## Michael Borusiewicz Of Lukes Army EXPOSED - Arthur & Fiona Cristian - Love For Life 11th March 2016

Fri, 03/11/2016 - 17:17 — [Arthur Cristian](#)

### Michael Borusiewicz Exposed

It turns out that Michael Borusiewicz of **Lukes Army** is not what he has attempted to make himself out to be and more than likely is an Intel Operative (Controlled Opposition) working against everyone perceived to be a threat to the Freemasonic/Satanic Cabal conducting their power and control games behind "The System" (the symphony) of slavery.

If not, he is just someone who can't be counted on to take responsibility for the problems he has caused others. In the experience we are having with him over Fiona's defamation case, he is unwilling to walk the talk and deliver the commitment quality at a one to one, intimate level, that he markets on Luke's Army. He is showing up to be a fake who cannot deliver the "good guy" image he puts out. Not once has he offered compassion, empathy, expressed regret for what he did or made any attempt to assist Fiona when he clearly knew that the comment he posted on the Love For Life website was defamatory and that the man named in the comment was litigation hungry. It took the subject of Michael's comment less than three weeks to contact Fiona, over a 2008 thread buried amongst 11,000 + posts containing over 30,000 individual items in the Love For Life website. Michael did not provide full disclosure to Fiona about what he already knew about defamation, or warn us that the comment was defamatory before he posted it. So much for looking out for those around you, especially those in the front line. We have never harmed Michael or had any intention to harm him but he has let almost two years go by without attempting to do anything to clean up the mess he caused. We have never given him any cause to have any grievance with us and yet he is acting aggrieved, as if we have injured him.

Where is his conscience in all of this?

And his last comment to us (see below) was: "The exercise is to try to extort money from mme".

Notice how things are now twisted around. We have already told him that it is not about the money. More very common controlled opposition tactics and traits. All he offers/brings-to-the-table is chaos/war/shattered-reality/destructive e-motions/etc.

Controlled Opposition works by placing plants with designed profiles that radiate the mantras of the field that they have been put into. This resonates with others, usually victims, who then look upon them as shepherds, as people they can trust, follow and be influenced by. The plants, as wolves in lambs clothing, can then gather intelligence about the men and women and their families, interests, etc, so that those at the top of "The System" have the accumulated intelligence about what is going on where, who could be a troublemaker, who might be suitable for recruitment, etc. This way, they can control all outcomes, which they do by controlling all mantra groups coming together through infiltration, propaganda, etc. They have to counter any resistance against them before it gains any power. The job of a plant is to create confusion, destruction and hopelessness, all the while keeping the talk up, keeping the false hope and encouragement alive all the while things are falling apart so that nothing ever happens but people are still sucked into giving their life force energy to something that is going nowhere. it is like a hen-house full of hens going into production for the farmers.

There can be others involved creating the vortex, especially in the highly volatile area that Michael is working in. As the plants bounce off each other, either as "friends" or "enemies" others are sucked in to dance with them, becoming embroiled in all the ups and downs, the dramas and let downs. This is why anyone in the public eye, anyone coming out and waving a flag, needs to be deeply scrutinised.

In controlled opposition, a plant can be set up for destruction to "prove" that they are on the side of the downtrodden, thus encouraging those suffering to trust them and confide in and help them. Those at the top love confession and divulgence because then they know what is really happening. They also sacrifice their own to create trauma to get victims e-motionally addicted to the drama of the sacrifice of these inculcation tactics at play, thus by default, putting their lives under the power and control of the plant and his/her cabal. Refer to the Love For Life links provided below that go into all this in great detail. All the energy of that e-motion is harvested and those who are e-emotional suck in the tormenting demons that can lead to a whole series of compelling disasters. This is how the covert forces of "The System" operate and what the Love For Life work is all about bringing to the surface for all to see. The dictatorship needs to be shown for the overt slave system it really is. The real war is not between countries; it is a war against all of us.

Just today, Arthur spoke to a woman whose life has been ruined, despite the fact that she had never committed a crime or hurt anyone. She stood up to Police and her whole life turned into a nightmare. They set out to destroy her and they told her this to her face. She was followed, put under surveillance, her house was broken into and she was harassed. Then she was put into a psychiatric hospital and drugged for a month or so, leading to her losing her ability to make money, which resulted in her losing her home, her children being taken away and her three dogs having to be re-homed. Nothing was said in the media. She spoke to someone in the Human Rights Commission and they could not believe what had happened to her and that nothing had got into the press. This woman has nowhere to turn and no one to help her. An organised gang has made her life hell, just because she was strong enough to question something going on.

The really sad thing is that her case is not uncommon. This stuff happens all the time. Strong men and women who are willing to stand up against tyranny and bullying are targeted because they are dangerous to those in control and groups such as Luke's army are often used to attract and identify such people who set an example as leaders. They have to be broken down.

The defamation situation we are dealing with does not faze us or traumatise us but we are using it to show how these situations occur and how people are set up. We use our lives as guinea pigs to show the true ugliness of "The System" and how it really works.

We don't know the true story of Michael and Luke and what happened before, during and after, so we are just going on the experience we have had with Michael since May 2014. We have not seen anything in the way of integrity.

We know from our experience in the Love For Life work we have done since March 2005, that some people are got at and compromised when they are at low points, vulnerable to being used and set up to do jobs for their masters, as a way of gaining relief from what is hanging over them or for rewards promised, as in money, sex, drugs, protection, orgies, girls, home, security, status, benefits, privileges, etc.

While Michael claims that he didn't know he posted the comment on the Love For Life website, in March 2014, he posted it in the 2008 thread involving the litigation hungry man who he was already having months of battles over defamation with. This can be seen as clear intent, the motive, to harm Fiona by damaging her character, thus affecting the credibility and integrity of Fiona and Arthur and to bring down the Love For Life website. Collusion anyone? Who benefits long term out of all this? Those who benefit are usually those who have orchestrated things from the beginning.

After claiming that he didn't know the comment was on the Love For Life website, Michael then says that he didn't understand the gravity of it all, or what he was up against - so he did know he posted it, and Arthur and Michael spoke on the phone about it, and Arthur discussed information regarding the subject of the comment, around May/June 2014. This was the first time we had ever spoken to Michael. Before that, we had exchanged the odd email, but very little. We heard about his story and published it around 2010.

We have been told that Michael has problems with alcohol and drugs, that he bashes women and has been in jail for assault. And yet he is this Mother Theresa figure helping families having problems with Government agencies and police over children, etc, acting like a champion of the people. All we are seeing is his fangs when he is confronted about his defamations actions in the Love For Life website. Fiona is a mother with four children who has experienced plenty of hardships on the front line of exposing "The System" and yet she is not worthy of any respect or support from Michael. The Love For Life website has never been compromised because we have never been compromised but the hidden hands can bring about stealthy sting operations.

All we asked from Michael is that he come clean about what happened but he just wants to dismiss it so we are putting this up as a warning because, either way, in his present state, he cannot be trusted. We have always supported Michael with his Luke's Army work, have never spoken badly about him or harmed him in anyway. We dealt directly with him about the situation but he is not willing to come to the party and clean up his act, whether he can help financially or not. It is not the money that is important here, it is the integrity. He also claims that nobody is interested in what is happening to us. How does he know? Does he speak for everyone? He has around 12,000 registered members in Luke's army FB wall. Does he know that none of them want to read about what has happened on the Luke's army website and FB page? And how come he has never let any of them know what has happened to us and his part in it? This is a clear calling card of controlled opposition doing exactly what they are trained to do. They can try to isolate us all they want, but we are not going to stop what we are doing.

He uses the excuse that this is "Luke's Website" and gains sympathy because of what happened to Luke, but in our experience with him, he uses this as a shield to deflect any attention to his cold, icy behaviour. He prefers to write us off and protect his image on Luke's army, clearly showing his true motive by his actions. During the beginning of our minimal dealings with Michael over the defamation, we were contacted by others telling of their less than pleasant dealings with him, which we are now experiencing. This is what has pricked our ears now, as, at that time, we were not looking for any info on him, or even giving him much thought, one way or another. We don't know if what we were told is true or just part of the psyop programming manipulation.

Those with their hearts in the right place are determined to make what is shattered whole. This is what good hearted people do, because they have a conscience. Those who don't have their hearts in the right place want to keep things shattered and, at the moment, Michael is showing up as someone who wants to keep things shattered (cold/icy), just as everyone deeply traumatised under "The System" is still shattered. This is how those at the top need it to be because this is how they get and maintain their power and control.

So why don't you fork up the \$10k since you instigated this "rort" in Fiona's website, something we had nothing to do with. For months prior, you already knew the information you were posting on the net elsewhere was defamation and ever since you have showed no interest in helping Fiona get out of this mess. Michael, you have offered NOTHING thus far. You have left her stranded Michael. To us it looks more and more like a sting/set-up.

I didn't even realise it was on your site. I got fined 20k. I went to the courts and pay off fifty a fortnight. I am only on centrelink so cant really afford to pay more.

Michael, prior the lengthy comment you posted in the Gaia Guys thread, this comment contained a track-record precedence (incontrovertible evidence) in place of failure with those who already had battles with (Sanitised), (Sanitised), etc,

You copy/pasted all this info into one post and placed it in the Love For Life website so how can you be in denial of this "I had no idea what I was up against", particularly with the fact that you were already having defamation battles going on with (Sanitised) for months prior you posting further defamation against (Sanitised) and the (Sanitised) in Fiona's website.

This makes you complicit in the intent to harm and damage Fiona and her reputation Michael.

With full-disclosure and in spite of the consequences, you blatantly still went ahead in the attempt of harming Fiona and damaging her reputation, Fiona being a mother of 4 young daughters relying only on Centrelink parenting payments.

If you really have a clear conscience you should already have gotten off your arse to find a job and work for the \$\$\$ to help quickly pay off Fiona's fine.

Or do you prefer they come into her family home and steal her furniture, etc?

She has no cash or savings to pay (Sanitised), and all this after already dealing with courts, sheriffs, police, paperwork, driving to and from Canberra on numerous occasions (2 hrs each way from Bowral to Canberra), massive amounts of phone calls, emails, hearings, etc, etc, and for almost two years now since you posted that defamatory comment.

How can you sit by and do nothing Michael?

10th March 2016 13:38pm

-----

Arthur posted the whole FB PM discussion into the Luke's Army thread before 2.00pm today 10th March 2016. Luke replied a few hrs or so later and when we clicked on the message we found that Michael took the Luke's Army thread down or blocked us from the Luke's Army group or both.

Arthur Cristian

So taking down the thread in Luke's Army and blocking us is helping you deal with this situation? Do you really have a conscience Michael? Do you think blocking us from Luke's Army will make us go away? You are now only digging a hole so much more deeper for you to fall in and bury yourself.

There is nothing there about such things. Instead we are clearly exposing and explaining what inculcation and illumination is and how it works, etc, and how it is being used by (Sanitised), Magistrates, etc. More on all this being filed in ACAT & Supreme Court shortly.

We are not arguing for the sake of egoistic e-motional performances. Using scrutiny (straight shooting) is not an argument.

To us, what you have done to our family is horrendous and despicable and is a most serious matter that you are answerable for.

There is no destructive e-motion coming from us whatsoever and it seems that you don't want others in Luke's Army to see what you have actually done to Fiona and family.

For your interest, we have already done vast amounts of background work/checking/etc and have not lightly (willy-nilly) come on to Luke's Army FB wall with a whim.

Many are now watching you Michael and what you are doing today with us and since the 4th March 2016.

We also have a list of all Luke's Army members and we have a team in place waiting to execute a pr campaign against you and others unless you quickly come clean with us today, reinstate us immediately in the Luke's Army Group and deal with us openly in that FB group so that only the bare facts/truths of what is really going on are being dealt with between us and not all the cat and mouse shenanigans you are presently performing with us and others.

There are many many angry men and women looking at you now Michael, some who are ex-military and we don't want anything to do with what they are threatening. We seek the peaceful path but we will not operate behind closed doors either. Full-disclosure, sincerity, purity of intention, full-responsibility, full-liability and full-transparency, etc, etc, is what we are all about and seeking from you NOW.

It is your choice which way you want to go.

FB PM

Arthur Cristian

You say "apparently there is a law that if it's already going through court it is public interest mine was already going through court"

With Fiona having spoken to a Legal Aid lawyer briefly about defamation, anything you say about anyone that damages their reputation can be taken as defamation, even if it is true, and they don't have to prove the damage. Also, the fact that you are in court can be public knowledge but NOT details of the case and you cannot label someone what they have been accused of until it is proven and the case finished. The Australian defamation laws are some of the strictest in the world. And there is no free legal help for defamation no matter which way you turn - only if you can afford \$400.00 per hour can you exercise your right to freedom of speech in Australia and be sure of not being sued for defamation.

It's not about the money, it's about taking full-responsibility for what you have done. Rather than just dismissing it and passing the buck, what about using your free-will-power and directing it into a dream/remedy where you are directly creating and helping Fiona get the \$\$\$ together quickly to pay the \$10k to (Sanitised) so Fiona and family can move on.

