Choose the number of money and stars you want and click generate.

Enter your game username and select the platform between iOS and Android. Finally, you will have to complete the verification, in order to make sure that you're a human and not a robot. When this is all done, you will get

all those resources to your game account. Feel free to come back and repeat the process whenever you need more cash and stars! Everyone knows about Kim Kardashian and the rest of the family members. However, Kim is the star of the family, which is why she deserves her own game.

Kim Kardashian: Hollywood is a game that lets you choose your own story, and live the best celebrity life. You can either be a model, fashion designer, or film star, all while jetting to exclusive locations all over the world. When you're a celebrity, pretty much every boutique, nightclub or hotel will open its doors for you. Plus, there's even a chance to get married and raise a family.

There's even an A-list squad that gets updated regularly, plus you get a chance to invite your own friends and bring them to Hollywood. And what's best, there are so many designer outfits to choose from, which is a great feature if you enjoy fashion-based games that are all about glamour and having fun.

So if you're a fan of everything Kardashian-related, especially of queen Kim herself, then this is the game that you should definitely check out. Even if not, the exciting storylines, Hollywood glamour, gorgeous outfits, and exclusive destinations are more than reason enough to give it a try.

Everything that is expensive and glamorous costs money. After all, all the fancy clothes and club entrances are not cheap, nor are they free. So if you're looking to get the maximum benefits and best features, then you should consider using Kim Kardashian Hollywood cheats, especially if you don't have a sufficient budget for in-app purchases. Free money and stars are at the tip of your hands, it requires you to complete only a few steps. Use the hack generator on both iOS and Android platforms. You don't need to install any mod or apk files to get free cash and stars so continue reading and start earning!
