disrespectful to the creator or the universe to obey something that is so recent and fragile as man. In this fable of the Yazidis, "God" or the source rewards Lucifer because he stood to his stature, and puts him as ruler over all creation, seen and unseen.

Lucifer/Satan is basically the conduit from which the infinite unexpressed light gets an expression into existence. Rightfully so some people take this and say that Satan is the Creator God of the universe, but this is allegorical. Satan is one with this force and there is no division, and consequently comes the statement of Satan being everywhere and anywhere, which many people took and named him as a 'force' later.

This is the future of advanced entities who ascend spiritually on these higher levels,, to reach this state. And as always it's Satan that leads to "God" and is God. Deprogramming from Jewish lies that are offbase and extremely blasphemous is a necessity for all Gentiles who seek to rise into a higher spiritual level.

All of the above should show who Satan is, and who we are as a result by calling ourselves Spiritual Satanists, which is to strive towards the highest spiritual awareness and objective.

## The Holy Bible: A Book of Jewish Witchcraft

There is nothing "holy" or anything for spiritual advancement or the betterment of humanity in the bible. Look to the numbers, the books, the scriptures, and the contents and you will see it for what it is really for; it is a book of Jewish witchcraft, of which they use liberally way at the top, to advance their agenda and to enslave the masses. The whole point of this article is to explain in every day simple terms on how they do this. The Jews are an alien RACE within all races. One does not say "I am a quarter Catholic," or "half Lutheran," or "part Jehova's Witness," or that "there is some Presbyterian blood in the family," but one can be half Jewish, quarter Jew, etc. And a Jew is still a Jew regardless of whether he/she practices or observes the "religion."

For those of you who are unfamiliar with spirituality and the workings of the mind, known as

"witchcraft," I am going to explain this so you can understand how this works. Look around you; everything you see, your computer screen, your chair, your bed, your furniture, the cars outside, buildings, windows...everything you see was once someone's idea before it materialized into a physical form in reality. Now, I also want to add in some instances, such as with science, for example storms manifest on their own; hot humid air colliding with cold, dry air for example, but the majority of everything here was once someone's idea.

Most of you are familiar with the cone shaped hats that classic wizards and witches wear. These often have stars drawn on them and such. The symbolic meaning of the cone is energy welling up to the top of the head. This is also symbolized by the Egyptian pyramids. Energy is needed to manifest an idea into reality. Energy is also like water in that it will take the easiest way out if not thoroughly directed. A conscious witchcraft working needs energy and the focus of the mind. The more important the working, the more it may take planning before doing it. By planning, I mean a date where the planets are supportive of the working [hence the stars on the cone-shaped hats], along with timing, and knowledge. The more forces working in harmony to support the spell, the better, especially the numbers, as life is made up of numbers...time.

The working is empowered by the right [female] side of the brain. This side of the brain rules over the subconscious mind and is also the passive side of the brain. The left side of the brain is the male, logical side that directs the working. The more energy that is directed toward a working, the more likely it will manifest in reality. Little things do not require massive amounts of energy, but controlling the world and what I reveal later in this article, do require the participation of the subconscious [female side of the brain] mass mind. The populace is unaware of this. This is the reason a Bible is in nearly every home, as it acts as a subconscious receiver and it has subliminal power, a connection with the numbers, the verses and given the centuries of massive amounts of psychic energy being poured into it from believers, it has plenty of power. Believers subconsciously tie into the energy and unbeknownst to most, can be controlled this way. This is only a brief summary of how the powers of the mind and soul work. To learn more, study up on the subconscious mind, especially how some people are able to obtain the entire contents of a book by just holding the book and focusing on it, without reading it. This should give you some idea of the power the Bible has. This is another reason why Bible verses are memorized, as these become embedded in the subconscious, and this bleeds over into the mass mind, making the mass mind a powerful tool in working a spell.

In addition, many of you are familiar with subliminal messages. Most of us have heard or read about how popular advertisements, music, and other media use subliminal messages that are not usually detected by the conscious mind. We are unaware of them, but they do work and they do influence people. At the end of this article are links to YouTube videos that further

demonstrate this. To further confuse and misdirect the populace, these workings such as the 9-11 are blamed upon Satan, but with a little research and study, you will find the opposite to be true. All of these are of the Judeo/Christian Bible. This is no different from the phony Jewish "Holocaust" Lie of the "six million." Note how the number six is frequently used [more on this below]. The endless media publicity and otherwise this receives, acts as a major distraction and diversion away from the real atrocities, mass murder, torture and brutality committed by the Jewish communist program.

"Satan" is the God of the Gentiles [Non-Jews]

#"Satan" means "enemy" in Hebrew

#"Satanism" is also a label for Paganism

#"Pagan" means "Gentile"

Anything that is against the Jews is zealously forced upon the populace as "evil."

Some of you may remember here how after the 9/11 incident, many people were folding \$20.00 bills a certain way, as the twin towers could be seen in flames, given the bill was folded, then viewed a certain way. The \$20.00 bill is the most commonly used of US currency. Shortly thereafter the 9/11 incident, the \$20.00 bills were very rapidly replaced with a new version. They all disappeared very quickly. The excuse used before the public was that they could be easily counterfeited. The real reason was because of the design of the bill and the subliminal vibrations it carried.

The number eleven is a number of chaos, destruction, and disintegration, according to the bible. Because that filthy Bible is in nearly every home, so many people adhere to Christian teachings, and put their faith in it, like the \$20.00 bill, it is a very powerful subliminal tool, even more so than the \$20.00 bill, as it has been around much longer, and is international. Thus, when Jews at the highest levels work their witchcraft in groups, they use the numbers and verses in the Bible to accomplish their ends. From what I understand, some of the verses are vibrated in Hebrew in boustrophedon, meaning read in zigzag. They also bob back and forth when they "pray" in groups.

The numbers 10 and 12 in the bible are supposed to be perfect numbers.

The 12 sons of Jacob minus Joseph ["one is not" - Genesis 42:13] without whom the other 11 would not have survived.

Note\* Genesis is the first book of the bible; Genesis = 1 + 42 + 13 = 56, which reduces to 11. This is in addition to the verse itself.

King Jehoiakim [2 Chronicles 36:5-6] reigned 11 years before Nebuchadnezzar carried him away into captivity [his downfall and the end of his rule].

King Zedekiah [Jeremiah 52:1-11] reigned 11 years before Nebuchadnezzar imprisoned him, murdered his family, and mutilated him.

In the 11th year of the Babylonian captivity Ezekiel prophesied of the fall and the destruction of Tyrus, [Ezekiel 26:1-5].

In the 11th year of the Babylonian captivity Ezekiel prophesied of the fall and the destruction of Egypt [Ezekiel 30:20-26].

Note also in the above scriptures, if you do some more reading on them, they all rebelled against the Jews and were punished for it. The above serves as an example...there are many more.

Now, the number 9 is a number of endings and finality. Note how the biblical verses that emphasized the number 11, all related to destruction and fall.

I will not make this article too long, as I will have more detailed examples and such in the near future. The book of Job [suffering] is used to curse their enemies in many circumstances. The bombing of Dresden was carried out on the Christian holiday of Ash Wednesday and reduced the city to ashes. I could cite many more examples, but taking a look at how similarities all tie in, we have:

On 15 March 2004, there were exactly 911 days between the Twin Towers attack of September 11, 2001 and the bomb attacks on the trains in Madrid Spain on March 11, 2004.

Madrid, Spain has 11 letters.

New York City has 11 letters.

The American attacks occurred on September 11th 2001.

The Madrid attacks occurred on March 11th 2004.

There were 911 days between the American and Madrid attacks [ $9 + 1 + 1 = 11$ ].

The Madrid attack occurred on the 11th Thursday of the year.

September 11th is the 254th day of the year [ $2 + 5 + 4 = 11$ ].

After September 11th there are 111 days left to the end of the year.

September 11 has 9 letters and 2 numbers [ $9 + 2 = 11$ ]

11 March 2004 has 5 letters and 6 numbers [ $5 + 6 = 11$ ].

Each building had 110 stories [ $11 \times 10 = 110$ ].

The Madrid train attacks left 191 people confirmed dead [ $1 + 9 + 1 = 11$ ].

On September 11, 2002 the names of the 2,801 victims of the World Trade Center attacks were read aloud from Ground Zero [ $2 + 8 + 0 + 1 = 11$ ].

The Twin Towers standing side by side look like the number 11.

The first plane to hit the towers was Flight 11.

Flight 11 had 92 on board [ $9 + 2 = 11$ ].

Flight 11 had 11 crew members.

Flight 77 hit the Pentagon [ $11 \times 7 = 77$ ].

Flight 77 had 65 on board [ $6 + 5 = 11$ ].

911 is the number to call in case of emergency [ $9 + 1 + 1 = 11$ ].

New York was the 11th State added to the Union.

Manhattan Island was discovered on September 11, 1609 by Henry Hudson -11 letters.

Saudi Arabia has 11 letters.

Afghanistan has 11 Letters.

Note how the vibration of the number 11 ties all of this in with the 9. Astral energy seeks the easiest way out and like attracts like. It is no wonder that Freemasons, who are controlled by Jewish powers, place their hands upon the bible during their initiation. Given every page of that evil Bible has the word "Jew" "Jews" "Israel" "Jerusalem" and related; the Nazarene and company- all Jews and given the Jews proclaim they are the "Chosen of God" and they are held in the highest esteem and exalted in the bible, no wonder they are so powerful and have secretly ruled over the world, unbeknownst to the masses, for centuries.

Satan, himself also showed me how these workings are like a domino effect. Once something is set into motion on the astral, the energies put into motion seek out like energies and things tie in. With the strange and eerie coincidence of the numbers [this is only a sample, there are many more], this reveals this is not a random act, but a dead giveaway that this was an occult working which was deliberate.

I would also like to add the Jewish emphasis on the number 6. Please do not confuse this with "666" which has an entirely different meaning.

Just be aware and you will notice what I am saying here. For example, the six million for that holoco\$t hoax, Jewish communism has its important holiday May 1st; 5/1;  $5 + 1 = 6$ . With this I could go on and on. Israel has 6 letters. Pay attention to the news and also history; anything connected with the Jews and you will see what I mean. In the bible, the number six is the number of man without any spiritual power. The number 7 has to do with the 7 chakras and spiritual power emanating from these and spiritual perfection. 6 falls short. 6 is also a number of hard labor. Work was done for 6 days and the 7th was a day of rest.

"The number 6 is stamped on all that is connected with human labor. We see it stamped upon his measures, which he uses in his labor, and on the time during which he labors. And we see this from the very beginning."

The Jewish emphasis on and use of the number 6, sets up a vibration on the astral for the advancement of their agenda, their communist state and world order. Communism is slave labor. With the communist state, the Jews become "god" and all spiritual knowledge is replaced with material atheism. Only the Jews at the top know the secrets of the occult and they use their curses and spells on an unknowing, and helpless populace to whatever suits them. Christianity in more ways than one is a stepping off point for communism. In addition,

Christianity has made so-called "religion" into such a totally repulsive and vile concept, that many who are unknowing, gladly accept and promote atheism.

In closing, like everything else, this is all blamed upon Satan and our Pagan Gentile Gods by ignorant brainwashed fools. Most Christians do not have the intelligence or the strength of character to delve into the occult. There are also scriptures in that bible that the Jews use to curse and frighten outsiders away from really getting into the occult. I remember when I was new to Satanism, I had a bad experience, but this only drove me on and heightened my curiosity. One cannot be afraid. The Jews and their alien cohorts have used fear as a tool for control for centuries. In communist countries, the populace lives in a constant state of terror. This is also in league with the bible, as is everything else regarding Jewish communism.

I will have more information and many more examples on how the bible is nothing more than a book of Jewish witchcraft, hence the numbers; biblical numerology, and how the bible is continuously pushed upon the populace, it is in nearly every home, in hotel rooms and everywhere else. Everyone is familiar with it, and knows what it claims to be.

The world needs to wake up. Please feel free to educate others, distribute this and any other JoS articles and to work hard for Satan. Satan means "truth" in Sanskrit.

911 WAS ALSO A SPIRITUAL ATTACK [TOWER OF BABEL]

Below is a direct quote from the Torah:

(Genesis 11:9) Therefore the name of it was called Babel, because the LORD confused the language of all the earth, there. From there, the LORD scattered them abroad on the surface of all the earth."

NOTE: 11:9

Now, in the USA here, our civilian dates are month/day, but worldwide and with the military, it is day/month. So with most countries outside the US, it would be 11/9, not 9/11. This was also a spiritual attack, to divide, confuse, destroy communications.

More in the scriptures preceding this:

(GEN 11:6) The LORD said, "Behold, they are one people, and they have all one language; and this is what they begin to do. Now nothing will be withheld from them, which they intend to do.

(GEN 11:7) Come, let's go down, and there confuse their language, that they may not understand one another's speech."

The Tower of Babel has to do with raising the Serpent [building a tower is an analogy]. With the Serpentine Power, telepathic communication and all knowledge are possible and with telepathic communication, there are no language barriers, as the communication is filtered down through the pineal gland from the communicator into whatever language the receiver mainly speaks and understands. This is why some telepathic communications can be 'off' sometimes. Specific words don't always get filtered perfectly for one, due to an under-activated pineal gland, and for another, there are sometimes major differences in languages. In some languages there is no equivalent expression or word to convey what is meant in another language.

Every time throughout recorded history when humanity has advanced to a certain level of knowledge, that knowledge has been systematically destroyed. This is most notable with the fall of the Roman Empire, where Europe regressed into the Dark Ages for 1,000 years. After the Jews were expelled from Western Europe, then the Renaissance emerged, bringing enlightenment. The Jews who migrated to the east and also to Sicily [especially after being expelled from Spain], wreaked havoc on the Gentiles of the east [eventual communism in Russia and of course, the same Jewish ritual murders, where the Gentile populace responded understandably with pogroms] along with establishing organized crime in Sicily.

## The Jewish World Order The Jews Are Using Occult Power

Jewish Talmud, Choschen Hamm 388, 15 Happy will be the lost of Israel, whom the Holy One [my note the Jewish Messiah], blessed be He, has chosen from amongst the Goyim, of whom the Scriptures say: "Their work is but vanity, it is an illusion at which we must laugh; they will all perish when God visits them in His wrath." At the moment when the Holy One, blessed be He, will exterminate all the Goyim of the world, Israel alone will subsist, even as it is written: "The Lord alone will appear great on that day!..."

Suffering major set backs in Spain and Poland, the Jews reorganized from their losses under rabbinical leaders who came forth and formed a messianic following the start of this momentum was Rabbi Luria a Kabbalistic teacher who was famous for his Lurian Kabala and believed to be the messiah. Luria never wrote down his teachings as was Jewish tradition, he taught them orally to two types those of initiates and adepts. It was not until after his death his students wrote his teachings down in the Lurian Kabala.

Rav Luria

One of the later students of the Kabbalistic system of Luria was Sabbatai Zevi. This character travelled to the Levant where he claimed to be the Messiah of the Jewish Race. This period of history is very revealing as this is the one time the Jews came right out in public with their agenda and intentions and Zevi was believed to be the most recorded Jewish person in history

of the time by Gentile sources as well. Which is why Jews are scrambling to always confuse this period of history and leader.

Rabbi Zevi

This also shows the Kabala is the key to Jewish power and power within the Jewish establishment. Zevi spent years in Kabbalistic meditation which included mantra repetition of Kabbalistic formula's such as the fourfold name. And other methods. That are identical to yoga. With mundra's, asana's, breathing techniques, visualizations. The key of kabala is to awaken Shekinah in Malkuth and move it up the other six lower worlds of the first seven to the crown. This knowledge was stolen from Gentiles. However the key of kabala for the individual is based on Shakti energy and moving it up the spine. The Jews stole this from us and damned the Goyim. While keeping it themselves at the top.

In the orthodox Rabbinical movements the leader is a Rabbi who is a Saddak. Meaning he has performed verifiable siddhi's in front of his followers numerous times. And these Rabbi's are the leaders of the Jewish race.

Zevi as Luria before him, demonstrated Siddhi's in public and other Rabbi's stated to as well from his teachings. They claimed to have dreams and visions of Zevi as the messiah. At the high of Zevi's movement over a million Jews were his disciples. And thousands of Jews travelled to the Levant to follow him.

Zevi declared himself Messiah on June 18, 1666, this a Kabbalistic important date. June the 6th month, 18 is the

number of life in kabala and made up of three sixes and 1..666. The number of the sun and

bringing the spiritual working into the material.

Zevi ordered all his followers to practice the Lurian Kabala and taught them how to use the power of the mind for Jewish witchcraft and also openly used sex magic with the wife swapping and orgies. This is in the Kabala, the enemy knows the power of sexual energy they repress it for the Gentiles but use this at the top for themselves.

Now this is the revealing part.....Zevi crowned his key followers with the crowns of the different European Nations and was preparing for "The Messianic War" in which the Jewish army of Zevi would destroy the nations of Europe and make the Gentiles their slaves. And take Jerusalem from the Sultan and rule as the Messiah a Jewish World Kingdom from his throne in Jerusalem. As this is what the Jewish Messiah must accomplish as the Torah, Talmud and Kabala command. This is what Judaism is about. As the Jewish holy texts state:

Zohar, Toldoth Noah 63b "When the Messiah comes every Jew will have 2800 slaves."

This is what the Jewish Leader must accomplish....

Choschen Hamm 388, 15 Happy will be the lost of Israel, whom the Holy One [my note the Jewish Messiah], blessed be He, has chosen from amongst the Goyim, of whom the Scriptures say: "Their work is but vanity, it is an illusion at which we must laugh; they will all perish when God visits them in His wrath." At the moment when the Holy One, blessed be He, will exterminate all the Goyim of the world, Israel alone will subsist, even as it is written: "The Lord alone will appear great on that day!..."

Zevi marched to the Ottoman's capital to demand Jerusalem from the Sultan, to which the Sultan ordered him to convert to Islam or be executed, to which Zevi converted to save himself. This was officially the end of his movement. As this move disillusioned most of his following. However this conversion of him and his immediate following was a ruse. They went

underground as the Donmeh Jews. And kept their teachings so secret they would only reveal the actual religion to their children upon turning 14. So as to hide this easier among the greater Gentile community. The Donmeh later were able to accomplish their agenda by forming the Young Turk movement via the Free Mason lodges they set up in Turkey and with this were able to take over the Turkish Empire and this included the Armenian Genocide. The Armenian community was the major obstacle to the Donmeh grab for power so they exterminated them. Upon stealing the vast wealth of the Armenian's as well. This also forced the Turk's to only be able to deal with International Jewish bankers for finances as the Armenian banks were gone. Putting the Turks under their control. The Donmeh sabotaged the Ottman's war effort as the Rothschild's and other Zionists need the Ottoman Empire destroyed to grab the Levant for their Messianic mission of Israel. After the war Atta Turk the leader of the Turkish republic was a Donmeh. They forced in secularization at the time as they didn't want any Imperial resurgence in the region from the Turks. The Donmeh community along with the Rothschild's also created the Saudi regime to gain control of Sunni Islam. The Donmeh still run Turkey.

Rabbi Jacob Frank the actual father of Communism.

Back to Europe another important Rabbinical leader Jacob Frank who was a trained adept in Kabala by several Donmeh Jews who came to Europe. Now this is an important point on how Jews lie, the Jews who talk on this issue claim Frank was "Satanic" and not a Jew somehow anymore because he went against the teachings of Judaism.....Then out of the other corner of their mouth they admit everything he did was in the Talmud and not against it. So he was

following the teachings of Judaism as a Jewish leader. The Jews believe Gentiles are dumb and they can lie to you with this type of chutzpa and you being the "dumb goyim brain" won't even notice. Everything Frank did was actually in the Talmud from the black magic to human ritual sacrifices. This is also in the Torah. Moses Hess another loyal Jew in the movement stated they would use Talmudic black magic to bring this agenda forth in his own writings.

Also remember when these Jews talk on this issue what their Jewish law commands of them...

Sanhedrin 59a To communicate anything to a Goy about our religious relations would be equal to the killing of all Jews, for if the Goyim knew what we teach about them, they would kill us openly.

Libbre David 37 A Jew should and must make a false oath when the Goyim asks if our books contain anything against them.

So you can bet these Jews are lying to confuse the Goyim as to the actual nature of Judaism. As this situation with Zevi put them in the hot seat in front of the entire world as he came right out in the open and didn't hide behind the scenes as Jews traditionally do.

Frank declared himself the reincarnation of Zevi and started the Frankist movement. To bring about the Jewish World Order. In 1773, Frank personally met with Mayer Rothschild himself a Sabbatean a follower of Zevi's teachings, Mayer was a Shamash, a personal servant to the Rabbi who raised him and to this day Mayer is given worshipful status by Jewish groups like Chabad. And Frank also met with Adam Weishaupt who's father was a Rabbi and himself Weishaupt was a teacher of Jewish Canon Law at the university of Ingolstadt in Bavaria, Germany. It was at this meeting in 1773 with Rothschild and Weishaupt, Frank came up with the agenda of the infiltration of the Masonic lodges and at this meeting the Illuminati was created. Jacob Frank and Weishaupt created the Illuminati doctrine and Rothschild provided the funds and connections. However it was also Frank that originally put Rothschild into money power along with the Warburgs. Frank had his followers run numerous money operations in Poland and then channelled this money into operations including the money the Rothschild's to the type of sum needed for lending to King's and Princes which got them started in the business.

From here the Jews took over the Masonic lodges and turned them into tools of the Messianic Agenda of the Jewish leadership. The French revolution was documented to have been launched by the Frankist's via their control of the Masonic centers and bankrolled by the Rothschild's and other Jewish money elites. This movement in France called the Jacobin's was the Jewish Golem of the "French" revolution in the next century its name was changed to the Communist League. And two Jews Marx and Hess created the Communism Manifesto. Hess was an open Zionist and the father of Zionism officially. He stated Zionism is about creating a global Jewish government that rules from Israel. They just took the Illuminati ideology of Frank and cloaked it in some new mumbo jumbo. And gave it a name change to Communism.

His [Hess] chief work, authorities agree, was "Rome and Jerusalem" (translated by Meyer Waxman and published in the United States in 1945 by the Block Publishing Co.). He rushed home in 1848, says the translator, from Paris, "taking an active part in the armed resistance of the people." (page 22) "In 1845, Hess engaged in propagating the Communistic idea and founding societies devoted to its realization, an occupation which led Arnold Ruge to describe him as 'The Communist Rabbi Moses.'" (pp. 21-22)

It is stated that, "The fundamental principle of Hess' thought ... is based on the teaching of Jewish Spinoza, of which he was a devoted follower," but he went further, says the translator, in expounding the "basic unit" of mind and matter, "the basic unity and its various unfoldings."

Hess also stated, "Judaism has no other dogma but the teaching of the Unity." (page 44) "... the Rabbis never separated the idea of a future world from the conception of the Messianic reign. Nachmanides insists ... upon the identity of ... 'the world to come' with the Messianic reign." (page 46)

Extolling the Talmud and delegating Moses to the inferior role given him therein (page 91), the whole cry of Hess was for Jewish world rule from Palestine "between Europe and far Asia ... the roads that lead to India and China," and he told Jewry:

"You have contributed enough to the cause of civilization and have helped Europe on the path of progress to make revolutions and carry them out successfully." He called for Jews to "March forward!" and stated: "The world will again pay homage to the oldest of peoples." (pp. 139-40)

The "Talmud is the corner-stone of modern" Orthodoxy, (page 143). He looked to black magic, the occultism of Chasidism, which along with Zionism, was to achieve Communist dictatorship." "The great good which will result from the combination of Chasidism with the national movement is almost incalculable," (page 218), and he added, "Although the Chasidists are without social organization, they live in socialistic fashion." (same)

The translator called Hess, in the 1918 edition Preface: "The herald of Nationalism and the trumpet of Zionism."

Communism was spread thought the world via the golem of the Free Masonic lodges and the money of the International Jewish banking elites. This is how Russia was taken down. After the Communist order was on the ground in Russia the Gentile Mason's were eliminated by the new Jewish rulers. And the lodges shut down.

The Rothschild's are the carriers of the mantle of Frank and Zevi, in their own Zionist publications the Rothschild's call themselves the Kings of the Jews. The Messianic Army of Zevi, was the Red Army. Communism is the Golem by which the Jews are trying to create their Messianic Global Kingdom.

