SOMOS TODOS ALQUIMISTAS !

Temos o poder de transformar o Chumbo em Ouro! Temos o ónus de transformar o planeta, de cuidar da vida e de construir um mundo co-habitável!

Em modo de (des)confinamento sentimo-nos protagonistas da história do nosso país/mundo através da exposição de diferentes culturas, realidades, matérias e dimensões humanas que o conceito de joia pode representar e significar. As 119 joias criadas / expostas evocam, a partir desta metáfora alquímica, uma viagem que fazemos juntos em transformação.

Neste desafio comum, em intercâmbio entre seis países/escolas - Bélgica, Espanha, França, Itália, Letónia e Portugal - fazemos um pacto/compromisso com o Eu, o Outro e o Mundo!

WE ARE ALL ALCHEMISTS !

We have the power to turn Lead into Gold! We have the burden of transforming the planet, taking care of life and building a co-habitable world!

In a (de)confinement mode we feel that we are protagonists in the history of our country / world through the exposure of different cultures, realities, materials and human dimensions that the concept of jewels can represent and signify. The 119 jewels created / displayed evoke, based on this alchemical metaphor, a journey we take together in transformation.

In this common challenge, in an exchange between six countries / schools - Belgium, Spain, France, Italy, Latvia and Portugal - we make a pact / commitment to Myself, to the Other and to the World!