To us and based on your behaviour, it shows that you don't give a fuck and have sold our family out. Whether you were put up to this or not is to be dealt with down-the-line, BUT if you have wiped your hands clean of this matter in the meantime, this shows your intent to injure Fiona and her family and is why many are now seriously looking at you. It is a small world Michael.

We had to sanitise names in Al

Benq <https://www.facebook.com/profile.php?id=100005045295830&fref=ufi> comment (1 hour ago) posted in this thread - so we copy/pasted it here and sanitised what needed to be sanitised.

Fiona published defamatory materials which accused (sanitised) of vile crimes.

When asked to pull it down she left it up for a further THREE weeks.

(Sanitised) rang and asked if you were going to remove the materials.

Arthur told him you wouldn't and that (Sanitised), his family and children would be "targeted".

You later bragged about this online.

(Sanitised) filed against you both.

Fiona took the material down after (Sanitised) filed his complaint in ACAT.

Sounds like (Sanitised) acted to defend himself and his family after you threatened him.

The Tribunal found that Fiona, in publishing your materials acted to 'inflict as much harm and damage as possible' and that her conduct was "vindictive" and "unjustifiable."

And now with Michael Borusiewicz you are doing the same - implied threats of violence and an internet campaign of harassment and defamation.

Yet here you are insisting that you did nothing wrong and it's all not your fault.

Maybe YOU are processing the curses of your own making.

You are the one who "can't be counted on to take responsibility for the problems he has caused others".

As for your video, supposedly about Fiona's travails, it has you talking over her for more than 6 of the 10 minutes and includes you announcing she is "compromised". For someone who claims that words are a form of oppression you sure use a lot of them. Most of them nasty. Bit rich you telling Michael, who is on disability allowances, to get off his arse and get a job. Why don't you? Don't Fiona's government benefits still pay for the internet you sit on, your water, rent and electricity? Why haven't you weaned yourself off public money teat yet Arthur?

11th March 2016 11.30pm

-----

We replied.....

Fiona was not aware of the defamatory material posted by Michael until (Sanitised) rang the private home phone.

Arthur told her about (Sanitised's) phone call.

Refer to Fiona's affidavit - Fiona was not fully aware of Australian Defamation laws - she is now. Most Australian's aren't either.. Fiona knows that now because she has spoken with many, many unrelated Australians and hardly any of them are aware of where Australian defamation laws are up to these days. Based on current defamation laws, the internet across Australia is being flooded with potential defamation issues by the millions each day.

Since December 2006, the LFL website was not moderated There is so much freedom, truth, voices calling out for help, action, whatever cause/issue this or that, blaming he, she, they, it, etc, coming across the desk/internet each day since LFL started, causing desensitisation and Michael's lengthy comment stayed up on the net when it should not have.

It is due to (sanitised) that Fiona became aware of Australian defamation laws. To Fiona, freedom of speech, to critique an organisation, etc, and defamation is not clear for millions of Australian's. .

Without double checking, Michael had already posted the comment in March 2014 and (Sanitised) contacted Fiona (owner of website) in May 2014.

Fiona then checked out Michael's comment and thread and then arranged to talk to Michael to get the evidence he had to back his claims. Emails and phone messages, etc, were sent to Michael and finally Michael was in contact and made it clear to Fiona and Arthur that he had no evidence.

So Fiona arranged to get Michael's comment taken down and when that happened within a few hrs on the same day, she notified (sanitised) about it by email.

No ACAT documents were received by Fiona at that "time".

Then down-the-line mail came addressed to an Arthur Cristian (whatever derivative) which was immediately returned to sender unopened. Then emails sent to an Arthur Cristian (whatever derivative) were bounced by Arthur in the mail server back to sender.

No news about ACAT (sanitised's) actions, including mail or email came to Fiona Cristian until December 2014. The first news about (Sanitised's) actions in ACAT came from a phone call received

from Teresa in WA which was all about a Luke's Army and admins being sued by Sanitised and Fiona and Arthur's" names" were on a list of 6.

Fiona never received anything about ACAT whatsoever until December 2014. She knew NOTHING about any ACAT proceedings.

Through the Love For Life website, we, mostly Arthur had been (and still are) liaising with multiple hundreds of families dealing with a vast array of sexually based children issues, and (sanitised) name came up here and there amongst all this. It appeared all these families/etc, were unrelated/unknown to each other.

Arthur was also sexually abused many many times as a very young child and was working through all this stuff since it's ugly trauma head came to the surface a few years ago, (Sanitised) rang the "private" home phone number at a time when Arthur was dealing with some terribly distressing matters involving children of another victimised family. The call from (Sanitised) was unexpected. Arthur told (Sanitised) (the living intention behind it) that (Sanitised) is processing the curses of (Sanitised's) own making and the word "targeting" was used in this light, meaning that Arthur is focusing on (Sanitised, directing and dreaming for (Sanitised)to process whatever curses he is really responsible for, including all beneficiaries. Sharing what happened over the net is not bragging - it is just sharing truth, providing transparency and full disclosure/responsibility.

If (Sanitised) has not created any curses/harm upon innocent others then (Sanitised) has nothing to be concerned about because no curses will be processed by (Sanitised).

This is truth coming from first parties Fiona and Arthur Cristian.

All else is being handled by Fiona in ACAT and in the ACT Supreme Court. in first party.

Note: Belief is NOT proof of fact, as is faith and opinion . It is most clear that in 3rd party you are attempting to kidnap our characters, our intentions, our souls to impersonate our real lives, our intentions, etc, and make it out that these claims (expert commentary) of yours are coming from us in 1st party when in fact you made it all up out of thin air in 3rd party. This is black magic in practise and is slander and committing fraud and creating controversies where there aren't any. You are a complete stranger, not a 1st party to these 1st party matters involving 1st parties. You were not there. We ask you to desist from performing black magic with us forevermore. We are fully transparent and everything about our intentions, etc, can be found amongst our writings. We carry no secrets, no hidden agenda's.

Al Benq

Defamation is not hard to understand – don't say bad things about people unless they are true and you can prove it and you don't have to be the author as publishers (like book companies, newspapers and tv stations) get sued all the time.

Fiona was not aware” – ignorance is no excuse.

“Freedom of speech” – there have been defamation laws and anti-hate speech laws for years.

“Fiona then checked out Michaels comment” – the mention in it of previous court actions might have been a big clue.

From (Sanitised) perspective it would seem you are doing exactly what Michael did - so of course he is going to take action.

So you didn't open your mail??? How do you 'bounce' an email? You mean you didn't open it and deleted it? No excuse to your actions though are they?

“mostly Arthur ... and (sanitised) name came up” – so you saw evidence or just believed and published again????

How do you think most people would interpret being told they were being targeted?

“Belief is NOT proof of fact, as is faith and opinion” – but you are happy to base your actions on other peoples stories???

I am not attempting to “kidnap” you merely to show how your actions Arthur - not your actual intentions or even presumed intentions - that seem to have set this all in motion. You seem incapable of accepting responsibility. Have you even apologised yet?

Arthur Cristian

You are claiming to know/re-present Fiona's intention which is the Satanic craft of inculcation in practise. Are you Fiona? How do you know what is Fiona's intention?. And as you don't then everything else you have claimed and posted in this thread about actions, etc, is just 3rd party opinion and belief and NOT proof of first party fact. Prove otherwise. Bring forward the first parties to back your claims. Lets hear it directly from the tongues of the first parties and not from 3rd party impostors (expert commentators) acting under the guise of 1st parties.

Again, everything you are claiming here is in 3rd party and NOT 1st party.

You have already been asked to stop performing slander and creating fraud and controversies, yet you refuse to desist from doing this.

Everything Fiona needs to say is in her Affidavit, link provided in this thread. An updated, revised affidavit is in the making and will be provided for all to see including (Sanitised).

Al Benq has been blocked.

Anyone else who attempts to commit slander, fraud and create controversies where there aren't any will be blocked.

## Continuation Of The Defamation Case In ACAT Involving Fiona Cristian And Sanitised

8th April 2016

An ACAT (ACT Civil And Administrative Tribunal) based in Canberra, ACT (Australian Capital Territory) order to pay (Sanitised) \$10,130.00 was made 10th February 2016 by Member President Elizabeth Symons. Fiona had 28 days to cough up all the money or make an arrangement to pay it off otherwise NSW Sheriffs will eventually take Fiona's property as in furniture, cars, etc, to cover the \$10k.

Fiona filed for an appeal in the ACT Supreme Court, 4th March 2016, see affidavit: <http://loveforlife.com.au/node/8578> but was then told that she had to first apply for an appeal at ACAT. If she doesn't get an appeal at ACAT or just decides she prefers to go to the Supreme Court, she can do so.

On the 23rd March 2016 Fiona drove to Canberra and applied for an ACAT appeal. She was then given two weeks, 6th April 2016, to file a brief overview explaining the reasons for her appeal, referencing the ACAT Order Feb 2016. (Sanitised) then has two weeks, 20th April 2016, to file the reasons for rejecting Fiona's appeal. Fiona then has until the 2nd May 2016 to file an outline of her submissions in response to whatever (Sanitised) has claimed/requested and then on Wednesday, 11th May 2016, 11.00am, Fiona and (Sanitised) have an Interlocutory Hearing before Linda Crebbin, General President of ACAT. In the meantime a stay was put on all ACAT orders.

Below is a copy of Fiona's reason for appeal, sent 6th April 2016.

-----  
1 (Sanitised) is a commercial organization. It has an ABN number and offers courses and initiations, services and products, using copyrighted intellectual property marketed in the public domain as a consumer product. It is an organization in the public domain and, as such, I am lawfully and legally entitled to critique it and make public my opinions about it because there is freedom of choice in Australia. (Sanitised) willingly put his name into the public domain as National Treasurer of the (Sanitised) but he is now trying to censor my right as an Australian citizen and consumer to critique the organization he belongs to. Clients of the (Sanitised) have no recourse if the products they purchase are faulty because they are likely to be sued if they publicly criticise the (Sanitised) and its commercial representatives in the public domain. By censoring my right to critique the (Sanitised), the Tribunal is protecting the (Sanitised) and its peddling of inculcation that is the basis of murder to souls and the creation of willing robot slaves for the benefit of those behind the inculcation and illumination.

2. (Sanitised) willingly brought this matter into the public domain by bringing it to ACAT, instead of resolving the matter with me privately. He was already looking for commercial reparation when he contacted my family home and this was repeated when he contacted me by email. By doing this, he was already admitting that this matter is a commercial matter in the public domain and nothing to do with defamation. Had he kept the matter private, I would have too. He has tried to put this matter under defamation to avoid the fact that he is commercially representing the (Sanitised) in commercial

matters in the public domain for Australian consumers and is therefore open to critique on the basis of freedom of choice.

These actions of (Sanitised) are clearly in the public domain and he is relying on my ignorance of the law to censor his name in connection with the long-term commercial interest he has with the (Sanitised). He was the National Treasurer of the (Sanitised) for many years. The Tribunal has ignored this fact and the fact that the real motive is to damage me, my family and the Love For Life (LFL) website. By claiming commercial damages for defamation, relying on my ignorance of the law, he can then come after me to damage me.

No one provided me with full disclosure that this is actually a commercial matter in the public domain directly associated with Australian consumers. How can a representative of a commercial organization claim defamation because the defective products he is associated with, directly or indirectly, are being critiqued, when the originator of those marketed products discussed sex with children and animal and child sacrifice, etc. This has become a case of intimidation and extortion as he tries to manipulate me to be under his will, against my will, using the law and ACAT in an unscrupulous manner. This also makes the Tribunal complicit as their job is to make everything fair and just for all Australians. As it says in ACAT's service charter, ACAT undertakes to.....

- a) Do our best to protect the welfare and rights of Tribunal users
- b) Be professional, polite and impartial
- c) To support the delivery of justice by the Territory's law courts and tribunal

3. (Sanitised) must know that there is a clear perception in the minds of the uninitiated public that Aleister Crowley was associated with orgies, bestiality, drug-taking, sacrifice of animals and children, etc, and yet (Sanitised) has willingly associated himself with Aleister Crowley. (Sanitised) is caught in the crossfire of Australian citizens in the public domain critiquing the commercial products and services peddled by the organization he is involved with and he is trying to remove his name from the crossfire. In supporting him, the Tribunal is saying that I do not have the right to critique the (Sanitised) and the commercial services it offers. Surely the Tribunal is aware of the consumer rights of all Australians to critique the intellectual property of consumer products, copyrighted or not, that are marketed and sold in the public domain to Australian consumers, safety and no harm being a critical part of those rights?

4. (Sanitised) chose to have children while he was a member of the (Sanitised), the religious arm of which, Thelema, is based on the works of Aleister Crowley. Whether or not the reputation of Aleister Crowley is unfounded, it still exists in the minds of many Australian citizens. (Sanitised) chooses to be publicly associated with the commercial based religion of Thelema and thus, Aleister Crowley.

