

Super affectionate medium sized dogs that won't let you down

When you head out to buy a dog, a lot of different things end up coming to mind. You begin to wonder about what breed to get, what color, and even what size. Which are all valid concerns but having them all at once leaves you totally indecisive by the time you have to actually choose. This offers your outstanding partitions where your feline is concerned [esa letter for housing](#) more about this online on a guaranteed page that can get you your letter.

As such, let's make the decision entirely simple for you. What you need to get for yourself, especially if you are new to this, is any of the different **Medium Sized Dogs** out there. All that's left now is to look at the different breeds out there, some of which are discussed below. And after you decide on a breed you can probably choose the right color all by yourself. So, let's get to it. Getting an [emotional support dog letter](#) online is conceivable, however again you ought to be particularly aware of respect to what's legitimate and what's not!

Why Choose Medium

Choosing a dog that lies in the middle has a lot of benefits. For starters, they are just the cutest and are of the perfect size. They are big enough that you can cuddle them all day and small enough that you can survive a direct, affectionate, yet unexpected body slam. All you have to do is get an [Emotional support animal letter](#) signed by your psychiatrist.

What's more, is that such dogs make for great emotional support animals. Particularly, those that you can play with, in parks and outdoors, and take with you wherever you go because of the [ESA letter online](#) that you have handy. In addition, since these dogs aren't humongous, they are comparatively less demanding.

However, that most definitely does not mean that they are any less energetic and loving. Their smaller size makes them great travel companions too since they don't take up much space. You

have to make sure that your cat is healthy if you are planning to get an [esa letter](#) for your pet because a healthy pet can only provide you with emotional support.

Affectionate Breeds to Choose From

With so many great dogs to choose from, it gets really hard to narrow down on a few breeds. Nevertheless, our first contender is undoubtedly the Bearded Collie. Think of it as a loving little bouncing ball of fur that is simultaneously the perfect dog for you, in case you want some extra excitement. Most people can't stand how cute they are and end up showering them with tons of love, a gesture that this breed definitely replicates.

Coming up next is the Whippet, which is the dog of your dreams if sudden and uncontrolled bursts of activity and cuddles are your thing. At the same time, the Bulldog is probably the dog for you in case your **DIY dog house** turned out to be a little smaller than planned. Because this little fella is bound to love it regardless.

Primarily, because it isn't really a fan of going out that much. So, if you want a dog that doesn't make you run after it all the time, you now know which one to get.

Then comes the magnificent Australian Shephard, which will simply kill for any chance to spend time with you. And this dog is particularly fond of accompanying you on runs, so if you're an athlete, you better get an Australian Shephard. But don't worry, because even if you are a couch potato, this breed will be sure to give you the caring company that you want as you watch a fun movie.

Similarly, the Siberian Husky is yet another great choice because this breed is brimming with energy. What's more is that they are super friendly and quickly warm up to anyone, even strangers.

Finally, we have the Labrador retriever which is a breed that forever strives to be the best boy for its owners. As such, it will never say no to a nice hug filled with warmth and affection.

In the end, they're all good boys, so whatever dog you choose is bound to make your life a lot more joyous. So, don't hesitate and get your medium-sized companion right now.