The Rothschild's also sent their fellow Jewish agents to America, such as Warburg and Schiff to make deals with American industrialists and money baron's in the end forging a kabal that created the Jewish owned golem of the Federal Reserve and pushed American into the Jewish created First War and then brought on the Great Depression and "New Deal" called the "Jew Deal" openly by those in the know at the time, era which gave the Jews total economic, Media and political control over America. So much so they pushed America into a second world war. For the same purpose as the first. To create needed chaos to bring about the Jewish World Order. Which agenda is still in motion to this day.

Sometimes the Jews tell you the truth here and there, Barry Chamish a Jewish lecturer and author on the subject of the Sabatean Jews and this movement [he puts the Jewish spin on it to take the heat off the tribes agenda] openly confessed that Joseph Stalin was a Jew who was part of this Zionist Jewish movement to create the Global Jewish government. Think about

what that means. Stalin was also well known to be a practitioner of the Kabala and Jewish occult teachings as well. He even changed his birthdate to hide his actual birth chart astrology. Stalin was the first leader to recognize Israel as well. And sent numerous help to establish it as a state. Whenever Otto Kuhn landed in Moscow on behalf of the Rothschild's, Stalin was literally standing out there waiting to greet him with the red carpet rolled out.

The Jews enforce Marxist materialism on the Goyim while they kept the truth about spiritual knowledge for themselves and damn humanity to control it.

## Greek Stolen Concept Of The "Kabbalah"

The issue is the Jews lived within the Greek empire and they saw the Greeks taking over the world and expansion of Alexander the Great's Empire. They were exposed to the growth of the empire and could observe how empires are run for a very long time.

The situation is the same with the Romans who had them, albeit the hatred for the larger population, somehow always latched on their back for the whole time of existence of both of the Greek and the Roman empire. By the time the Romans understood the existential corrosion it was already too late as they couldn't suppress the Jews militarily or otherwise.

The mainstream history just states this was done for whatever reason but the outcome of the effects of actions do show that Alexander wanted to re-aryanize the places where there was prior an Aryan Pagan culture but just create an empire based on the Pagan re-awakening. By Alexander's time the spiritual downfall was already evident people were just swimming more and more in gross lack of spirituality.

Also many White or otherwise Greek racially people were scattered in all the areas where the

Greeks dominated and this is why Alexander the Great got a "Barbarian" wife whose name was Roxanne. Through Roxanne also and the noble family Alexander tried to expand into the Hindu region in order to manifest the first objective of the empire which was the restoration of the Vedic culture. But he died before any of this even manifested properly.

It's to be stated however all non Pagan expressions of faith such as Judaism were punishable by death. And the jews of the time therefore attempted to merge in with the "Hellenized" thought to avoid execution. This death would not only come from the government but the normal people as well. The Greek empire allowed ALL other Pagan faiths, and anything Pagan, but it only had a beef with jews.

The Roman future of how the jews sacrificed babies, promoted spiritual hoaxes, overthrown and perverted Rome, and did spiritual crimes, just plainly shows why this was the case.

The jews had to live under two systems of rulers one was the Greeks and the other was the Romans who were based on the Greeks. And the Greeks created the first modern Vedic empire after a very long time of nothing existing of this kind. Later this empire also merged with Egypt and lasted hundreds and hundreds of years.

This was instated by Alexander whose teacher was Aristotle, and Aristotle was called a Sage as how the Hindus call their own Rishis. All the Greek philosophers of the era also were aware of the eastern connection, the origins of the east, and the ancient pre-homeric Vedic culture. Even Homer was considered part of this Vedic culture.

Aristotle's second existence was not that of the empirical scientist but the occult mastermind. There are descriptions where Aristotle taught Alexander how to do binding rituals and how to summon the Gods and many other things. The whole story has been physicalized as some sort of dumb conquest of the world for whatever things.

The Greeks of the time were rich and just fine they didn't require to enter lands that were utterly pointless in resources, in 'barbarians' and many other things. But it was known that since the ancient times there were leftovers of White populations in the middle-east. Just hovering there as barbarians while racially they were Aryans. Artemisia for whom a movie was made in the 300 sequel was a woman top military commander of the Persian empire who was Greek in blood.

However with the Greeks something happened the Greeks did not just sit idly with the spiritual knowledge to get stoned, they utilized this knowledge and created one of the world's most significant civilizations. Like the Egyptians did. And the jews were observing this from the closeby and were a 5th column in what was the Greek empire of the time. At the time of the Greeks and the Egyptians the sages only wanted to return the world to a "Vedic" type of civilization which existed in the Golden age.

The jews had hijacked later Platonism which was the root teachings of the spiritual side of the Greek empire and the higher occult mystery schools. They could never get into the inner core of these such as the Orphics or the Delphics but they could pseudo-philosophize as they do today. They also acted as a racial 5th column inside the Greek empire as they were jews in blood but they were raised in Greek literacy under the Greek empire. They were called the Exile or the Diaspora as far as the jews as concerned.

The jew who burned the library of Alexandria or Philo Judaeus was one of these diaspora racial jews who had Greek education. The greatest crime against the Greeks and the whole of the Pagan civilization back then was the torching of all the inherited knowledge of mankind until this point in the Alexandrian Library. Thousands upon thousands of labors, toils, researching, and knowledge about the history of mankind was simply torched. Today the jews cannot torch the libraries of mankind but they have won the information war simply by desecrating anything meaningful and corrupting it. And censoring information.

This to be understood is context is how the jews today in America pretend to be American, try to decide for America, and are claiming they are American, while all they do is simply take America down the multicultural, unholy drain. This is the same behavior the jews always engaged when being under any empire. Today modern jews say the jews are in exile under Esau in America, as Esau is one code name for Whites they use in their context. And that Esau needs to be destroyed. The jews also call America the second Rome, and parallel it with Ancient Greek empire and it's abuse towards jews. Because as anyone can see the jews have a very hard life in

the US, occupying the best provisions in everything, and living in Beverly Hills for example.

So like we have "American Jews" today, who are racially and in conscience jews, but in passport and nationality "American", we have had thousands of years ago "Hellenistic" jews.

The Hellenistic Jews were basically racial jews who in order to escape execution from the Greek empire, pretended that Judaism was to some extent "Hellenized" in order to save themselves from execution. Just covering up for the facts of what they really were working on.

The diaspora's purpose was to steal knowledge from the native populations. And corrupt it's native knowledge. While delivering the stolen information in the hands of the jewish Rabbinate. This amassing of information took tens of centuries until the jews could reach a level of understanding enough to use this knowledge to dominate the planet directly. And it makes sense this knowledge in the first place was used as a formative knowledge for prior empires.

The Gematria of the jews is simply what is called Geometria or Geometry of the Platonists or Pythagoreans this is simply the study of numbers, shapes, and their natural connotations. The jews just ripped off this system and they created the Gematria.

The Kabbalah is based on the concept of Kavana which in Greek means "The Bell". The "Bell" is just the symbol of the living vibration of words. The Ain Soph of the jews means "Mia Sophia" which means "The one Wisdom". This is the name of the so called universal creator. The Ein Soph is also an anagram from the Greek Ena Phos which means the Singular Light which the Egyptians also described as the power of Ra. Which was the basis of the Solar Religion.

The Jews also name the "Chakras" the "Sephivot" which is just a ripoff of the Greek Zephyro which is "Jewel". In the east all the chakras are described as jewels. Zephyro also comes from Zephyros which is the Greek God of the Vital wind, the Vayu of the East.

Nefesh is also stolen from the Greek Nefos which means heavenly deity of the clouds. As Nefesh is used as a term to describe the sum of the vital winds inside the body. Even Christos which is pulled from the backdoor in the Kabbalah, Christos just means "The One Initiated In the Mysteries" and absolutely nothing else. It's an epithet.

The "Adam" of the Jews comes from the Greek Adamas which means "rare jewel" or "supremely rare stone", or in literal translation, the Diamond. The "Body of Adam" or "Adam Kadmon" is the Diamond body of the East, another corrupted statement.

Adam Kadmon is also ripped off from the Greek Mythical King Kadmus, King of Thebes, who was born from the mouth of the Serpent as is the common myth of the Theban Greek people. Kadmus fought the dragon/serpent and when he won he was born from his mouth. Kadmus is also coming from Kekadme which means "To Shine Brightly" in Greek, and Keka comes from that which is resulted from burning as in Kekamena, or the Cleansing by Fire process. Which results to Kadmus the fire body.

The tale also says according to Herodotus Kadmus came from the Phoenician lands but this is a racial matter not an alphabetical debate as it appears the Greek Alphabet existed before the Phoenician Alphabet, as the first correlations measurable correlations are seen in 1000 Bc while Herodotus based on his time says that Kadmus settled in Greece 1600 years earlier. So the whole meme that Greek was from Phoenician simply cannot stand, as there is a 1000 years gap, with Herodotus living at around 500 bc and saying that Kadmus was the Greek king 2000 years ago, but the first correlations between "Phoenician" and "Greek" appearing in 1050 Bc.

Making the "everything started from Phoenicians" as far as the theory is concerned more than likely wrong. In anyway the Phoenicians were probably just Indo-European whites anyway as this was a term used by the Greeks for the people living in the region of Tyre, or whom the Jews call Canaanites, and where, aside the Greeks, one of the races that are destined for extermination in the Bible. Its clear the Jews didn't just peacefully co-exist nor with Greeks nor with the Phoenicians and wanted them dead. Because apparently both the Phoenicians and the Greeks simply had enough of the kikes and opposed them and wanted them gone.

They constantly were programmed by all these people and they ripped off knowledge from them forcefully, to the point the native populations always chased them around to murder them.

Adam - Kadmon forms Adam-Admon which is close to Adamantinos which means Adamantium and is the strongest essence that can be found in nature. Adamantine in Mythology was the most incorruptible element in existence, showing full indestructibility.

Kadmus in Greek Mythology came from the Serpent/Dragons Teeth. Today we know Adamantine is part of our teeth. This is because the Dragon resides on the Holy Bone or the Tailbone which is also to imply the indestructible quality of rebirth. The bone itself looks like a giant tooth.

Angel which the jews use is also another stolen statement, it is another epithet meaning simply and without any other connotation, messenger. Hermes was the Angelos of Zeus since he moved Zeus's decrees. The jews call their angels "Cheruvim" which possibly relates to Heru which is stolen from Chi-Ra, and Hera literally means "The Hand". Hera is also the name of Zeus's wife showing what this is about. As such we have the concept of the "Hand of God" or the "Angels who act in his behalf". After centuries the Christards said that "Mother Mary Was Cherubim", to show how much corruption a statement like that can get unto itself. Mother Hera became Mother Mary, and Hera became the "Cherubim".

The Klippoth of Kabbalah which means just "Husks" comes from the Greek word "Kelyphos" which means the covering or the shroud, or the exoskeleton, carapace. Literally Keliphos which in female is Kelipha means "Light Imprisonment". The jews state they try to remove the "Kelipha From the Sephirot" which should be clear by now what they mean. As a derogatory statement, they call the Pagan Gods (from which all of this is stolen from...add insult to injury...) Klippoth.

To show that our Gods are the greatest existential problem of jews and do not allow them to even live or thrive. Everything negative the jews experience they say it's the Klipot doing it, which has two meanings, one is our Gods, and the second is the stolen meaning of problems with the soul light. Apparently what makes us Gentile shine simply makes the jews dim out and die.

The jews also in Kabbalah to show reduction they add the Greek prefix KAT in front of their words. Like Katnut which is the concept of reduction in their Kabbalistic writings.

Keter or Crown simply means K-Ether which is actually the Greek Ethere or Ether or Aether. K is from Korona which means Crown. This is the symbolic of the Crown chakra on the top of the head. Korach in the Kabbalah simply means.

Metatron which the jews call their top angel is simply a fully ripped of concept of the Meta-Thronos which means the one beyond the Throne and is symbolic of the Crown Chakra as well.

Neshama which is the name of the soul comes from Anasema which means "The Breath" or the power to breathe. This again goes to the Hindu Vayu and the concept of the breath.

Adonai is ripped off from Adonis which was the love of Aphrodite.

The whole of the Jewish alphabet is just also a ripoff of a couple of languages such as the Egyptian "Yoth" which they later turned into Yod, and many other examples. As far as Greek is concerned many of these letters are just ripped off from Greek alphabet as well.

Alpha into Alef, Beta into Bet, Gamma into Gimel and so forth. Similarly the Jews have acted in other examples such as mistranslated the names of the Gods so in their language they mean different things such as Astarte to Astoreth which means excrement in Hebrew.

The name itself of the whole stolen culture as "Kabbalah" can probably be traced down to the word Kymbala which are just instruments of music that produce vibration. The drums are used as symbolism to show vibration and Kabbalah is based as a concept of the creation through the speech and vibration fields. This is also an Egyptian word stolen verbatim anyway.

The Rabbis are divided in two aspects here. Those that do admit that it's all stolen from the 'exiles' and that it's knowledge accumulated from Gentiles the so called "Kabbalah", and Jewdized to the core. And those that are against mentioning this too openly who scorn the big rabbis who even admitted this such as Maimonides. The Jews are aware of their theft and ultimate perversion and they rejoice it either way.

The fact the Kabbala is an Ancient Greek system of ascent based on Egyptian and Vedic principles should be clear. Since all the Ancient Greek sages were in reality, at least the important ones, studied in Egypt, while some also went into the Far East. Same as all those who provided the system to raise spiritually in the cryptic schools like Pythagoras who was directly an Egyptian student and also into the Greek mysteries at the same time.

Iamblichus from whom we have surviving texts about Pythagoras just highlights that in the mind

of those in the know the Greek mysteries and the Ancient Egyptian ones were just the same. And it was all traced back to the Far East the first Golden Age Civilization. As such they also moved towards the east, the later 'conquerors' such as Alexander.

However even in the time of Pythagoras when he tried to bring the mysteries back to Greece he had found that the general spiritual condition of people was already steeping too low and a people alienated to what a few centuries earlier was it's actual culture.

Exposed: Secrets Of the Kabbalah

The Jewish Rabbi's in their own ancient occult teachings state numerous times their "god" is three things that are connected into one this "one" is called Metatron all their texts go on endlessly about Metatron, YHVH is another name that expresses the meaning of Metatron. To understand the secrets of the Jewish occult one must understand what the Jews are and what their collective "god" is.

The Metatron is three things a trinity, at the top its the Seraphim which the Rabbi's state are a hive mind of literal Reptilian Extra Terrestrials, the race of Israel the Jewish race soul and the Torah. The Rabbinical texts state that the race of the Jews have a "higher group soul" which is shared with the Heavenly Metatron which is the beings they call their literal masters the Seraphim the Reptilians. This is because as the Jews stated their race didn't come from this world it came from "out there beyond this world". The Jewish texts their "god" didn't create this physical planet. The Rabbi's show the name Elohim in Jewish Gematria adds to a term in Hebrew that means "nature" that nature the universe, natural law created the physical planet. The Jews in their texts state their race is from the blood of YHVH which as their racial Cohen gene shows contains Reptilian DNA. They are a hybrid race and are the incarnation of the Reptilian, gene soul group in this world. That is the key to their whole occult system. Its the manifestation and extension of their racial alien soul group. The Heavenly Metatron is the Reptilians the Lesser Metatron the Torah energy and the Earthly Metatron the Jews.

The major Jewish occult teachings are in all reality in two categories.

The creation by the word.

The Jewish texts state that Moses was their Messiah because he astrally opened the part of his soul that allowed him to openly see and communicate directly with the heavenly Metatron the hive mind collective of Reptilian aliens that then gave him the Torah. However the Torah they directed to him was the 22 letters and how to use them in the occult sense then after this they showed him how to arrange the letters in the physical Torah. The Jews call this the Oral Torah because god is the word to speak to vibrate the 22 letters and the Rabbi's state the secret Torah written with the hidden letters of black fire is the literal energy the field of energy that is created by reading the Torah in Hebrew on the occult power dates. The Torah is the extension of the Jewish racial soul and this energy field connects into their Reptilian masters collective soul and hive mind they share with them as well it infuses such with energy. The black fire the Rabbi's talk about is the meaning of the term Torah which means "The Wheel of darkness" that is why the Rabbi's state the real Torah is the field of energy the reading of it creates in the astral and that they work to manifest into the world. The other meaning of the Oral Torah is the occult teachings of how to use this Witchcraft passed down from Rabbi's. The Jewish occult texts state the world or Torah was energy before it became physical.

The Book of Job is a warning to the Jews. In the Talmud it states Israel the Jewish race is not subject to the negative influences of the stars or karma because they have the Torah which protects their race. Job didn't engage in the ritual dates and Torah readings or practices of how to infuse this energy field with power so it dissipated and he suffered the negative fate that awaits the Jews if this happens. Many times in the Torah the Jews are warned if this energy field dissipates they will be destroyed by their enemies. They are punished with destruction numerous times because they didn't worship and thus obey "god" properly or enough. This is referring to feeding the energy field of the lesser Metatron the Torah. That protects and infuses their soul along with allows them to conqueror and enslave the Gentile nations.

Chariot of Ascent.

All other Jewish occult teachings are based on using the "Names of god" chanting the names of

Metatron which are called the 22 seals of Metatron which are the 22 letters given to Moses by the Heavenly Metatron which is the Reptilian Seraphim. This also includes numerous other names of the lesser Metatron which are different arrangements of the 22 letters for what they are designed to manifest. Its simply a specific bank account number to the specific branch of the energy bank of the lesser Metatron the Torah field of energy.

The other level of occult teachings of the Rabbi's is how they use these 22 letters with specific practices to "ascend the chariot of god" the Merkava teachings. The symbol of these teachings is the Jewish prophets like Enoch who becomes part of the Heavenly Metatron this is important to note, not THE singular Metatron but part of the Metatron. What the allegories and methods they embody come down to in simple terms is Enoch fully became a "Living Torah" a total "channel" which is he dissolved his individuality and merged his consciousness totally into the collective consciousness of the hive mind of the alien soul group and how the psychic field of the Torah flows thought all this. He was totally assimilated into the "One" borg style. The goal of the occult practices of the Jews are to simply become part of this hive mind totally and become an open window for the energy field of the Torah to manifest thought nothing else a borg drone in a Hassidic hat. All their meditative practices are how to access this racial hive mind and the energy its infused with by the Torah. The Rabbi's state the ancient Jews had Prophetic schools in which select Jews where taught how to open their psychic aspects of their soul to communicate with and merge into the Metatron. The Jews are program the hardware for the psychic software of the Torah to act thought.

The black box the Jews wear is part of this its connected to the Shema prayer they pray when they wear this. In Kabbalah the word Shema is a code for "Shaddai" and "YHVH" which means the Shaddai [power] of YHVH. The word YHVH is a code its from the term Hoveh in Hebrew which is the letters Heh Vav Heh, which means the racial collective conscious of the Jews and the Yud placed in front of it is the active integration and manifestation of this collective alien consciousness which the Jews are part of as an alien program and how they are connecting into this field of energy and manifesting it into the world. This is why YHVH is a name of Metatron. Its what the Metatron is. The racial hive consciousness of the Reptilians and the Reptilian Jews and their Torah program which is built on the template of their collective alien soul.

The goal of ascension to the Jewish occult system is to become "one" with the hive mind of their Reptilian "gods". The goal of the Jewish race is as their Baal Shem Tov stated when every Jew achieves this state they will have the age of their Messiah which is when they state the "Earthly Metatron" the Jewish race will come to be the age of the Messiah in which all of humanity will be assimilated into the "One" as one Rabbi literally stated "like the Borg". A total

slave race ruled by Reptilians and ruled by their hive collective the Jews on earth.

The one thing all the Rabbinical masters and texts state is the 22 letters are the SOLE KEY to everything. The Final RTR thus is the KEY TO EVERYTHING. Reversing the 22 letters is ending the Metatron.

Important Teachings In General.

Something to be aware of is the Rabbi's state the purpose of the Diaspora was to disperse the Jews across the earth "to gather the sparks of Metatron" what they state is they have gone across the world and infiltrated ancient cultures and corrupted their spiritual practices and taken over their societies from within to create a synthesis that moves things closer to planetary control by their race. They mention this is done in phases and not all of the original phases are outright Judaism the first phases where cloaked.

The Torah states the Metatron has cursed Gentiles to mortality and death and the cycle of reincarnation and the biggest curse on the Gentiles in the Torah is openly stated to be..... spiritual death when the soul is too weak to reincarnate any further and that's it. The Egyptian and ancient Hindu texts warned about this fate if the soul is not empowered with the light of the spiritual practices the Gods gave humanity.

The spiritual teaching the Jews removed show this curse. The Egyptian ancient codex mention "The Book Of Breath" authored by the Pagan God Thoth. The book in the codex was stated to be the teachings of Immortality by Thoth. How a human can become immortal by following the spiritual practices of within....LITERALLY. This book was destroyed by the Jewish enemy when they destroyed the Library Of Alexandria. This is the knowledge the Jews have destroyed and removed from us around the world.

The early phases of the Jewish infiltration.

If one studies the dynamics of this one can note this with current Hinduism the teachings of which come from Buddhism which Theosophy is only found in the Jewish occult teachings originally. The Jews in Alexandria that created Christianity where historically mentioned to be

organized and working out of the Eastern Empire of Asoka who imposed this alien Buddhism by murder and propaganda on the populace of India. This included the banning of all spiritual practices of the Light Body teachings along with the massive destruction of Temples and libraries full of spiritual and historical knowledge given to us by our Gods and attempting to put a new "one" god Buddha in there place.. And the organized mass murder of Hindu's by this regime.

This is also witnessed in ancient Egypt with Akhenaten who did the exact same to the Egyptians. He ordered the Egyptian Temples destroyed the spiritual teachings banned the images of the Gods destroyed and he even ordered ritual blood sacrifices of animals to this new "god" of his who can't by law be shown in any "graven images" in the Temples of the Egyptians Gods as part of the destruction and desecration of the Temples. That is the "god" of the Jews the blood sacrifices and the forbidding on any graven images depicting it. The "god" of Akhenaten was called Adon which is the name the Jews call their "god" anciently Adonai. The Jewish histories from the ancient world openly state Moses was a Priest of the Akhenaten cult and some Jews have stated Moses was Akhenaten. The Jews tried to take over Egypt under Akhenaten and impose the ancient phase of their program of control on the Egyptians. But the Egyptians rose up with the help of the Gods and the Egyptians spiritual masters and drove the Jews out in a major and long bloody war of liberation that lasted near 13 years.

I also wrote before the Jews were in the America's and took the Mayan Empire over and forced a new religion on the populace, the Mayan's wrote about this. Today certain Mayan descended tribes are all Jewish in culture and custom they worship a being called "Yahweh" celebrate Hebrew religious customs and have Hebrew words in their language and in their burial mounds artifacts written in ancient Hebrew with the Ten Commandments wrote on them are found along other artifacts with ancient Hebrew inscriptions in general. The Jews in their own secret histories state they were in the America's. There are images of Mayan priests wearing the Jewish black box on their head and arm with the straps tied the same way the Rabbi's do. The Mayan's wrote it was this collective of new "gods" called literally "Yahweh" that instituted the ritual human murders as they feed off the energy of humans. The writings on the how the sacrifices are to be done are only found in the Jewish Torah elsewhere. The Mayan's left us the images of this Hebrew new Gods the collective hive called "Yahweh" that have been unearthed today by archeology. There has been a conspiracy to cover up the Mayan situation.

Just as the high ranking Rabbi's have stated their Yahweh is a collection of Reptilians. However as noted in the open among the Mayan's the Jews took their civilization over openly working hand in hand with their Reptilian "gods" they share a hive mind and racial soul with here are the images of the "Yahweh" the Mayans left:

This would replay itself out with later on this planet with Christianity, Islam and Communism all Jewish programs to bring the Metatron age into being. Christianity and Islam have billions of Gentiles directly channelling their energies and connecting their souls into the Metatron and infusing it with massive energy to infuse the Jewish collective soul and Torah program with massive amounts of power to feed this program and allow it to manifest thought them and the billions of Christians and Muslims as a collective Goyim Golem. The Rabbi's call Jesus.....METATRON in their own occult writings.

We need to understand the Egyptians whom the Jews curse over and over in their Torah where able to defeat the Jews so totality in their time and drive the Jews out even chasing them down to the Levant and destroying their bases there in the ancient world. Because the Egyptians had the teachings of the Gods the Dhejedhi [serpent] teachings of ascension. Dhi means wisdom in

the sense of the expanded super consciousness state and the Jedhi the active spiritual powers or Sidhi's that come with this. Note Siddhi is the ancient Sanskrit name of an ascended Gentile being. Si or Shee is the name of the serpent energy and the Dhi the consciousness of the risen serpent.