5. The Tribunal accepted the testimony of "expert" Professor Douglas Ezzy regarding the interpretation of Aleister Crowley's writings. However, Professor Ezzy admitted that he has never met Aleister Crowley and he has presumably never met anyone who has met Aleister Crowley, instead relying on third party opinion about the meanings and interpretation of Aleister Crowley's work. Professor Ezzy said, "many (Sanitised) members or devotees of Aleister Crowley say that his writings are misinterpreted, as in when they talk about sacrificing children its not actually sacrificing children and sex with little boys, et cetera, is not actually about that and that's been misinterpreted."

Perhaps this is true and Aleister Crowley did not mean actually sacrificing children when he talked about sacrificing children and did not mean sex with boys when he talked about sex with boys. But

the fact is that he used words which can be looked up in the English dictionary where the meanings of the word "sacrifice" will explain sacrifice and the meaning of "pederasty" will explain sex with children. How is the uninitiated lay man or woman supposed to realize that Aleister Crowley didn't mean what he said. Professor Ezzy has no more idea about what Aleister Crowley meant than I do and yet his opinion is held up as "expert" and factual. His opinion is just that; he has absolutely no first hand, face-to-face, knowledge of Aleister Crowley whatsoever and is just repeating what he has been told by others. He is unable to offer any incontrovertible proof to back his opinion which means it is null and void.

The Tribunal is supposed to be impartial but it claims his opinion is true when he has offered no proof. The Tribunal has based its decision on opinion. Aleister Crowley studied English Literature at Cambridge University and wrote poetry so he was very proficient in the meanings of the words of the English language as clearly defined by reputable English dictionaries and recognised by Cambridge University. He does not provide any disclosure that he is changing the meanings of the English language, making a mockery of the English Dictionary. All thoughts are dreams containing the intent of the dreamer and the English language is used to convey that intent.

If we follow the example of Aleister Crowley, we can claim that the words, "(Sanitised) is a paedophile" do not mean that (Sanitised) likes having sex with children but something entirely different. Professor Ezzy and (Sanitised) are making a mockery of the English language and every teacher ought to be telling their students that the meanings of the words can be used in ways that do not reflect their meanings in the English Dictionary. Under these circumstances, no one has any certainty about what anyone is saying and everyone is open to being used and abused, raped, pillaged and plundered. They don't know where they stand. Unsuspecting Australian citizens can be manipulated by unscrupulous parties hell-bent on taking advantage of others.

6. Nowhere in the summing up does the Tribunal see the living woman that I am or take notice of this woman's intent, which has always been to resolve this matter. The Tribunal ignores my intentions by associating me with past cases that have nothing to do with me. The living woman that I am, the unique original soul, is not involved in these cases and the Tribunal is committing fraud and slander by making out that this situation is the same as past situations. My intention to make this matter whole can be seen by the following:

a) I removed the Michael Borusiewicz 3rd party comment when asked to do so.

b) When I discovered that what Arthur had written was considered defamatory, I removed anything that I thought might be defamatory and removed (Sanitised)'s name in many places. I even removed material that I did not think was defamatory as I was unable to get legal advice on the matter. I took it down anyway out of goodwill.

c) I invited (Sanitised) to sit down with me to go over any other comments he was concerned about. He has never taken up my offer.

d) I agreed to remove (Sanitised)'s name from the Love For Life (LFL) website in February 2015, in return for him letting go of his claim for \$10,000.00. He refused.

All of my efforts have been ignored by the Tribunal which insists on assuming and basing decisions on the assumption that I wanted to harm (Sanitised). I have nothing to hide and no issues with my conscience and what I do with my life. I am responsible for everything I do. I am in a situation here when people are trying to kidnap my character and imply that I am complicit in trying to do harm to others, when the whole basis of the LFL website is to do the opposite. There is a clear motive behind

the LFL website and this woman and a clear motive to twist this and make it into something different. My intent is being distorted and buried in the law derived from inculcation and illumination, with no apparent willingness to scrutinise my true motive and intent.

7. Michael Borusiewicz had already been having battles with (Sanitised) for at least two months before he posted his comments on the LFL website. He already knew that (Sanitised) considered his post defamatory and was pursuing him for a large sum of money. He knew that (Sanitised) was a voracious litigant and Michael knew what defamation was. And yet he came into the LFL website and found a 2008 post buried deep in an unmoderated website containing over 11,000+ threads containing over 30,000 individual items. Then he posted not only a comment but a whole compilation that he put together containing discussions about child sexual abuse and the (Sanitised). In doing so, he brought (Sanitised) behind him within a month, who then attacked me in the public domain.

If (Sanitised) wanted to keep things private, he should have dealt with Michael Borusiewicz privately. I returned everything to the private by removing the comment. It is clear on the LFL website that I don't have any money. If this matter continues to the Supreme Court, I will be subpoenaing Michael Borusiewicz to find out if he was put up to posting the comment on the LFL website to give (Sanitised) and the (Sanitised) an avenue of attack on the website and therefore on me.

8. Since the Love For Life website started in December 2006, we have been inundated with the stories of unrelated men and women telling us about the sexual abuse and ritual sacrifice suffered by them and/or their families. We did not go looking for this. The truth is that the name (Sanitised) and the (Sanitised) have come up in these conversations more than a few times. Most people are too ashamed and too frightened to go public with their stories but there is no doubt that this abuse is very widespread and orchestrated. I do not have any proof as to the involvement of the (Sanitised) but their name is on the lips of many as being associated with ritual, sexual abuse.

9. The reason for this appeal is to have the matter quashed and the \$10,000.00 fine removed, or at least reduced to a figure that I can reasonably be expected to pay.

## The Satanic Craft Of Inculcation In Practise

Arthur Cristian  
Love For Life

4th March 2016

Below is an extract from Fiona's Affidavit being filed today in the ACT (Australian Capital Territory) Supreme Court Of Appeal. She is yet to be given an appeal. Her person (the vehicle of commercial enterprise she re-presents by sailing on the seas/SEE of ILLUMINATION, that being "The System" of INCULCATION, in this case commerce) was fined \$10,000.00 (originally the family was fined \$20,000.00) for defamation.

We have sanitised the name of the accuser and the Canberra based organisation practising the craft of Aleister Crowley's Thelema which the accuser is part of. Fiona (our family) has until the 8th March 2016 to pay \$10,000.00 or come to some type of arrangement to pay it off. We don't have this money.

Affidavit

4th March 2016

9. Below is an excerpt from the Love For Life website,

### Illumination Is Definition

<http://loveforlife.com.au/node/8577>

sub-heading

## **Illumination Is Incultation In Practice, IS GOD**

2nd March 2016

explaining Incultation and how it is used to form soulless men and women who have none of their unique, original dreams, instead living through the dreams provided for them by other men and women. It is vital that this is read and fully comprehended so that the following points are fully comprehended. While I recognise that there were defamatory comments written by Michael Borusiewicz about (Sanitised) on the Love For Life website, which were removed upon request, it is also true that (Sanitised) is involved in Satanic practices through his membership of the (Sanitised). Read the excerpt for a thorough explanation of how this works.

10. The fact is, the whole of "The System", the world we live in today, IS the satanic practice of murdering souls, of tearing them away from their unique, original dreams for the real life of the unique, original MAN and forcing them into compliance and obedience to a system of death to life through the practice of incultation.

If a child has not created a unique, original dream of their free will and used its will power to set that living dream of their life into motion, where is the soul, the living dream of the child?

No uncorrupted grain of sand is the same as the next, no leaf, no insect, no stone, no drop of water. All are unique and original, never to be repeated. The same applies to everything of nature.

A child raised in nature, grows up with the inspiration from direct, sensory experience with all of nature around and without the thoughts (image power) of another MAN swirling around the child's brain to hijack the child.

That image power is education, instruction, explanation and suggestion about whatever they are seeing/sensing of nature, the living dream of their life.

It is in the creation of the child's unique, original dreams that we can see/sense the true intent of the life of the child. In "The System", however, it is as if the child's brain is a film projector that constantly projects all the third party system thoughts of image power, also known as illumination, that are put into the child's brain from so very young.

There is almost no room for direct, sensory experience where the information of the purpose of the life of a sensory life form is shared with the child directly by the life form, without man-made, third party interference. If all that the child has are the dreams of other men and women, then the child is not creating a soul.

The child has been hijacked.

The images of the illumination that have been put into the child's head are superimposed over direct, sensory experience with sensory life forms. If the child has not been provided with full disclosure as to what is going on, and is projecting and immersed in only third party illumination, then the soul of the child, the real life, is not there and instead, the intent of others, the dreams of others, is what the child is immersed in and creating a fake life out of.

The life of the body of the child is now used as a robot with a projector where the purpose of its real life is directed by others. The child is at the affect of all those who manipulate this. Through this blatant, intentional, first party murder of souls through the education system and organizations that influence the entertainment industry, such as but not limited to the (Sanitised), we can create sameness of thoughts, ideas, habits, fashions, etc, that create only robots designed to fulfill the needs of the system machine.

This desecration is at the heart of Satanic practice and is pervasive throughout all the institutions of "The System", including Freemasonry and the (Sanitised). Everything of "The System" has this effect, everything of Freemasonry, Aleister Crowley's work and the (Sanitised) has this intended effect.

"The System" is the inculcation of many who have been discombobulated and mesmerised through inculcation. In this light, it can be seen that there was never any intention on the part of either Arthur Cristian or myself to defame (Sanitised). Arthur was exposing what it is that (Sanitised) is involved in, whether consciously or not, which is also what (magistrate) is involved in when she is immersed only in the law and cannot see the living men and women before her.

In court, we are surrounded and saturated by third party illumination because nothing else is permitted, and this is how the situation can arise where an organized crime syndicate gangs up on those who are not aware of these inculcation tactics.

These methods can be used to protect the interests of those who want to protect their crimes of rape, pillage and plunder through stealth and coercion. The effects of inculcation are that we are told how to think and feel and how to act, creating a fake life that is not of our souls, and we blindly obey because we don't know who we really are.

We have become the robotic functions of the inculcation.

We are put into a deep sleep and we do not realize that our free will is being used against us by those who are influencing us as we keep giving our life force energy to the inculcation to raise up the dead, being the constructs and concepts of a, b, c, 1, 2, 3 and everything that comes out of them.

This is unconsciousness.

Someone else is in control, even though those in control are not conscious either.

They are also relying on illumination and are not rational or competent. So both those making decisions about the lives of others are incompetent, just as those beneath them are incompetent. Thus we have the blind leading the blind and the effects of this are plain to be seen in the world we all live in.

We have been immersed in the illumination of inculcation for so long that we have become a fake persona designed by others that we bring into all areas of our fake lives, including the courts, thinking that this is who we really are. If this is all that we are projecting and all we are surrounded by, then we don't have a soul and our bodies have become robots to be easily manipulated by those perpetrating this scam.

If you want to create a robot with the intent for it to perform a specific task, you have to build it and then install the software. There is a clear intent and a motive for those who benefit from inculcation practices, making their careers out of murdered souls.

The evidence is before us as “The System” itself because it is a dead corpse that needs man-made robots, the dead, crafted out of MAN, brainwashed, innocent children, to do everything for the dead. This is why MAN is dead at law – the soul is not recognized. They only see the dead because the law of inculcation only applies to the dead, the hu-MAN, a shade of the illumination of a MAN but not a MAN.

“The System” is the craft of inculcation in practice. This is the craft of Satanic practice and what all occults and esoterics are about, including the education system with its a, b, c, 1, 2, 3, instruction, explanation and suggestion.

This instruction, explanation and suggestion of illumination is not proof of fact.

The education of freedom, rights, life, etc, is not proof that we have freedom, rights, etc. It is a fantasy of inculcation making the freedom and rights gods that they think they have an illusion of their delusion. All the while they are voting for the politician of their preference, they are under the influence of inculcation. They are merely shopping in the supermarket of inculcation, as they choose their bank, where they live, their opinions, their cars, the schools their children go to, etc.

They have already been got at by the organized crime syndicate claiming the power and control through inculcation tactics long ago. This is what (Sanitised) is protecting, consciously or not, intentionally or not, and we want only to wake him up to what he is doing.

All the trauma of this hijacking of the soul and the threats and intimidation tactics used are what result in court orders and fines, keeping men and women within the confines of the inculcation. Taxation, locking people up, taking children away, drugging people with medications because of “psychiatric” accusations, constant financial stress, etc, are all methods of intimidation used against us.

These intimidation tactics show that there is a clear intent to keep MAN under the affects of inculcation.

The incompetence of those under the affects of inculcation, the public, who are wards of the state under limited liability/responsibility, always makes way for those with the motives of power and control to continue manipulating everything to the benefit of their claimed higher standing. Those that they cannot control are removed, whether through assassination, financial ruin, the destruction of their character, intimidation or other tactics.

Those put in positions of power, supposedly because they care about freedom, rights, etc, are actually only there to make sure that we keep bowing to the inculcation.

