Part II. Methods of Downloading e-Books

1. Download e-Books to Desktops or Laptops

1.1 Download Chapter or Page Ranges

- ✧ Go to the [Ebook Central site](#) via HKPL website and sign in with your **Ebook Central account** first. If you don't have an account, create one by clicking “**Join Ebook Central**”

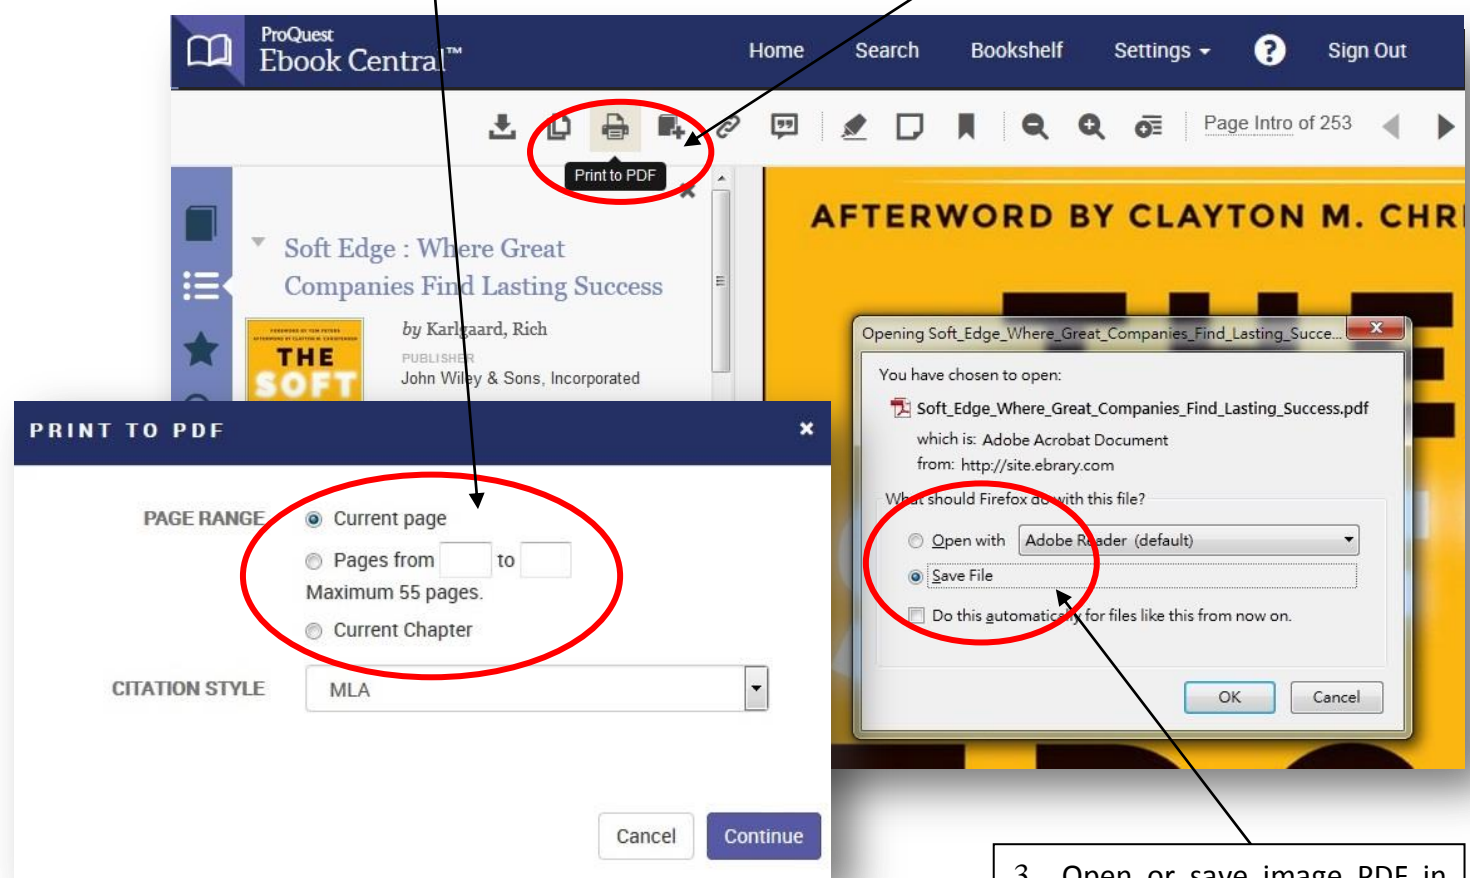

The screenshot shows the ProQuest Ebook Central website interface. At the top, there is a dark blue navigation bar with the ProQuest Ebook Central logo on the left and links for Search, Bookshelf, Settings, and Sign In on the right. The Sign In link is highlighted with a red box. Below the navigation bar is a large banner area with a background image of a library. On the left side of the banner, there is a 'Sign In' button. On the right side, there is a 'Your Library' section. Below the banner, there is a main content area with the heading 'Sign In to use authoritative ebooks provided by Your Library'. This area contains three columns of information: 'Trusted Content', 'On the Go', and 'Save and Share'. To the right of this content is a sign-in form with fields for 'Email/username' and 'Password', a 'Forgot username or password?' link, and a 'Sign In' button. At the bottom of the page, there is a section for 'New to Ebook Central?' with a 'Join Ebook Central' button, which is also highlighted with a red box.

- ✧ You can print or download image PDFs of specific chapters and page range.
- ✧ The image PDFs are accessible on most computers and devices, including the Kindle, without additional software.

2. Choose **“Current page”**, **“Current Chapter”**, or enter page number range to create image PDF.

1. Click **“Print to PDF”** to create file.

3. Open or save image PDF in your computer or device.