The Egyptians destroyed all religious bases, letters and practices and even the mention of Akhenaton and his "god" from history as part of larger rituals to dissipate the energy field the enemy created to conqueror the planet with. The Egyptians defeated the Jews on the spiritual plane. This is why out of all the ancient Gentiles the Jews have the most hate for the Egyptians the 10 curses of their "god" on Egypt is the 10 combinations of their 22 letters they use to curse all spiritual Gentiles with.

The Noble Egyptians are the example of how to defeat the Jews.

## The Qlippoth Or "Empty Husks" Explained

### Qlippoth

The Jews have attacked us Gentiles for centuries. Especially our Pagan Gods. The Catholic Church, Christianity, communism and much more are different faces of the Jewish empire.

In addition to all of this, the Jews have been at liberty to again, DICTATE and TELL us all what Satanism is supposed to be about, so-called "evil" and related.

The denigration of our Gods to the qlippoth, this sick filth, was invented by rabbi Isaac Luria during the 16th century, following the expulsion of the Jews from Spain. This expulsion was a major blow to the Jewish community. So major that Luria wrote of the qlippoth, looking to answers for the Jewish question, "If god is good, why is there evil?"

My point in writing this is many Satanists have been misled through this Jewish invented filth and extreme blasphemy against our Gods. Many who explore this trash through meditation and such have horrific experiences.

This Jewish invented filth has nothing to do with any of our Gods.

## The Meaning Of The Klipoth

In the Rabbinical texts the Klipoth is the tree of death to the Jews.. The first Jews Adama and Eve, died because they ate from this tree. The tree of life in the garden is the Jewish world tree of the Sephiroth. The Klipoth is guarded by Satanel which just means Satan. This is a warning to the Jews about Gentile spiritual teachings and how they are toxic to the Jewish soul. The fact the Jews are an alien soul is emphasised many places in Judaism. The Jews were expelled from their paradise for this act of eating which means partaking of the Klipoth and it destroyed them and caused them all the suffering they have endured to this day. This is an allegory of what the Rabbi's openly state. The Jewish People suffer because of the Heathen nations exist and people practice idolatry. That is why Satan the original name of Gentile godhead in Sanskrit guards the Klipoth. Its the Gentile spiritual teachings and cultures. Judaism orders that the Pagan Nations are to be destroyed.

Exodus 22:20

"Anyone who sacrifices to a god, except the LORD alone, is to be utterly destroyed."

Deuteronomy 12 - Pagan Shrines to Be Destroyed

12 "These are the statutes and ordinances which you shall be careful to do in the land which the Lord, the God of your fathers, has given you to possess, all the days that you live upon the earth. 2 You shall surely destroy all the places where the nations whom you shall dispossess served their gods, upon the high mountains and upon the hills and under every green tree; 3 you shall tear down their altars, and dash in pieces their pillars, and burn their Ashe'rim with fire; you shall hew down the graven images of their gods, and destroy their name out of that place."

Many names on the Klipoth are mainly Sanskrit deity names if one is advanced enough to know what they are reading.

## The Qlipothic Kabbalah

This is a very dangerous jewish construct. Which unfortunately many people who want to meddle with Satan (from the safe jewish nanny and based on her permission) do unfortunately follow. Because the erroneously assume that these things actually have in some way to do with jews, since the jews abused them and incorporated them as perversions of declared 'dead elements' in their occultism.

These systems are created to cause delusional paranoia, destabilize the mind, while also doing typical genie tasks for the idiots who practice them to draw them in. Even Rabbis tell their own to never practice these as these were made to ruin the mind. There are stories of Rabbis who

have ruined themselves by practice of such things. As these are based on the JHVH and the enemy jewish spirituality that works in a similar pattern. They promise some shekels and easy solutions for everything, so the naive idiots do it, get drawn in, and then they get eaten.

Typically in this system people who wanted to play 'creative' and 'spiritual masters' or 'wanna be rabbis', they infested it even more over the years, creating monstrosities that little even they understand what actually do to them. Then you have clowns like EA Koetting who simply 'summon for fun' and do all sorts of other things for Emo schoolchildren.

Qlippoth means husk or empty shell. What the jews mean by husk is that it's like you have a fruit or something. You remove the content and you are coming in contact with the useless husk. Which is the general idea on how the jews created their occult system. They removed the essence of the Gods, made copies of their empty husks, and intergrated them in a system where they attempt to present them as part of the tree of "JHVH". This is because the names of the Gods themselves have been slightly altered, and this created a second thoughform or a husk.

In this case you use the husk, so you think you are eating on fruit, but the jews have removed the actual quality, nutrition (spiritually speaking) and true essence of the fruit, filling the fruit with poison, for the Goyim who want to attain spiritual knowledge by trying to find their old Gods. Even the shape resembles the rotten apple as it once were, and it also has a tag "Made in Israel" on it. These so called "Satanists" are just eating rotten husks, which are indeed, very close to their general emo perception around worshipping death, nihilism, and living in the bottom of the spiritual chain because the jews said so.

Basically just doing exactly what the jews said and dictated the "Dark Goyim" should be doing. To send them to the grave and to insanity and drugs directly. This is exactly why the "Satanism" has been a circus before we came along. Plagued by self deceptive filth, practices of personal decay, and generally what jews would wish to fall upon their enemies who dared try to find out about their Old Gods. I see many of these so called "Satanists" with big pity myself. Many of these institutions are also jew infested from top to bottom, contributing to the racial warfare of the jews do upon the Gentile mind.

Satanists are really bad goys, and they created specific plans to subvert them. Because the jews have full knowledge what True Satanism means, but they project otherwise to the silly goys. Who take their word for granted unfortunately sometimes based on disinfo.

If you pay close attention Koetting is not looking like a jew either. So he is just emo, dark kind of actor, taking for granted jewish crap and applying it, while giving these on the public for self-evaluation and financial gains as well.

He is a Goyim eating from the Husks...Made in Israel...

Sometimes truly they get an experience back, but this experience is always painted and tainted through negative forces, who have a worse higher objective: to hide all the understanding from the person. There is no true wisdom in any of these experiences, just funs, giggles, and a lot of theatricality involved. This is why the jews created the Qlippothic Kabbalah and the jewish Satanism in the first place, to conter-react on what Satanism already was. Which is Satyanism, the source of True Spirituality. This culture is a jewish reaction to the true culture of what Satanism is about.

The 'practitioners' don't know jack shit of what is going on in regards to their working. And unknowingly they are basically using their own powers of manifestation, sometimes making these systems work. This is because they subconsciously believe that since these look so dark and crappy, these have to also be successful. So sometimes, here and there, they can have outcomes. In more serious cases where the enemy draws interest to destroy the Gentiles using these, they destroy them directly and entice them in deception until they are destroyed. These are the jewish systems. Even Rabbis have been destroyed by the monstrosities their own race has created.

Actual Satanism is quite different. All the power is on the person, all the knowledge, and all the wisdom. One doesn't simply go into a plane to fly (and possibly crash to Pissrael) but actually learn to drive the plane, recharge it, learn all it's secrets, and also grow an understanding of the purpose of using the plane and way more. This is how Spiritual Satanism works and for this reason we tell you, AVOID THE EXCREMENT OF THE ENEMY! If you want to create Disneyland and be the princess until the weight of your ignorance crashes on you, certainly, go ahead.

But if you want to worship Satya - Satan, the Truth, you have to follow rigid meditation routines which will lift the veils from your eyes so you can see the Truth, sometimes, too unpleasant to those living in fairyland. Spirituality is very scientific, it's not only about make believe, spooks

and imagination. It's as accurate and as dependant-upon as being a science about existence.

Lastly, why some people find 'results' on these things, are only because truly, spiritual powers are within. Because they so much believe that by doing such things they will experience results, they also create them. This is a very basic level of magick which is very Samsaric, and is quite similar to simply what the christians do in praying to the idols of Rabbi Jesus without understanding that they are fulfilling their own 'prayers'.

True Prayer towards the Gods is past these 'veils' of perception, and reaches the Gods directly. Satan and the Gods don't hide behind their finger telling people that they are this and that, they show obviously to us that we are Gods ourselves and share the powers of the Gods, that we need to cultivate. Behind this hyperrealism of spirituality, are lying dormant the laws of the cosmos and actual entities which through these means try to communicate higher understanding to our species.

Associating these entities with stupidity, decay, and personal creative imagination that makes them jesters is disrespectful, retarded, but above all false.

As the famous quote of Yoda is in Star Wars. One must unlearn what they have learned, if they wish to know the secrets of the 'force'. Unlearning what one has learned in a world is important in having a clearer perception about existence and therefore elevating one's self to the Godhead gradually as a result.

## "The Kabbalah" - The Truth Of "YHVH" - The Jewish God

Judaism is based on the Torah and lists there are two aspects to the Torah the encoded Torah and the decoded Torah. The decoded Torah is called Kabala. The Rabbi's have the keys to

decode the encoded Torah.

In Kabala "god" YHVH the name of the Jewish "god" is shown as the world tree with the ten sephiroth on it.

Kabala states the 10 sephiroth are divided into three upper ones the upper face and the seven lower ones the lower face.

The three upper worlds are Kether, Binah, Chokhmah. Which Kabala states is the left brain, Binah, the right Brain, Chokhmah and the Optic thalamus, Kether. The three upper sephiroth are called the three heads or the three faces. Which in ancient symbolism is the symbol of the three parts of the brain and the three nadis the moon, sun and middle channel merging together in the head. The head of the trident is another way this is shown. The image of the three upper faces or heads is still in Hindu symbolism.

The seven lower faces or sephiroth in Kabala are called the "Seven Elohim" the seven gods they are also called the "seven lights" and relates to the seven planets. The seven planets are seven chakra's the name "gods" is also an ancient term for the seven chakra's and so are the "seven lights".

YHVH in Kabala as a name is openly stated to be nothing more than a code for the ten sephiroth on this tree:

The Yah letter is Kether and Hokhma

The Heh is Binah

The Vav is Gevurah, Tiferet, Chesed, Netzach, Hod, Yesod.

The second Heh is Malkhut

The three pillar's are the left, right and middle of the body. The left is were the female nadis or energy pathways are and the right the male nadis. They meet in the middle at the middle pillar. This concept is still shown in Hinduism as Ardhanarishwara:

The three pillars also represent the sun, moon and middle channels in the spine. The worlds are divided into male and female sephiroth or energy centers. The male and female parts of the soul. Much of the talk on the sephiroth in Kabala is just on the uniting of the male and female sephiroth which is the point to sexual unite the male and female chakra's and the soul. Kabala calls this practice "Daath" which means in this context "sexual union" this creates the new soul in kabala.

The four worlds associated with the tree Atzilut, Briah, Yetzirah, and Assiah, are related to the four elements with Daath being the hidden fifth world of spirit. They also relate to the five main sheaths this is still found in Hinduism. The physical body the prana body, the astral body the mental body and emotional body. That come together to form the person.

In Kabala the soul simply reincarnates which they call "Gilgul" in Kabala. And this process is done according to the karma of the individual soul. There is no literal heaven with a "god" sitting in it in Kabala.

In Kabala the highest "god" is simply the Ain Soph which in Kabala is a code for Kether the crown which relates to the element of space. There are actually only nine sephiroth counted in Kabala not ten. Kether is considered not part of this for reasons of it relates to the union with the Ain Soph and the essence within all the other sephiroth. The Ain Soph is called simply "A Force" in kabala and nothing else its the subtle energy that manifests existence. The nine sephiroth are seen in the Norse with the nine worlds on the tree. Ten is a code for union with spirit the 1 in Kabala is spirit as it unites and adds into all numbers all this core element does into all forms. The O is the female symbol the physical body or Prakriti in Hinduism that unites with spirit or Purusha. The union of both occur at the crown.

The goal of Kabala is to raise the Shekinah from Malkuth the root chakra to "god" in Kether the crown. This is the union of Shiva and Shakti in Hinduism. There are actually 33 pathways on the Kabala tree as Kether is the hidden 33rd pathway in Kabala. This is the 33 vertebrae of the spine which Shekinah the serpent energy must travel thought to unite with "god" at Kether the crown the top of the head. This is also the 33 Deva's in Hinduism. And 33 degrees of Masonry. Note Ain is the Hebrew letter that is given the All Seeing Eye and is called this in Kabala. Kether the crown connects to the pineal gland in the brain. This concept of Kether as the actual "god" is in Hinduism. The crown is called Guru which means "god" for the same reason. It connects into the eternal essence of "That Which Is Not" the Shiva Tattva in Hinduism.

In Kabala the 22 letters relate to the seven planets the 12 signs of the Zodiac and the three elements. However this is taken from the Greek 24 letters which in the Greek the 7 planets, 12 signs of the Zodiac and 5 not 3 letters for the five elements. The letters on the tree are designed to be vibrated in certain patterns to lead the Shekinah up the 32 paths to the 33rd path of Kether. The individual physical Jew is literally called "god" in Kabala that is all. The ten sephiroth also relate to the formation of the physical body and how it overlaps the soul. Making simply a physical human being. This shows the truth Kabala is stolen and corrupted from more ancient spiritual teachings of other cultures hence much of this is still found in Hinduism. Which many Israeli Jews who went into Hinduism and were initiated into esoteric Hinduism, Tantra in India simply left and went to back to Judaism as they stated everything they found in Hinduism was already in Kabala.

## "Exposing Kabbala Stolen From Thoth"

In Kabbala the inner chamber of the head is of knowledge the godhead is called "Daat". In Hebrew the D is a double letter of the T it can be wrote either way. Daat is Taat, this is the name of Thoth in the ancient world. The God who rules the all seeing eye the pineal gland at the sixth chakra. Which is the Daat in Kabbala. Hence why Thoth is the God of knowledge the knowledge of the fully opened spiritual eye and super conscious state of the fully activated brain.

In Kabbala the "god head" is simply shown openly as being the human brain within the head. Which is symbolically shown as the three upper worlds Binah, Chokhmah, Kether. Which are symbolically shown as the trine parts of the brain the left and right hemisphere and the optic

thalamus. In reality most of the Kabala was stolen by the Jews when they were in Alexandria which was the hub of spiritual knowledge. Scholars have pointed this out as well the Kabala is all taken from the ancient Hellenistic spiritual teaching some Rabbi's admit this as well. The Greeks and Egyptians had the same culture.

## The Disgusting Truth Ritual Murder Is The Core Of Judaism And Christianity

In Judaism the main rituals on the Jewish holiest of days Yom Kippur are based on ritual murder of animals as blood offerings. This is done to raise and direct energy as a form of black magic:

"One can deflect a detrimental condition, or event by transferring it to a substitute object or entity. This is the logic behind folk beliefs about offering sacrifices, but the Yom Kippur scapegoat offering. Another prime example in Jewish lore of a substitution ritual is kapparrah, in which one ritually transfers one sins to a bird, slaughters the bird.".....[1]

One can note from Jewish kabala text on ritual magic along with the names of numerous Hebrew mantra's or divine names one of the practices is:

"Animal sacrifices, and even the consumption of blood from ritually impure animals."[2]

Note in the descriptions of the bodies of Gentile children that were found ritually murdered by the Jews it was noted the wounds on their bodies mimicked the crucifixion of Christ including in the case of William of Norwich the marks on the head where they inserted the crown of thorns. The holiest ritual of the Christian religion is communion where the Christians stand in front of an image of a ritually murdered man on a cross and then eat his flesh and drink his blood. The Jews created Christianity to tie the Gentiles into their occult control and energy matrix of YHWH. The Christian communion is a form of sympatric magic ritual that ties into the Jewish ritual murder which is the other side of the communion ritual:

"sympathetic magic is based on the metaphysical belief that divine forces are clothed in ordinary things and like affects like; that there are analogies to be made between symbolic acts and real events and that if things can be mentally associated, they can magically influence each other." ....[3]

The Jews drink the blood of the victim and eat the flesh of the victim. Gentiles are called animals in Judaism and ANIMAL SACRIFICE AND BLOOD DRINKING IS PART OF THE JEWISH OCCULT RITUAL. Note many Jews have been recorded as having strange ailments only found in one other place on earth..... In New Guinea among the cannibal tribes. The ailments they get from drinking human blood and eating human flesh. Its obvious as to why the Jews are the only other people to have this. Judaism believes that certain foods like meat gives them the energy or sparks of the soul of the animal.

The disgusting Jewish movie "Sin City" directed by an obvious Jew, showed a character played by another Jewish actor cannibalizing women and this gives him superhuman like power from the sparks or special energy of the victims. I wonder where the Jews might have gotten that ideal. They put this in the movies as form of sympathetic magic as well.

The Christian Ritual of communion is designed as sympathetic magic to the Jewish blood ritual that both connect in the astral and empower the energy matrix the Jews call their God. Who demands blood sacrifice as the highest offering in the Torah. In the Torah Jews are given five animals they are to sacrifice to Yahweh. Cattle is one of them.....The Jews call Gentiles goyim which mean CATTLE....

## Why Hitler Destroyed Freemasonry

Many people hate the Illuminati and the Freemasons, Rosicrucian Order and Anthroposophists. Some people like Pike have touched on the pre-jewish-infestation meanings of these orders, but these have had well collapsed by the 1700's or so, therefore what they found is only shadows mixed in the greater jewish filth produced later on.

It's very true, Hitler did so as well, attack these orders and destroyed almost all of them. And

annihilated them from Germany. One gets a better explanation about what these occult orders do when they study their manuscripts.

One example is Jah-Bul-On, which is used by the Masonic Lodges. JAH is YAH from the Psalms in the bible. Bul, they say it has to do with Baal, which simply means "King" in Semitic languages. As such both Gentiles and jews have brawled over the term. ON simply means living entity. The whole name means Yahweh is the king of the living. Which is stating the obvious. As it was found in the 18th century, this name relates to the YHWH directly.

Freemasonry is just a political frontier of Judaism. That is active in Goyim lands. That's what Freemasonry is. On the basic levels it keeps some idiots to act as cannon fodder and defense to it's higher objectives. The work of the Freemason is to deliver the country in the hands of the jews. As part of the greater (((Messianic Plan))).

By Hitler's time, all the above organizations were doing simply, rituals to honor Jehova, potentially human sacrifices, and guess what they have had in every Lodge...A Torah. From which they read curses and blessings for their Masonic order, by the eulogies of the jewish egregores, to do what they always did best, keep the countries under jewish rule. Masons actually believe in themselves as appointed leaders of the Jewish God. And openly promote it's interests in the Gentile lands. One enters Freemasonry and the Illuminati knowing full well, that they will be serving the jews, or in rare cases, learning about it a bit later.

Forces Occultes is a film that was created in 1943 and was heavily associated with "Nazi Conspiracy Rhetoric". As it was created in France. It's truly educational for the Jewish Masonic Orders and how they operate. It also shows the corruption of a good man by Freemasonry and how he found himself trapped as a politician from the Juden. The people who made this film were all assassinated, by the way.

In the manuscripts of all the orders. You clearly have the Torah, rituals to Jesus Christ as the "Superior God", rituals to attack and subvert Demons, full blown glorifying rituals and meditations related to Jehova and to other bizarre alterations of it's name (In the bible there are tens upon tens of such, one more doesn't mean anything really). The meditators practice the jewish Qlippothic Tree, they read the Torah, and they follow passages in the same way the jews read it.

In the case of the so called "ANTHROPOSOPHY", many people complain on why Hitler persecuted and shut their little jewish shop down. They were practicing the jewish Qlippothic tree and many other jewish meditations. Because they were jews. And praising the same egregores as the above categories did. All of these little mushrooms are part of the same cancerous network.

Anthroposophy which was made by the Rudolf Steiner, with whom Hitler had a severe hatred for playing the wanna be occultist in the midst of Germany... Praises the following jewish egregores: Anael, Gabriel, Michael, Oriphiel, Raphael, Samael, and Zerachiel. He simply praises the jewish egregores.

What Hitler writes in 1921 about Steiner (Founder of Ariosophy):

"It is possible that Simons can actually value it better; the man appears to have exactly valued the capacity for work of the German people. In the course of the London affair there now rises to the surface, by degree, such mysterious accompanying circumstances that it is not only appropriate but also quite necessary to inspect somewhat closer this Mr. Minister – the intimate friend of the Gnostic, Anthroposophist Rudolf Steiner himself the adherent of the Threefold Social Order which is one of the many completely Jewish methods of destroying the peoples' normal state of mind – to see whether his mindless face, mindless according to the opinion of Lloyd George, is really only the result of the lack of spirit or whether it is the larva behind which something else is concealed... "

What is the simple fact here...Just destroying jewish spirituality all around. Which is why Hitler also destroyed the Freemasons, the Illuminati and all the orders who praised the jewish egregores and read the Torah, while conspiring with the entities behind the "Angelic Host" to destroy Germany. Because Hitler was with the opposing side of ET's who wanted Germany to live, not to die. This is one of the reasons Hitler is also called "The Satan", as he is an enemy of the jews. The Christards of Zion literally call Hitler "The Anti-Christ". While few try to maintain the lie of a "christian Hitler", the facts speak well for their own.

Also note Hitler accuses Steiner of Gnosticism. Which is nothing more than pure jewish filth in the late centuries. One of the most hijacked jewish movements.

Naturally the lodges were infuriated when Hitler was going to power. And you truly do not want a 5th spiritual column in your own Nation. So Hitler made a decision to cleanse them out in full. However other orders, and all other, non jewish religious faiths (including ones that practiced Hinduism or Meditation) remained intact. Because there is a different between just practicing a religion, and reading the Talmud and the Torah to throw curses on your government or the people upon which you govern.

Which is why the Illuminati and the Freemasons are hated to this day. All these lodges do is simply, the last three centuries, enslave the Gentile countries for shekels and power given to them by the jews.

Take a look at this baby book here. What do you think it is? It's a bible. This is the thing they read, study from, and praise in the Masonic Lodges. Yes, the same thing the Pope has platted in gold, and the same thing the Rabbis study and curse from Humanity, 24/7.

What Hitler and the National Socialists found out in Lodges in 1933...The same things.

Occultists who were Ariosophists and others who were Aryan were given free footing. Many also were put in the SS and other important organizations to reconstruct lost knowledge.

Lastly on tolerance of religion in Germany. The NS were fine with non-jewish faiths. Like Buddhism and other such religions and they never persecuted these minorities, they actually worked to bridge and find things together with the representatives of such. Which is historically admitted.

What did Hitler do to jews and Freemasons? What every Satanist (enemy in hebrew) would have done. He sent the SS to completely flatten Freemasonry, the Illuminati, and all jewish occultistic lodges fully. Destroying jewish spiritual power in his Nation. Step by step until the final peel of the jewish onion which is Christianity. Which was largely extinct after less than 10 years in Germany.

Hitler was representing the forces of the Gods and fought for the restoration of the ancient faiths same as eradicating the jewish spiritual influence. Which was the fundamental of the Thule Society as well, to represent Aryan thule. This is represented from the banner to everything the NS party did. To the abolishing of Christ and putting Nietzsche's Antichrist in the hand of every grown youth and Zarathustra as national literature.

All of the above as messianic christians admit was the work of the Devil and the Anti-Christ. That of a spiritual liberation from the jewish spiritual stranglehold.

## Where "Angel" Was Stolen From

The modern word Angel is from the Greek "Angelos" and the Latin "Angelicus" which are from the Sanskrit "Angiras" which the Vedic seven Angirasa seers symbolize the lights of the seven chakra's and are born from the fire of Agni.

"Archangel is Sanskrit Arhat Angiras, noble Angiras. The Buddhists also called their ancient sages the Arhats, a Vedic word meaning noble, often applied to Agni."

In Sumerian this also becomes An which is also an ancient title of Shiva. And what the seven Arch Angels of the Yezidi's relate to the seven chakra's. Angel is An el which means the shining serpent as the An Gods are also the Anunnaki. El is an ancient title of divinity the Jews stole latter on. The head god of the Pagan Canaanites was EL. Note Enki is also called An..Ki.

The enemy has corrupted this term and used it for their Kabbalistic thought forms they have

created. Such as the angel Metatron which is another name for their thought form of the Torah.

## Fallen Angels Are Corrupted From Sumerian Sages Of Enki

The ancient seven sages of Sumeria who were under the direction of Enki, the Apkallus who taught mankind the knowledge of spirituality and civilization. Were the actual "Fallen Angels" who came down to earth from heaven in later Jewish rewritings:

"Apkallus were said to have taught antediluvian sciences to humanity and so, too, were the Watchers. As one scholar concludes, however: "The Jewish authors often inverted the Mesopotamian intellectual traditions with the intention of showing the superiority of their own cultural foundations. [thus]... the antediluvian sages, the Mesopotamian Apkallus, were demonised as the "sons of God" and appear as the Watchers...illegitimate teachers of humankind before the flood."

