

# Music as a tool in youth work

Study Visit Project

---

**Study Visit: 27 November - 05 December**

---

**Countries participating:**

Luxembourg  
Czech Republic  
Italy  
North Macedonia  
Portugal  
Romania  
Spain

**Group size:**

3 participants + 1 leader

# Music as a tool in youth work

Through a series of presentations and workshops, this project aims to share past experiences on utilizing music in youth work as well as to explore different techniques and to create new ways to use music as a tool in youth work.

Each participant, or group of participants, should prepare a presentation and/or a workshop. The team leader of each country team will also be responsible to support the team and to go through the project logistics altogether.

The project is co-funded by the Erasmus+ program of the European Union.

# Participants profile

This study visit is open to 18+ participants with musical background or a prior experience with application of music in youth work .

English will be the working language of this project, which is why we find it important that each participant has at least basic knowledge of the language.

Good mood, happy faces and positive energy are more than welcomed.

Please inform us in advance if you have participant(s) with handicap or disabilities within your group in order to prioritize them during the selection process.

Erasmus+ is a program that supports young people with disadvantages which is the reason why we strongly encourage their inclusion.

# Accommodation

Home Luss Collini is a scouts center located in Sanem, a small municipality approx. 30min ride by train from Luxembourg city train station. In its vicinity there is the castle of Sanem.

The inhabitants of Sanem value their calm lifestyle, meaning that a quiet and calm ambience in the period 10p.m. - 7a.m. would be expected. Please note that the accommodation venue is not in Luxembourg city, meaning that if the project topic and the youth exchange itself is not your main motivation to visit, you might want to reconsider your participation in this project. However, the program of activities will include a cultural visit of Luxembourg city.

The scouts center is maintained by volunteers-members of the scouts federation who do everything in their power to make the accommodation venue flourish. The venue is equipped with advanced garbage selection and we would kindly ask you to stick to it. It will be presented and explained during the preparatory visits.

## Facilities

Activity/dining room; Professional kitchen; Bathrooms/showers (separated by gender); Shared rooms (separated by gender).

Find more about the venue in: <https://suessem.lgs.lu/fotos-home-bis/>

# How to get to the accommodation venue?

Once you arrive in Luxembourg, the public transport is free of charge with the sole exception of the 1st class in trains.

For up-to-date information on how to get to the accommodation, you can use the webpage [www.mobiliteit.lu](http://www.mobiliteit.lu) or their application called mobiliteit. You can also refer to google maps.

Your destination is Home Luss Collini at the following address: 18, rue du Château 4992 Sanem.

The image shows a buffet table with various food items. In the foreground, there is a plate of bread topped with a red sauce. To the left, there is a jar of red sauce. In the background, there is a bowl of yellow food, possibly corn or pasta. The table is set with white plates and napkins.

# Food

The food will be prepared and served for you in the accommodation venue. It will be served as a buffet.

There will be three meals and two snacks/coffee breaks provided. We will provide simple 'with/without meat (vegetarian)' dishes. If you have any specific dietary needs/allergies, please let us know in advance.

# Travel and reimbursement

The travel **MUST** be from the participating country to Luxembourg and back. The foreseen **travel days are 27 November and 5 December**. Exceptions/extension of the travel dates may be possible if requested in advance and if a valid reason is provided.

The **travel costs will be reimbursed up to the limit of 275€ per participant**. All **plane tickets must be bought directly via the airline company**. The use of any providers must be approved by REACT in advance!

In order **to make the reimbursement, we will need all the tickets (originals) including the ones for the way back**. It is very important that you keep ALL your travel documents (itineraries, boarding passes, bus/train tickets) and bring them with you on project in a hard copy (paper). They will be used to fill in the travel cost reimbursement form on project. Travel costs will be reimbursed only if you take part in ALL the activities foreseen for the project.

Please note that we strongly encourage the idea of green travel. If you would like to organize your trip in this way, please share this info with your sending organization. Please note that in this case, extra travel days and a reimbursement ceiling of 360€ is eligible.

**It is obligatory to confirm with us before buying your tickets!**

# Health insurance

It is mandatory to obtain a health insurance for the full duration of the project, including the travel days.

If you have a valid EU health card, this covers the basic needs, otherwise a travel insurance is needed.

In both cases, an additional travel insurance is recommended.

# What to bring on project?

- ❖ Bed sheet, sleeping bag or a blanket. You may bring a pillow or improvise one (the accommodation venue does not provide blankets or pillows).
- ❖ Towel and hygiene essentials
- ❖ Flip-flops or home slippers
- ❖ Laptop, tablet, camera, musical instruments (if any)
- ❖ Layered clothes (the weather can frequently change thorough the day)
- ❖ Ideas, Ice-breakers and traditional dances for your national evening.
- ❖ Posters, leaflets, cards, videos and typical music from your country.
- ❖ Materials, stickers and brochures of your organization (if any).
