Met her in Milan, sociable and pretty girl, very slender physique with fake breasts, pretty face. Hosts in the environment all in all enjoyable. I wanted to try an experience with b side and reading that was very knowledgeable on this then I choose, in fact it does very well, although I had read was lacking in the rest ... What I found especially in involvement, I found the experience a bit "structured". BBJ short but good, COB, RAI 1 and Rai 2. If you want to do a quickie complete rai2, whereas it is Italian, young and pretty; agree ...

Met a few days ago in Milan, they say. fantastic; young, gorgeous face, smile, enveloping, fake breasts, but fair and spoken Tuscany ... feels like staying with your girlfriend, jokes, laughs, cheerfully speaking everything from Astrology to football! No hurries and not at all dismissive. Receives in an apartment clean and friendly. Oral superb, 69, BBC1 in various positions and 2, 1:00 x 2shot, 5VU, but it's worth it all, everyone. I can't wait to come back ... [Less](#) ▲

Young and beautiful girl

I went to see the girl today in the early afternoon. After we agreed on whatsapp we agree for the time and for services. The catch up in his apartment, opens the door a nice chunk of real girl in high heels and with a big grin, I go to the bathroom, I wash and start with a nice 69 ... fantastic, a crisp

smooth and fragrant, waiting to be whole lick while she performs in a mouth without hands, which believe me there are a lot of so brave. Puts me a condom and start immediately with its fantastic b side, change positions a couple of times alternating on side a and side b. Finish inside the condom ... fantastic. Was nice from beginning to end, has not rushed and was most helpful. Pity that tomorrow again. I can't wait to come back because a couple of visits I will come back to you. Too exciting. [Less](#)

Tuscany beautiful the girl has an unmistakable Tuscan accent, is beautiful and very well made, but seeking to conclude quickly to switch to the next customer. I've tested in the past and knowing that she was back in the area I tried not to make me run. The meeting however was rushed knowing that I was there for its B side, did everything to offer me a sheep which can not say no. After his bbj short but well done and a couple of locations, has volunteered for inviting sheep keeps sodomizing her. .. so though I lasted at max 20 25 min. .. I will be back. I guess, H a really nice body [Less ▲](#)

The girl is really beautiful, physical top and side B to lose my breath! It may be "silly" with her laughter and her thing but I love it. partake of Bbj, 69, daty, Gfe, and every position, even if it prefers her under or pecos (less fatigue for her). Special mention for the b-side, which honestly I can define by Ecstasy of the senses, it doesn't make a complain on anything and goes along with everything. My first experience of this kind! Sore, not FK and the gift ...

Met several times at that. Receives in a shady apartment close to the decathlon. Shady I mean why not spotless. There are condoms everywhere, the toilet, the bedroom thrown to fuck. Used I mean. dust everywhere, read that splits into two when the keys etc.. Young girl on 22-23, beauty of the face, very nice and polite. Thin as a nail with two huge bombs silicone a little jar on a body so thin. It is very dry, with a few forms. Oh I forgot, great ass. Sexual level is practically non-existent, you must chiavarla you in a nutshell. The good thing is that never tires of giving you the language, fk did to rush or not only taste. Bella's mouth open and tongue up and die ... Brava Sofi here.! The mouthpiece is acceptable, not from an expert in the field, but with use of different language and Ted ". While to shag the bud. Makes two hops, then says to muffle. Why is inexperienced, you see. Although he took cocks many guys because a sheep his ass if he does break through well well. And enter as a marvel and never complains. Only when I put it in mission and planted in complaining that ass in that pose feels more ... So says. Then the finale

sometimes takes sperm in full, sometimes if the tip in her mouth and waits for the splashed to use only the language on the chapel when he ejaculates the bird. The last time then I wanted and made me a crosscut saw. I'm honest, I see Sofi when I want to do an ass like it should, because in Bologna I know 100 that they shag a lot but much better but unfortunately the ass do not give it. From her I go when my morose Romanian are not available. too bad they're not involved, because little is his job, otherwise we would have to subscribe. For a flushed 150 € with ass no limits there may be gentlemen. 100 € no ass. Very Italian with emphasis toschano. SOFI wake up and do some gym and eat lots of grass. [Less ▲](#)

Thanks for the review. I mean, your tones in writing are a little strong and not everything is true in my opinion (if one has expectations should make them known otherwise ...), but I appreciate the frankness and amused me your vocabulary in a refined way;) p.s my butt waiting for you since you like so much hahahaha come again to see me;)

Normally I'm not a lover of teenagers, but since in Padua there was nothing I did try this 20-year-old Italian. After a short telephone contact, I find myself having to make an appointment with her for the next day, even though I desire to sweep the had at the time:(Kindly apologises, but in Padua is having

great success. The thing I'm curious about and accept the appointment for the next day. Arrived at his apartment the next day, I meet a nice brunette young and friendly. Very nice and not stupid as read in previous reviews. Physically it's not really my type, I like women with multiple forms. Such a defect, if so you no longer call, is immediately forgotten at the time telling me that in April will be from the tire shop for pumps and then--at big, and especially the passion that shows in bed. I was little to her teen lover wouldn't like said, so I had already in mind the 20 min standard. Certain that in May when he returns in Padua, with bombs new, I return to find it, and certainly for longer, given the promise of an even more privileged treatment. [Less](#)

The girl in the picture is, immature, ride to just about anything you can say. Is a beautiful girl of Tuscany in Florence, rate quite high 100 for normal 150 to tune to channel 250 for a full hour. In my opinion it is not his job, receives in a disordinatissima but clean, has a bed that is

divided into 2 whenever one moves and as soon as you start getting undressed you encapsulating and begins his work. Then puts all the stakes of the case does not Kiss if you don't have your hands more than disinfected doesn't let touch. I think the advice is not to invest for a relaxation that you definitely do not enjoy fully. [Less ▲](#)

Dear Paul I'm sorry if you think you've thrown away your money but judging by the reviews that you even made the other girls it seems that you are looking for a moment of relaxation but a girlfriend, I suggest you look elsewhere. I do get what you agreed on the phone and I find it very unlikely that I'll have svestivi because my clients while hooded all go to wash before you begin and it gives me a fun natural mouth chores If the smell is not unpleasant. The price did you know before coming and if it was too could go elsewhere! You'd be touched by a person who does not have the certainty that it is well washed? You kiss someone you don't like? Certain services give them without asking for an increase of installments and then I decide who to give it to. I demand customers clean, perfumed, polite, funny and who pay for sex and then concedo more than I should, including kissing and cuddling, others give only what they paid for. Smakkkk apparently do, you are not your job! My immaturity and want to laugh makes you feel old I guess!