Enki was also called:

"The serpent Lord was Enki, but in parts of Chaldea he had been called Shaitan..."

So that is where the concept of Satan and the fallen angels is corrupted from. Enki and the Apkallus. In Sumerian writings they are also called: "The fifty who went with Enki from heaven to earth." And "The fifty Annunaki of Eridu." Which is Enki's city in ancient Sumeria. Note the 50 is symbolic of the fifty petals of the chakra's of which the ancient Sanskrit alphabet relates to. This is also the serpent energy and the chakra's. From Heaven to earth from the crown chakra to the root chakra. The city is the Purusha or the cosmic man as well its symbol of the entire being the energy bodies and the physical body.

The early tales of Genesis are stolen and corrupted from the Sumerian's. Enki created Adamu with the red clay of the Apsu and breathes the breath of life into him. Later the Jews stated

Yahweh creates Adam with the red dust of the earth and breathes the breath of life into him. They then place Enki in the role as the Devil instead. So they can butt in with their own evil agenda. The original sin they inserted in the Garden of Edin a Sumerian term for the abode of the Gods. Is that of Daath in Hebrew which means the sexual union of the male and female chakra's [Adamu and Eva] which is done by the serpent energy which Enki symbolizes. The Magnum Opus.

The Tree in the Sumerian Garden of Edin is the Mish or Gish Gana tree of life the symbol of Enki. Of which the waters of the Apsu flowed through the serpent life force.

The Seven sages of Enki are the seven chakra's as well and the Apsu of Enki is the body and soul the energy bodies the nadis the energy pathways that flow with the cosmic waters of the life force. The seven sages wear the symbolic fish imagery to show this. The fish is another way of showing the energy of the life force. Enki taught Mankind the Magnum Opus so they could ascend and become perfected and immortal like the Gods. This is what the enemy considers the original sin. They want spiritually helpless slave Goyim to serve them as God.

The Yezidhi's were part of the ancient Sumerian civilization and they still worship Enki as his ancient name of Satan. They also state they came from ancient India there are words in their language which only appear elsewhere in the Sanskrit Veda's the original Vedic Sanskrit. And they have stated their God is known as Murrugan in India who also has the serpent and peacock we can also note:

"Enki is the Middle Eastern counterpart of Murrugan, whose symbol of the Makara, a creature that is half fish and half antelope, is an eastern version of Enki's goat-fish, the Kerabu. The Makara and Kerabu are both symbols of the first sign of the Zodiac, Capricorn, so Enki-Murrugan, the primal life force that began the universe, eternally begins the astrological year."

Murrugan is the ancient title of Shiva and the Hindu's state Shiva created Adimu and Eva in the Garden of Paradise in ancient Sri Lanka before the flood. When it was still a larger continent. They state Shiva and the Gods had a physical presence on the earth at this time in Kumara Kandam this place in the first Sagha and taught mankind the knowledge of the serpent power yoga and how to ascend. The ancient Ayrans stated they came from this place originally but

moved outwards after most of the original land sunk. They migrated to North India, and outwards. The Yezidhi's are called the blonde blood line.

The ancient American records have the same account as the Sumerian's of identical looking sages lead by the White God Viracocha arriving and teaching them civilization. The image of Viracocha is a White Man with a beard dressed in the same way you would see in Sumeria. These are also called the Votan's in other places of ancient America. Votan is the ancient name of Shiva in the east. In Sri Lanka, Buddha is called Wotan and this is originally a title of Shiva.

## Kabbalah's Cube

Different shapes hold and conduct different energies this is why the universe is made of sacred geometric patterns that are the blueprint for all existence such as the Platonic solids the five elements. Ancient temples were built using such knowledge to conduct different energies and is why they were built on lay lines.

Originally in Kabala the entire Jewish occult system is shown as a cube and the entire alphabet fits into this cube of space which also contains the five Platonic solids. The Hebrew Alphabet is the energy of their thought form they call god. And relates to the element of earth and that of Saturn which rules earth. This is the reason ancient altars where cube shaped as well it symbolized Saturn and earth.

This is what the tefillin the black box the Jews wear on their head relates to. It contains the Shema prayer which is a formula arranged with the Hebrew alphabet which is a series of charged yantra's that ties into their energy matrix. The Shema sequence is what unites the Jew with their "god" in Judaism. This unites them and connects them into the energy matrix. Which is the cube.

THE KA'BA AND TEFILLIN CUBE SHARE REMARKABLE SIMILARITIES

[www.kabbalahstudent.com](http://www.kabbalahstudent.com)

The Jews state:

"The tefillin acts like an antenna that draws down a powerful spiritual force from these seven dimensions."

Here the same Kabbalist Jew tells us further on how this connects to the cube of Mecca:

"According to both Kabbalah and Islam, there are seven heavens, or seven dimensions in the spiritual world that directly influence our world. This is why there are seven notes of music, seven seas, seven continents and seven days in the week. We have seven layers of negativity within us and we want to bind and slaughter those selfish layers that make us treat others with disrespect.

The Zohar explains this is the secret behind Abraham binding his son Isaac. Each of us are required to sacrifice our ego for the sake of sharing with others. The tefillin act like an antenna that draws down a powerful spiritual force from these seven dimensions that negates and sacrifices the influence of our selfish nature and ugly ego. 99% of Jews have no clue that this is why we bind tefillin on our left arm. We use the left arm as the left embodies our ego and the negative (Isaac), whereas the right refers to the soul and the positive (Abraham).

Each year, Muslims embark on a pilgrimage (Hajj) to walk around the Ka'ba in Mecca seven times. This mirrors the process of binding our tefillin.

The purpose of Hajj for Muslims is to connect to the same event of Abraham binding Isaac (Muslims relate this to Abraham binding his son Ishmael).

The connection is profound. Only Kabbalah explains the true spiritual purpose.

Perhaps this is why the Ka'ba in Mecca is known as the House of Allah.

Ka'ba and Allah, as we know, spells Kaballah."

The process described is how the Muslims are unconsciously tying themselves into the Jewish matrix during this mass ritual. Seven is the number of Saturn. All Muslim's must pray five times a day facing the direction of the cube in Mecca. They do this on the solar power points of the day to make the energies stronger to charge this though form.

And from Islam:

"Tradition goes that the Kaaba was ordained by Allah to be built in the shape of the House in Heaven called Baitul Ma'amoor. Allah in his infinite Mercy ordained a similar place on earth and Prophet Adam was the first to build this place.

The Bible, in the Chapter of Genesis describes its building when God ordained Abraham to erect a Shrine for worship when Abraham was ordered to go to the Southern desert with his wife Hagera and infant son Ismael.

The Old Testament describes this building as the Shrine of God at several places, but the one built at Ma'amoor is very much similar to the one at Makka. There is no doubt that it was referring to the stone built house at Makka.

Qur'an brought this story into the full light of history. In Sura 3:90 Qur'an says

"Allah has spoken the Truth, therefore follow the creed of Ibrahim, a man of pure faith and no

idolater”.

The first house established for the people was at Makka, a Holy place and guidance to all beings. Qur’an firmly establishes the fact that Ibrahim was the real founder of the Holy Shrine. When Prophet Ibrahim built the Holy Shrine in Makka, his prayers were that this place should remain a center of worship for all good and pious people; that Allah should keep his family the custodians of the Holy place.”

This cube is also built to the dimension of six which is the number of binding of bringing down astral energies into the material and it also unfolds to form the six pointed star the symbol of Judaism. The above Islamic passage is important it shows that the Christian Religion and Islam tie into each other on the occult level and thus the Torah and Kabala. The city of Heaven is the New Jerusalem in the New Testament which is also given dimensions that relate to six. Which is to descend out of heaven to earth. Note the Islamic passages tie into the Torah and thus the Bible in Genesis as well. And the biblical characters such as Abraham and on. Jesus is even in the Koran as well as Essa with the tale of his divine birth and such and is a major character in Islam. The Islamic religion ties people into this Jewish thought form of Christ. Note Mohammed is also described as being a Jew.

The tale of Abraham sacrificing Isaac also ties into the place of the Mecca Cube. In the Talmud, Abraham actually does sacrifice Isaac in a blood sacrifice to Yahweh. Three days later Isaac is then resurrected by Yahweh. This ties into the thought form of Christ as well the ultimate blood sacrifice that is resurrected three days later. The reason for this here is this ties into the actual ritual murders the Jews commit by what the Kabala calls sympathetic magic on the astral and charges the energy of the murders with more power. Islam has mass rituals devoted to offering up the blood of humans and animals as well into this. Note the three days for each. Three is the number of Saturn and the square of Saturn. Three days is also 72 hours. The 72 is the number of the cube as well. This is binding this in with the 72 names of the Jewish god which is shown as Metatron which is shown as the CUBE. The Christian ritual of communion ties into Jewish ritual murder direct as its a sympathetic enactment of how the Jews do this. Including the symbolic drinking of the blood and eating of the flesh while standing around the image of a ritually murdered person on a cross. This ties in unconsciously.

The cube for the Christians is the cross. in Kabala its admitted the cross of Christ is the Kabala cube this acts as the focus point for these energies to descend and channel through as well.

Every Christian church has always had the cross at the front of the altar where the intention is directed during mass. In Kabala the cube unfolds into the Christian cross and is given six the number of bringing energy into the material.

The cube in Kabala also represents GOVERNMENT in the Jews case their world government they are working to manifest with the matrix of energy the spell of Christianity and Islam are generating and feeding into the thought form of the cube of energy. Which is why the cube is the symbolic shape of the world government of the Jews and government is traditionally ruled by the concept of Saturn.

## The Protocols Of Zion Are Real

The actual origin of the Protocols come from the Kishinev pogrom that happened in April of 1903 when it was discovered that a Gentile child had been ritually murdered by the Jewish community. Remember the case in the Russian Empire of the Rabbi, Mendel Beiliss for the ritual murder a ten year old child, Andrei Youshchinsky. In which Beiliss admitted was part of a black magic ritual against the Czar in which the entire Jewish community was involved. In which witnesses identified Beiliss as the culprit who led the gang of Jews who kidnapped Andrei:

So this was an occurrence and the type of horror which generated the natural outrage of the Gentile populations against the Jewish communities and uprising against them. And from England to Russia was the number one listed reason for the pogroms and expulsion of the Jews. When this occurred again with the Kishinev pogrom. Within the Jewish community that was stuck by the uprising by the locals. The document was actually found by one of those involved and delivered to a local publisher, Krushevan who published them.

As Dr. Radl shows:

Thus we can see that if we remove the myths and legends surrounding the Protocols and then place them in their historical context using what we know about them: we can actually narrow down what the source for the Protocols originally was. To wit a Jewish document recovered from Kishinev by pogromists and then given to Krushevan who then published it outside the jurisdiction of the court of Odessa, which was looking for a way to prosecute him (and for which

the Protocols would have been suitable ammunition) and which is the reason why de Michelis rightly suspects the document to have come from pogromist circles....

Now we know quite a lot about the Kishinev pogrom and that it was close to a major centre of Zionist activity; Odessa, (95) where Vladimir Jabotinsky gives his first lecture on his extreme Zionist variant; Revisionist Zionism, on the 7th April after hearing about the pogrom. (96) We know that for example a large number of Jewish Torah scrolls were desecrated and that the pogromists took a large quantity of money, goods and objects from the Jews during the pogrom itself. (97)

Now with a direct connection to the first editor of the Protocols, a major centre of the Zionist movement in the Russian Empire (where extreme variants; like Revisionist Zionism, were forming) and that we know objects of importance to Jews were either damaged or taken. We can make a rather revolutionary suggestion: the source document that the Krushevan edition was based on was actually taken from the Kishinev pogrom and that it was some kind of Zionist document or local plan.

Krushevan to protect himself from persecution and arrest for having any connection to the Pogrom in which people were arrested and put on trial. Simply put in other source that of an agent in Paris, to protect himself. However the second and most widely published copy of the Protocols by the Christian Mystic, Nilus. In his book "The Great And The Small." Published in 1905 in which references to the Torah [old testament] are removed and the references to Jews being against Christ put in, and the references to Free Mason's put in along with statements about Nietzsche and Darwin. With more added in general. The 1914 edition of Nilus's, publishing was again heavily edited and altered. This is where the major increase in plagiarized material emerge. The Nilus editions are the ones the "debunkers" like to use along with most of the confusion around them arise from this. The Jewish Soviet system even went to their own extreme to further create anti propaganda against the Protocols in the early 1920's. Because this document is major threat to them. In the nineties and early millennium, Russian academic's and scholar's have also published works showing the Protocols' are authentic.

## Who is Satan To The Jews

Below one can understand what Satan is to the enemy. This is from the book Kol Hator one of

the most famous jewish books and one of the most infamous rabbinical books. This is the "6th rule" that every jew must follow, to wage the war against Amalek. Notice the number 6 is the blueprint for the waging of war against Amalek. Part of which is why 6 gorillions were used as a number to incite lies on the holohoax and many other pertinent lies.

## 6. Waging war against Amalek.

The war against Amalek is from generation to generation. The war against Amalek is against three types of foes: a).

Amalek of the heart, that is, the evil inclination and vices;

[My note above we can see they have associated this name with any force or energy that is negative and acts against the jews internally, and as such they later claimed this name is the source of all evil in existence. Everything that keeps them and prevents them from fullfilling their messianic purpose is called "Satan" energy wise]

b). the spirit of Amalek, the general one, the Satan who destroys, the adversary of Israel. This is Samael and his hosts. His main power is in the gates of Jerusalem, when its lands are desolate;

[My note here we can see they recognize Satan and his "Hosts" as a spiritual enemy, who has literal existence and is a commander of legions. As Rabbi Ariel Tzadok admits all of this is a cover up for the ET connections and how the so called "Angels" and "Demons" are all ET lifeforms.]

c). the material Amalek, that comprises Esau and Ismael and the mixed multitude. As explained by the Gaon: we are commanded to inherit it [the land] by force.

[My note Esau is a code word of White people, while Ismael and the mixed multitude is actually the Arabs and other races of the world which act against the jews. The enemy writes there they will steal their land by force as well.]

From the same book:

The purpose of gathering in the exiles is to wage God's war against Amalek, which was the main mission of Joshua, in line with Mashiach ben Yosef. The war against Amalek includes every aspect, against all the enemies of Israel, including Armilus, the prince of the mixed multitude. It is also intended to remove the spirit of impurity from the Land, and to bring " Kneset Israel and Shechina from below, from the earth.

From another place in the same book they admit that the problem on why the "Higher Israel" (what the jews imagine) vs "The lower Israel" is not yet constructed, are the forces of "Amalek". In other words if you are not cattle in a jewish farm now, it's thank to the Pagan Gods.

The jews write about exiles because they believe they have been exiled from Israel, and here they admit, they self-exiled themselves to destroy Amalek, aka the Gentile Nations, from within, as part of the Messianic Plan. They also admit here that Meshiach ben Yosef (Rabbi Yeshua/Christ as Rabbi Kaduri Admitted) is the one to wage war on all fronts with the Gentiles. Which is their ultimate objective.

The obstacle to such things happening is the "Satan", who prevents all of jewish plans and thwarts all jewish attempts to world domination. In other words whomever is a jew hater is actually a "Satanist" in one way or another. At least the jews would see them that way. And would want the fate they want for Satan as well, to exterminate them, as they see Gentiles as his seed. Which is true in itself as well.

## Borg World The Age Of The Jewish Messiah

The Rabbi's state their "god" is "The Heavenly Metatron" and they call this a hive mind of literal

Reptilians whom they also called the Seraphim but are literal Reptilians that appear to them as Reptilians.

The Rabbi's state what the Jews call the Messiah is when earth is turned into the image of the Heavenly Metatron. One high level Rabbi literally used the Borg as the example of what the world will be turned into as the Messiah age. This age is called in Judaism the "New Covenant" which is what the Christian Bible is called by the Rabbi's who wrote it. This age is when all of humanity has been conquered and turned into a Borg slave race with a hive mind. This is how the Bible ends in the book of Revealing ie Revelations. Humanity is turned into a hive mind with no differences of race, sex, class, family, gender or individual thought. The descent of the Heavenly Jerusalem is the cube of Metatron descending to create this "New Earth". That is also what Jewish Communism is the continuation of.

Now the planet has advanced to the level with genetics' and technology where the Jews along with occult control with the spell of Christianity the enemy are manifesting this program into reality. They are already pushing transhumanism which will use criminal genetic engineering and technological microchip implants to transform humanity into the earthly Metatron this includes brain chips to create a hive mind. In the writings of the high level Rabbi's like The Gaon of Vilna going back century's they are stating they are going to use the emerging technology to manifest the plan of "god" and bring in the Messiah Borg humanity.

The Metatron is three things a trinity, at the top its the Seraphim which the Rabbi's state are a hive mind of literal Reptilian Extra Terrestrials, the race of Israel the Jewish race soul and the Torah. The Rabbinical texts state that the race of the Jews have a "higher group soul" which is shared with the Heavenly Metatron which is the beings they call their literal masters the Seraphim the Reptilians. This is because as the Jews stated their race didn't come from this world it came from "out there beyond this world". The Jewish texts their "god" didn't create this physical planet. The Rabbi's show the name Elohim in Jewish Gematria adds to a term in Hebrew that means "nature" that nature the universe, natural law created the physical planet. The Jews in their texts state their race is from the blood of YHVH which as their racial Cohen gene shows contains Reptilian DNA. They are a hybrid race and are the incarnation of the Reptilian, gene soul group in this world. That is the key to their whole occult system. Its the manifestation and extension of their racial alien soul group. The Heavenly Metatron is the Reptilians the Lesser Metatron the Torah energy and the Earthly Metatron the Jews.

Behold the Seraphim of the Heavenly Metatron....

That is the Jewish "god" of the Bible.

These Jews are an alien program and nothing more.

## Jews Openly State They Have Cursed Gentiles Spiritually

The Kabala which is the occult level of the Torah in which all the real information of the Jewish agenda is contained. It puts a major focus on the book of Genesis as the core of its occult information that is encoded within it.

The Kabala states that the Jews have literally bound us spiritually from obtaining eternal life, the light body, by the sphere of Binah. In Kabala Binah is the left hemisphere of the brain. The reason for this is simple. Eve is created from a rib this actually is the Luz bone which is the tail bone in Kabala. Eve represents the energy of the feminine part of the soul the right hemisphere

of the brain. She hands Adam the male the left hemisphere the fruit of KNOWLEDGE. This term relates to the Gnosis which is called Chokhmah in Kabala meaning "wisdom" from the opening of the right hemisphere of the brain which is called Chokhmah in Kabala from the activation and raising of the serpent which unites the left and right hemisphere's together and switches on the mind to full use. This allows one to know good from evil, lies from truth and to obtain a super conscious state.

The Garden in Kabala is the Gan Eden it relates to the brain in this context the two hemispheres of Adam and Eve. This is shown in Kabala as the triangle of the upper world. Binah Adam, Kether "God in the sense of the Ain Soph the cosmic conscious state which they call a force", Chokhmah Eve. The Kabala states the serpent in the Garden is Satan which is the symbol of the Gentile soul. Hence this is a binding against the Gentiles.

The Jews in their Protocols Of The Elders Of Zion, which the original document has been verified as true by numerous Russian scholars and academic's who studied them. State they are going to trap us into a left brained paradigm so they can control our perception of reality and remove us from knowledge of the right brain, Chokhmah or Eve and remove us from Kether or "the Ain Soph" which is the super conscious state from activation of the right brain and pineal gland and crown chakra which relates to Kether in this context. This is what in Kabala relates to here in Genesis its the rabbinical curses to attempt to bind the Kundalini energy in the root chakra. The Jewish "God" punishes the serpent for awakening the right hemisphere of the brain, Eve. By making it crawl on the ground which is root chakra the earth chakra. Attempting to bind the Kundalini in the root chakra. Then the enemy angels are placed with two flaming swords to prevent them from ever entering this state again. This is the energy of the binding spell against us. In the story of Edin Yahweh states if they the Goyim obtain this ascended state then the Goyim will become Gods and the Jewish agenda is finished. This is the warning to the Rabbi's.

This proves the Jews know what we Gentiles can become and are trying to stop it. And that removal of spiritual knowledge from Gentiles is their key to victory against us.

## Revelation And 666 Explained

Many of you are familiar with this so called "Prophetic" book named the Revelation. This book is just the strongest subliminal of the bible, the climax of all other subliminals. As such this book

has gained much attention and speculation from people who cannot understand it's meaning and assume it's the 'word of god'.

Unlike many dumb Gentiles who consider that the "Pagan" religions were somehow "Different" and try to individualize them, even when it's so evident they are the same blueprint all over and over again, expressing the Pagan, or as admitted by top Rabbis...Satanic Soul...

The jews don't have such qualms, they put us all in the same category and as one force, as Satanic, as they know, we always were the same forces wearing different masks throughout the eras. And indeed we never tried to hide it either, we are boasting about it and the good things we have done for mankind.

Jews pretend they don't like the New Testament as these are Goyim manuscripts. But guess who wrote these, jews wrote these and created these writings. But the Revelation is essentially what the jews believe as the Tikkun Ha-Olam, or the "Great Cleansing" or the "Great Purge" and world rectification, which has to do with the wiping out of all the Goyim from the face of the planet. Handing this as the New Testament is necessary so the Goyim will not start questions, you cannot really give them the true teachings of your culture, since they are your enemies and you seek to brainwash them.

The ultimate final rule of the Jewish "Soul" over the "darker and evil elements of existence", Satan and the Gods, or in other words, the Sitra Archa. Which is the final objective of the Tikkun Ha-Olam. The Sitra Archa has a manifestation below (The Goyim Nations aka White people and all other Gentiles) and the a manifestation above (Our Pagan Gods). Both need to be fought above and below to facilitate what the jews call as the 'messianic process'.

This in the physical realm the jews translate as the wiping out of the White Nations, the nullifications of the individual Nations and Races, and the emergence of some ultimate leader of theirs that will rule the earth as a goyim plantation for the jews, giving them ultimate power. This is their 'promised world'. The Revelation, the last book of the jewish bible, talks of this objective being coming to finalization.

Now why the jews don't accept this is because it's "prophecy". Christian prophecy is not prophetic at all, as none of these beings have any such experiences, and it deals with implanting

things in the subjects brain, and not true prophetic ability. So the jews are pretty clear here, don't smoke the shit you sell to the goyim. Leave it to be snorted by the goyim instead and be jewish. This is because the jews understand it's just nonsense and it's not worthwhile of any attention.

However when you look at Hollywood and the promotion of Rabbi Yeshua or Jesus Christ, in every script, you understand, the upholding of this lie for the Goyim is of fundamental importance. If the goyim needs to believe that the jews are evil and they hate christ, so be it - no sacrifice is too great to maintain the goyim trapped in the hoax of rabbi christ. The jews have suffered to keep this spell and meme going and to present themselves as the so called enemies of a juxtapose their own race created. To play every goyim trapped in the middle. In the end, as Marcus Eli Ravage admits, this sacrifice was very worth it.

Many people read the english texts (Which have been corrupted to hide words) in the bible. English people tend to forget there are other languages in which these texts are written. Compared to which the English bible is just a fairytale. This is especially true in regards to the new testament. Which in Greek has a different meaning. The Old Testament is in hebrew and part of being a rabbi is analysis and knowledge of the hidden messages of such, which can be understood by knowledge of ancient hebrew.

If you pay attention to the Beast word in revelation, it means Therion. Which is actually the word for Wild Animal, but a great wild animal, a very powerful one, a mega-powerful animal. Which is actually a jewish slur for Satan, the God of the Goyim. So Satan marks his own people with a "mark", to mark them as his own. The jews call this the degoratory name of the "Mark of the Beast" aka the Mark of the Goyim Cattle. How do the jews call the Gentiles...The beasts of the burden, the cattle and the Goyim. What does this mark really mean, the Goyim in contrast to the 'true jews'. What remains out of the above is that Satan marks people with something the jews don't like, and the jews blaspheme with a disgusting name.

When Satan takes over the world, the 666 is given to Humanity as a mark, for everyone on top of humanity. Actually its ΧΞΣ, which is erm, translated in Greek Numerology, a forbidden science according to the bible, to 666. What the 666 really means however is the Solar Power and as it's well known this number is a number of perfection and the diamond body, and it's transformation to the rainbow body. This is the number of the grail and immortality. The thing about 'buying and selling' has to do with the transferring of energies on the negative and positive pole on the soul. This shows that at this point nothing imperfect exists in the soul anymore. It is blotted out.

The beast arises with 7 heads and 10 horns. It arises from the Seas, which is the typical ascendance of the Serpent, it rises from the seas. And it has 7 heads with crowns, the Chakras, and the 10 horns are basically the apexes of these chakras including the two sets which are apexes, the shoulders, the hips, and the temple chakras (2 in 1), numbering 10.

