# Curse removal diagnosis

**Date:** September 17, 2020  
**Name:** Anja – MissBehave  
**Birthdate:** February 26/29, 1988  
**Address:** Norway

After having done a thorough analysis of Anja's energy field, I detected the following issues:

❖ **EIGHT ENTITIES:**

She had eight three entities disturbing her, absorbing her vital energy since:

1. February, 2020
2. March, 2020
3. April, 2020
4. May, 2020
5. June, 2020
6. July, 2020
7. August, 2020
8. September, 2020

When I talk about “entities” I’m referring to lost souls (might be relatives or not) which are attached to us because they have found in us a source of energy. They are usually at hospitals, schools, cemeteries, temples, museums, and any old place.

They are often harmless, but sometimes they are working with curses. In this occasion, these entities were evil and they were specially directed to her. In every case they should be elevated and let them find their path.

❖ SEVENTEEN BLACK MAGIC CURSEs:

1st. Love Spell (It was made with fire in February, 2020)

2nd. Love Spell (It was made with fire in March, 2020)

3rd. Curse to block her mental Health Area (It was made with cemetery soil in April, 2020)

4th. Love Spell (It was made with fire in April, 2020)

5th. Curse to block her mental Health Area (It was made with cemetery soil in May, 2020)

6th. Love Spell (It was made with fire in May, 2020)

7th. Curse to block her mental Health Area (It was made with cemetery soil in June, 2020)

8th. Love Spell (It was made with fire in June, 2020)

9th. Curse to block her mental Health Area (It was made with cemetery soil in July, 2020)

10th. Love Spell (It was made with fire in July, 2020)

11th. Curse to block her personal relationships area (It was made with cemetery soil in July, 2020)

12th. Curse to block her mental Health Area (It was made with cemetery soil in August, 2020)

13th. Love Spell (It was made with fire in August, 2020)

14th. Curse to block her personal relationships area (It was made with cemetery soil in August, 2020)

15th. Curse to block her mental Health Area (It was made with cemetery soil in September, 2020)

16th. Love Spell (It was made with fire in September, 2020)

17th. Curse to block her personal relationships area (It was made with cemetery soil in September, 2020)

All these curses are being made by the same person. Now they are cleaned, but, unfortunately he will cast these spells again.

He is making them once a month and he is trying to make her fall in love with him; controlling her mind and making love spells. He is also blocking her personal relationships, isolating her.

After detecting these curses, I continued to perform the energy cleanses, and I elevated all the entities I have found. Then I made a special protection for Anja.

I haven't found any energy parasites or larvas.

Now her energy is totally. I recommend another cleanse in one month (October 2021).

I really hope this process will be helpful for you and Anja, thank you very much,

Kalena