They may think that they are outside the inculcation, as they have the power and control, but they are just as much under the affects of inculcation as those they control. The brush they use to destroy, destroys them also.

The claim of defamation is used in the same way. I am providing full disclosure here of exactly what is going on and, if it cannot be proved wrong, then everyone involved is admitting that they are complicit in this organised crime, even if this appeal is thrown out or no one admits anything.

We are not the problem.

We are not here to hurt anyone.

We are here to stop the harm.

The truth stands.

No matter how much those who benefit from inculcation try to protect it through the opinions of “experts” or through belief, faith and associated opinion, or by distorting and justifying it, or by ignoring it, the truth still stands. They are just using more inculcation to protect the practice of inculcation. The brush they use to protect inculcation is just more inculcation.

11. When the body of the life of a MAN has no soul, that MAN experiences depression, rage, loneliness, emptiness, helplessness, thoughts of suicide, arrogance, righteousness, insensitivity, coldness, etc. These are all the symptoms of a soul dying in the life of the body, fading out and out and out until all that remains is the darkness of inculcation of another MAN'S dream that possesses them. That fallen MAN is an empty vessel and no amount of system inculcation distraction can fill the void left by the soul. We don't need inculcation to exist and neither does anything of nature.

12. Although the filing of this affidavit in the Supreme Court is inculcation, I do not intend to perform and place inculcation on anyone and this living soul does not invite anyone to perform inculcation on me and my family. Stopping the harm in all areas of life is what this is all about.

13. We all know that when we buy a chop or a steak, we are actually buying butchered Mary the Lamb, or Primrose the Cow, but we cover up the bloody murder by calling Mary the Lamb a "chop" and Primrose the Cow a "steak". Just because we call them chop and steak, does not mean that the brutal murder of Mary and Primrose has not happened, or that they gave us permission to kill and eat their bodies. We are just covering up the brutality that enables us to enjoy the tender, juicy meat on our plates.

But that brutality still occurred, no matter how we cover it up. If we wanted to turn things around and stop the murder of innocent animals, we could use the methods of inculcation to do so, flooding mainstream media with stories of the butchery practiced at abattoirs, of the animals lives up to and during their murder and of the fact that there is more and more evidence coming to light that animal proteins are very harmful to our bodies because we were never built to be carnivores. The meat industry would soon collapse very fast.

What we are showing here is that it is only through scrutiny that we can expose the truth and also what is wrong. This is what (Sanitised) is objecting to. Why else is he claiming defamation?

Through the intent of our real lives, in the Love For Life work, where have we lied about (Sanitised)? He claims to be protecting his reputation but that is a commercial enterprise, where he doesn't have to prove anything, clearly shown by the demand for \$10,000, originally \$20,000. Commerce is in the public domain.

This claim of defamation is showing a hierarchical structure at play here, a dictatorship that doesn't have to answer to anyone. The organized crime syndicate behind this protects their own.

If this isn't the case, then why doesn't he have to prove the damage to his reputation by those he has accused?

Why should he not be scrutinised?

Why is the law of defamation structured so that up to 98% of Australians do not have the commercial resources to deal with it?

Why is the law intentionally structured so that opportunists can attack families at their weak points, and there are many thanks to inculcation, such as the lack of financial resources to pay fines, etc, resulting in immense stress being put on families and even the break-up of families under the stress of possibly having their household belongings and cars, etc, taken from them.

Families are destroyed by these methods.

It is clear how discrimination works, who really benefits, using the law and politics of inculcation in practice. This is why I am bringing all this to the attention of those in the Supreme Court. Again, I am being intimidated through inculcation and given enough evidence to push this information out into mainstream.

14. Anyone who supports the work of Aleister Crowley and Thelema, or any other religion, is clearly and incontrovertibly supporting the murder of souls because ALL religions practice inculcation and deny souls their unique, original dreams and the space to bring those dreams into being.

The same applies for ALL institutions in "The System", be they institutions of education, law, government, medicine, etc. The fact is, while we support "The System", we are all complicit in the murder of souls. The Love For Life work is all about inspiring others to stop turning a blind eye to the reality of death to souls and to have the determination to make whole what has been badly broken. We don't run away from this because we have a legacy to provide for the descendants to come, a paradise future for our children and grandchildren. There is nothing else to live for so we are not going away.

15. The (Sanitised) stands for the murder of souls with its crafted inculcation practices behind all of its ties to the occults and esoterics. It has a big influence over the entertainment industry, as well depicted in mainstream, and provides no disclosure to those affected by it that their souls are being murdered through the use of inculcation.

16. We can call mountains steel, forests buildings and rock diamonds, but how long can we worship education (inculcation) before there is no more living earth, no more forests, no more mountains.

The current, rampant destruction of Earth is all over the media, with key people in all areas saying that we need to change, so we have clear evidence that we are murderers.

This current destruction is the death of MAN'S soul being played out to the satanic symphony of inculcation. We may call it jobs, growth, economy, progress, cities, etc, but there is no doubt that there is an Earth wide crisis. Children are commonly dying before their parents and very few men and women are truly healthy. Species are becoming extinct daily and earth is becoming barren.

And yet we continue with our practice of inculcation and the murder of souls, celebrating as the progress of civilisation with fireworks for New Years Eve and the opening of the Olympic Games and other ceremonies of non-sense. We are all murderers but we don't want to look at it. Do we look out like Nero as Rome burns around us?

17. An organization such as the (Sanitised), that claims not to be Freemasonic but bears all the hallmarks of Freemasonry, inculcation practices, can easily be a hub for creating a new type of MAN

using inculcation that becomes the new culture through music, film, fashion and other areas of the arts. The old version of fallen MAN is undressed and the new version brought forth.

This has happened many times over the history of "The System" and is happening today in preparation for the collapse of the current version of "The System" and the ushering in of the New World Order, the Oneness, consciousness, eco-friendly system touted as the remedy to the problems we all face under the current version of "The System", which is just another crafted version of inculcation in practice. We suspect that this is what is behind the (Sanitised) and the work of Aleister Crowley.

18. Inculcation exists only to create power and control. Freemasonry is the practice of inculcation and the key players behind the founding of all the major nations, countries and institutions have always been Freemasons.

From a tiny cabal, a few people can come up with inculcations that are used to form a fusion of a way of life that can be disseminated through the people and administered by those put in place to do so. Out of this comes a whole world of soulless men and women repeating thousands of inculcations daily.

And to achieve this, the souls of every man and woman had to be murdered while they were very young, because if they knew the consequences of what they were doing, and they remembered who they really were, they would stop and walk away. But most men and women have been so traumatised by the trauma of the ritual sacrifice of both souls and bodies pervading every aspect of "The System" that we breathe only trauma and cannot sense the lives of everyone who has lived that are in the water of our breath, if only we tune into them.

Inculcation teaches us to rely on non-sense, the illumination, and to ignore our senses, touch, taste, feel, smell, hear see, so that we forget who we really are and what we are really part of.

We have forgotten to create it.

19. This is what happened when the Freemasonic ships of old raided the tribes of MAN on the land, bringing with them their inculcation. Through the use of trauma - the murder of many tribes people - and then the education of those who were left through inculcation, the tribes forgot who they really were as free MAN on the land and became system drones and robots, living their lives out of the thoughts and dreams of another MAN. Their unique, original dreams were smashed.

The roots of "The System" stem out of this invasion of the tribes of Man on the land.

20. I do not intend any harm to (Sanitised) or his family. I am not here to be his judge and jury but inculcation is being used on me so I have to come into his world to point out what is happening so that he has a choice of action. He now has full disclosure of what he is involved in. Prove otherwise. Truth stands.

21. (Sanitised) had already been having battles with Michael Borusiewicz who posted the comment suggesting that (Sanitised) was a paedophile, on other websites for at least two months, and it was only when Michael Borusiewicz posted the comment on the Love For Life website in March 2014 that (Sanitised) followed him over and contacted us in May 2014 about the comment, which we removed. Since then, I have continued to be harassed and dragged into court by (Sanitised).

22. Michael Borusiewicz not only posted the comment about (Sanitised), but he also posted the whole thread that it was part of, which included information about the (Sanitised) and their case against the Gaia Guys that was already on the Love For Life website, but with more comments about child sexual abuse, trafficking and Satanic practices. As the website was not moderated at the time, I was not aware of this until (Sanitised) contacted me and remedied it within three weeks.

23. Despite the fact that Michael Borusiewicz wrote and posted the comment, and I took the comment down within three weeks of being asked to do so, (Sanitised) acts as though my intention has always been to defame him and to do harm to him and his family. This has never been my intention and I still do not have that intention, which is why I have made numerous efforts to invite (Sanitised) to contact me about any particular comments that he thought were defamatory. Such goodwill to resolve the situation has never been apparent in (Sanitised) and he even threatened me after one of the meetings at ACAT.

24. So, if I am being tarred with the brush of intending harm to (Sanitised) when that has never been my intention, cannot the same brush be applied to (Sanitised) regarding me? There have been attempts in the past to shut down the Love For Life website and it is not difficult to see the possibility of collusion between (Sanitised) and Michael Borusiewicz with the intention to conspire to shut down the Love For Life website. As I am not (Sanitised), I cannot know if this is his intention or not but he is claiming to know my intention when he does not know me. From the outset, he has consistently come after me for money.

25. In her decision from the ACAT hearing on the 21st October 2015, (Magistrate) cites other cases of defamation to back her decision. The fact is, not one of those cases has anything to do with me or my intentions. The living woman that I am was not present or involved in any of those cases and any assumption of my intentions based on previous cases is false. Neither (Sanitised) nor (Magistrate) know me or have had any long term dealings with me and yet they are being allowed to use their assumptions about my intentions to make decisions against me, basing some of their arguments on cases that have nothing to do with me.

26. The living woman that I am is not seen in this system of illumination where living men and women are persuaded and tempted through their education into illumination images into projecting their life force energy into dead images that have no life force energy of their own.

Courts are all physical, material representations of illumination images given the semblance of existence through the input of the life force energy of living men and women. The same applies to statutes, laws and the titles of those who apply them and enforce them.

Illumination exists for the benefit of the few who crave power and control over their fellow MAN and who will go to any lengths to get it, including persuading their fellow living men and women to give up their souls and the unique, original dreams of their souls to raise from the dead the illumination dreams of death to souls.

Unfortunately, those perpetrating these crimes on their fellow men and women are labouring under the fantasy, illusion and delusion of illumination too as they do not realize that their actions are causing death to their souls as well as the souls of those they seek to dominate.

There is no happy ending for anyone in the system of illumination. It leads only to total destruction and annihilation of us all.

27. As I am not an authorised administrator with authority in this world of illumination, and as my intention is to have a peaceful, do no harm resolution to this matter, I am leaving it with those who claim that authority to bring about a resolution that is fair and does no harm to all sides.

28. My intention for filing this appeal is to have the order quashed and the \$10,000.00 fine removed or at least brought down to a figure that I can reasonably expect to pay off.

29. I also request an order in terms of a Prohibitive Injunction that any and all actions as a consequence of orders made in the ACT Civil and Administrative Tribunal (ACAT) relevant to these proceedings be stayed until the case is fully heard.

30. Below is an extract from the Love For Life work.

### **The beginning of the affidavit**

Fiona Caroline Cristian

Plaintiff

(Sanitised)

Defendant

On ....., I, Fiona Cristian, of (sanitised), Bowral, NSW 2576 solemnly affirm:

1. I am the deponent and that all the information contained in this affidavit is true.

2. The Love For Life website was set up for the exposure and discussion of issues that were not in mainstream media. Now, ten years later, many issues that were brought to light on the Love For Life website are becoming talked about in mainstream as more and more people are discovering that things that were once touted as being safe and necessary for their well being are actually very harmful, such as fluoride in the water and vaccinations. While Love For Life has not been the only website offering this information, there is no doubt that many people have benefitted from the work that we have done through Love For Life.

3. In ten years, no one has ever brought a claim of defamation against Love For Life, despite its exposure and discussion of very controversial issues.

4. From my experience with this matter with (Sanitised), it has become very clear to me that freedom of speech does not exist for the vast majority of Australians. Without the financial resources to pay a defamation lawyer \$400.00 per hour, probably at least 90% of Australians should never venture an opinion about anyone or an organization because they can be accused of defamation and their accuser does not have to prove any damage.

This means that every owner of any website across Australia and everyone who posts on social media is at risk of being accused of defamation without any legal recourse to find out exactly where the line is drawn between freedom of speech and defamation.

Despite contacting Legal Aid and the Law Society in both the ACT and New South Wales, and the Australian Human Rights Commission, as well as calling a few defamation lawyers, I have been unable to find anyone to help me become clear on this matter.

Therefore, I have been forced to censor the website and I have removed the name (Sanitised) from the Love For Life website. Any comments posted on the Love For Life website are now checked before being published. I have been discriminated against because I don't have money, despite the fact that we are all supposed to be equal before the law. I have been made guilty by association for a comment that I did not write or post because I own the website. My intention that makes me who I really am is not seen. I took down a lot of what had been written about (Sanitised) after the hearing at ACAT but, being unable to get legal advice, I did not realise the extent of defamation law and what it covers.