The beast is the Soul of the "Goyim" or the "Therion". Which is the Gentile Soul. However it's not the soul only that has power, but it the power is given by the "Dragon". Which is Satan and the Serpent, and without which, the Soul is powerless. After Satan shows up, the whole world bends a knee, but this is except of a thing, it's also an occultistic thing. This means that every part of the Soul is brought to perfection, and what is impure, is destroyed. Which is the point of the Magnum Opus.

After this a second beast comes out which is the second one, and this also gains power from the Dragon. But this beast has power over the material, which is symbolic of the ascension while one is still alive. And physical immortality. As thus it makes humans worship it akin to a king.

What this story really is about for those who know how to read this, is about the war of two types of Souls, namely, the Satanic one and the Jewish one, for domination of the planet and the world, heavens and earth.

Jews whine that the guys who have this 666 will openly oppose the jewish agenda and fight with them. And they cry in this book that one day they will replace all of them, the lamb will replace the ram, the 10 crowns will be replaced by the saints, the leader of it all (Satan) will be replaced by Rabbi Jesus who even tries to steal Satan's title as the Morning Star, while the "Whore" that keeps the Cup of "Fornication" (aka immortality) for the "Goyim" to drink, she will be destroyed too. And they also say they desire to take the world for their own. So all in all we have a wet dream as always.

People like the Romans, the jew considered them 666. The word Latinos which means Latin, and it meant back then Romans (Whites) is actually a word that also adds up to 666 same as many other words. Earlier Romans were at war with the jewish cultists of christianity.

So they wrote on these books to complain that these goddamn guys had a thing about them

and that was the problem, they were 666. Napoleon and others such as Wilhelm II of Prussia, and of course, Hitler, were all called the Anti-Christ, in the case of Wilhelm his name adds up to 666 literally. Because they were up there spiritually, and because they were 666 (Satanic Souls) and Gentiles, non-jews, who have had power. To the jews this is evil for the Goyim to self-govern themselves.

So their admitted objective is to overthrow the spiritual system, the Demons, and all that we stand about, and replace it with themselves. As such the bizarre mentions in the Revelation about how "Angels will replace the Demons", "Jesus will replace Satan", and the "Saints will replace the Kings" etc, or that the "Lamb will replace the Dragon". This is in particular self evident. The Demons, the Kings, the Dragon etc, are all symbols for the Gentile Soul. While all the other crap are symbols of jewish creation.

Now the above is also allegorical as all of these things are reflected in many levels. The extinction of the above, in the material level, equals to the extinction of races, states and principalities of the non-jews. The jews say that the 12 tribes of Israel will replace basically the other tribes of the world in the Messianic Era. This is not some sort of joke, the rabbis know this all too well. Tikkun Ha Olam or "Rectification of the World" deals with extermination.

The astral assaults they carry on humanity manifest in wars, race mixing, and other such perils which destroy their enemies, such as hunger, impoverishment etc. These are backed up by physical actions from those physical orders that believe in these "Messianic Dreams" and carry on the objective to enslave and destroy the Gentiles.

Know this...The objective of the jews is to wipe you out. It's self admitted, nobody pinned it to them, and nobody would have the audacity to do so. The coward jews had the audacity to do this, and not only this, but expose it in the face of the goyim as prophecy. As Hitler stated, the biggest the lies and the more outrageous, the more likely they are to find people to believe them. The lies of the jews are outrageous, and people believe them, but that doesn't make them true.

In the same way, it will never make them victorious, as it never made them TRUE...

# Decoding The 666 In Kabala

The Torah is the encoded Kabala as the Rabbi's state and show. The Torah symbolically forms their world tree and in the exact middle of the Torah the letter Vav is placed at the navel of the body of "god". In the Torah the number of the Temple of the Sun [Solomon]] is 666.

The Sefirot of Tifereth is the sun and is given the number 6 and its placed at the solar chakra in the middle of the tree where everything connects. In Kabala Tifereth is stated out of the short face which is the seven Elohim or "gods" that are the seven chakra's that Tifereth is the most important and the leader or king of them all. In Kabala the entire soul unites at Tifereth. This is due to the fact still noted in Hinduism all the male and female nadis unite at the navel. And the navel governs everything like a King governs a Kingdom.

The 666 is the number of the sun square and each square is given a sum number. 666 is the sum of all the numbers in the sun square. The seven planet squares relate to the seven Elohim or "gods" of the lower face in Kabala. Hence this is the square of Tifereth and thus the six letter Vav is placed here.

The Vav in Kabala unites things. By placing the Vav here they are uniting the soul by activating this point the soul comes together in. That is why Tifereth is also called Daath in Kabala. Daath means sexual union its the alchemical sexual union of the soul. Daath also relates to spirit and the solar chakra is responsible for converting spiritual energy into vital force for the being. The Vav is the letter of the serpent in Kabala and relates to the belly of the serpent. The belly is the navel point and the serpent is the symbol of the sun here. Tifereth is the energy center that rules all the other ones as all the chakra's connect to the solar. Note One in Kabala means 13 some diagrams show the map of the 13 chakra's all connecting at Tifereth as well.

In Free Masonry Hiram Abiff is the corner stone. Hiram is also spelled Haram which means "The Ram" the Ra or Ram is the ancient name of the sun God the solar chakra and is also a mantra for the solar chakra. Abiff relates to serpent father. The Temple of the Sun in Masonry is the 666 as well. Its all relating to the solar chakra. The corner stone is an ancient title for this chakra its

also called the Omphalos. The Beast 666 is a title of the Omphalos to the ancients. The Omphalos had the Phoenix which is what this word beast relates to in the ancient Greek.

Note the V letter was the original sixth letter in the Greek alphabet the Digamma this was removed by the Church later and replaced with other letters and hidden away. The ancient Greeks placed a pentagram inside the serpent circle with 666 under it to show the Magnum Opus. The Pentagram in this fashion relates to the solar chakra which is the "sun or son" of the serpent goddess Venus. Being born into the world. This is the reborn soul and how it relates to the transformed solar chakra and life force. In the east transforming the solar chakra is the major key to the Magnum Opus this is openly talked on a lot in Taoism and mentioned in Hinduism in the Tantra's.

The Digamma in some ancient symbols are shown as four Digamma's coming together forming the Swastika the symbol of the solar chakra. The Digamma swastika shows the V letter connects the "four directions" which in Kabala all unite at the navel chakra. The upper chakra's the lower chakra's and the left and right sides of the body and their nadis.

The fact is the Jews simply stole the ancient teachings of the Gentile Pagan religion and then corrupted them and hid them away in the encoded Torah. The Torah on the encoded level is a false history which forms a geopolitical doctrine and blueprint for the creation of a Jewish world government. The encoded Kabala is simply the occult level of how the Jews are using stolen spiritual knowledge against Gentiles to achieve this. Much of the actual Kabala is taken from the Pagan Greeks who shared a common culture with the Egyptians, Babylonian's and ancient Hindu's. 666 is the sacred number to the ancient Pagan Greeks, Egyptians, Hindu's, Babylonians and Pagan Peoples in general. Which is why like with 13 the Jews want to scare Gentiles away from 666 its an important number they want all to themselves.

Note 666 is also Satan and the Jews do know this. However its because Satan is the symbol of the Gentile soul. And the 666 is the heart of the soul as even Kabala admits. In Hebrew "Ra" the solar point means "evil". Because spiritual empowered Gentiles is evil to the Jews. That's the whole core of their Bible they push on us Goyim. Anything to do with spiritual knowledge and spiritual empowerment is evil Goyim. Just send your energy into a Jewish thought form of Rabbi Yeshua and bow to the Jewish political ideology of their Zionist World Government. Which is how the Jewish Bible ends. With the 12 tribes of Israel [the 144,000] ruling the world under the King of the Jews. The same evil book which tells us Goyim the symbol of Gentile spiritual enlightenment the serpent of Satan is evil as well. The Bible is full of the Jewish "god" attacking

Gentile humanity for spiritually empowering themselves. Which is a literality device to act as the warning to the Rabbi's. That is why under the Noahide Laws the Jews want to impose on the Gentiles. The first law is Goyim are not allowed to practice spiritual empowerment The punishment for which is death. Just like the Jewish Bible orders.

## The End Days and the "Messiah"

Judaism teaches the Rabbi's that there are two Messiah's one is the earthly Messiah the son of Joseph who is to be a living sacrifice who's death will pave the way for the second, heavenly Messiah who is the son of David to descend and bring about the Messianic Empire of the Jews, the purpose of the Jewish religion.

The Rabbi's mention in their writings the Heavenly is the astral realm and the earthly the physical realm. This is the heart of the truth of why Christianity was created by the occult adepts of the Rabbinical class of the Jews. The character of Jesus -Yeshua Bar Joseph. Is both the son of Joseph, whom even lives in Egypt for a time and is also from the line of David.

The Jewish Messianic mission is fulfilled within the program of Christianity. Jesus is created as the earthly Jewish Messiah who is sacrificed and who shall return as the Heavenly Messiah with the Heavenly Jerusalem.

The purpose of this the character of Jesus is set up a global religious program from which sets up the arrival of the Messianic Age by having billions of Gentiles pouring their spiritual, psychic energies into and becoming imprinted within their souls while acting as physical conduits to bring this spell thought from the astral into the physical even working unconsciously to manifest this. Century after century this is going to have the desired effect.

The Second Coming of Christ is stated to be the descent of the Ruach, the "holy spirit" into the world. The Ruach in Rabbinical texts is the energy generated by the speaking of the mantra of the Torah, the entire book of which is stated to be one long name of their god, the Jewish God is just a thought form generated by the Jewish spell of the Torah, the Jewish God even appears in Jewish texts in the form of the 22 Hebrew letters which form the Torah. And their god only

speaks from behind the Pargod which is curtain made up of the 22 letters. This god also appears to Moses in the burning bush as the 22 letters and Moses writes the Torah. The entire Torah is wrote with the 22 Hebrew letters. The mystical Jewish texts state Shekinah created Elohim or Yahweh the Jewish God. Because Shekinah is the energy of the Hebrew letters when vibrated to create. The Jewish God is nothing but an energy form created on the astral by the speaking of the Hebrew letters as mantra's in specific combinations to cause things to occur. The highest occult teaching in Kabala is the knowledge of the creation by the 22 letters its only allowed to be taught to no more then two Rabbi's at once and only orally. The New Testament is designed to connect into the Torah as its channeling the energies to the Jewish god form.

Jesus is the Jewish thought form. His proper Hebrew name Yashua means Yah, a name of Yahweh, Shu which is a word for fire, the fire of Yahweh. Fire is the symbol of the destruction of the Gentiles by Yahweh in the Torah. The Shin letter in kabala is fire and the letter of Yahweh's destruction. In Hebrew vowels are interchangeable in words. Shu becomes Shi or Shin. Which spells out Ya Shin. Yod Shin. The letter of their God god the tenth Yod and the Shin.. Its a name of Yahweh. This is why Jesus is shown symbolically in Luke as the staff of Moses. Which upon it has the name of YHVH the name engraved. Its also the symbol of the 22 letters.

The descent of the Heavenly Messiah and Heavenly Jerusalem in the Jewish texts is when the god form is strong enough to fully manifest and descend from the astral into the materially fully and bring about the full manifestation of the program into reality. Part of this is the war of Gog and Magog the Messianic war in which the 11 Kingdom's of the Gentiles will be destroyed by "God" which God is a code word for the Jews. 11 in Judaism is the number of the angel of destruction and death. Hence the 11 Gentile Kingdoms are meant the total extermination of Non-Jewish Peoples and their nations.

All the supernatural descriptions of the Age of the Messiah are just symbolism for the astral energies of this god form descending into the material. The eternal life given is the eternal control the Jews will have over the planet in this empire. The symbol of the descent of the golden cube of the Heavenly Jerusalem is the Kabbalistic cube which is the symbol of the 22 Hebrew letters the god form of the Jews in Kabala. This texts are stated by the Jews to be written in symbolic language as there occult meanings.

The Jews state the resurrection the Messiah must accomplish is the resurrection of the Jewish Race, bringing them together and to full control of the world. The Jews also mention the Messiah is a Jewish leader who is nothing but a conduit for this thought form, a total channel.

Stating this "soul" will descend into a Jewish body.

The Jews in the Torah also refer to Abraham creating souls this is bringing Gentiles into this program. The energy of the Jewish program has the ability to alter the structure of the energies of the souls of Gentiles who are deeply into this over life times. This is the reason hard-core Christians really do behave like something from invasion of the Body Snatchers.. The Hindu texts mention this reality of the imprinting of the groove into the souls or Samkara's. Is done energetically thought rituals and such over life times and this can cause a permanent alternation in the soul. For the Gentile they become a channel for this Jewish god form to descend thought into the material.

This theme is repeated in the Torah were Abraham goes from Abram to Abraham because Yahweh infused him with his own breath which is the Ruach or spiritual energy and for this they add the letter Heh the breath of Yahweh. So he becomes Abraham. He is transformed by the Ruach the energy of the Jewish God form into a Jewish soul or Golem. Which is what the Torah states Adam was also a Golem that Yahweh breathed life into.

The Golem in Rabbinical tradition is the symbol of the Jews creating a thought form and then commanding it. The Golem is always made from the four elements which in Kabala is YHVH. Which is why the Golem has YHVH wrote upon it. The four letters YHVH in Kabala are the four elements. The Rabbi puts the energy into the Golem and then commands it.

This is why their god is called YHVH. Its a thought form.

Another way this is shown is with Angels. Which are openly shown to be thought forms in Kabala. That are created and invoked by Rabbi's who know their names and formula's. The tale of Metatron is the creation of an Angel by "God" the code world for the Rabbi's and this Angel is called YHVH and serves the commands of "God" the Rabbi's in heaven the astral. Metatron is shown to be their God YHVH whom serves the bigger God that is the Rabbi's. The Jewish God openly in Judaism is shown to be a though form the Rabbi's created and command.

## Hanukkah Exposed

Hanukkah's purpose in the Jewish religion is based on a fable from the Gemara from the Talmud about the light of the Menorah in the Jewish Temple. The Jews after they took the Temple from the Greeks found one jar of oil not profaned by the Goyim this jar magically burned for eight days not just one.

Rabbi's admit this is symbolic its not a literal historical event. The tale goes the Greeks where forcing the Jews to put images of Pagan Gods into their Temple and this caused the revolt. The eight days is symbolic of the name YHVH which the 26 value of adds to 8. The Menorah is mount Menorah the symbol of YHVH.

The Hanukkah was instituted to be based on Sukkot the Jewish festival. However as Rabbi's state the purpose of Hanukkah is done to attack the Gentile spiritual festival of Saturnalia which would start around this time.

The light of the Menorah is symbolic of the light of Kether which is the Ain Soph which is connected to the Shekinah the 22 Hebrew letters, the Sukkot booths have the skull in them which is the symbol of Kether in Judaism. The nine branches of the Menorah are the worlds of the Jewish world tree which is mentioned to also have nine worlds that emanate from Kether the tenth this is stolen from Hinduism. There are nine main loka's but a hidden tenth they emanate from. However within Judaism the number 9 is a number of finality and is used in judgement against Gentiles this ninth letter Tas relates to one thing the cursing of Gentiles in Kaballah. The Jews are attempting to bind the nine major gates of the soul of the Gentiles the Loka's or Chakra's that form the centers of consciousness and must be cleaned and activated properly for the serpent which is called Sat to be able to rise up to the crown and become spiritual awakened fully.

Tas the ninth letter is the reversal of Sat which the ancient name of the Gentile soul and Gentile God which is Satan in Sanskrit. The ninth letter Tas will not exist in the world to come of the Jews because its the letter of Gentiles and their world.

The fable of the lights is simple the retaking of the Temple and the driving of the Pagans out is symbolic of the world of the Jews to come the destruction of Gentiles with the light of Kether the energy of their godform YHVH will overcome and destroy the Gentile world totally. Hanukkah is related to cursing Gentiles at the time of year when the Gentiles would be engaging in spiritual practices and customs that relate to the Magnum Opus the spiritual practice of

ascension into the Light Body. Its designed to bind Gentiles from this and destroy the Gentile world. The Talmud also mentions this festival of Saturnalia being of the Pagans. Whom the Jews are sworn to destroy. This festival was done at this time to be inline with the proper astral energies to perform the spiritual work of the Magnum Opus. The Jews are trying to corrupt this with their curses.

The Neoplatonist philosopher Porphyry stated the celebrations that with done on the festival of Saturnalia where about the "freeing of souls into immortality". This is done by the Magnum Opus. Saturnalia is based on Liberation and dissolution of the Magnum Opus its based on the sun entering Capricorn:

As Hauck wrote in his book on Alchemy: "Capricorn encompassed the entire work from beginning to end. Capricorn is the first sign of the year, and movement from Capricorn to Capricorn encompassed the one symbolic alchemical year in which the Great Work could be accomplished."

## Passover Exposed

The Jewish ritual of Passover is a Kabbalistic ritual that ties into the energies of the occult new year which occurs within March to April, in which occult workings are put into motion for the year.

The Jewish Passover is based on when the Jewish "god" murdered the first born, Gentile children of Egypt. This includes the child of the Pharaoh. This is also the time the Christian's celebrate Easter. During the Passover is when the Jews conduct the ritual murders of Gentile children. The child is ritually murdered in a mock up of the Christian ritual murder of Jesus at Easter. This is done to create a sympathetic connection to the Christian ritual which is nothing more then the mock version of the Jewish ritual murders. The Jews drain the blood of the child into cups and drink such and bake the blood into the Matzo bread. The Christian communion ritual is based on this ritual. The energies of the mock ritual murder the Christian's engage in and the Jewish ritual murders connect on the astral and give more energy to the ritual. This is called sympathetic magic in Kabbalah.

When one understands that in esoteric texts the energy of specific chakra's are used to manifest workings into the world of which they correspond to the energies of, this is the key to understanding Passover. The ritual of Passover is mass ritual working of which the entire Jewish racial soul is collectively used to manifest the aim of the ritual into the world. The Jewish racial soul and the individual Jewish soul all at once is called "god" in the Kabbalah texts, the ten sefirot or worlds of their Kabbalah tree is the map of their soul and this tree and the worlds and the 22 letters it makes up is "god" even the YHVH the name of their "god" is how the ten worlds are divided into elemental sections on the tree. Its the Jewish soul and nothing more. This is made explicitly obvious, openly in the Kabbalah. In Kabbalah "god" creates the world by the ten sefirot which are the collective energies of the Jewish individual and collective racial soul, which included the 22 Hebrew letters.

In the Kabbalistic texts the actual details of what and why this is done at Passover is revealed. The Passover is based on directing the energies of the Ain Soph or Kether down through the worlds of Binah and Chochmah, the three upper worlds . Into what is called the seven lower the Sefirot.

The ten worlds are the map of the Jewish soul, both individually and collectively. The thought form of the Jews or YHVH is nothing but the projection of energy of the collective and individual Jewish soul. Keter or Ain Soph is also called the Shekinah or the "Holy Spirit" its the 22 Hebrew letters, why? Because if one studies the practical Kabbalah, the Jewish soul template the vibrational template that forms the Jewish soul across the different levels of manifestation, is the 22 letters and ten worlds.

The ritual Seder's of Passover is based on ten ritual items, each one relating to the directing of energy into one of the worlds. The cups of wine used and the Matzo balls relate to the directing of energies.

The cup of wine of which the blood is placed, is the world of Binah and the Matzo with the blood baked in is the world of Chochmah. The Keter is the astral template of the Jewish soul which divides into these two halves of the Jewish soul, the male and female aspects of the worlds of their chakra's/energy centers. The Kabbalah states that the life force is in the blood, the energy of the soul is in the blood which is why the Jews drink the blood, its taking in the life force of the victim to add more power into the ritual directly by raising their own energy levels. The astral energies released by the torches of the victims and the murder of the victims are directed into the mass ritual, as well.

The energies of the ritual murders of Passover are directed into the collective Jewish soul, through the plane of Keter the astral template which connects to the entire Jewish soul, all the chakra's and from which connection its flowed into the masculine and feminine aspects and energy centers of the Jewish soul, through all of the energy centers of every Jewish person during the Seder's, the entire Passover Seder's are designed to connected into the energies of the ritual murders by sympathetic connection and by the direction of the mind and chanting of the Kabbalistic formula's in Hebrew and the drinking of the wine cups and eating of the Matzo bread. From here the collective energy of the properties of all ten worlds, infused with the energies raised in the ritual, the full force of the entire Jewish soul collectively is projected outwards to connect with the Christian ritual of Easter and thus become infused by the projected and connected energy of millions of Christian dupes and then manifested into the world.

The aim of using the collective energies of all ten energy or consciousness centers of the Jewish racial soul for this mass working is made clear in the Kabbalah:

Five manifestations for the male worlds or chakras and five manifestations for the female worlds or chakra's. The five of the male chakra's are directed into cursing the Gentiles and the five of the female chakra's are for blessing the Jewish race. This relates to the concept of severity and mercy in the Kabbalah. Its just a code for using the energy of the Jewish soul centers for different workings. The Kabbalah shows how to use them individually or in smaller groups or in the case of Passover all at once.

What this ritual also reveals is the purpose of Christianity is to act as the conduit for the Jewish rituals to manifest into the world with and thought as each Christian is connected into the "Holy Spirit" or the Shekinah, the energy of the Jewish race soul [YHVH]. In the occult its known that one can direct energy into a person its called "Pranam" in Hinduism. The energy of the Christian worship is all directed into the Jewish racial soul, collectively to infuse the Jewish race with major spiritual power. And to connect the Christian's into the projected thought form of the Jewish racial soul on the astral, which the Christian connects with and acts as conduit through which the rituals of the Jews manifest into the physical world.

The ritual of Yom Kippur, if one studies the Rabbinical, Kabbalistic adepts, is to create a transfer of the negative energy the Jewish race collects on their soul from Passover and such murderous rituals. And transfer it onto the Gentiles spiritually. To then curse the Gentiles further

to destruction for the Jewish race. By transfer of the negative karmic energy of the Jewish actions onto the Goyim, the Goyim pay for the Jewish evil committed against them. The concept of Christianity is what allows this to be successful. Its based on the transfer of negative energy from the guilty onto the innocent, this creates a sympathetic connection in the mass mind of the Gentile victims. The Christian's are taught to be guilty and ashamed all the time and they deserve to be punished. This creates the open window in their mind to connect with the curses of the Jews, TOTALLY. The Christian Gentiles, soul being connected astrally into the Jewish racial soul, creates the link for all this to connect and the Jews to damn them.

The removal of all spiritual knowledge and the total destruction of history by the Jewish program of Christianity. Leaves the Gentiles as helpless victims to all of the evil of the Jewish racial program.

## Purim Exposed

There are different levels of meaning in Judaism when it comes to the understanding of the Jewish texts. Kabbalah is the highest level, the occult level of understanding the level of "sod" in Hebrew, meaning "secret."

Kabbalah is an encoded language that is based on symbolism, its a right brained or psychic method and the "practical Kabbalah" the real occult teachings are taught to the Rabbinical students who qualify for such instruction. Symbols are archetypes of the codes and the use of the information they contain.

The tale of the Book of Esther, in the Torah, has baffled some moronic Christian theologians. Because it does not mention "god" anywhere in the book. This is unique as its the only book in the Torah to make no mention of "god" at all.

The Rabbi's who are actual Kabbalah adepts, have stated if a text does not mention "god" in such case its because such is referring to the Rabbi's using their own psychic power. This brings us to the tale of Esther, we will understanding this first on the occult level.

Mordechai is called a "prophet" in Judaism, in the Talmudic and Kabbalah based texts a prophet is a very psychically advanced Rabbi, an actual occult adept, someone who has advanced psychic powers. Mordechai is given Esther as a child and nurses her from his own breast and has an incestuous relationship, a secret marriage with her. Mordechai's name in Hebrew means "Myrrh" and Esther's means "Myrtle" note the Chai the name of life in Hebrew on the end of Mordechai's name, this is the number 18 which relates to the union of male and female energies. The incestuous relationship is the union of the worlds of the kabbalah tree which generates the Ain Soph, the spark which generates the internal psychic power.

The Myrrh relates to the third eye in the ancient world that which directs the energy. Mordechai, the entire tale is the one directing Esther into everything. The Myrtle is the magical tree in Judaism the symbol of the spiritual power of the Jewish soul. The leaves of the Myrtle tree are used symbolically in magical rituals to obtain workings, which represent the fruits of the psychic power of the empowered soul. Esther is the energy or psychic power of Mordechai, which he generated and nursed with his own energies to power and then directs to accomplish his occult goal. In the tale of Esther the goal is the Jewish race takes over the Persian Empire from within.

