

## Neymar and Neil Lennon inside furious bust-up as Celtic manager clashes with planet's most expensive player

Celtic supervisor Neil Lennon and Samba movie star Neymar were embroiled within a furious touchline struggle of words during Celtic's dissension with PSG.

The 28-year-old won a new free-kick in the touchline the Irishman obviously felt was a bit gentle.

Lennon appeared to direct some furious attaque at one of many PSG participants and Neymar obviously experienced he was this Hoops boss' target.

Typically the frontward turned round in order to are up against the Celtic administrator and reacted angrily before getting restrained by teammates Leandro Paredes and Mitchel Bakker.

With the pair from least 10 yards apart, there was no hazard from the duo in fact arriving to blows - which will many will suggest is usually just as well for that Brazilian.

was withdrawn at half-time, but had already done plenty involving injury with a great first half displaying.

This world's most expensive gambler was the scourge regarding the Hoops again within the friendly inside Paris, France, getting a good aid and even a purpose in typically the 1st half.

Despite his / her skill on the frequency though, it'd be a new brave man who also supported

him in a set-to with Lennon.

The Brazilian superstar has form intended for winding up the Hoops, and has now a brilliant document against them all too.

Just before Tuesday's helpful he'd played against these people six occasions for Barcelona and Paris Saint-Germain, winning every matchup, and netting seven targets and presented eight supports.