5. There are still many issues in this case that remain unresolved. In the hearing at ACAT on the 21st October 2015, (Sanitised) was adamant about wanting to protect his reputation and yet his actions throughout this case make it clear that getting \$10,000 from me was more important than his reputation.

On the 28th January 2015, Appeals President (sanitised) offered a deal whereby I remove the name "(Sanitised)" from the website and he take back his demand for \$10,000.00. I agreed but (Sanitised) refused. \$10,000.00 was more important than having his name removed from the website.

In fact, (Sanitised) greed for \$10,000.00 is why we are still here, nearly two years after this whole saga began. As I removed the comment he objected to within three weeks of being asked to do so, there would have been no reason for me to take any action if I had received an order from ACAT telling me to remove it. It was only the fact that (Sanitised) wanted \$20,000.00 from my family, a sum that we clearly don't have, that led to my partner, Arthur writing about the case on the website and to me appealing the decision.

6. Then there is the fact that the name (Sanitised) had actually been on the Love For Life website since 2008, in a post <http://loveforlife.com.au/node/3488> concerning the shut-down of the Gaia Guys website and the successful case brought against them by the (Sanitised), the order to which (Sanitised) belongs.

In this thread are comments by (Sanitised) who claimed to be the head of the (Sanitised) worldwide. (Sanitised) was the Australian National Treasurer of the (Sanitised) - surely he would have known about this post? Why had he never contacted us about this webpage? Why was he not concerned about his reputation then?

7. (Sanitised) says that he has been a member of the (Sanitised) for more than 20 years. His children are still minors so he was a member of the (Sanitised) before he had children.

(Sanitised) also produced an "expert" witness, Professor (Sanitised) to give evidence on the nature of the work of Aleister Crowley and whether or not Crowley practised sacrifice of children and sexual deviancy. Professor (Sanitised) has never known Crowley, Crowley having died before (Sanitised) was born so he was unable to provide any direct experience of having heard Crowley's work interpreted and explained by Crowley himself. (Sanitised) was only able to parrot what aficionados of Crowley have told him about the work of Crowley. I do not know whether Crowley was talking about the ritual sacrifice of children when he said,

"For the highest spiritual working one must accordingly choose that victim which contains the greatest and purest force. A male child of perfect innocence and high intelligence is the most satisfactory and suitable victim."

or whether he was parodying a statement by the Roman Catholic Church as some of his devotees claim.

The fact is that the words used have meanings that are in the English dictionaries and if we look at those meanings it is very easy to realise that the lay person, i.e. a man or woman not educated into Crowley's works by Crowley devotees, might come up with literal understandings of these words and assume that Crowley did indeed sacrifice children.

Expert opinion is not proof of fact and neither is belief, faith or associated opinion. An expert opinion, belief or faith can still be a lie. Unless we use scrutiny, a lie can easily be misconstrued as truth, even before the law. Even if systems of law and government are built around belief, faith and opinion, with millions involved, this is still not proof of fact.

Truth stands and an expert opinion is still just an opinion. In the hearing at ACAT, (Magistrate) defended Professor (Sanitised) opinion because he was an "expert" – his words were given more clout than mine and yet (Magistrate) has no factual evidence of proof of claim to back her claim.

She was not impartial in this matter, which shocked me greatly.

Where is the scrutiny?

Again, the intent of this living woman is ignored and buried under the covers of expert opinions and case laws. It is very easy to hijack someone's real life and intention and bury it beneath case law and expert opinion, belief and faith. Everything is left open for pre-meditated attacks without recourse. The real life of my intent has not been allowed to be present but has been buried beneath other people's opinions and third party illumination.

8. Considering the easy misinterpretation of Crowley's words, if this is the case, how could (Sanitised) willingly be a member of the (Sanitised) and not expect lay people to think that he is part of a child sacrificing cult when that is what the words of Crowley say, even if he did not mean them literally?

Surely then (Sanitised) must comprehend that belonging to the (Sanitised) could bring such implications upon him and yet he still chose to have children and to remain a member of the (Sanitised).

Being a member of the (Sanitised) is in the public domain because the (Sanitised) offers initiations and courses reliant on copyrighted intellectual property and charges people for the service, relying on commercial enterprise which is in the public domain. They have a market, an interconnecting network offering commercial services in the public domain.

And yet it seems that we, of the public, are not permitted to scrutinise and critique the (Sanitised), despite the fact that we are supposed to have freedom of choice. The (Sanitised) has consumers and therefore, as part of the public domain, we have every right to scrutinise the products they offer.

What has happened at ACAT is that this right has been censored and I have been fined \$10,000.00!

(Sanitised) defamation case is buried in this commercial enterprise. He came in to the public domain to defend the (Sanitised) in the case against the Gaia Guys and now he is trying to protect his name in the public domain.

## Sharing A Bit About The Glass Bowl

Facebook comment posted 20th March 2016

Link: <https://www.facebook.com/wade.libbis/posts/10209386884734959> and <https://www.facebook.com/arthurcristian/posts/10208871713378193>

Wade wrote to us today..... "Floating in a vortex of burning words. Beliefs and Ideas and theories. If there was no psychological conditioning would we know who we are? Why we're here? So different to all other life on earth. Who are we?"

We replied.....

Re-presenting 3rd party thoughts derived from explanation, instruction, education, suggestion, etc, will never lead you to "who you are". Truth is not a destination, just as thoughts of freedom and consciousness are not destinations either. The thought of freedom is NOT freedom. Same with thoughts of truth, consciousness, who are we, etc, not truth, consciousness, who are we, etc.

What you sense (touch, taste, feel, smell, hear, see) directly with uncorrupted nature/earth/creation/life is true but everything explained to you about what you see, etc, is not.

Thoughts are dreams and 3rd party explained anything is not your dreams. Instead explanations, instructions, suggestions, education, etc, form the glass bowl, trapping believers in 3rd party explanations. All a, b, c, 1, 2, 3 thoughts including every thought derived from them are not your thoughts, your dreams because you did not uniquely create them. They are not original. Instead they were created by others.

Believing in 3rd party thoughts is projecting "illumination" resulting in "inculcation". The illumination projected IS the glass bowl and those trapped within it are the goldfish compelled by inculcation to go around and around and around the same old ground forevermore.

Who you really are is created and expanded through the original dreams you create, inspired by direct sensory experience with nature/earth/life/creation. The sensations coming from direct sensory experience with nature forms the inspiration of your thoughts, your living dreams and it is ONLY there in this direct sensory experience, in present-sense, with no one else getting inside your head (so to speak), where the "who you really are" is created to exist, to be present amongst the living.

Who you really are already exists, is evident to senses, and does not require 3rd party explanations, instructions, education, suggestions, etc, to exist, to be, to live.

Only lies require explanation, etc.

Looking through the glass bowl into nature/life/creation/earth/reality is where all of MAN lost to "The System" is presently trapped.

Relying on alphabet languages as your thoughts, "WHO ARE WE" as an example of millions, are those thoughts of illumination that both build and circumscribe the "illumination" walls of the glass bowl which also keep you trapped within it.

And worst of all,..... you are the only one capable of building your glass bowl AND, while you continue to survive your fake life in the glass bowl ("The System"), you are clearly showing your present determined commitment to create spiritual suicide for the soul of your living dream in this life and for everyone else at the effect of still living in the glass bowl.

The glass bowl is the deeply trauma based Stockholm Syndrome of a placebo effect caused by the repeated repetitions of practising inculcation programs. EVERYONE in "The System", no matter what they think, is lost to inculcation, including the Freemasons and those worshipping Aleister Crowley, because they are all trapped inside the glass bowl of their own imagining.

The images they are projecting are only the illumination of their life force energy directed into these third party thoughts and images bouncing back as the placebo effect of their creation. They become the prisoners of the Stockholm Syndrome because they fall in love with their captors - the images - because of their trauma, the inculcation they practise. None of this goes on outside the glass bowl. All are trapped in this man-made hell.

The glass bowl is "The System" and everyone trapped in this image is affecting each other through the water that the goldfish are swimming in because the water is the breath that is the intent we encode into the breath of our dreams, mostly fake system dreams/thoughts.

Re-presenting/performing 3rd party thoughts traps who you really are inside "The System" of explanation, completely disconnected from being capable of creating and expanding the soul, that being the living dream of the MAN/Life you/we are creating.

"WHO ARE WE" IS DEATH.

None of the thoughts in your head are you. Who you really are is not to be found there, and never will be. Self-centredness, which is the reason for your question, shows that you are already floating down the River Stix on the way to Hades. The e-go is the grim reaper rowing the boat of your life. The e-go is the goldfish of self-centeredness trapped inside the glass bowl.

If you want to know who you really are, just go into nature. But can you quieten the e-go long enough to sense it?

There is no remedy to be found in "The System" to get the goldfish out of the glass bowl forevermore, in this life. All you are going to find is the glass bowl illuminating whatever lie you accept as being you and part of your goldfish reality, all of it fake and fraud. All that can be found in "The System" is the Grim Reaper, working away for the death of your soul forevermore in this life.

Hi Wade Libbis. If I can offer something else. What Arthur is explaining here can be EXPERIENCED by doing the 10 day Vipassana meditation course. Arthur said "If you want to know who you really are, just go into nature. But can you quieten the e-go long enough to sense it?" Vipassana will create EXACTLY the experience for you to FEEL this. If you go there and work you will develop the ability to make sense of who you are and then walk away with the skills to continue the work which is ongoing. There are Vipassana centres throughout Australia depending on where you live. Check it out.

Most remain trapped in the Glass Bowl, thanks to a, b, c, 1, 2, 3, etc. Illumination is still not reality. Since the 1990's, we've met heaps of them - all remain deeply traumatised and under the compelling power instructions of inculcation. And sure, its better than not doing a "silence" 10 day exercise, that's if one is determined with clear intent to do so.

Garry Vettoretto

You have to want it deeply and you are warned while you are there. Presenting as if you are doing the work without the commitment to go beyond the mind's complaints, whinges, excuses, lies, beliefs, stories, drama, etc is a waste of everyone's time. Don't bother going unless you are REALLY up for it.

Thank you Garry. I will check this out. And Arthur as well for this.

But even then in complete ignorance, they continue on with inculcation practices. The Kindom mud room experience provides the fully detailed big picture of "system life" and the wholeness remedy of Kindom. .

Wade, meditation is not relaxation, it is WORK. Meditation has a soft new agey misnomer. True Vipassana meditation done earnestly will bring you to be disgusted with the state of your own mind and existence and you have to DEAL with it. You have to take responsibility and re-build. Re-establish a connection to spirit - who you really are and re-train the mind to be YOUR servant instead of the other way around. This takes time and effort. It is painful and arduous. It's not a nicey hippie experience. It's serious shit.

Ask Scott Andrews the effect it had on his borrowed e-go during the 5 months he stayed with us recently. Every facet of what Scott thought was Scott was destroyed until there was nothing left of "Scott" leaving the MAN hanging over the edge of the abyss of death, terrified. Yep, it is terrifying to the MAN lost to e-go - the MAN has to get out of there ASAP in this life. Maybe Scott will share his truths when he's ready.

20 March at 22:49

Wade Libbis

I don't know Scott Arthur but I'd be very interested to hear his experience for sure.

"Every facet of what Scott thought was Scott was destroyed until there was nothing left of "Scott" leaving the MAN hanging over the edge of the abyss of death, terrified."

Pretty well sums it up.

Am a selfish prick married to an ego, tell death do us part. Now that this is known to me, am currently fighting for my life. Either the ego lives and the man dies, or the man lives and the ego dies. Was not prepared to kill it with the family in Australia, so opened the back door and ran. Was a good experience to go through, for everyone.

Garry Vettoretto

It's an ongoing process buddy. We are dealing with this thing the ego - power of the mind - for life. If you have come to this realisation then you are in a powerful place to re-build what you want.

Agreed, Scott & Gary. Once we really know what the e-go of darkness really is, in all its nefarious forms, then with intent, determination and passion, we can use the accrued insights of wisdom through the tools of scrutiny and contemplation to pave the way for a real living soul to expand out of the darkness of this hell-hole piece of shit (so to speak - compost is "good" LOLLLLLL) we call "The System" back to paradise, to Kindom, in this life. It is all in the intent. We love you Scott Andrews heart emoticon smile emoticon like emoticon - We are glad to be of service bro. LOLLLLLLL

I'd just be interested "nay" intrigued to sit around and have a chat with you Arthur. Just to have my bullshit directly reflected back at me! Just to see how much of how much or what degree I'm in this dark ego hell hole.

Of our choice, we are flat out Wade - currently operating on 3 to 5 hrs sleep going back over most nights of this year. Is why we are hardly on FB and elsewhere. Maybe later this year, it's best you come up willing to work your arse off while learning about your real shit. We will put a shovel in your hand and there you are working all day everyday with the rest of us.

We don't offer "personal one to one beautician, manicure, pedicure services".