Mordechai and Esther are the psychic power of the adept and the mind which directs and creates the workings for it to manifest. Esther represents Shekinah power. To expand this understanding, Mordechai is given the number 400 in Judaism. This represents the letter Tav, which represents the energy of the Jewish soul travelling from Keter the crown through the worlds where it materializes in Malkuth. This also represents the generation of the energy of a working and the manifestation of this working into the physical world. The ancient symbol of Tav is the Kabbalah cross of matter, the symbol of Malkuth. Which is the world of "The Royal Kingdom." Such kingdom is what the Jews are attempting to manifest with their Torah spell, in which they rule the world. The 400 is also taken to 40 which is the number of the Messiah, the Jewish King of the World. Mordechai also represents the Jewish Messiah, who is a political leader and Rabbinical adept.

The Tav represents the word "Amet" which is the seal the Rabbi's put on the Goylem's forehead, to bring the Goy-lem under the control of the Rabbi. This term means the removal of consciousness in the original Egyptian, its stolen from. This represents the binding of the Gentiles mind by the energy of the Jewish spell, note the Persian ruler is bewitched and under the spell of Mordechai in the form of Esther. In the future this binding on the forehead of the Goy-lem will also be the brain chip the Jewish leadership are working on perfecting to implant into the Goyim. The Tav was placed on the forehead in the Torah. The symbol of the individual being the property of the Jewish "god." When Mordechai's archetype, the Jewish king of the world conquerors the Gentiles and makes the Gentiles property of the Jews.

The adversary of Mordechai is an Amalekite, Haman. The Amalekite's are symbolic of the opposition to the Jewish races goal. Amalek is the occult name of "Satan" meaning "Adversary" to the Jews, in the Jewish texts. Mordechai uses Esther to have Haman destroyed and then to obtain from the bewitched, Persian King the decree and military forces that go through the Empire and put all the Amalekite's, the enemy of the Jews and their entire families to death and steal all their property and wealth for themselves. This includes Mordechai who obtains Haman's property and political power, Mordechai then becomes the most powerful ruler in the Persian Empire. And Esther his wife, the queen of the Empire, a Jewess, who's children will take the throne and be Jewish by race and teaching. The Persian King is nothing but a bewitched Golem [Golem] by Mordechai and Esther and is a pawn in their hand. Note 70,000 Persian's are stated to be killed. This is the number of 7, the Zayin letter in Hebrew which is the number the Jews use to curse their enemies with to death. Zayin also means "Zion" the Jewish world government. The 7 is the number of "holy destruction" of the enemies of the Jews, in Kabbalah.

What this represents on the occult level is simple. The creation of a powerful curse in Hebrew [Esther] by Kabbalistic, Rabbinical adepts, which bewitches the Persian King and allows the Jewish leaders [Mordechai] to take over the entire Empire by destroying all the Gentile opposition and conquering from within the Royal Court. Which elevates the Jews to power. The reason the Book of Esther was placed in the Bible is to create with the energy of the mass mind of Christian, Gentiles imprinted with this book, and to then connect the ritual of Purim of the Jews into this energy and materialize this into the world. Esther is also the Book of Esther, the spell is the book and the energy it creates within the mass mind that the Purim rituals with readings in Hebrew and other aspects of the ritual, the Jews connect into with and open the doors to achieve such for them in the physical world. Its specifically used for placing Gentile political leaders and other leaders in powerful area's, under the Jews influence and curses to bring them under control of the Jews.

The Christian Bible is nothing but an occult form of Jewish witchcraft to use the mass mind of the Gentiles under the Christian spell of the Jews, to materialize the occult workings of the Jews into the physical world. And give the Jews global control.

Purim is a Jewish ritual, which is celebrated by all Jews and involves two days of major readings from the Torah, of curses against the Gentiles. The ritual includes small triangle shaped cookies which are given to all the Jewish children in which they are told to bite into and picture ripping off the head of Haman and destroying all the enemies of the Jews. Its a mock cannibal ritual that connects by sympathetic magic into the ritual murders the Jews commit, in which they

engage in cannibalism of the victim [which is why Jews suffer from ailments only cannibal tribes are known to suffer from due to engaging in cannibalism] and works in general to send out vast amounts of energy to curse the Gentiles and open the doors for the Jews to be able to conquer the Gentile host nations from within. Notice how easily the Jews just appear and take over every major political party, corporation, bank and academic institution, within a generation. That is why.

## Kaba-Allah

THE KA'BA AND TEFILLIN CUBE SHARE REMARKABLE SIMILARITIES

[www.kabbalahstudent.com](http://www.kabbalahstudent.com)

The Muslim Koran, is full of the stories of the Torah and Judeo-Christian bible this includes the fictional character Jesus. Mohammed was a Jewish character and first stated to be the Messiah of the Jews. This all creates the sympathetic connection into the enemy thought form of the Jews. The mystical systems of Islam are all designed to connect into specific passages of the Koran. This also involves the Arabic letters many which are Hebrew letters as well. Each letter or series of letters connects to a passage, Jewish character and such in the Koran. This includes the 99 names of Allah which are within the Koran and Hadith, that Muslim's pray on their rosaries which have the 99 beads for each name and forming the underlying basis of Islamic mystical practices. Each Muslim must make the trip to Mecca at least once in their life time. In which they must visit the Kaba, the cube and walk around it counter-clockwise seven times while offering prayer. This ritual also includes the ritual slaughter of animals, and the stoning of the Devil when they throw rocks at three pillar's denoting the Devil. The Kaba is stated to have been built by the Jewish prophet Abraham thus creating a further tie into the enemy thought form with the cube. This ritual is designed to raise negative energy from ritual murders of animals and the prayers into the enemy thought form that connect with all this, while attempting to curse and bind our Gods. The three pillar's are due to the number three being of materialization of energy.

The cube is the shape of the element of earth in sacred geometry all Muslim's perform stolen yogic postures on their prayer mat, five times a day on the solar power points and then direct this energy towards Mecca to the cube. The reason for this is the cube materializes energy from the astral which the mental aspect is connected to and exists within. And brings this energy into the material world from the astral. The Jews wear the Tefillin box which is designed to look like

the cube at Mecca as Rabbi's state and they tie the straps for this seven times on their arm in the same direction the Muslim's circle the cube. This creates a sympathetic tie into this Muslim ritual and connects the energies in the astral to bring them into the material world. The black cube of the Jewish Tefillin relates to the Shema prayer which is a formula to materialize the enemy thought form.

The Hindu temple in the east is built around the cube as the center. Of which they built the Meru or cone shaped tower over. To act as a pyramid structure to create a cone of energy from the astral with this geometric shape into which the cube in the center the energy materializes. All the Hindu rituals are done within this cube by the priests and facing towards the cube by the other participants. This materializes the energy of the rituals into the world. People who visit these ancient Hindu temples mention you can place your hand on the walls and feel the stones vibrating with energy. This is because they are infused with the energy from the astral of the geometric shape that forms the center of the temple and the collective psychic power of centuries of the rituals within them.

The Mosques traditionally are the central dome which is a cone of power, a pyramid shape this is to bring in astral energy and infuse this into the power of the rituals being performed five times a day within them. The towers on the corners act as obelisks which transmit energy out of the earth and direct them from the energies of the four directions into the dome and charge the ritual further. This energy is together directed towards the cube at Mecca.

## Where The Kabbalah Comes From And Planetary Control

The ancient Hebrew schools of the Prophets is where initiates in ancient Israel went to be taught the Torah, the information they where taught by the Adepts was the information needed to decoded the Torah, this also includes the techniques of the psychic ascent to be able to open the higher psychic centers in the Jewish alien soul and be able to communicate with the group of entities they call the Elohim, which is what the Prophets of Israel are famous for in the Bible. The initiates in the School of the Prophets of ancient Israel were called in Hebrew, NiKabal, meaning the receivers, Kabbalah means To Receive in Hebrew. This also relates to the psychic level of the soul, to receive telepathic communication from the Elohim. It also means to be advanced in the soul and the abilities that come from it. This also relates to having this information telepathically given to the student by the Rabbi.

The reality is the Kabbalah has always been one thing, the occult level of the Torah. This is obvious if one studies the Kabbalah, the 72 names of "god" which form the heart of most of Kabbalah is encoded within the book of Exodus 14:19-21. The methods to use to 22 letters which form the major school of Kabbalah, the Creation by the Word, are encoded in Genesis and the Kabbalah teachings of the School of the Mystical Ascent is within Ezekiel. The Torah is wrote in Hebrew, each letter of Hebrew has its own number the numerical teachings of the Hebrew letters of gematria are part of Kabbalah. The Kabbalah means to receive the hidden teaching of the Torah, the occult knowledge of the race of Israel.

When the Bible mentions Israel its talking about the race of the Jews and their alien soul. The Kabbalah is based on the knowledge of the alien soul of Israel. Rabbi Laitman, who is a major Jewish leader, in an open lecture in Israel to an entire Jewish Yeshiva, also openly stated such that Israel is an alien soul group here to take the human world over and conqueror the planet from within for their Reptilian god.

If one studies the occult level of Judaism the leadership of the Rabbi's are all masters of Kabbalah the religious Jews spend much of their time in the Yeshiva studying the Kabbalah texts from the Rabbi's. And from here the best of them are selected and trained in the Oral Torah, which is the teachings of the Prophets of Israel. The leading Rabbi's don't hide the fact they are very psychically advanced from years of practicing Kabbalah and in communication with their "god" the Reptilian Elohim.

The 70 Rabbi's who are the Sanhedrin who are supposed to rule the world government from Israel with the building of the Jewish World Order. The members of the Sanhedrin are selected for being adepts of Kabbalah and being telepathically advanced and in communication directly with the Elohim. This will mean the enemy Extra Terrestrials, the Reptilians who are the Elohim the "god" of the Jewish race, will have direct control of the world government through the Jews and will be able to give orders directly to the Jewish adepts who run the world government to dictate their evil commands to the enslaved population of the world.

The Sanhedrin in Israel are already writing the Kings Torah, which is the document the Jewish world government will be run on. Its instruction is to create the one world Communist feudal plantation state, in which only the Jewish King and the Jews will have human rights and own property. The world will live under a planned economy in which private property will be abolished along with rights, individual nations, religions, cultures will all be abolished by the Jewish King, the Jews will also each have individual Gentiles as personal slaves. This is stated in the Kings

Torah, the Sanhedrin are creating in Israel. Everything the New World Order is doing as the plan is found in the King's Torah. Because its the Jew World Order.

## Christ Is A Kabbalistic Jewish Death Curse

The entire Bible is Kabbalah the symbolism within the Bible is part of Kabbalah, the sympathetic or talismanic magic, the symbols within Kabbalah are vibrational templates that are the forms of astral frequencies that relate to the aspects of the enemy thought form of YHVH. The images of the mind are vibrational forms in the mind that connect with the mass mind by the element of Ether which relates to mind, K..ETHER in Kabbalah relates to this realm the energy of the YHVH before it becomes material. The symbols connect into the Hebrew alphabet and the reading of the Hebrew and the sonic-astral algorithm this creates. Symbols manifest, direct and connect energies from the astral, Kether into the material, Malkuth.

In the ancient Jewish tradition Theologians know that Jesus is the Jewish Arch Angel Michael, who is the angel that protects Israel [the Jewish race] and the Jews pray to as the destroyer of their enemies [the Gentiles] and Michael is the weapon the advancer of their racial agenda. Michael is mentioned in the Torah. The Jehovah Witnesses also know this and state Jesus is the Arch Angel Michael.

The Rabbi's state the major angels such as Michael are Egregores that are manifestations of the ten spheres or levels of the overall thought form of YHVH which is shown as the world tree. Michael is shown with the flaming sword and so is Jesus in Christian art. This sword is the Zayin or Zion letter in Kabbalah the 7th letter, Jesus is given the number 777 which is Zayin, Zayin, Zayin. This letter is what the Rabbi's use to attack and destroy their enemies with. The sword of Michael is Zayin, its the sword of Zion. The symbols and the letters connect together to manifest and direct the energies of the Jewish energy form YHVH.

Michael the Arch Angel is the one who casts Satan out of heaven and down to earth and binds Satan, Satan is called the serpent [soul energies] of the Gentiles in the Bible. This shows the binding of the serpent in the root chakra that of earth after being driven down from heaven the crown chakra. The sword of Michael is the flaming swords the Angels used to bind the soul in the Garden of Edin. The entrance to Edin in Kabbalah is the door to the sushumna and the Gan Edin is the pineal region and how it connects to the crown chakra. Being driven out is driving

down the serpent from the crown chakra into the root chakra and then binding it there with the symbol of Jesus-Michael the sword of Zion and the Hebrew formulas and letter in Hebrew it connects with. The serpent is made to crawl on the ground after this and the Hebrew curses YHVH [the Jewish race] speaks against the serpent in Hebrew, in the Jewish Torah are used to bind the serpent energies in the root chakra of Gentiles. The curses that are read off by the Jews in the Torah in Hebrew connect with the symbolism of the text to feed the power into all of this.

This is why the symbolism of the binding of the Gentile soul from the Genesis text is connected into the symbolism of the New Testament with Satan being cast out of heaven by Jesus-Michael, its connecting the energies of the mass mind of Gentiles into this curse to bind them. Satan falling from Heaven like Lighting as the Bible states is the symbolism of the Zayin letter the sword of Zion in Kabbalah the flaming sword binding the Gentile serpent at the root chakra.

Jesus [Michael] is crucified on the place of the Skull [Kether] on the cross of Malkuth and the number for this is the 6 in the Bible, and Michael is the 6 sphere on the world tree of Kabbalah which is the world that connects the entire Jewish Egregore and feeds the energy into it. Hence the solar symbolism of Jesus is the symbolism of the sixth sphere in Kabbalah. This symbol of Jesus on the cross with the skull in many Christian artworks is a talismanic form of Kabbalah magic, its a sigil to direct energy, hence its the main symbol of the Hebrew Egregore. The symbol of the crucified Christ is directing the energy of the Jewish YHVH from Kether the astral into Malkuth the material realm and connecting this together by the image of Christ the six sphere that connects the power, its materializing the entire YHVH thought form of the Jews into the world through the sixth sphere which is destruction of Gentiles, its a death curse. This energy is based on binding Satan which is the Gentiles in Kabbalah and the Torah as Michael is the energy of attacking and binding the Gentiles and the Gentile soul and Jesus is Michael and so the energy directing into the image of Christ goes to the aspect of the YHVH that binds and destroys the Gentiles directly. The other number used in this image in the Bible is the 7 statements of Christ on the cross, the Zayin letter to charge such with more destructive energy and to complete the binding.

The reason Jesus is shown in such sad position is to generate sympathetic energies to create the needed emotional connection by sympathy to open up and connect the mass mind into this symbol into their psyche. That is why the focus on love, sympathy and such these emotionally open people up mentally and connect them into the binding spell. The focus is also on guilt which opens the mind up to accept the curse that is being directed at the Gentile victims by the talismanic sigil of Christ-Michael and thus destroy them.

When Jesus states he is the "Alpha and Omega" this has been stated by Theologians originally it was the Aleph and Tav, the entire Hebrew alphabet which is the 22 letters that form the algorithm of the Jewish thought form. In Kabbalah the Aleph is called "The Curse" and Tav "The Man." What this means is Jesus is the curse on mankind and the Hebrew Alphabet is the curse on man.

The Hindu ascension texts state what causes death in humans is not awakening the serpent in the root chakra and raising it upwards to the crown. The Kabbalah spell of Christ is to make this impossible to achieve and thus damns Gentiles to death. The Jewish Rabbi's know this.

The National Socialist government which was run by Satanic spiritual adepts who were working to bring back the Orion ascension religion that was in ancient Egypt [The Nazi, Thule Society name was from Tula which relates to Orion], knew this and ordered all images of Christ to be taken down from all public areas to lessen the curses of the enemy. They also and this was commented upon by many, flooded all their rallies with Swastikas and placed them everywhere in Germany. The Swastika is the Gentile Talisman of spiritual protection and relates to the opening of the third eye and crown chakra. This area was shown with the Uraeus serpent sitting upon it in Egypt which was the symbol of spiritual protection and advanced awareness and enlightenment. The Nazi adepts were using this symbol to protect the German People and to channel the energy of this symbol into the German People to awaken their third eye and crown chakra and higher spiritual awareness to Truth. That is why the Nazi spiritual adepts put the Swastika upon a banner that read: "Germany Awake!" to awaken the higher spiritual mind of the German People and undo the Jewish Kabbalah curses against them.

## The Ark Of The Covenant The Jewish Curses On Gentiles

The concept of the Ark was stolen from the Egyptians. In the Egyptian the Ark of Amun is shown to be the spine with the seven chakra's. Being carried by a row of seven men. With the area of the heart chakra having the twin figure of Isis with the spread wings facing each other. Showing the heart chakra where the upper and lower chakra's meet at the chest. The Ark of Amun is in the shape of a boat.

In Judaism the Ark is just a symbol of the Torah that was stolen and corrupted from Egyptian

symbolism for a reason. In Judaism they have the Torah Ark in which they place the Torah after they read from it in the Synagogue. This is what the Ark of the Covenant actually is. This Torah Ark is called the "Holy Ark":

"Holy Ark. This name is a reference to the אֲרוֹן הַבְּרִית, the Hebrew name for the Ark of the Covenant which was stored in the Holy of Holies in the inner sanctuary of both the ancient Tabernacle and the Temple in Jerusalem. Similarly, Hekhāl, also written hechal, echal or heichal and sometimes also Echal Kodesh (mainly among Balkan Sephardim) comes from Hebrew [חֵיכָל] חֵיכָל, was used in the same time period to refer to the inner sanctuary. The hekhal contained the Menorah, Altar of Incense, and Table of the Showbread."

The purpose of the Torah is to use the 22 Hebrew letters to generate a highly charged energy field of negativity to bind the Gentile Soul and bring about the destruction of the Gentile world. In the Torah the Jews use this Ark as a weapon to destroy the Gentile nations they war on. Its an open weapon. This is why the Greek and Roman rulers banned the Torah and banned it from being read. The Jews call their 22 Hebrew letters the 22 names of their "god".

The reason the Jews stole the image of the Ark of Amun to create a corrupted and shortened image to create their own Ark from. Is because this is about attacking and binding the Gentile soul. Every curse on the Gentile is done by the 22 Hebrew letters. Even the corruption of the symbol of the Egyptian Ark to create this Jewish trash is a form of cursing Gentiles using Kabbalistic Talismanic magic. Which is the purpose of corrupting the image. The Jewish Ark is purposely made to be in the shape of the cube which ties into their energy.

## Why The Shema Prayer Of The Jews Is Death And Destruction For Gentiles

The letter Shin is the name of "god" in Hebrew its the Ha Shem is in Hebrew: The Shin. This is where the name Shema comes from and why its one of the most important names of YHVH the Jewish Race in the Torah.

In the Jewish Kabala which is the decoded Torah. Moses defeats the forces of Amalek by holding his hands above his head making the symbol of the Shin letter. Which is relating to one

thing in Judaism. The Tefillin the black box the Jews wear on their head that contains the Shema prayer. That they wear while praying the Shema prayer.

The secret symbol of the Shin letter in Kabala is the main Shin with the three prongs which represents the upper world of the Kabala tree the left side of the brain, Binah, the right side of the brain Chokhmah and the crown and optic thalamus, Keter. But there is another Shin with four prongs inverted and interlocking within this facing downwards towards the three prongs. Making the occult Shin this is the "Second Shin" of the mysterious 23 letter in Kabala. The four prongs stand for YHVH.

In Judaism the Shema prayer is what the Rabbi's state is what will bring about the Messiah the Jewish world kingdom in which the Gentiles which also means "Nation" which actually means races of mankind. Will be destroyed by the Jewish race and the world turned into a Jewish one only. This is why the Shin letter in Judaism is the symbol of their "god" destroying the different Gentile nations in the Torah. Each Jew is supposed to get 2800 Gentiles as slaves if one does the math on the 144,000 number which represents the 12 tribes of Israel in revelation who follow the Jewish Messiah in destroying the nations of the world. Which literally means Gentiles of the world. 2800 worked out to 144,000 adds to around 403 million a number relating to the Georgia Guidestones which demands the population be kept at under 500 million. This mysterious monument was put out by one of the Jewish run Masonic organizations which is a Kabbalistic Society. Note this monument ties into the Jewish Bible.

The final fact the Shema prayer which is the most important statement of faith in Judaism is for destroying the Gentiles to bring about the end of the Gentile world is simple. Amalek in Hebrew is the occult word for Satan. The Jews call the Gentiles "Satan" in their sacred texts. However Amalek refers especially to the WHITE RACE as the actual direct descendants of Satan. The God ENKI whom the Sumerians also called Satan was stated to be the creator of the "Ari" whom He created in his own image. Ari is the name "Aryan" the Sumerians are known to have been White with blue eyes. However the Jews do hold the other races to be related to Satan as well.

The Shema the three prongs as mentioned relate to the three worlds which form the brain in Kabala the seat of consciousness. However the other four prongs relate to the "YHVH" as the thought form they have created which is the Jewish Bible which they use the Shema to bring down to the material realm thought the astral and connect and channel this thought their own consciousness the individual Jewish mind connected to the greater mind or program of this thought form allowing the individual Jew to become a conduit for this power to manifest. This is

also relating to bringing this down from Keter the realm of "god" that of the astral or ether where this energy is generated to Malkuth which is the physical realm which means "The Kingdom" which is the Kingdom of the Jews they want to built on earth. The Tefillin is the symbol of Malkuth.

The three prongs of the Shin relate to Avir the Ether, Shekinah the vibration created by speaking the Torah and the Elohim which is the manifestation of this vibration the consciousness field it generates in the astral.

The Shema is how this is materialized into the physical realm the Malkuth hence the four prongs as well. YHVH relates to the four elements of creation that form the symbol of earth the cube of square. The YHVH is also the symbol of the Torah. The Shema materializes the entire spell of the Torah. The 23rd letter of the second Shin  $2+3=5$  the five elements Sh is fire, E is ether, M is water and A is air. That is what this means. Which relates to bringing the astral realm the ather to the physical world the four elements to fully manifest this spell form the ether or astral to Malkuth the physical world.

The Shema RTR is the major Key to defeating the Jewish race totally and forever. The Shema RTR is to be done daily. The Shema RTR is the major Key to saving your own life and the lives of Gentiles from being destroyed. The Jewish Bible this Shema materializes is one large death curse on all Gentiles. Which is why the Greek and Roman rulers ordered the Jewish Torah burned and banned it from being recited by the Jews. They were adepts in the Pagan religions and knew what this book of the Jews is.

Thanks to Satan and the Gods the power to stop this is now in your own hands. The Rabbi's warned in their own Kabala that Satan would destroy the Jews by destroying the Torah by REVERSING IT. The RTR's were given to us by Satan and the Gods. Satan is also code for Gentiles which means the Gentiles will destroy them by reversing the Torah.

## The Kabala The Truth Of YHVH The Jewish God

Judaism is based on the Torah and lists there are two aspects to the Torah the encoded Torah and the decoded Torah. The decoded Torah is called Kabala. The Rabbi's have the keys to

decode the encoded Torah.

In Kabala "god" YHVH the name of the Jewish "god" is shown as the world tree with the ten sephiroth on it.

Kabala states the 10 sephiroth are divided into three upper ones the upper face and the seven lower ones the lower face.

The three upper worlds are Kether, Binah, Chokhmah. Which Kabala states is the left brain, Binah, the right Brain, Chokhmah and the Optic thalamus, Kether. The three upper sephiroth are called the three heads or the three faces. Which in ancient symbolism is the symbol of the three parts of the brain and the three nadis the moon, sun and middle channel merging together in the head. The head of the trident is another way this is shown. The image of the three upper faces or heads is still in Hindu symbolism::

The seven lower faces or sephiroth in Kabala are called the "Seven Elohim" the seven gods they are also called the "seven lights" and relates to the seven planets. The seven planets are seven chakra's the name "gods" is also an ancient term for the seven chakra's and so are the "seven lights".

YHVH in Kabala as a name is openly stated to be nothing more then a code for the ten sephiroth on this tree: The Yah letter is Kether and Hokhma

The Heh is Binah

The Vav is Gevurah, Tiferet, Chesed, Netsach, Hod, Yesod.

