

**Rotary: No child should ever go to bed hungry**

**FEED OUR NEIGHBORS**  
**Help Rotary Pack 20,000 Meals  
for Children & Families in Haiti**

**Saturday, March 24, 2018 from 9:00 am to 12:00 pm**

**Sponsored by Rotary District 7980**

**And the following Area 8 Connecticut Shoreline Rotary Clubs:  
Branford, Clinton, East Haven, Guilford and Madison**

**WHAT:** A community service event to pack and provide 20,000 meals for children and families in need from the ravaged country of Haiti.

**WHERE:** The First Congregational Church of Madison, CT at 26 Meetinghouse Lane.

**WHY:** Because Hunger touches every community, nation and region of the world. Nearly 870 million people on our planet are chronically undernourished. And, sadly, so many of those affected are children, whose minds and bodies are denied the sustenance needed to grow into healthy, productive adults. We can start by making a difference in Haiti!

**WHO CAN PARTICIPATE: Calling All Volunteers** – – – Rotarians, Interact and Rotaract Members, Community Leaders, Families and Children of all ages who want to make a difference in the world to end hunger and enrich lives!