Indulgent in "self" is the e-go of self-centeredness that ONLY forms "The System".

The Kindom Mud Room dream we live and work for is creative and designed for those serious about letting go of the e-go in this life.

All the talking/thinking DOES NOTHING towards making this happen whatsoever.

Either we are slaves creating what e-go wants to perpetuate the hosts enslavement to "The System" of inculcation in practise or we are MAN on land co-creating, expanding, supporting and nurturing the sacred uniqueness and originality of all sensory life-forms (souls).

We are NOT into furthering on the desecration of MAN'S soul which we do through servitude to thought/e-motion alone that is e-go, that being "The System" of demonic possession.

The mirror of e-go reflecting as echoes bouncing to and fro between the ears must be smashed so that NO reflection of "i", "me", "mine", "own", etc, (self-centeredness) continues to be illuminated.

It is best to be busy all day everyday creating selfless dreams that create abundance and do no harm to the living, starting with who we really are.

The sooner the all seeing eye ("i") has faded into the oblivion of an eternal deep sleep the better.

If you are prepared to let go of all your shit, you have a chance. :)

## Lineal Delusion

27th March 2016

Link: <https://www.facebook.com/arthurcristian/posts/10208971371069573>

Sanitised wrote via Facebook Private Message today..... "Arthur im not here to offend i just want to understand how water can be held upside down on a ball my eyes and my senses tell me i stand on flat ground not a spinning ball"

-----  
Arthur Cristian

As we have visitors and are extremely busy.... briefly....

Lineal constructs/concepts (including equipment) are incapable of measuring non-lineal reality including claimed "lines". A, b, c, 1, 2, 3 are lineal too and all thoughts/images/concepts/constructs/meanings derived from them are lineal too. The English language is lineal. As there is/was no beginning to life, to the dream of life there is no flat line because that is lineal/finite.

Placebo effects evolve out of inculcation creating Stockholm Syndromes - believers fall into the 3rd party illuminating images of their projections bouncing back to them as their creation. As we are creators, the images of our creations expand and curve as they return to us in the image of our projections. Flat lines can't do this.

The fact is you have to bring Earth/Creation forward as a first party to back the flat earth claims. Lets hear it directly from the tongue of Earth/Creation and not from an impostor. acting as an expert commentator/authorised re-presentative of Earth/Flat-Earth/Creation, etc.

So far all we have are 3rd party impostors coming forward re-presenting Earth/Creation - this is fraud and slander and lying.

Belief is NOT proof of fact, as is faith and associated opinions.

A drop of water is not Earth, the first party.

A drop of water is not defined by the drop of water, it is defined by the whole of creation for without the whole of creation there would be no drop of water. Same with a bird, tree and us (MAN). Who we really are does not end at the surface of our skin - who we really are is the whole of creation.

Also, "flat earth" is "name" clearly revealing the Satanic/Freemasonic black-magic behind explanation, instruction, education, suggestion of "name". "Name" is always in 3rd party. Example, the thought of freedom, consciousness, God, etc, is not Freedom, Consciousness, God, etc.

The thought of freedom, flat earth. etc, is just an idea/thought/image made up by another man/woman telling you how to think, feel and act about a flat earth, freedom, God. And explanation of freedom is NOT your freedom or consciousness or flat earth.

Where can millions of innocent children not exposed to "The System" or exposed to anyone who was exposed to "The System" of a, b, c, 1, 2, 3 (explanation/instruction/education/suggestion, etc), go anywhere in or across Earth/Nature to learn about "flat earth" without another man/women already got at and brainwashed having to explain flat earth to them?

We cannot make sense out of non-sense - we can only expand more non-sense out of non-sense. The fact a, b, c, 1, 2, 3 is being used to communicate the education/explanation/instruction/suggestion of circle, ball, round, flat, etc, is MANS fallen "state" of non-sense making more non-sense out of non-sense.

Truth is a direct-sensory-experience while lies are not. Truth does not require explanation/instruction/suggestion/education because truth is already present amongst the living - only lies require explanation.....

Truth does not require word/words/letters to exist, to set its life into motion.

A child can already sense the tree and the tree can sense the child.

A child does not require 3rd party explanations for the tree to exist before the child.

Lineal concepts/constructs are derived only from 3rd party explanations/instructions/education/suggestions - flat-earth is a lineal concept/construct, clearly revealing the fact that "flat-earth is made up by a man/woman acting as a lying fraudster.

Did you learn about flat earth directly from flat earth or from another man-/woman who explained it to you?

These posts go into inculcation...

Everything posted is to help others learn through contemplation, scrutiny, etc, those that dream for that. It is not about being "right", etc. Inspiring others to use their brains instead of performing inculcation (projections of illumination) goes a long way towards really waking up.

Your post was sanitised so no one bar you (or very close family/friends) would know who sanitised was.

There was no intent coming from us to harm you or belittle you, etc, etc in any whatsoever. We quickly shared information you asked of us to share with you. smile emoticon In spite of whatever information they share, anyone who has made their bed in "The System", by default leads others who follow them or are inspired by them, etc, to make their bed in "The System" too.

By design, some intel give the strong impression they want to leave "The System" in this life but this all eventually falls apart and all who follow these pied pipers get all hopes/dreams of leaving "The System" in this life smashed into their faces. It's designed in this way to keep the duped enslaved to "The System" with no way out in this life, including all descendants to come. The psyop programs come in a vast variety of ways and all radiate the "we will lead every revolution against us".

We sense earth/creation is an expanding mushroom/tree-of-life shape. To us Earth is not round/ball-shaped or flat either. Since 2005 we've been saying earth is not turning and going around the sun and posted heaps on this subject in the LFL website since then.

To us, the whole of creation defines the true shape so unless we can fully experience the true shape of earth/creation as a whole we are no different to 10 blindfolded Indians asked to touch an elephant to describe what the Elephant looks like to each of them. All touch different parts of the Elephant and

all their descriptions are right (so to speak) and yet all are wrong and in conflict with each other if they claim the shape/feel/touch they've experienced is defining the whole of the Elephant.

From Wikipedia.... "

A Jain version of the story says that six blind men were asked to determine what an elephant looked like by feeling different parts of the elephant's body. The blind man who feels a leg says the elephant is like a pillar; the one who feels the tail says the elephant is like a rope; the one who feels the trunk says the elephant is like a tree branch; the one who feels the ear says the elephant is like a hand fan; the one who feels the belly says the elephant is like a wall; and the one who feels the tusk says the elephant is like a solid pipe.

A king explains to them:

All of you are right. The reason every one of you is telling it differently is because each one of you touched the different part of the elephant. So, actually the elephant has all the features you mentioned"

Once we are capable of using the full capacity of our senses to grasp and fully comprehend the true living image of Earth/Creation then we will really "know"/sense (so to speak) but until then, we're all squabbling as those blind Indians.

In 3rd party, liars like Max Igan love commentating about our work and our lives but he never leaves our work up on his FB walls so that others can read exactly what we have to say and work things out in their unique original ways. Max Igan accuses us of being liars, disrupters, etc, people who do not want others to come together peacefully, etc, etc, but he won't leave our work up so that others can see/sense if Max is speaking/writing the truth or not.

Going back many years now, it is very interesting how we leave everything Max Igan has to say about us up on all our Facebook walls and Love For Life website and have never sanitised, altered, twisted or removed anything ever since.

We ask Max, "Why do you lie about us while removing all our work from your FB walls? If you have nothing to worry about because you have truth on your side why do you remove our writings, etc???"

We just get dead silence. Max Igan can't and won't back back his claims.

Going back since March 2005, this type of scenario involving us and our Love For Life work, has occurred hundreds and hundreds and hundreds of times with all types of intel operatives, liars, misleader's, deceivers, etc.

The point is, we are known for debates, for not backing off, for not hiding or running away, etc.

We say that we sense that the shape of Earth is like a mushroom, is like the tree of life, is like MANS brain with its stem, etc. We've mentioned this many, many times over the past 5 years or so on Facebook and in the Love For Life website.

We also say that we can't prove it, that it's just our views for now and is why we don't run "Earth is a Mushroom shaped" agenda on par with the current Flat Earth agenda, and we consciously do this because the Kindom remedy is all that matters to us and until we get rid of "The System" in this life, Grant Robinson nothing else matters.

We say that once we've gotten rid of "The System" IN THIS LIFE and are in Kindom, whilst busy expanding Kindom and healing all the damage done to MAN and Earth/Nature, we have all the freedom and peace and stress-less waking lives to contemplate, debate, argue on these important subjects until we all get back to first party to first party direct-sensory-truth/experience with the dreaming of MANS lives, our lives, your lives, everyone's life. Then we will truly comprehend whether Earth is flat, mushroom shaped or whatever.

Grant, if you really believe we have another hidden agenda going on besides Kindom which is all about lying, misleading and harming others sucked in by the insights of our Love For Life work, then please bring forward the factual first party evidence to back your claims, brother. If you can't, how about cleaning up your act of creating a controversy where there isn't one???

-----  
Arthur Cristian

A few minutes ago

Also the tree of good or bad knowledge is terribly misleading Grant Robinson.

A lie is always a lie and is never good, so to talk about the "the tree of good or bad knowledge" is misleading.

The whole of "The System" is based on a lie and nothing that comes from "The System" is true because it is all based on a lie. An explained anything is a lie, no matter what it is, because it is not our direct, sensory experience. We are asked to accept that it is true, but it isn't true.

This is how the intellect misleads everyone and is the basis of education, instruction, explanation, suggestion.

The life form (plant) is a daffodil and is yellow, etc, is a lie. No matter how many people believe that it is true, doesn't make it true. It is still a lie.

Just because we find out years later that something is a lie, doesn't mean that it was ever anything but a lie.

A lie will never be a truth.

A lie always remains as a lie.

There is no "good" knowledge and "bad knowledge of "The System" because it is all based on a lie and is all a lie, past, present, future (so to speak).

There is nothing "good" about revealing the truth about a lie, but that doesn't make whoever revealed the lie is good too. They can still be lying to you on many fronts and this is where many people get trapped. They discover a lie only to jump on board another lie.

Everything of the intellect is a lie. If you believe otherwise, please bring forward first parties to back your claims. Bring forward the "plant" so that we can hear from the plant that it is a daffodill and is yellow.

What this MAN smells is not what you smell because we are each unique and original and how we each perceive a smell is unique and original. To make out that what we both smell is the same experience is a blatant lie; what you experience when you smell something is not what this MAN experiences when this MAN smells the same "thing", and never will be.

We are committing fraud if we make it out to be the same. It will never-ever be the same sensory-experience.

As blatant cointel psyop programs, to us, the Freemasonic/Satanic world uses duality constructs/concepts to con and deceive duped-MAN into falling into the chaos (lies) of their divide and rule, their "order out of chaos", their "good" out of their "bad", to follow their "good guys" away from their "bad guys".

Under such horrific but masterful manipulations, when we accept their explanations as being "good", we stupidly trust them as being "good" too and therefore whatever they are setting out for us is "good" because we believe some of them are "good guys", when they are intentionally all lying to us.

This is why we expose their (Pied Pipers) lies to show how the deception works.

If we follow these clever Freemasonic/Satanic psyop programs, we will forever remain trapped as rats under the image-power (explanation, instruction, education, suggestion) of the Freemasonic/Satanic tree of "good" and "bad" knowledge.

The whole of the good and bad knowledge of the tree of life is bullshit, meaning everything of the intellect is a lie and is the rot doing immense harm to anyone who believes in it.

If we accept the intellect we continue to accept lies and the intended effects of those lies upon us as dreamt by its makers.

Our unique direct-sensory experience of the truth is always truth for each of us and is always present for each of us and will always be original for each of us.

It all goes terribly wrong when we are forced (sucked-in) under the image power of someone else, a 3rd party, telling us what the truth of what we are directly-experiencing is.

This is how we give up who we really are, how we sell out, how we start committing spiritual suicide.

There is NOTHING "good" or "bad" about the intellect because it is ALL ROTTEN TO THE CORE.

Prove otherwise.

We were never meant (forbidden) to worship (believe in, have faith in, have 3rd party associated opinions about) the tree of life of "good" or "bad" knowledge. It's all a man-made scam.

John wrote today: "hi arthur. just a simple question. you constantly speak about present-sense and not re-presenting intellectual property of others. with that being said, some of the more fantastical things which i have read on your website which you seem to accept such as geocentric opposed to heliocentric, the water canopy and ensuing flood, the actual shape of the earth being more of a bowl than a globe, and the earth not being a planet, my question is in what way have you obtained present-sense awareness of these and not just secondhand re-presented intellectual property? please don't mistake my question as an attack on your views as i am truly curious. thank you in advance for any time you may spend in response to this question as i am sure your time is limited with the creation of your kin domain."

-----  
We replied.....

Hi John, no we've not yet had any direct experience of exactly what is the true overall shape of Earth. However, through the water of our (MANS) breath where MANS (living-creator's/living co-creators) truth remains in present-sense, we've sensed much of what has become the body of the Love For Life work.

