Main Title of page
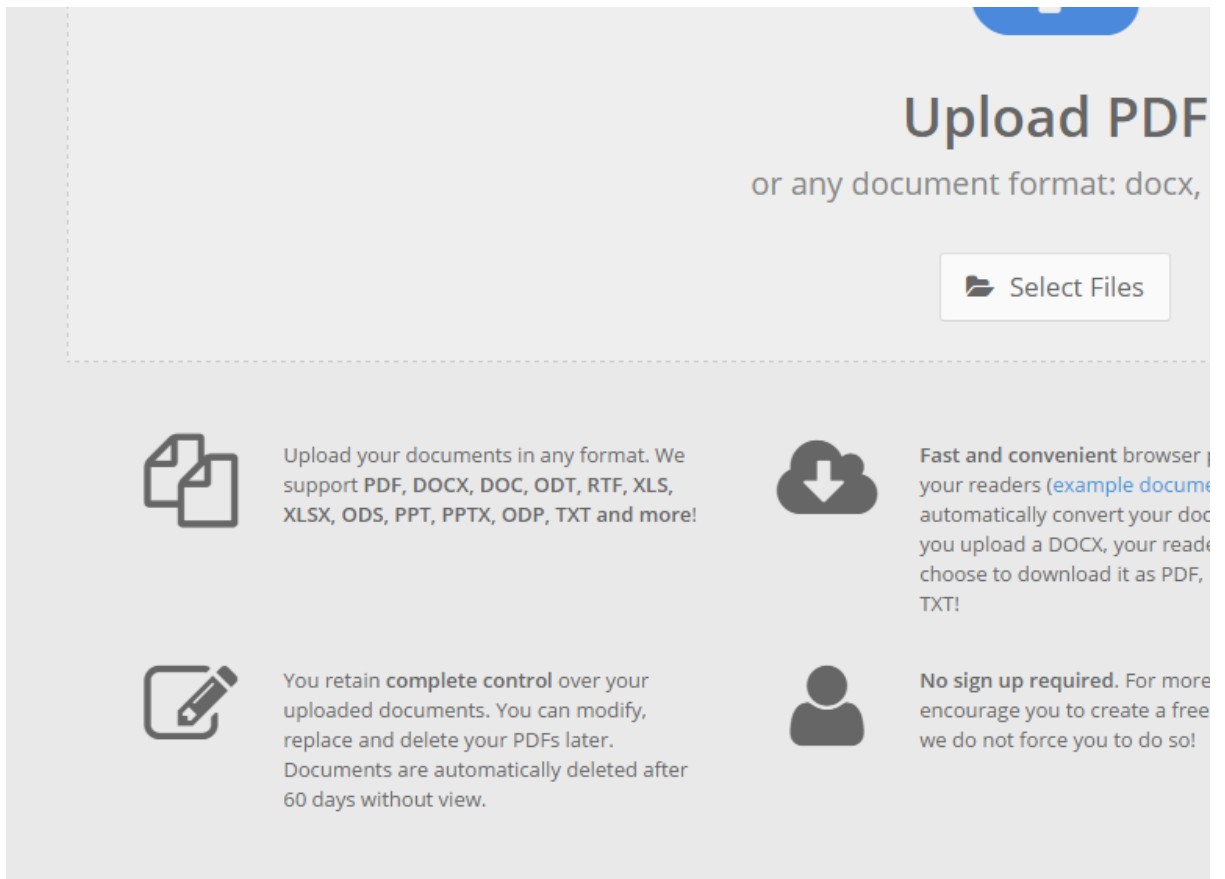

On the Insert tab, the galleries include items that are designed to coordinate with the overall look of your document. You can use these galleries to insert tables, headers, footers, lists, cover pages, and other document building blocks. When you create pictures, charts, or diagrams, they also coordinate with your current document look.
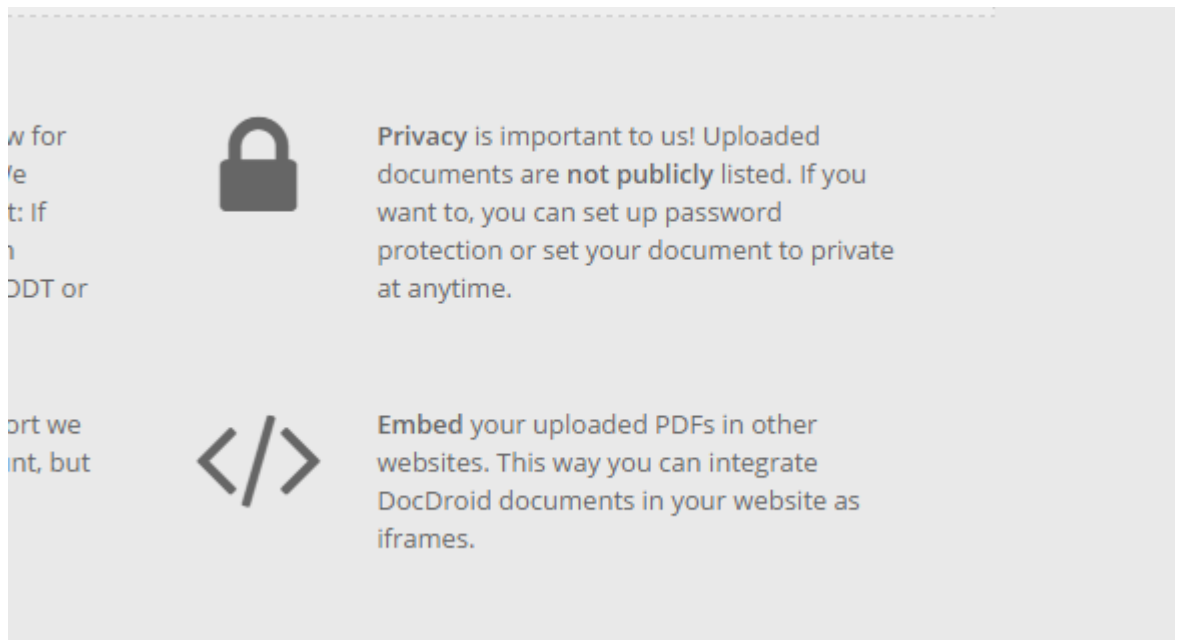

Sub topic heading – number 1

On the Insert tab, the galleries include items that are designed to coordinate with the overall look of your document. You can use these galleries to insert tables, headers, footers, lists, cover pages, and other document building blocks.

1. Instruction number one. You can use these galleries to insert tables, headers, footers, lists.

2. Instruction number two. This is a small step.

Privacy is important to us! Uploaded documents are **not publicly** listed. If you want to, you can set up password protection or set your document to private at anytime.

Embed your uploaded PDFs in other websites. This way you can integrate DocDroid documents in your website as iframes.

3. More instructions go here.

There are **93,126 documents** uploaded with in total **14,068,278 views** and **1,773,563 downloads**.
