# MANAGER PREVIEW

WITH JOHN ROBERSTON

**Good afternoon and welcome to today's Scottish Cup clash against Livingston, I hope you're well.**

First of all, I'd like to welcome Gary Holt, his staff, the players, the directors and the fans of Livingston to the Caledonian Stadium for today's game. It has all the makings of a cracking cup tie.

Last season we made it to the Semi-Finals of the Scottish Cup and this year we want to better that, that's the aim. We got to the semi-finals last year through some hard work, some great football and some real fighting spirit. We're going to need all of that and more today against a very good Livingston side, who are ripping up trees in the Premiership.

We watched Livingston last Saturday and on Wednesday against Ross County. They were absolutely sensational against Motherwell, they blew them away. They were direct, positive, on the front foot, they fought for every first and second ball and won them all. It took an unbelievable performance from the Motherwell keeper to keep them in the game for so long.

That's the real Livingston, we also saw them against Ross County and County matched them all the way. Every battle was there, County won most of them and that's how you play against them. We looked at the viewpoint that it's almost like man-to-man combat, you have to match them and try to play when you get the ball.

Livingston don't make it easy for you, they win the ball high, they are very energetic, they are a very fluent and positive team and cause you problems. Livi will be huge favourites, they come up here in a great vain of form even though they were beaten on Wednesday. It'll be a difficult match for us, it'll be a very physical game, a very frantic game but it a game where if we play at our very best then we're more than capable of getting a result.

We have a team that, first and foremost, is there to compete as we'll have to do but more importantly a team that'll continue to pass the ball and play the way we need to when we have the ball. We have players that can cause them problems as they do us.

Livingston have everything you want, there is an honesty about them, a bravery about them, a physicality about them but there's also a technical side to them. When they get the ball in the last third they get it down and have some wonderful players in the likes of Pittman, Robinson, Sibbald and Crawford.

All these guys can all really play and their main focal point is Lyndon Dykes, the improvement he's made since playing for Queen of the South has been phenomenal. You can see why he's been tipped for a potential international call-up because he leads the line very well and he gives them a real platform to play from.

This is a team that beat Celtic this season, you can see why because they have a style of play that suits them, players that suit the style and they work extremely hard at it. That's not to say we don't have a chance today, trust me we have a chance. If we play as we're capable of playing with the ball and match everything Livingston do off it then we have a chance.

Enjoy the game and get behind the team,

**Robbo**

## TREMARCO'S PREVIEW

**Good afternoon and welcome to today's Scottish Cup tie against Livingston at the Caledonian Stadium, I hope you're well!**

The Scottish Cup brings back special memories for the club and we want to progress as far as possible this year and go on another good cup run like last season's progression to the semi-final at Hampden.

Saturday's result against Alloa was a real frustrating one, no disrespect to Alloa but if we want to finish second then we need to be winning matches like that. Especially, when we have so many chances in the match.

Today's match will be a tough test, Livingston are a top side as they sit 5th in the Premiership. They are physical side that win a lot of second balls so we need to be able to stand up to that if we are to progress this afternoon.

Enjoy the game,

***Carl Tremarco***

LADBROKES CHAMPIONSHIP

**The crossbar denied Caley Thistle all three points late on against Alloa as Jordan White saw his close range effort cannon off the bar just seconds before the full time whistle.**

Alloa's Iain Flannigan had given the Wasps a first-half lead from the penalty spot but Jordan White levelled things up upon the hour mark as the Alloa defence failed to clear Sean Welsh's cross into the box.

John Robertson made one change that lost to Ayr United at Somerset Park one week earlier, as Tom Walsh made his first start back from injury in place of James Keatings, who missed out due to a hip problem.

The first real chance of the match fell to captain Carl Tremarco, he met Walsh's free-kick in the box but his header was flicked over the crossbar.

Alloa probably should've had the lead after 19 minutes on the clock, Shaun Rooney skied his clearance and Kevin McHattie loose backwards header which was almost capitalised upon by Robert Thomson as he rounded Caley Jags keeper Mark Ridgers, but his finish from a tight angle was well wide.

Five minutes later, Mile Storey's cross found Aaron Doran in the middle and Jordan White was inches away from turning his effort from inside the box in to the back to the net but Alloa keeper Kieran Wright gathered it.

Alloa were then awarded a penalty kick after 30 minutes on the clock, Kevin O'Hara went down under the challenge of Shaun Rooney and referee Kevin Clancy awarded the spot kick. It looked a harsh call on the Caley Jags but Alloa captain Iain Flannigan stepped up and scored to put the Wasps 1-0 up, keeper Mark Ridgers went the right way but it was low and into the bottom corner.