We also use scrutiny like a blow torch and go where the logic of truth takes us, thus, and so far, no beliefs (re-presenting "intellectual property") have stood up to such tests, they just don't stack up. Through logical deduction we get back to seeing the truth exactly as our eyes sense whatever we are observing. So instead of brainwashing telling us Earth is turning while we watch all celestial bodies and man-made inventions moving across the "sky", we see/sense all these things moving without Earth moving.

We've also spoken with many tribal people from across Earth who retell the passing down of sensory-information through ancestral tongues/songs such as "waters coming down/constant very-heavy (highly destructive) rain going on for many, many, many sunrises, etc", and add to that research into many archeologists/researchers/etc uncovering/discovering vast physical/material remains of dead cities, villages, sculptures, monuments, road-ways, technologies, etc, buried under ALL oceans, seas, lands, etc, it's not hard to realise what happened - a lot of water came down to devastate and cover up all the low lands of the "ancient-dead-world" of Egypt ("The System") and its colonies (carbon dating and bc/ad calendars are lies) all going down at the same "time" all across Earth. We now live on the "higher lands" where much of the remains of "Ancient Egypt's" devastation still remains across Earth.

Then there is the decoding of the "English Alphabet" letters which Satanists/Freemasons use to communicate truth secretly via cryptography, phonetics, etymology (CODES), information not educated to 99% of MANS population.

Bring all this together and you get examples like this: lock 6 people in a small car with all windows, doors, vents, etc, sealed, and you will eventually get a huge build up of mist/fog/water/condensation/evaporation forming in present sense, basically a mini-climate is being created and inevitably down-the-line, in present sense, you will experience much of this water coming down too, just like rain/mist/fog. Same with the water canopy enveloping and expanding MANS Earth. As water has nowhere to escape present-sense, each breath MAN creates, adds to and expands the water of MANS breath and with all thoughts, feelings/e-motions, intentions, actions, encoded/embedded in every breath, MANS living song remains forever in present-sense, that's unless we harm, distort, destroy, etc, the water, which we do through radio-waves, micro-waves, etc, chemtrails, pollution, chlorine, fluoride and other toxic chemicals/poisons, etc, introduced to the water.

The water of MANS breath envelopes the whole of the dream of life and in present-sense, expands and expands and expands (intensifying) with each breath forming the water/mist/fog canopy enveloping MAN/Earth..... which is now called the atmosphere, etc. Our ancestors burst this water canopy and much of it came crashing-down. It's plainly obvious that all celestial bodies hung in the water canopy in something like a soft pink/purple colour "night/evening". Just as a stick "bends" in water as you shove it down and down, the colours kept bending and bending through the water canopy in present-sense thus maintaining in present-sense, a permanent-sustained soft pink/purple light (just dabbling here) throughout all the water canopy. The light in the water is constantly bending so it is always there (the light has not escaped.) in present sense. Maybe not soft pink/purple, maybe a soft haze of all colours merged into wholeness, we don't know - no direct experience there. It seems that things are just darker now - even at night there is still light, just less of it. All the chemtrails, pollution, etc, are ensuring that the water canopy cannot heal and re-form.

When we get past man-made time, space, duality concepts/constructs, etc, forming the rules of the divide, our ancestors probably could reach out/up and touch celestial bodies (yes we know this sounds very very wacky). Our ancestors were "Giants" and we are talking about full-on direct-sensory-experience.

We also discovered that no MAN or prosthetic invention (plane, rocket, satellite, etc,) can go from north to south and back to north (or visa-versa) again, non-stop and document (video/record) this journey without pause.

-----  
Arthur Cristian

We also realised that NASA, etc, uses curvex/convex lenses to take photo/video shots of Earth, making Earth look round/rounded, etc. Add to this the fact that they can't get a MAN/rocket/satellite/etc outside the atmosphere/strotosphere/ionosphere/etc/etc of water (all lies about man on the moon etc), there is no direct-sensory-experienced evidence they can offer up (all done through 3rd parties and brilliant/clever hocus pocus) to back their claims about visits to Mars and robots on Mars, etc, (Pine Gap and other similar locations being used as Mars, including the peddling of sophisticated technologies, often kept secret, used to give the illusion of a MARS environment).

Once we realised what "intellectual property" is/was and how education is used to train/con us into representing "intellectual property" (the basis of all belief, faith and associated opinion) truth (sensory-life) started opening up to us and thus began the growing insightful body of this Love For Life work we do. And lets not forget the brilliantly crafted and practised duality (psychology/brain-control) tactics used by Satanists/Freemasons to con MAN into falling into their make-believe story-telling (Aliens/higher-beings from other worlds, etc).

We regularly say to everyone not to believe anything we say/share - to instead use scrutiny and go where the logic of truth takes them.

We don't have all the answers (yet - lol) John, but we have learnt enough not to trust what "The System" tells us and to look elsewhere for truth. We realise freedom, truth, peace, joy, abundance, etc, is a team effort so since "March 2005" we've been doing the best we can to help wake up our brothers/sisters so that they can return to using their senses completely again and, inevitably and collectively, there will be more and more of us working together adding to and expanding the truth (direct-experience) of who we really are and what we are really part of... etc.

One of the many present views we have of Earth is this..... imagine a tree exploding from seed out of soil to expand and expand into a giant with its roots still firmly implanted in the soil exactly where the particles of the seed still remains. With this "long-living-tree", many generations of MAN will have a direct experience of this tree. Using this lineal analogy, we suspect the original seed (original-dream) of Earth is expanding out of water, out of MANS breath, in exactly the same way a seed expands out of soil. The seed of MANS dreaming (thoughts/ideas) for Earth/Life/Nature is encoded/embedded in the water of MANS breath and there it remains in present-sense, where MAN is and has always been and will forever be.

Regardless how much water has been added to expand the original breath/dream/water of Earth, we are all still breathing in the original breath and adding to and expanding the original breath with our breath. So it appears/seems to be that the true shape of Earth could look just like this:

With full-responsibility given to all of sensory-Life, Earth is sustained (focused) in present-sense, thus allowing MAN to be free to contemplate, observe, dream and expand MANS dream of Life/Earth/Nature.

Original MAN'S/Living-Creators dream of Earth is set into motion through the water of MANS breath, the roots of Earth expand from the seeds of MANS consciousness (water), of MANS making, and from there it expands and expands through the water.

With ORIGINAL MAN creating ORIGINAL MAN we now have many co-creators gifted with the full power and attributes of ORIGINAL MAN (God), thus, in the original image dreamt by Original-MAN in PRESENT-SENSE (always in present-sense), we now have many of us co-creating and expanding the original dream, that's at least until one of our brothers using free-will turned against (hijacked/kiidnapped/sabotaged) ALL of MAN (us) causing most of us to forget/ignore/reject the original dream/dreaming of ORIGINAL-MANS Earth/Life/Nature, etc..... enter "The System".

This is how this MAN Arthur sees/senses it using a lineal analogy to describe a non-lineal reality that you will need to feel/sense which is all about not relying on a, b, c, 1, 2, 3 thoughts bouncing to and fro between your ears otherwise you get lost in finite constructs/concepts/images where the brainwashing of a beginning occurred = the shattered reality of life, of MANS dream of life.

There never has been a beginning to the dream of MANS life.

Earth, MAN, Creation, Nature, Life has always existed without beginning or end.

The presence of MAN (MANS dream of life - the consciousness of MAN) has always been present.

All thoughts/images of the past and of the future needs MAN to exist here and now to experience them.

Without MAN existing here and now no thoughts of the past and of the future can be thought or felt/sensed.

We (MAN) are creating (co-creating) EVERYTHING we (MAN) experience.

We are all at the effect (co-creation) of each others dreaming/intentions/breath.

Bring forward an experience without MAN being a party to that experience?

No one can.

The fact is that we all have to use scrutiny and contemplation to rout out all lies created by our fallen, lying, deceiving brothers/sisters who turned against all of us/MAN, against MANS unique and original dream of life. The illumination of Incultation needs to be removed out of our dreaming.

Referring to the grey cloud atomic bomb exploding over a city three jpeg's above and forgetting the fiery red/orange/grey/etc colours of this jpeg and the bomb itself.....

The heaven of the celestial bodies moving across Earth is the mushroom head expanding.

Non turning Earth we stand on is centered underneath (an analogy) the mushroom head.

The stem rising up to form the mushroom head/cloud is the consciousness of MAN expanding the whole of MANS dream of life out of MANS breath.

The breath being the water we create (CREATION) as we breath out.

Water being spirit, soul, life, consciousness encoded/embodied in MANS every breath.

All our thoughts, intentions, dreams, etc, is contained in our every breath and is effecting/affecting all of MAN across Earth here and now as present-sense.

We (MAN) are the ONLY first party to the life-experience of MANS/our dream of life.

We/MAN are co-creators of the dream of life, of MANS life.

The centre of the mushroom (analogy) is MANS living physical body as EARTH expanding the WHOLE of creation out of MANS breath AS MAN, as MANS experience of MANS dreaming.

The fact is, the WHOLE of creation is MANS physical/material body - we are the birds, the trees, the wind, the rain, the rivers, the mountains, the insects, the soil, etc, etc..... We are all experiencing (at the effect of) MANS dreaming.

## THE CULT OF SOCIAL ENGINEERING IN PRACTISE

3rd April 2016

Confusion REIGNS much through Vicki's (Vicki Victoria) work/writings. Contradictions are aplenty. For readers, the mantras of doubt and uncertainty are being visited on a regular basis, like pins of shit being pushed further into them so they feel uncomfortable about what they are reading and being associated with. This is voodoo in practise.

Wanting to do Kindom but being unable to, expressing agreement and support about a matter and then going ahead and promoting and agreeing with the very thing they said they didn't agree with, thus changing tactic which shows up as changing interests, talking about future actions that then do not happen. These are all common tactics that we have experienced over and over again. Liking and supporting what is said but then speaking in a way that goes against it down the line, promoting helplessness and "what can we do??" apathy.

Fucked-up/Intel, or not, they are set up as shepherds to attract new friends, sheep to their FB walls, etc, drawing victims away from targeted FB, etc, groups but then make sure that they are gradually,

was six, and their three-year-old son, Abraham, Mark and Rose wandered about, then sat down on a patch of grass in front of the stage, where various acts were playing.

Mark, now 53, is originally from New Zealand, but moved to Australia in 1984. A glazier and professional musician, he is contagiously optimistic and compulsively friendly. Rose is more reserved, but highly curious. She grew up in Spain and Paris and speaks several languages. They describe themselves as "idealistic". "We have always been interested in trying to come back to what seemed like a more natural, sustainable, fulfilling way of life," Rose tells me.

On that day in 1996, however, the couple were at a crossroads. They had just returned from two years in Spain during which they had struggled to find work. Now they were back in Sydney, living in an apartment in Coogee that belonged to Mark's brother. "We weren't exactly desperate, but we were at a loose end," Rose says. "We were hungry to make friends, to have a stable social life. I'd come to the conclusion that I didn't care who people were, I was just going to take them as they are."

After a while on the grass, Mark got up to walk around. Half an hour later he returned, clutching a pamphlet entitled *A Brotherhood of Man*. A friendly woman in a long dress with long hair had given it to him, saying, "You look like you need a home."

The pamphlet was produced by a group called the Twelve Tribes. "Where is the brotherhood of man that John Lennon imagined in his song?" it asked. "Where are the dreamers who have given up their possessions so that greed and hunger could be done away?"

The pamphlet mentioned Jesus, "the ultimate dreamer", who was referred to by his Hebrew name, Yahshua; it also quoted the Bible. But it rejected mainstream Christianity, denouncing it as "the whore spoken of in Revelations".

Higher calling ... (from left) Abraham, Lebana, Mark, Rose and Undila Ilich at Katoomba in 2001.

All this appealed to the Ilich family. "I'd always condemned the mainstream church," says Rose. "We'd also visited a few communes in Europe.

I said to Mark, 'If these guys are what they proclaim to be, this could be the community we're looking for.'

A few days later, Rose called the number on the pamphlet and spoke to a woman called Shomrah, who invited them to visit the group at Peppercorn Creek Farm, a nine-hectare property it owns near Picton, south-west of Sydney.

Retreating ... The Ilich family in hiding in Leura in 2002, during a visit by Rose's family.

The Iliches drove down that Friday, arriving at 7pm, in time for the evening gathering. They were greeted by a man with a long beard called Asher.

(Asher's real name was Andrew McLeod, but like all members of the Twelve Tribes he had, upon joining the community, been given a Hebrew name.)

Asher showed them to a guest room in the main farmhouse, where they left their bags. He then took them to a big tent full of people dressed in simple clothes. There were lounges and chairs and tables set with flowers and candles. There was music, too, a piano and an accordion, and beautiful, home-cooked food.

"I remember everyone was super interested in us," Mark says. "There was a guy called Yotham, who stayed with us all night, who was always telling me, 'I really like you, you seem like a really nice guy.' It was like we were part of an instant family."

