There is so less free time, that we must prioritise and invest our time into things that truly bring us joy, help us decompress and feel good. It might be a night out for some, a good glass of wine

for others. For me as you may have guessed already, it is to care for my plants. Taking care of them, propagating them and repotting them is my favourite pass-time. This monstera was my wedding anniversary present from the husband. I had been wanting them for a long time but not taking the plunge coz they are quite expensive. I managed to find a small store an hour away that had it for a reasonable price and grabbed this cutie. I've already propagated one baby from her, that I showed in my story today.

A student in South Korea died weeks after undergoing jawline-altering surgery by a **ghost surgeon**. Ghost surgery is the practice where one doctor is hired to perform a surgery, however, a second doctor steps in to perform the surgery when the patient is under anesthesia. The laws around this illegal act are not strictly enforced, making it a practice that many clinics use to make money. [look at here now](#)