Caley Thistle almost hit back instantly, Walsh played Doran down the left hand side and his low cross found its way to Miles Storey in the middle but the winger's effort went over the bar as he was leaning back as he hit it.

Alloa could've doubled their lead after 38 minutes, Kevin O'Hara's cross found Kevin Cawley in the box but his effort was kept out with a great save from Mark Ridgers.

Just a minute later, Caley Thistle had a chance of their own to score. Walsh was the provider as his ball found Jordan White in the middle but the striker was stretching for it and his effort was held by Kieran Wright.

Caley Thistle started the second-half on top and saw early effort from Tom Walsh and Aaron Doran deflected behind and held by Kieran Wright.

The home side made the pressure count and got themselves level after 59 minutes on the clock. Sean Welsh, who was making his first appearance back from injury, was only on the pitch a couple of minutes when his cross found its way to Jordan White in the middle and the Caley Thistle man did well to fire the ball past Wright in the Alloa goal from 6 yards.

Caley Thistle then went in search of a winner, after 66 minutes Shaun Rooney produced some magic down the right hand side as he went past two Alloa defenders and found Doran in the box but his shot was blocked on route to goal.

With twenty minutes remaining, O'Hara almost capitalised on a loose pass from James Vincent but was denied by a good save from Mark Ridgers.

After 77 minutes, David Carson wasn't long on the pitch when he saw his effort from about 20 yards go just inches over the bar.

Alloa had a final chance late on, O'Hara's cross found Trouten in the middle but he was denied from point blank range by a superb save from Mark Ridgers.

With seconds remaining on the clock Inverness almost won it, Rooney's cross found Doran in the middle as he chipped the ball into the path of White but the striker saw his header come off the crossbar.

## **Annual Hilton Month**

This month the Trust is jam packed with visits to Hilton Primary School. It is our annual 4 week visit to Hilton to teach all the classes how to play football. We have been doing this visit for several years now and it is always good to see the kids enjoying football. For some of the kids, the sessions are aimed at improving the skills they already have from playing football before but for others it is something new. We look to work on dribbling the ball, passing and some shooting which they can put into practise during races or games. Also during this 4 weeks we have the nursery at Hilton where we look to introduce the kids to football. Its aim is to develop their skills, in fun ways, such as kicking, dribbling and catching, as well as working on their movement and improving co-ordination. Will be a busy month but a fun month!

## **North Kessock Visit**

On Saturday a few of our coaches went to North Kessock Primary School Football Training to take their kids for a session on a very wet morning. Was great to see over 30 kids brave the weather and join us for training. We split the players up into 3 groups and looked to work on different aspects of the game, so they all got a chance to do something different. We wanted these drills to have high intensity and make sure the kids got lots of touches of the ball. After they had done the drills we had then it was time for them just to play. Thank you to all the coaches at North Kessock for their help in setting up and organising the kids. We look forward to visiting again.

## **Congratulations to young Natalie Christie who became the first Gaelic announcer at Caledonian Stadium.**

Natalie comes from Inverness and attends Culloden Academy and her Gaelic Teacher, Hazel MacRae, was there to help her. One of ICTFC's resident announcers Keith Abernethy was also on hand to help Natalie with the Tannoy equipment.

Although Natalie felt a little nervous to begin with she soon got in to the swing of things and she thoroughly enjoyed the experience. Keith was impressed with how quickly Natalie was at ease with what she had to do.

Also in the stand were Natalie's parents Dawn and Steve and her older sister Anya who were all very proud of how she performed.

ICTFC are looking at making this a regular feature of our matchday experience and we have been in dialogue with the UHI and the local Academy's about the provision of pupils and students to provide the service.

With the National Mod coming to Inverness this year the club are in talks with An Comunn Gaidealach and other Gaelic entities about what else they can do to engage with the Gaelic community. Look out for updates on the clubs news page. Alasdair Barnett, who is the convenor of this years Royal National Mod, was also on hand to congratulate Natalie on her historical performance.

Well done Natalie.

VINCENT**

**When it comes to the Scottish Cup and Inverness Caledonian Thistle, the one name that isn't ever too far away from that conversation is James Vincent.**

Vincent, of course, wrote his name into Caley Thistle history with his winning goal in the 2015 Scottish Cup Final. The Caley Thistle squad have retained that confidence that saw the club to the Semi Finals last season.

