ABOUT US :

Nurturing love & care for over 33 Years, We at **NARULA OVERSEAS INDUSTRIES PVT. LTD.** have been a trusted name in the field of baby care products. We have been known for developing products that go hand-in-hand with every special moment you share with your baby. Our spectrum of baby care products includes **FEEDING BOTTLES, BABY TEATS** and many more.

Safety, hygiene and gentleness are our priority while internalizing the design process. No wonder, our products are available under the brand name **“SMARTY TWOMAX”** – is a household name in the market. The complete range of products undergoes rigorous clinical testing and is as per the guidelines of **FDA**.

We have been accredited with An ISO 9001:2008 certification for following a total quality management system. Based on extensive research, our polypropylene feeding bottles are considered to be the next best thing to the breast feeding. The silicone nipples of bottles are odorless, tasteless, soft and broad. It has a unique venting system to help reduce colic in the infants.

We are committed for using the latest science and technology to stay on the edge of baby care. Our latest concept involves Liquid Silicone Nipples that are manufactured on LSR automatic plant from Germany. These nipples are made from best quality imported material from G.E. Bayer silicone and Wacker silicone.

NARULA OVERSEAS INDUSTRIES PVT. LTD. Strives to remain the best source for baby care products trusted by parents and health care professionals worldwide. With our product's acceptance in domestic and international markets, our expertise also lies in offering customized products according to the specifications of customers.
