Pathways to Permanent Residence

You have been granted a Skilled (Migrant) (class VE) Skilled - Independent (subclass 175) visa.

This visa allows you to remain in Australia indefinitely, and to leave and re-enter Australia five (5) years from the date of grant. Following this period, you may choose to apply for Australian Citizenship or a Resident Return visa.

### **Checking your visa details**

Not all visas for travel to or from Australia require a label to be placed in your passport as evidence that a visa has been granted.

Your visa and passport information is held electronically and can be accessed at any time using the Visa Entitlement Verification Online (VEVO) system. VEVO is a free internet service available 24 hours a day, seven days a week. You can see all the details of your current visa, including subclass, visa description, grant date, period of stay, grant number, entries allowed and conditions that apply to your visa.

To access VEVO you will either need a Transaction Reference Number (TRN) or a password. If you do not have a TRN, you will need to set up a password. You can do this by calling 131 881 and have one recorded for you (this includes if you have forgotten your password). To access your visa details at any time online, simply go to [www.immi.gov.au](http://www.immi.gov.au).

If your passport country requires you to have a visa label, you should approach a departmental office to have your visa evidenced in your passport as soon as possible.

Please note that your nearest office with visa evidencing facilities may not be in your country of residence, and in some countries visa evidencing is done by a Service Delivery Partner.

Details of visa evidencing arrangements and addresses and opening times for our overseas offices can be found at [www.immi.gov.au/contacts/overseas/index.htm](http://www.immi.gov.au/contacts/overseas/index.htm).

If you do not have access to the internet, you can call your nearest Australian diplomatic mission for more information on visa evidencing.

### **Visa conditions**

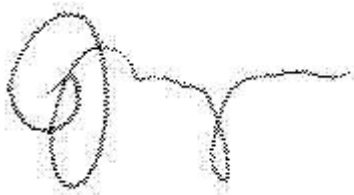

The visa you have been granted has no conditions.

### **First entry date**

You must make your first entry to Australia before 07 March 2012. It is not possible to change this date.

### **Passport**

The visa is linked to the passport number that you provided in your application. If you obtain a new passport after receiving this letter, you should advise the department of the new passport details. If you do not provide us with the details of any new passport, you may experience significant delays at the airport and may be denied permission to board your plane to Australia.