The second Heh is Malkhut

The three pillars are the left, right and middle of the body. The left is were the female nadis or

energy pathways are and the right the male nadis. They meet in the middle at the middle pillar. This concept is still shown in Hinduism as Ardhanarishwara:

The three pillars also represent the sun, moon and middle channels in the spine. The worlds are divided into male and female sephiroth or energy centers. The male and female parts of the soul. Much of the talk on the sephiroth in Kabala is just on the uniting of the male and female sephiroth which is the point to sexual unite the male and female chakra's and the soul. Kabala calls this practice "Daath" which means in this context "sexual union" this creates the new soul in kabala.

The four worlds associated with the tree Atzilut, Briah, Yetzirah, and Assiah, are related to the four elements with Daath being the hidden fifth world of spirit. They also relate to the five main sheaths this is still found in Hinduism. The physical body the prana body, the astral body the mental body and emotional body. That come together to form the person.

In Kabala the soul simply reincarnates which they call "Gilgul" in Kabala. And this process is done according to the karma of the individual soul. There is no literal heaven with a "god" sitting in it in Kabala.

In Kabala the highest "god" is simply the Ain Soph which in Kabala is a code for Kether the crown which relates to the element of space. There are actually only nine sephiroth counted in Kabala not ten. Kether is considered not part of this for reasons of it relates to the union with the Ain Soph and the essence within all the other sephiroth. The Ain Soph is called simply "A Force" in kabala and nothing else its the subtle energy that manifests existence. The nine sephiroth are seen in the Norse with the nine worlds on the tree. Ten is a code for union with spirit the 1 in Kabala is spirit as it unites and adds into all numbers all this core element does into all forms. The O is the female symbol the physical body or Prakriti in Hinduism that unites with spirit or Purusha. The union of both occur at the crown.

The goal of Kabala is to raise the Shekinah from Malkuth the root chakra to "god" in Kether the crown. This is the union of Shiva and Shakti in Hinduism. There are actually 33 pathways on the Kabala tree as Kether is the hidden 33rd pathway in Kabala. This is the 33 vertebrae of the spine which Shekinah the serpent energy must travel thought to unite with "god" at Kether the crown the top of the head. This is also the 33 Deva's in Hinduism. And 33 degrees of Masonry. Note Ain is the Hebrew letter that is given the All Seeing Eye and is called this in Kabala. Kether the

crown connects to the pineal gland in the brain. This concept of Kether as the actual "god" is in Hinduism. The crown is called Guru which means "god" for the same reason. It connects into the eternal essence of "That Which Is Not" the Shiva Tattva in Hinduism.

In Kabala the 22 letters relate to the seven planets the 12 signs of the Zodiac and the three elements. However this is taken from the Greek 24 letters which in the Greek the 7 planets, 12 signs of the Zodiac and 5 not 3 letters for the five elements. The letters on the tree are designed to be vibrated in certain patterns to lead the Shekinah up the 32 paths to the 33rd path of Kether. The individual physical Jew is literally called "god" in Kabala that is all. The ten sephiroth also relate to the formation of the physical body and how it overlaps the soul. Making simply a physical human being. This shows the truth Kabala is stolen and corrupted from more ancient spiritual teachings of other cultures hence much of this is still found in Hinduism. Which many Israeli Jews who went into Hinduism and were initiated into esoteric Hinduism, Tantra in India simply left and went to back to Judaism as they stated everything they found in Hinduism was already in Kabala.

## Jews Have Cursed The Black Race

The Torah is full of curses on all Gentile races. This includes the Whites who are called Amalek and are order to be totally exterminated by the Jews. Hence the Jewish created political White Genocide cult of Cultural Marxism is not anything but the Jews practicing their racial religion in a bogus political cloak.

In the Torah, Noah cursed Ham to be a slave to Shem. Ham was the father of Cush and the Cushites were the ancient title of the Black race and area's in Africa. This is the curse of Ham. However the major curse against the Blacks is in Isaiah this one is never mentioned because its too obvious.

The Torah in the book of Isaiah 14:

14 This is what the Lord says: "The products of Egypt and the merchandise of Cush, and those tall Sabeans they will come over to you and will be yours, they will trudge behind you, coming

over to you in chains. They will bow down before you and plead with you, saying, "Surely God is with you, and there is no other; there is no other god."

Note here we have the Cushite's being put into chains and enslaved to the children of Israel. Note the Jews call Gentiles the property of the Jewish race ie merchandise which is property means Goyim. When the Jews ran the Black slave trade they used these passages from the Torah to justify the slave trade to the Christian population. The Jews call the curse of Ham the Noachide curse. What do you think is going to happen to Blacks if the Jew World Order get the Noahide Laws the Jewish Rabbi's had passed into law in America under the first Bush, imposed on the population. What already happened in the past numerous plantations and households run by Jews having their own Cushite slaves to do the work for them. The book "The Secret Relationship Between Blacks And Jews" wrote at least 70 percent of all slave owners of Blacks in America were Jews and consider the Jews where only around one percent of the entire American population. The first synagogue built in America was in New Port, Rhode Island as this was the hub of the Jewish run African slave trade. This is also why the Jew Karl Marx advocated to the public for keeping the slave trade going in his own papers. However note the other part of this curse against Blacks in Isaiah the Blacks bow before the Jewish god and worship it as the only one master and thus become spiritual slaves to the Jews.

Every Black person in a Christian church has fulfilled the curse of Isaiah they bow before the Jews and claim there is no other god but the Jewish one. The mention of chains in Isaiah for the Blacks this in the Jewish Kabala is symbolic of the spiritual curses of the Torah on the Gentiles each of the 22 Hebrew letters is a link in the long chain of slavery. The only way for freedom is to break the chains of the Jews with the Final RTR.

This is why the Black neighbourhoods in which a Church is on every corner are destroyed warzones. The curses of the Jews are upon them. If one studies the history of Nubia and the Blacks even today like the Dogon's they followed the Egyptian PAGAN Gods the Demons of Satan. Even the spiritual leaders of the Dogon's have names such as Amon Ra.

## Scape Goating Karma

In Hinduism the concept of penances are originally the fact that one can actually negate negative karma and neutralize it before it can manifest into the world and life of the person,

cancel it out. The Jews in their kabala have an obsession with this concept however its done to negate any of the karma they have created from manifesting into the world against them. This is done by the Jews in one way as transference were they redirect the energy [karma is energy] towards another direction instead. The scape goat ritual the Jews perform is the attempt to transfer the negative energy of their criminal deeds onto Gentiles and curse Gentiles with it. This is also why the Jews blame everything on Satan. By doing this they also work to direct the negative thought energy of the masses and use it against Satan and the Gods. The Jewish program of Islam has a mass ritual during the Haj at Mecca were the Muslim's "stone Satan" they throw rocks at several pillars and scream with rage. This is sympathetic magic in kabala. Its designed to direct that energy or karma against Satan and the Gods as a mass curse. No doubt the Jewish rabbi's also use this energy in the past to attempt to abuse the Gods.

The RTR's cancel this transference out. The Jewish Rabbi's state that the Jews suffer because of the Heathen Nations exist. In normal speak it means our Gods still act in the world against the Jews. The Jews want to close this door but have failed. This is one reason there witchcraft book and program of Christianity and Islam is obsessed with removing spiritual power from the Gentles so people are closed off to the spiritual world.

## The Jews Have Cursed Gentiles To Death

What causes death, aging, misfortune, sickness and suffering, is listed many times in the Eastern spiritual texts of Hinduism. Its because of the Kundalini serpent of Satan being bound in the root chakra, sleeping and unawakened:

"The Kundalini when she sleeps, is identified with the fire of time... that cooks all creatures to death, thorough the aging process. ...The fire of yoga [yogagni] that destroys the fire of time, is identified as kalaagnirudra, the "Rudra of the Fire of Tlme," that is , a fire when she awakens which is greater then, which consumes, the fire of time. When she sleeps, the kundalini is associated with the fire of time, a time whose passage marked by the movements of sun and moon in the subtle body; when she awakens, sun and moon [here the ida and pingala nadis] are both immobilized, and the kundalini doubling as the susumna nadi is said to "consume time."

When the serpent ascends up the spine to the head its stated to unleash a pillar of Ambrosial

necter which is the Amrita which means literally "deathlessness". That floods the entire being transforming them into an immortal Siddha meaning Perfected.

The Jewish enemy in their Torah has placed numerous curses upon the Gentile serpent of Satan an attempt to bind the Kundalini energy in the root chakra and keep it unawakened. And make it dangerous to attempt to awaken this power for anyone. The Jewish enemy has cursed every generation of Gentiles literally to DEATH.

Note the Kala agni Rudra the spiritual fire that destroys the fire of time and liberates one into immortality. Rudra is the main title of Shiva. And Shiva is called Satan Shiva. The Eternal Shiva in Sanskrit. Shiva's symbol is the serpent and originally in ancient texts in the ancient garden of Sri Lanka, Shiva created Adimu and Eva and taught them how to ascend the serpent and create the Light Body and become immortals. Even the description of Eden is the Mount Meru of Hinduism. The Jewish enemy stated originally they came out of India. They stole this text and rewrote it in Hebrew to become a curse on Gentiles to curse all Gentiles to DEATH. They made raising the serpent of Satan the original sin and this Yahweh [the Jewish race] was inserted in the story with the rewrite and it was Yahweh [the Jewish Rabbi's using the Hebrew alphabet] who drove the serpent down the spine onto the earth and spoke the curse upon the Gentile serpent. And placed the Jewish angels at the gateway of the garden with flaming swords to prevent them from returning. Angels are symbolic of Jewish curses and thoughtforms in Kabala and the flaming sword is the symbol of the Zayin letter which is used for cursing and binding the Gentile soul in Kabala. For this reason in the Kabala it states that this is how the Jews will be able to become "god" and rule the Gentiles. By cursing them to death. The Jews have driven Gentiles out of immortal life and eternal spiritual bliss into this miserable world they created. It states right in the Torah Yahweh [the Jewish race] stopped humanity from eating of the tree of immortality.

Where Satan gives us Eternal Life. The Sanskrit texts are full of instructions of literal immortality by serpent power Yoga which came from Satan.

The Final RTR is the way to undo this as their "god" Yahweh is the one who pronounces the Death Curse on the Gentiles by binding the serpent of Satan in this text. Their Yahweh is the 22 Hebrew letters. Christianity is literally a death cult. It's what gives this Jewish spell power and allows the Jews to remove all the spiritual knowledge from the Gentiles and bind them to slavery and death.

# The Mana Stolen From The Pagans

In the ancient cultures of the Viracocha's Aryans in south America the word Mana is what is used for spiritual power this is the same in the Far East regions. In Hinduism the ancient serpent Goddess is called Manas and Manasa and relates to the moon. In the ancient Greek Mana means Mother and Monad is actually spelled Monas in ancient Greek. And in the runes Mana and also spelled Manas is an important rune and also means moon.

The Goddess Manasa:

In the Sanskrit texts Manas also spelled Manasa and Mana is given to the Ajna chakra the sixth

chakra. But also to the region of the pineal gland. The concept of this was stolen by the Jews and put in their bible as the "manna from heaven" they make a big deal out of this in their kabala. Just more stolen and corrupted information. The ancient Greeks call Mana the golden rain or dew from heaven. This relates to the whitening of the metals the transformation of the chakra's by the Amrita or golden rain. This Golden rain is also called the Golden nectar in Taosim and is described as the taste in the mouth that comes with the activation of the pineal region in the head. The White is also the color of the dew or drop of Shiva which relates to the Moon center. Mana is a stolen mantra to activate the pineal region. In Sanskrit it rules the total enlightenment of the mind.

## Hand of God - Stolen Pagan Concept

Hand of God In Kabala Stolen From The East

The very popular Hamsa amulet in the Jewish Kabala that celebrities into the Kabala like Madonna have made famous:

The Hamsa:

This amulet was stolen out of the ancient East its used in Hinduism and later Buddhism when it was created. There is a lot of nonsense claiming what this is in kabala.

In Hinduism the most important mantra of Kundalini Yoga is that of Shiva and Shakti which is the Ham (Shiva) and SA (Shakti) mantra. This is used as part of a prana Kriya to open the centers in the brain. However in Kabala the symbol of the open hand is the crown chakra and the all seeing eye is the pineal gland or as they call this the Eye of God. The full and proper spelling of this mantra in the ancient Hindu texts is Haum Saum. Haum is the bija mantra of Shiva and placed in the crown as mentioned in the previous article on this subject. And Saum is the bija mantra of Soma the moon deity the sixth chakra. The five fingers of the Hamsa hand in Hinduism and Buddhism represent the five elements which come together in the Third Eye.

This amulet stolen from ancient Hinduism is the formula for opening the crown chakra and third eye and how they interconnect. And its the name of Shiva and Shakti. Its not even Hebrew. Its Sanskrit.

What else is stolen from Hinduism in Kabala:

In Kabala they call the highest God the Ayin which is the 16th letter in Hebrew and means "Eye". And in Kabala is simply the term for the All Seeing Eye. In Kabala it states when Yahweh states his name is: "I am what I am." This is Kabbalistic: Ayin, Yahweh is AYIN. Ayin is the "Eye of God" and the pineal gland in Kabala.

This is also stolen from Hinduism from Ain which is the bija mantra of the Goddess Saraswati. Its Ain not Aim it has the symbol of the nasal N sound not the M in Sanskrit. The AIN mantra is given for the Sri Yantra which is the yantra of the Moon Chakra the All Seeing Eye. The AYIN the Y is a double letter with I in Kabala so its redundant. The number of 130 for the full spelling for Ayin is based on five times twenty six. The Five elements and the number of their "god" that of twenty six.

In Kabala which is the pure understanding of the Torah and Judaism they state their "god" is simply the energy of the letters and the All Seeing Eye. The chakra point in the head. Which is a concept they stole from the ancient religions such as Hinduism and Egypt. The head God of Egypt: Osiris was called "The Eye" the Ayin. This is the Eye of Shiva in the east.

## The Jewish Book Of Life

The Golem is an allegory for a thought form created with Kabbalistic knowledge. However the Rabbi writes the word AMT on the Golem's forehead to bring this to life and if they wish to destroy it they remove the Aleph leaving only MT which means death. Why is this so....

The reason for this conceals what they are doing. AMT are the three core letters of the 22 letter Hebrew alphabet. Aleph, Mem, Tav. The removing of the Aleph causes the dissipation of the Hebrew thought from because the Tav blends into the Aleph thus keeping a cycle of energy going like spinning a wheel of energy. Aleph is symbolic of the energies of all the other letters in the Hebrew Alphabet. By removing the Aleph your pulling the plug on the power source. Kabala shows the letter Aleph as a wheel. Its about stopping the flow of energies.

In the Taro which is from the Kabala all the main 22 cards are based on Hebrew letters. The Wheel of Fortune shows that Torah is an anagram for Rotah which means wheel. In Kabala the symbol of the egg is called the wheel of life as wheel as it spins symbolizing that energy generates life as a new life hatches out of the cosmic egg. The wheel from India to the west was shown as the symbol of energy in motion. Chakra means spinning wheel. As stated Kabala shows the wheel as represented the letter Aleph for this reason. Note Taro.....Torah. Note Rah means evil in Hebrew. Torah means the wheel of Ra, which means THE WHEEL OF EVIL in Hebrew. This is the Wheel of Samsara in the east which means the Wheel of death and suffering. For the Gentiles. The Jewish Book of Life is the Book of Death for the Gentiles.

Hence AMT means life. The Torah is the wheel of life for the Jews its the thought form they have created. The five books are based on the five elements that "god" created life with in kabala by making the first Golem the Adamon Kadmon which is the title of this thought form in many Kabbalistic traditions. The Jews call the Torah: The Book of Life.

There is a second method of using the Alphabet the Rabbi's keep secret the AMT is the method of "Gods" mercy meaning creation and generation of life for the Jew. The second is hidden its called "Gods" Judgement which is based on reversing letters to bring death. This is for punishing their fellow Jews as each Jew is given a special Hebrew name that is designed to connection to a specific passage in the Torah that each Jew recites in prayer at some point and connects their soul into this deeper. Each Jew has a letter in the Torah in Judaism. This connects into the individual soul of that Jew. This is what is meant by having ones name wrote in the Book of Life which gives the Jew everlasting existence. This was carried into Christianity but lost its meaning in the Christian context.

The hidden method of "Gods" Judgement is to punish the individual Jew by ERASING THEIR NAME FROM THE BOOK OF LIFE. Which is "Gods" ultimate judgement against an offending Jew in Judaism. This is how they do this and why.

So by using the Reverse Torah Rituals you are erasing every Jew from their Book of Life the Torah. The other meaning of the Aleph shown as the wheel is the wheel of the year the Jews do their major Torah reading on to keep the wheel of energy going the Aleph symbolizes the energy of the Torah. By doing the Reverse Torah Rituals at these points we are dissipating this energy. And thus their Book of Life.

The Rabbi's stated AMT is what gives life to the Jewish Book of Life and MT is what brings death to it. That is what these Reverse Torah Rituals do. Its right in the Rabbi's own magical texts which they hid. But Satan and our Gods showed us how to do this. Thus fulfilling the prophecy of the Rabbi's that Satan would destroy the Jews by erasing them from their Book of Life.

Do the Reverse Torah Rituals everyday.

## The Stolen Six Pointed Star

The six pointed star is stolen from the east. Its the yantra of the God Murugan in Southern India and also called the star of Visnu. The six pointed star yantra of Murugan is placed in His temple yearly. Its inscribed on the metal of gold. Because the metals represent the chakra's in ancient tradition and gold is the sun. The six pointed star is shown on the solar chakra in the east in many places and the solar chakra is ruled by gold. The six pointed star also adds up to 666 the number of the sun square. And 666 adds to 18 which is the number of life and the transformation of the soul in the east.

The downward triangle represents water and the upward triangle is fire. The sun is the center with the other planets around the points. In Hinduism the water is ruled by the moon which is called the semen of Shiva. And is represented by the linga of Shiva. The linga is the pineal gland and the moon center is the sixth chakra which the pineal is the third eye. And where its stated the seed of Shiva is kept. The name Shiva is also a mantra for the third eye in Hinduism. The linga is in the shape of the pineal gland and the AUM mantra is placed on the Shiva linga for this reason. AUM is the mantra to activate this energy center.

The Goddess Kali who is the wife of Shiva. Kali's yantra is gold and given to the number 36 which is away to get to 666 and gold is the sun as well as the solar numbers. The Goddess in the Hindu texts is the solar chakra. The goal is to bring down the water or seed of Shiva to the navel chakra to activate it. This is the symbolism of the six pointed star being the sexual alchemical union of the God and Goddess in the east. The seed of Shiva enters into the navel

chakra and charges it to create the new soul. Identical to how the semen enters into the womb to charge the female seed to create new life. The solar chakra is connected to all the chakra's and empowering this sends a wave of fire thought all 13 major chakra's and the nadis. In Yoga activation of this chakra is the major key to the process of transforming the elements.

The Jews stole this symbol. Note they call it the Seal of Solomon. The wife of Solomon in all the tales is the Queen of Sheba. The B is a double letter with the V in Hebrew. They are hiding that Sheba is Sheva....Shiva. The moon chakra the downward part of the six pointed star.

## More Stolen From The East: "God" Created Scam

The Kabala is the true Torah as the Jews state.

As the kabala states:

" With the letter Hei, he [god] created the world."

"The sound of Hei is a mere exhalation of breath, Hei; it requires little effort, no movement of lip, tongue or mouth.... As the Psalmists testifies by the word of Hashem the heavens were made and by the breath of his mouth all their hosts (Psalms 33:6)"

This text also shows the letter Hei is symbolized by the Kohen blessing the Rabbi's do over the heads of the congregation. The proper way of doing such as shown in this book is also seen on Jewish art:

This is in the far east as the mudra for the crown chakra. In Sanskrit there are three main categories of letters that of Vowels, Breath Sounds and Consonants. The H is listed as a breath letter as its just that. This is where the Jews stole this from.

In the far east in India and Tibet the H letter is placed in the CROWN CHAKRA. Hei is also spelled in Hebrew as HA which the letter HA is placed in the crown in the far east.

Shiva's sacred abode in Hinduism is placed within the crown which connects to the pineal gland the two are related to as having a connection to the Soma or Moon.

Is Hei/Ha, really the letter of Yahweh? No they stole this as well.

The letter H is ruled by the God Shiva as the universal Godhead in the east:

"The letter H represents Shiva in his aspect as the ultimate principal Beyond the creation beyond all that which can be defined, I am H, the supreme witness and the sum of all mercy. ... Nandikeshvara Kashika 27."

The letter H in kabala represents the five elements as it does in Hinduism. H is the letter that represents ether the element of spirit which is sound and ether which all the elements are formed of and energetic arrangements of. The entire alphabet is shown in the crown chakra in

Hinduism and in Kabala where it was stolen from the east to symbolize this fact.

The world is symbolic of the body in Hinduism which is created of the five elements. Same in Kabala. This is not some god on a cloud somewhere creating the physical planet. The "god" of the Jews didn't create anything not this world, nothing. Its all stolen and corrupted spiritual knowledge from the Pagan Gentiles.

## Shekinah And Kabbalah

In Judaism the concept of Shekinah is held in the greatest importance by the Rabbi's. Shekinah is the personification of the power of the Jewish God.

In Kabala the Shekinah is the 22 Hebrew letters and the Torah that is formed out of this. There are tales of Rabbinical sages who spent their time intensively meditating on reciting Torah and to which the Shekinah appeared next to them also studying and reciting the Torah. The Shekinah is also referred to as the Torah.

In Judaism their god is three parts which is Spirit [energy] Sound and word. This is the power of Kabala and Torah of which Kabala is the highest meaning of Sod or secret in Judaism.

There is a tale of a Rabbi who walked to Jerusalem to the Kotel the Wailing Wall, every step he prayed. When he reached the wall he had a vision of Shekinah and was transformed. The Jewish Temple is supposed to be the resting and residence of Shekinah on earth.

The Jews call the Shekinah the Sabbath Queen and during the Sabbath the Jews believe they receive a second soul which is the presence of the Shekinah within them. Sabbath is from Saba which means sound in the ancient language. This is when the Jews do their reciting of the

Torah. This is their ritual day.

What this means is the Rabbi's who were transformed with the second soul of the Shekinah from intense reciting of the Torah. In the Hindu east where Kabala is stolen and corrupted from the highest meditation is on the names of God. These are the 22 letters in Hebrew. The Torah is made of these. The highest or fourth level of mantra meditation is when one obtains mantra Samadhi. The sound is intoned into the soul permanently and one in deep meditation can hear the mantra's reciting on their own.. This is when the Jew has by practice intoned the Torah into their soul and become a living Torah, the total channel for the Jewish god form. This is why the Shekinah appears to them. The second soul they have incarnated within is the God form they have intoned into themselves.

This is why the Hebrew letter Alep adds to 26 the number of their YHVH and is shown as the Jew and the Torah being one soul. The Hebrew letters are also charged talismans as well and bring this energy into the material. Many Jews have kabala talisman's and amulets with different names of the 72 names of YHVH upon them. This is also why the Jews put their numerical letter codes into their global media such as TV and movies as well. They act as the unconscious ritual to create and direct energy with their god form into the material to bring about their agenda.

The Shekinah and the Temple is important. The Temple in Judaism must be built by the Jewish Messiah which is the ushering in of the Jewish Messianic Age when the age of the Gentiles has been destroyed. In which the Temple will be rebuilt and be the seat of Jewish World government in which the Goyim who are not destroyed in the Messianic war will be forced to live under the Noahide Laws and be slaves of the Jews.

The Shekinah is the personification of the Jewish servitor or god form the Rabbi's have created with the Torah. Shekinah is a title of Shakti in Hinduism the Shakini which is the energy of creation and of the SA letter which the Shakini rules and is the throat chakra and the power of sound which is creation. The Jewish god is Spirit, Sound and Word. Which is ruled by the Sakini the deity of the SA or SAM letter in Sanskrit. Sakini which is stolen turned into Shekinah by the Jews.

The Jewish god is nothing but a massed form of programmed energy in the astral. The Messianic Age is when this spell of God form of the Rabbi's is brought fully into completion of its task.

Which is why the Jews use the Vav or sixth letter it brings this energy into the material word.

Now something to understand the Muslim's and Christians are told to study and recite the "Word of God" [the spell of the Jews] which is the Bible and Koran both which contain the Torah. In Egypt one must be able to sit for three days and recite the entire Koran perfectly in front of a panel of professors. To just be admitted to university. Imprinting this into their soul and making them into conduits for the energy of the Jewish god form to manifest and act thought into the material world. This also includes when the Jews do their black magic rituals as well.