Vincent said: "Personally for myself and a few of the boys that were here we have fantastic memories of the cup. We know it can be done and we know we can win the cup. We're in a different league now but the mentality and the procedure is the same."

"We approach every game looking to win and the club did it last season, we went on a fantastic run and we'll be looking to emulate that and go one round further this year."

Vincent was frustrated with the result against Alloa last weekend but hopes the team can get the game plan right this afternoon to progress to the next round.

He said: "The game against Alloa was unfortunate, we create multiple chances, I think had we taken more in the first-half then it would have been an easier second-half but sometimes that is just the way football goes.'

"We kept going, we kept plugging away, we could've won the game but we now look forward to the next game today and look to get our game plan right to hopefully get the win and book our place in the next round."

Looking at this afternoon's game, Vincent knows Livi will be a huge test for the team but the players are looking forward to the game.

Vincent said: "The whole team is looking forward to it, it's a cup competition and one we've done well in previously so hopefully we can keep that going today."

“Livingston are a physical team, they battle well, work hard and have got some good footballers among their ranks.”

“We know it is going to be a difficult game, they are flying in the Premiership so it is no coincidence that they’ve shown they are a good side. They’ve shown they are well equipped and we need to be on our A-game to compete with them, if we are then we have a right good chance.”

Some who has been earmarked by pundits for praise this season is Livingston’s Lyndon Dykes. The striker has been touted for international recognition. Vincent admits Dykes is a real threat but he thinks Caley Thistle have the players the deal with the striker.

He said: “Dykes has done well, his game has gone from strength to strength from when he was at Queens. The lads know about him and have played against him but he’s done well.”

“He’s a big target man and puts himself around but we have lads that can compete with that and combat that, if we do that then that gives us the best platform to play to go and win the game.”

# SUPER CALEY GO BALLISTIC CELTIC ARE ATROCIOUS

Barnes dragged into the gutter

**ELEVEN** days ago the guttering on the Lisbon Lions Stand collapsed — last night it was John Barnes' laddy-built TEAM that came crashing down around his ears.

Make no mistake, Steve Paterson's men will go down in history — Barnes and his side will go down in infamy.

It is the most glorious night in Super Caley's six-year league history — it was also the blackest evening in the 117 years of once mighty, awful and unbeatable Celtic.

They were outplayed, outthought and outmanoeuvred by a team expected to be little more than cannon fodder.

The Parkhead faithful looked on in disbelief as their megabucks idols were played off the park.

As the Highlanders went in their 1,000 fans to kick off the party of all Scottish Cup parties, the remaining Celtic supporters gaped in amazement.

Twenty Years ago today "Super Caley" beat Celtic 3-1 at Celtic Park, in what is remembered as one of the biggest Scottish Cup shocks in the history of the competition.

The result is one of the most famous in the club's history as goals from Barry Wilson, Bobby Mann and Paul Sheerin secured their win at Celtic Park to send shock waves around the footballing world.

It prompted one of the best sporting headlines: "Super Caley go ballistic, Celtic are atrocious"

Reflecting on the anniversary, Charlie Christie said: "I've said it before but I think it was the time that Caley Thistle really arrived on the football map."

"When we came back to the Stadium at the time, I was one of the few guys who were full time at the club and we were getting emails from Australia, Hong Kong, New Zealand and all over the world."

"I think after that result people started thinking that we could really achieve something here."

**Watch the goals from that famous game on the ICTFC Facebook or Twitter pages now, also head to the Press and Journal website to watch a documentary reflecting on the 20th anniversary.**

## LIVINGSTON

Livingston come to the Caledonian Stadium this afternoon looking to progress to the Quarter Finals of the Scottish Cup for the first time since the 2003-04 season. It's their second visit to the Highlands this week as they faced Ross County in mid-week, losing 2-0.

Livi progressed to the Fifth Round of the Scottish Cup by beating Raith Rovers in the last round, as Steven Lawless netted twice and Lyndon Dykes also scored. Dykes has been superb for the Lions this season, with him scoring 11 goals this term which has led to him being touted for an international call-up.

Livingston won promotion to the Premiership by beating Partick Thistle in the play-off final in 2018, they finished the 2018/19 Premiership season in 9th place and they currently sit 5th in the Premiership this term with 34 points after 25 games.

The last time the sides met was back in April 2018 at the Tony Macaroni Arena, with Caley Thistle winning 1-0 thanks to a goal from Liam Polworth.

**Head-to-head:** ICTFC wins: 14, Draws: 10, Livingston wins: 13