Both the goal of Christianity and Islam as stated in their texts are to bring about the Messianic Age of the Jewish God. If one studies into Judaism its obvious the Jewish God is just an archetype of the Jewish People. They don't even hide this fact. The Jewish God even wears the Tefillin and prays three times a day with the Jewish prayer book and also studies Torah.

The Rabbi's state there are ten levels of angels. And these are not beings but vortex's of energies the Rabbi's direct and relate to ten worlds on the Jewish tree.. These are though forms the Rabbi's have created. The top three angels in Judaism are Gabriel, Michael and Raphael. These three represent the three pillar's of the Jewish world tree and each is given power over 24 names of the 72 names making the full 72. The 72 names are considered to be 72 angels. The three pillar's represent the trine elements the mother letters and powers of which all 22 Hebrew letters manifest from. And the 22 Hebrew letters form the pathways on the Jewish tree. Which form the body of the Jewish God. Their thought form and soul. The three mother letters the three top angels represent are Aleph Mem Shin. Which is spelled as AMS however this is arranged to SAM. Which is the SAM letter in Sanskrit. Which is the mantra of the Goddess Sakini which is stolen and altered to Shekinah. This simply shows once again the Shekinah is just the power of the Jewish thought from they call "god". The 22 Hebrew letters. One can also note even the Hebrew angels are just thought forms.

As mentioned before the Rabbi's themselves in their own writings mention the one way to reverse a Jewish spell is by reciting the Hebrew the spell was created with, in reverse. The Torah is just one large Jewish spell. The Reverse Torah Rituals are the one way the Rabbi's admit they can be totally defeated. The Jews and their global agenda IS the destruction of the Gentile world and the creation of a Global Orwellian Jewish State.

The Rabbi's also state in their Kabala texts the one great act that Satan will use to destroy the Jewish People is to show the Goyim how to reverse the Torah. In a Kabala tale which acts as a warning to the Jews. Satan, appears before Moses and uproots and destroys the Jewish Tree of life after mocking them and declaring their end. The tree of life is the symbol of the Jewish Torah and God from, the Jewish Soul.

The Jewish Torah is called their tree of life and soul. If its erased from existence what will happen to the Jews...

The prophetic warning the Rabbi's gave to their own has come to pass. Satan and the Gods have given us this knowledge.

## Jewish Rabbi's Admit Satan Is God Of The Gentiles

The Jews openly state Satan is the Father of the Gentiles and that our cultures are from Satan and that the Gentiles are to be destroyed, totally. The soul and blood are one the soul is the etheric DNA.

The Sumerian's called ENKI, SATAN as well. This is why the Yezidhi's who were part of this civilization still call their God, SATAN. The Yezidhi's still practice rituals found on ancient Assyrian reliefs. The Yezidhi's also state they came out of India around three thousand years ago. And they still call the Sun, Shammash, the Sumerian, Babylonia name of the Sun God. Their calendar is seven thousand years old much older then the Jewish one. This proves again SATAN predates Judaism by thousands of years as God.

When the Jews state in their writings that Amalek is to be blotted out and destroyed they are referring literally to Satan. But also to the Gentiles who came from Satan's bloodline as the Jews state in their Torah. The Goyim are from the seedline of Satan. Where the Jews are from Yahweh. The Jews wish to exterminate the Gentiles to usher in the Jewish Messianic age. In which only the Jews will inherit the earth.

Note they call Satan "The strange God".

From a site on Jewish Kabala. Goyim means with strange Gods, meaning our Gods, the Demons. In the Zohar, Satan is called the strange God, the Serpent, Samal [Devil-Satan] who is the Father Of the Gentiles.. Its Samal the Jews place in the garden of Eden whom they say Cain is the descendent of the serpent seed line the Goyim came from. Where the Jews came from Eve via Adam who is Yahweh's creation only and thus have a special blood line the Goyim don't. We have Satanic genes and soul.

Simple Gematria of L'Goyim = (40) +(10) +(6) + (3) +(30) = 89

On the other hand, we can compute the "complex" Gematria of a word by summing the numeric values of the spelling of each letter of the word. For example, in the case of l'goyim, although its simple Gematria is 89, it's complex Gematria would be computed from the individual Gematriot of its five component letters as follows:

$$= (30) +(40) (4) = 74$$

$$= (3) + (40) + (30) = 73$$

$$= (6) + (6) = 12$$

$$= (10) + (6) + (4) = 20$$

$$= (40) + (40) = 80$$

Complex Gematria = 259

And this complex Gematria of 259 connects the word l'goyim (the Gentiles) to the word b'zarim ("with strange gods", also with a Gematria of 259), "

Our Gods are "Strange" to the Jews because the Jews are alien souls and alien to this world as Rav Laitman has stated.

"Samael in the Zohar is associated with Amalek, the god of the physical world. The text describes Samael as Amalek's occult name.... Also equates him with Satan."

Samel is a Sanskrit word and means SAM [soul] AL [God] The God of the Soul. The Jews acknowledge that Satan is the Father of our souls as well. The Sumerian's stated Satan [The Sumerians called EA, Satan] breathed the breath of life into the Gentiles as their creator. Hence why they openly call us Satanic Souls. However this also means in Kabala the Jews wish to destroy the Gentiles on the soul level as well. Which is what the Torah is created to accomplish with the god form the Rabbi's created with it. The Torah as the Jews state is their god. And its full of curses on the Gentile soul from Genesis and on. This is why the Torah tells the Jews to destroy the Gentiles and their cultures. And the symbol of the Jewish god which the Jews called Leviathan is the Yod letter which the whole Hebrew alphabet comes from. Which is 22 letters that make the god of the Hebrews and the Torah. The Leviathan the Jewish god form is depicted in kabala as serpent encircling and destroying the Gentiles of the world. This is there Torah. Jesus is openly called the serpent of Moses which is the Jewish Leviathan the Jewish god form. The goal of Christianity is to bring about the Messianic age of the Jews and destroy the Gentiles.

The Jewish Zohar volume one, pages 28b to 29a states:

"At that time the mixed multitude shall pass away from the world. The mixed multitude are the impurity which the serpent injected into Eve. From that impurity came forth Cain who killed Abel. For they are the seed of Amalek. Whom it said "thou shalt blot out the memory of Amalek." Gentiles who are compared to the beasts of the field another from the mazikin [goblins] for the souls of the wicked are literally mazikin [goblins] of the world: and there is impurity from the side of the demons and evil spirits: and there is none so strange among them as Amalek who is the evil serpent "the strange God." He is the cause of all unchastity and murder and his twin soul is the poison of idolatry, the two together being called Samel.... This side of the serpent is accused above all."

In Kabala there is something important. The symbol of the Aleph letter. Its the letter which adds to 26 the number of their god YHVH. Its symbol is two Yod's between a Vav. This is the symbol of the Jewish god form being connected to the Jewish soul through the Torah, the Vav. That which connects them. And 26 adds to the Chet letter. Which is the letter of life and the soul in Kabala. The Baal Shem Tov, a Rabbincial Saddok, a high ranking leader of the Jewish people. Called the Aleph letter the most important of all the letters. Aleph in Kabala is showing the relation of the Torah.

The Jews call the Torah....The Water Of Life.

The way out of this is the Reverse Torah Rituals which the Jews show in their own texts with the Golem. The way to reverse a spell in Hebrew is by reversing the Hebrew letters. The Reverse Torah Rituals is the key to erasing the Jewish god totally from the astral....

The Aleph letter shows the Jewish soul and the Jewish god form is one. Erase the god form of the Jews from the astral with the Reverse Torah Rituals and what will happen to the Jews in the material world..... Jews are biological weapons of mass destruction like their Torah is a spiritual weapon of mass destruction against this whole planet.

The Jews openly state Satan is the Father of the Gentiles and that our cultures are from Satan and that the Gentiles are to be destroyed, totally. To worship the Jewish god, Yahweh in the form of Christ or another other is worshipping the Jews who wanted to exterminate you off the earth. The Jews even state this in their own texts.

THERE IS NO GOD BUT MYSELF" "KNOWING THIS, WHO DARES WORSHIP THE FALSE GODS OF THE KORAN AND BIBLE?"

-SATAN

FROM THE QU'RET AL-YEZID

## Satan is Victorious!

The Jews admit in their own religious text just what their "god" really is.

In Judaism there are four levels of meaning in the texts the first is literal, the second is pun or acronym which is meant to get the attention of the reader. The third which is the story or allegory associated to this and the final level is the Sod or Kabbalistic meaning. Which is the true meaning of the Torah. The Zohar calls the Torah nothing but an exoteric cover of the Kabala. The Rabbi's state the Kabala is the real Jewish religion.

The Zohar the major Kabbalistic text in Judaism states in the opening:

"Bereshit bara Elohim"

This verse in Hebrew is reversed to mean:

"In the beginning it created God".

This "it" as the Rabbi's state is the Ayn the highest God in Kabala. The Ayn is the unlimited nothingness. However what this Ayn is becomes obvious in the Kabala the Rabbi's stated the "it" is the "Aleph to Tov" which is the Hebrew Alphabet. The Zohar also points out that Aleph to Tov is the title of Shekinah. The Ayn is Shekinah. It was out of this energy that the god of the Jews was created.

Note the Shekinah in Kabala is called "light and vibration" the 22 names of God in Hebrew are the 22 Hebrew letters , the Shekinah. Note the Ayn is from the Sanskrit mantra Ain which is the name of the Adi Shakti the primal force or energy.

Energy has conscious which is the male form of god in Hebrew how the energy is programmed. The Torah is called god in Judaism and treated as such. Torah was created with the 22 letters. This is the other meaning of the Oral Torah in Hebrew, Oral is Orah which is from "Or" meaning light the light that was created when god spoke the first statement of creation . The Oral Torah is the speaking of the Torah to generate the vibration of the word of god which generates the vibration of the god form in the astral and brings it into the material. The other aspect of the Oral Torah is the occult knowledge of Kabala which is the science of the 22 letters. The Torah is a spell book that the Jews recite orally to bring it into existence by vibration. Hence their god is created by Ayn, Shekinah, vibration.

The Jewish "God" is a servitor, a thoughtform that was created by the Rabbi's and the Jews by vibrating the Torah in Hebrew. Their god is nothing but a mass of programmed energy in the astral they are channelling into the material world. Which is why they use the 6 all the time it brings energy from the astral down into the material. Christianity was just created to bring this about for the Jews by feeding massive amounts of energy into this program. It's a Jewish black magic spell created by the Rabbi's for one purpose.

The end goal of the black magic spell of the Torah is to bring about the age of the Messiah which is the ending of the age or world of the Gentiles the non-Jews. The age of the Messiah is the global Jewish government in which only Jews will rule and the Gentiles will be treated as animals the Goyim as Hebrew calls us meaning "Cattle". Without any rights. This is prophesied in the book of Daniel in the Jewish Torah. The creation of this age is to be brought about by a global holocaust of the Gentiles in the Messianic war. In which most if not all of the Gentiles will be exterminated. The Jews call Gentiles "Mazzikim" in the Talmud and Kabala which are the offspring of the Sheidin or Demons such as Lilith and Samel. Samel is another word the Jews use for Satan. Amalek the god of the Gentiles is the occult name of Samel or Satan in the

Talmud and Kabala. The Torah states the race of Amalek is to be wiped of the earth. That is the Gentiles. The Jews openly state the Gentiles are the offspring of the Gods.

The God and Goddess that created the Gentiles are called Lililthu and Enki in Sumeria and Enki is also called Satan by the Chaldeans as their God. Satan means the "King of the Gods" in the ancient Egyptian and Sumerian. The Torah references this as well Amalek is an attack on this meaning of Kingship. Satan also means "Eternal God" in Sanskrit.

In the Kabala tale there is something important . Satan, appears before Moses and uproots and destroys the Jewish Tree of life after mocking them and declaring their end. This sends the Jews in panic and defeat. Only by praying to their god are they able to attempt to recover this. The Tree of life in Judaism is the word and symbol for the Jewish Torah and soul.

The meaning of this tale on the highest two levels of Judaism is that the key to destroying the Jewish agenda is to destroy the Torah which can only be done with water as the tale shows. Water is symbolic of the element of Shekinah in Judaism. In the Talmud it shows the way to reverse a spell is the Rabbi has to reverse the Hebrew the spell was spoken with. Hence the Jews only regain the Tree by praying which is done in Hebrew and they pray the Torah.

The highest level of meaning is for the Rabbi's. That Satan is the living God that will and can destroy them. They acknowledge Satan as the living God of the Gentiles remember this.

The Kabala states the Torah is the soul of the Jewish race and their God form in the astral is connected into it. Reverse the Torah spell and you undo the Jews on every level.

The Rabbi's warned that Satan will be victorious over the Jews. This is why the Talmud warns the Jews that to reveal anything about the religion of the Jews is to destroy the Jewish race. The kabala is their Torah and they were warned this is how Satan will end them. By ending their Torah.

It was Satan and the Demon's who gave us the Reverse Torah Rituals. The prophetic warning in

the Jewish texts has now come to pass.

## Knowing the Jews From Their Own Writings and Quotes

In order to know how the minds of the Jews work, you just need to know some very fundamental and basic stuff about them. Try to use these as study material and you sure will probably find these elsewhere in your study. A lot of people not educated in the Jewish danger will find these shocking, but these are nothing but the tip of the whole iceberg and not even close to this. These quotes should be enough to shed some light on what is going on with the "Chosen Race" and why we are going against them, like Gentiles always did. Over 100 times in just \*DOCUMENTED\* history, the Jews have been expelled and driven away from countries and Nations. What people are discovering here is nothing new other than what people always knew about them.

While anyone can suffer from "flaws" as these have to do with being "human", the same "flaws" present themselves in the Jew in a most inhuman and alien form, one can see a definite pattern in the Jewish race. One or two times, it's a flaw. More than this, one sees the pattern of an ruthless criminal race forming.

We are merely talking about a criminal race, with egomaniac syndrome, that wants to enslave, destroy and subject the whole planet.

Nothing of the provided is enough or complete in one's understanding of the Jews, and not everything is quoted, as this would be impossible since everything interconnects with everything else. The Quotes are below.

However, it should suffice to show that these things actually do exist, they do exist irrespectively of "space and time" and that all Jews have the same exact purposes.

The Fundamentals of Jewish Thinking, who the Jews are:

- Only Jews are considered “Human”. Nobody else is. [8,9,10,11,12,13,14,45]
- Jews are a Race. [4],[5], [8,9,10,11,12,13,44]
- The Jews are Superior to “God”, who is also, a Jew.
- All “Creation”, was created by the Jewish “God” and consequently, everything created is for the jews, as their belonging and for what’s living, as their slaves. [8,9,10,11,12,13,14,15,16,3,39,45]
- Whatever Jews say, is a mandate from “God”, or even higher than this. No Jew can EVER be “wrong”. Whomever disagrees is to be eternally destroyed. [2]
- The Goyim (Non Jews) only exist as animals to serve the Jews. [8,9,10,11,12,13,14,15,16,3,39, 32]
- The Jew never wants to be found out. They know they are alien and that Non-Jews are subconsciously aware of that thing. They do not belong with anyone else. They are enemies to all other people on the planet. [19, 20, 8,9,10,11,12,13,]
- Jews are parasites and they know this. They are meant to live on top of others, never on their own labor. Jews are a race of destroyers.[22,21]
- There is no “truth”, especially for the Goyim, who are too “Retarded” To understand anything. Jews are above “truth”.
- Money is not money, it’s a weapon of control. Same goes for any other means.
- War is great, as it kills Goyim and empowers the jews who lend both sides by usury.
- The purpose of this world is actually for the jews to do whatever they want with it.
- Any means, to any way: Anything is ethical so long it helps jews survive and thrive. Whatever doesn’t or prohibits this, is “unethical”.
- The ideal political state of governance is Communism, which is the ideal plan for establishing the “God World” (Jewish World Order). [1, 33, 32]
- The enjoyment of Jews is the Superior purpose of the universe. Children, animals and everything else, can die, be raped and destroyed, or made to serve, as the jews see fit. [3,40,41,42 etc]
- All Races are hated, especially the Whites first and foremost, as with all Gentiles, according to jews. Blacks are considered lower than garbage and the same goes for Arabs and anyone else that is a Non-Jew. [7, 8, 26, 27, 36, 34,35 etc]

- Everything that weakens the Goyim, fulfills the “plan of God” (ie, their enslavement) is Good and Ethical for the Jews. (Race Mixing Agenda, “Multiculturalism”, Economic Collapse, Pacifism, whatever else that does the same purpose).

- Jews are liars. [46,28 etc]

4. "Hitler was right in one thing. He calls the Jewish people a race, and we are a race". -Rabbi Stephan S. Wise, Herald-Tribune, June 13, 1938

5. Rabbi Yitzhak Ginsburg declared, "We have to recognize that Jewish blood and the blood of a goy are not the same thing." (NY Times, June 6, 1989, p.5).

6. "I think there is a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies they once were in the last century. Jews are going to be at the centre of that. It's a huge transformation for Europe to make. They are now going into a multicultural mode and Jews will be resented because of our leading role. But without that leading role and without that transformation, Europe will not survive." – Barbara Spectre, Founder of “Paidea”, Jewess in Sweden

7. "We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mold them to the program of the communist party. In America, we will aim for subtle victory. While inflaming the Negro minority against the whites, we will instill into the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this

prestige, the Negroe will be able to intermarry with the whites, and begin a process which will deliver America into our hands." -Israel Cohen, taken from "A Racial Program for the Twentieth Century", and entered into the US Congressional Record, 1957, page 8559

8. "This is what needs to be said about the body: the body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world ... The difference in the inner quality between Jews and non-Jews is "so great that the bodies should be considered as completely different species." - Rabbi Menachem Mendel Schneerson

9. "An even greater difference exists in regard to the soul. Two contrary types of soul exist, a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness." - Rabbi Menachem Mendel Schneerson

10. "...the general difference between Jews and non-Jews: A Jew was not created as a means for some [other] purpose; he himself is the purpose, since the substance of all [divine] emanations was created only to serve the Jews."

11. "The important things are the Jews, because they do not exist for any [other] aim; they themselves are [the divine] aim." - Rabbi Menachem Mendel Schneerson

12. "The entire creation [of a non-Jew] exists only for the sake of the Jews." - Rabbi Menachem Mendel Schneerson

13. "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night." Midrasch Talpioth, p. 225-L

14. "Goyim were born only to serve us. Without that, they have no place in the world; only to serve the People of Israel."-Rabbi Ovadia Yosef

15. "With gentiles, it will be like any person: They need to die, but God will give them longevity. Why? Imagine that one's donkey would die, they'd lose their money. This is his servant. That's why he gets a long life, to work well for this Jew." - Rabbi Ovadia Yosef

16. "The life of a Goy and all his physical powers belong to a Jew.--Apothl, Die Polem p20.

17. "A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat." Hadarine, 20, B; Schulchan Aruch, Choszen Hamiszpat 348

18. "A Jew may violate but not marry a non-Jewish girl."Gad. Shas. 2:2

19. "Anti Semitism is so instinctive that it may be called one of the primal instincts of mankind; one of the important instincts by which a race helps to preserve itself against total destruction. I cannot emphasize the matter too strongly. Anti Semitism is not, as Jews have tried to make the world believe, an act of prejudice. It is a deeply hidden instinct, with which every man is born.. He remains unconscious of it, as of all other instincts of self preservation, until something

happens to awaken it. So swiftly and surely is the instinct of anti-Semitism in a man. There is not a single instance when the Jews have not fully deserved the bitter fury of their persecutors."  
-Jews Must Live. P. 64 by Samuel Roth

20. "Our power in the present tottering condition of all forms of power will be more invincible than any other, because it will remain invisible until the moment when it has gained such strength that no cunning can any longer undermine it." [i] [b]Protocols of the Learned Elders of Zion, Protocol, Prot 1-15

21. "Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat." - [b]Rabbi Ovadia Yosef

22. "We Jews, we the destroyers, will remain the destroyers forever. NOTHING that you will do will meet our needs and demands. We will forever destroy, because we need a world of our own, a God-world, which it is not in your nature to build." --"You Gentiles"p.155 Maurice Samuel

23. The thought of creating the Jewish people preceded every other thought of the Almighty when creating the Universe." --According to the teaching of Rabbi Samuel bar Isaac. (Bereshith Rabba 1.5)[i]

24. "Those evildoers, the Arabs – it says in the Gemara [Talmud] that God is sorry he ever created those sons of Ishmael."-Rabbi Ovadia Yosef

25. "You Israelis, you should never become lenient if you shall kill your enemies. You should have no pity on them until you have destroyed all their so-called Arab culture, on the ruins of which we shall build our own civilisation" --Menachim Begin Oct 28th 1965

26. "There was a tsunami and there are terrible natural disasters, because there isn't enough Torah study... Black people reside there [New Orleans]. Blacks will study the Torah? [God said] let's bring a tsunami and drown them."- Rabbi Ovadia Yosef

27. "In the racial civil war the communists envisage, Negroes will be in the front ranks, the shock troops of the communist revolution". -Benjamin Gitlow, former Chairman of the Communist Party-USA:

28. "Great national qualities, like frankness and honesty, are vices in politics, for they bring down rulers from their thrones more effectively and more certainly than the most powerful enemy. Such qualities must be the attributes of the kingdoms of the GOYIM, but we must in no wise be guided by them." [i] Protocols of the Learned Elders of Zion, Protocol 1-11

29. "WHEN THE HOUR STRIKES FOR OUR SOVEREIGN LORD OF ALL THE WORLD TO BE

## Communism”

32. When the Messiah comes every Jew will have 2800 slaves. -Simeon Haddarsen, fol. 56-D

33. “The entire world is one family. The framework of communism according to the Torah should ultimately encircle the entire world in an equal standard of living to everybody. However, the actual process is a gradual one. Each nation whose majority accepts these basic elements practically, and who have already been brought up to bestow upon their fellow person and will have a sound cause for fuel, may enter the framework of the international communism right away. -Yehuda Leib HaLevi Ashlag

34. “Kill the Goyim by any means possible.” -Choshen Ha'mishpat 425:50

35. “Extermination of the Gentiles is a necessary sacrifice. “Zohar, Shemoth

36. Rabbi Yaacov Perrin said, “One million Arabs are not worth a Jewish fingernail.” (NY Daily News, Feb. 28, 1994, p.6).

37. “When a Jew has a Gentile in his clutches, another Jew may go to the same Gentile, lend him money and in turn deceive him, so that the Gentile shall be ruined. For the property of a Gentile, according to our law, belongs to no one, and the first Jew that passes has full right to seize it.” Schulchan Aruch, Choszen Hamiszpat 156

38. “If it can be proven that someone has given the money of Israelites to the Goyim, a way must be found after prudent consideration to wipe him off the face of the earth.” Choschen Hamm 388, 15

39. “That all property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general. A Jew may rob a Goy, he may cheat him over a bill, which should not be perceived by him, otherwise the name of God would become dishonoured.” Schulchan Aruch, Choszen Hamiszpat, 348

40. Come and hear! A maiden aged three years and a day may be acquired in marriage by coition [intercourse], and if her deceased husband's brother cohabits with her, she becomes his. The penalty of adultery may be incurred through her; [if a niddah] she defiles him who has connection with her, so that he in turn defiles that upon which he lies, as a garment which has lain upon [a person afflicted with gonorrhoea]. Avodah Zarah 36b-37a

41. “Rab said: Pederasty with a child below nine years of age is not deemed as pederasty with a child above that. Samuel said: Pederasty with a child below three years is not treated as with a child above that.24 (24) I.e., Rab makes nine years the minimum; but if one committed sodomy with a child of lesser age, no guilt is incurred. Samuel makes three the minimum.” Sanhedrin 55b

42. Raba said. It means this: When a grown-up man has intercourse with a little girl it is nothing, for when the girl is less than this [three years old], it is as if one puts the finger into the eye; but when a small boy has intercourse with a grown-up woman he makes her as 'a girl who is injured by a piece of wood.'... Sanhedrin 54b

43. "UNIVERSAL WAR: We must be in a position to respond to every act of opposition by war with the neighbors of that country which dares to oppose us: but if these neighbors should also venture to stand collectively together against us, then we must offer resistance by a universal war." Protocols of the Elders of Zion, Protocol No.7

44. Menahoth 43b-44a. A Jewish man is obligated to say the following prayer every day: "Thank you God for not making me a gentile, a woman or a slave."

45. "The Jews are called human beings, but the non-Jews are not humans. They are beasts."Talmud: Baba mezia, 114b

46. "Jews may use lies ("subterfuges") to circumvent a Gentile".Baba Kamma 113a.

47. "Declares that agriculture is the lowest of occupations".

Yebamoth 63a.