Mark and Rose and the kids stayed that night and the next day and the night after that. In the morning they drove back to Coogee, got changed and went to the Glebe Street Fair, where the Twelve Tribes had a cafe stall similar to the one at Newtown. Yotham was there, with some of the musicians.

Members of the group were dancing and they invited Mark and Rose to dance, too. "We are a family and you can be part of it," Yotham told Rose, as they spun about in the sunshine. "We can go grey together; our children will marry each other."

Cult following ... a young Eugene Spriggs, also known as Yoneq, the American founder of the Twelve Tribes.

Rose and Mark were sold.

One of the first things the Iliches did was return to their flat in Coogee, accompanied by one of the community's "elders", a man named Israel. Israel told them what to keep and what to throw away. Most of their possessions - the kids' clothes, Mark's surfboard, books, toys - had a "spirit" about them and were deemed unsuitable. The Iliches had a small car, which they gave to the community, and some money in the bank, which they also handed over.

In January 1997 they were baptised, or "washed for their sins", in the creek that runs behind the farm, and given new names: Mark became Qatan ("childlike", in Hebrew); Rose became Asarelah (meaning "virtuous"). There were about 70 people in the community, including a dozen or so families, some of them second generation. "That's one of the things that attracted me," Rose says. "I thought, well, people have grown up here and decided to stay, so it must be good."

We are family ... Rose's sister and brother, Cathy and Henry Cruzado, in Sydney with cult buster Raphael Aron in 2002.

The Twelve Tribes group was founded in 1972, in Chattanooga, Tennessee, by a former high school guidance counsellor and carnival showman called Eugene Spriggs, known in the movement as "Yoneq". The group has 3000 members worldwide, with communities in the USA, Canada, France, Spain, Argentina, Brazil, Germany and England. The Australian "tribe" was established in the early 1990s by an American named Scott Sczarnecki (who has since left), and William Nunally, or Nun (pronounced Noon), another American who remains a senior figure at Peppercorn Creek Farm.

Following a hybrid of Judaism and Christianity, the group's aim is to re-create the 12 tribes of Israel, thereby ushering in the return of Yahshua, who will arrive like a "King coming for his bride when she is fully prepared for Him". Members use the Old Testament as a blueprint for their lives. The insistence on communal living, hard work and, most controversially, harsh child discipline, are all modelled on life in "the first church of Jerusalem", before the advent of the clergy, which the group abhors. Marriage outside the Tribes is forbidden, with elders and even Yoneq himself acting as matchmaker.

The group has been likened to the Amish, with whom they share some similarities, particularly in regard to marriage and modern technology. Wives must submit to their husbands, and are encouraged to have at least seven children. Condoms and the pill are forbidden. Mainstream medical care is likewise shunned, something observers have linked to what appears to be a higher than normal rate of stillbirths. (Rose had a stillbirth in 2001 and says she knew of five in her time at Picton.)

Moving on ... The Ilich family in Galston, Sydney, in 2007.

Community life is strictly regimented. Members rise at 6am (except on Saturday, the Sabbath, when they rise at 7am), woken by a blast of the "shofar", or ram's horn. There is a morning gathering, or "minchah", at 7am, which includes prayers and singing, followed by work, either in the farmhouse, kitchen or fields. (One of Mark's first jobs was to tend the farm's 30-strong flock of merino sheep.) The community also operates many businesses, including bakeries, cafes, house painting and demolition crews, to which Mark, and later, his son Abraham found themselves assigned. Children, meanwhile, are home-schooled using specially approved texts printed on site. There is no TV, internet, magazines, newspapers or radio. Members are discouraged from contacting former friends or family and do not vote.

Mark and Rose weren't particularly religious, but they were impressed by the group's commitment and the sense of the farm being "one big family".

"One of their teachings is to 'Take counsel from the least', meaning everyone is listened to," Rose says.

Early on, Mark and Rose were each assigned a "shepherd", a senior member whose spiritual insight enabled them to act as a mentor. "My shepherd was a woman called Bakhirah," Rose says. "If I had any problems in my marriage, any concerns or troubles, I'd go to her and open up."

Staying on ... Erez and Undila in 2010, about the time of their wedding.

And there was a lot to open up about. The teachings, some of which come from the Bible and others from Yoneq, stress the deep iniquity of the outside world, a dark place in which the only light is one's conscience. Failing to follow your conscience inevitably sees one consigned for eternity to the "Lake of Fire". Members are encouraged to "renew your mind" - a phrase from the apostle Peter - and to be

"an open book before your brethren", always "sharing" your sins, either with the elders, your shepherd, or at the gatherings.

The Iliches' sins were considerable. Rose, for example, had slept with men before getting married; she had also "rebelled" against her mother. Mark, meanwhile, had played drums in a rock band ("I had a 'drum spirit', apparently," he says). He had also surfed and smoked marijuana. "They present a very high standard," Rose says. "It's all you hear, all the time, and so you start judging yourself by this standard. Your thinking becomes very black and white. At the same time, they present themselves as the only way to truly obey God, whose spirit they embody. So if you disagree with the elders or your shepherd, you're disagreeing with God himself."

The pressure to confess was considerable. If just one member held back, God could not answer anyone's prayers that day. And so Rose would scour her mind daily for any hint of sin. "In the end you run out of things and your mind invents trouble." She also began examining Mark's conduct. "They told me Mark was 'worthless' because he'd been seeking 'worth' through other things, like performing music. In the past I'd thought his music was beautiful; now I started to see it as a sign of weakness."

A different life ... Rose Ilich today, happier away from the Twelve Tribes religious cult. Photo: Tim Bauer. Hair & make-up: Wayne Chick

Rose became suspicious of Mark, thinking he was "full of sin that he wasn't confessing". At the end of each gathering, having tendered their transgressions "like a lamb to God", the group would join hands and engage in a screaming session that lasted several minutes. "At the time it felt therapeutic," she says.

Mark and Rose were under the impression the group's teachings were drawn from the Bible. In fact, the majority come from the group's founder.

Spriggs, 76, is a mysterious figure: a former football player, boxer and soldier, a charismatic evangelist whose rejection of "rote religion" in the 1970s proved popular with the "Jesus freaks" of the

counterculture. Though initially predicated on an open-door policy - there was "no leader", and everyone was a "priest" - his movement has become increasingly fundamentalist and authoritarian.

"Spriggs regards himself as the Anointed One, with a direct pipeline to God," says David Pike, an ex-member of one of the group's tribes, Manasseh, in the US. "He comes off as loving but is the perfect picture of a narcissistic cult leader. One thing I'll always remember is what he used to call a 'spirit check', when he'd come up behind a male disciple and slap his back as hard as he could and wait to see the person's reaction, whether he winced or jumped or brought his fists up. I hated it."

Spriggs is thought to live mostly in Hiddenite, in North Carolina, in an antebellum mansion the group bought in 2006. But he also travels a lot, flying from community to community, his every word transcribed into "teachings" (or "the anointing") which are published in Intertribal News, the movement's in-house newsletter.

Spriggs's teachings, some of which are withheld until members are deemed capable of "receiving" them, are frequently bizarre. He has said that "submission to whites is the only condition by which blacks will be saved" and that Martin Luther King was "filled with all manner of evil". (The group denies it is racist, pointing out that they have high-profile black members in America.)

The teachings are also minutely prescriptive, shaping every aspect of members' lives. Spriggs insists that men wear beards, since it was only the Romans who started shaving. He forbids wristwatches, which he considers a vanity, and has decreed that all members eat with chopsticks in order to speed the group's movement into Asia. Diet is strictly regulated: no sugar, chocolate, coffee or tea, with plenty of flax seed, whole grains and millet, and an emphasis on cultured foods, like yoghurt and kombucha. "At one stage chilli was strictly prohibited," Rose says. "Then it was permitted again."

All Twelve Tribes members are instructed to finish their showers with a cold rinse, which Spriggs believes boosts the production of white blood cells.

When Rose asked her shepherd how cold it had to be, she was told: "'Straight cold, even in winter, for one to two minutes.' If I tempered it with hot, I was allowing my 'flesh' to be stronger than me."

Michael Painter, who spent 18 years with the Tribes in the US and rose to become third in command, has described Spriggs's approach as "teeth, hair and eyeballs". "It was thought that if God doesn't control your teeth, hair and eyeballs, he doesn't have you."

But Spriggs's strictest teachings pertain to child-rearing. Children have a special place in Twelve Tribes eschatology, which holds that Yahshua can return only when God has, through the movement, brought forth 144,000 perfect male children, "so pure that fire comes out of their mouths". Raising obedient offspring then, is imperative. Children must at all times be "covered", a Twelve Tribes term meaning supervised by an adult. They must not play games (playing is "dissipation"). They must not have toys. They must not whistle. They must not engage in make-believe or fantasy, or possess books that anthropomorphise nature, depicting, for instance, a talking dog or a smiling sun. "At Picton, kids weren't even allowed to talk to one another unless covered by an adult, since this could only lead to 'foolishness'," Mark says.

According to Mark, unquestioning obedience is mandatory: children must reply "Yes, Abba" (Hebrew for father) or "Yes, Ima" to any parental command.

Any breach earns a spanking with the "rod", a 50-centimetre-long plastic stick, one of which is kept above the door ledge in every room. Parents are instructed on how to use the "rod" in monthly child-training sessions and also in a 267-page Child Training Manual, a copy of which Mark and Rose

received after their first year. Written by Spriggs, the manual insists that "you must make it hurt enough to produce the desired result" and that "stripes from loving discipline show love by the parent".

"It's called 'the rod and reproof', " Mark says. "The kids are not meant to cry. They're meant to 'receive' their discipline quietly. Then you tell them why you hit them and they say, 'I'm sorry, I'm sorry.' It becomes a ritual."

Children aren't beaten only by their parents. Any "covering" adult can "correct" them. Abraham was beaten regularly, by numerous adults, either on the hand (six strokes) or bottom (12). "The more you cried, the more you got spanked," he says. "If it was a lady and I was beaten on the bottom, my pants were kept on. But if it was a man, he put my trousers down and beat me directly on my skin."

The beatings started at the age of four. "The first time I cried a lot. But I stopped crying forever when I was 12." By then, he had decided to rebel. "I decided I would never do what they wanted me to do, unless I was beaten until I couldn't take any more pain, and then I would obey."

In 1984, alerted to claims of abuse, US authorities raided the group's Vermont headquarters, taking 112 children into care. (The raid was deemed unconstitutional and the children later released.) The group has been investigated for child abuse several times over the past decade in the US, France and Germany. In September this year, Bavarian police removed 40 children from two Twelve Tribes communities following a TV program that showed footage, obtained with hidden cameras, of adults beating six children with 83 strokes of a cane in the space of a few hours.

The group has repeatedly denied allegations of child abuse. Responding on its US website, it describes the Bavarian raids as "unjust" and suggests the authorities had been "manipulated by unseen spiritual powers".

The Iliches found the child discipline particularly difficult. Their oldest daughter, Undila, was largely compliant and their youngest daughter, Lebana, who'd been born in 1998, was still a toddler. But Abraham was problematic. "He was a normal boisterous boy, which to them is unacceptable," says Rose. "I ended up having to spank him almost constantly, for everything." Abraham soon became labelled a "rebellious element", something for which Mark and Rose were blamed. "We were bad parents," she says.

This became their signature stigma. In 2001, when Rose delivered a stillborn baby boy, she was told it was because she was "full of sin". "Mark's shepherd came into my room while I was still in bed and said it was 'God's kindness' that the baby had died, because it would be evil to bring a baby into the world with parents like us." Soon afterward, the elders forbade them from having sex altogether. "And we actually complied," Rose says.

Many times during our conversations I ask Mark and Rose why they didn't leave. "Leaving is not an option," Rose says. "You have to understand how brainwashed you become. You lose the ability to think critically."

They were also afraid. The Tribes consider an ex-member someone who was once enlightened and wilfully chose darkness, and who is thus more evil than an ordinary non-believer. "Nun told us that people who leave become prostitutes or homosexuals, that you'll suffer sickness, die an early death and go straight to hell."

One former member from Picton later told Rose how she had taken a flight to Auckland shortly after leaving. "She was terrified the whole time that God would make the volcanoes underneath them erupt, killing everyone on board."

Besides, there was little time to think. "You work the entire time," says Rose. "The first thing I'd do in the morning was report to my 'covering sister', who would give me my chores for the day - cooking, cleaning, child minding." Mark, meanwhile, found himself assigned to painting crews and construction and demolition teams.

The Tribes are nothing if not industrious. They own at least 24 businesses worldwide and are extremely well resourced, especially in America, where they operate furniture stores, kids' clothing outlets, a printing press, leather shops, soap factories, wholefood outlets, cafes, bakeries and several multimillion-dollar construction firms, the biggest of which, Builders of Judah, specialises in nursing homes and historic restorations. They also own a maté farm (maté is a tea-like herb) in Brazil, which according to David Pike, now makes "huge money for them".

In Australia, as elsewhere, members are not paid for their labour. "I'd regularly do 12-, 15-hour days," Mark says. "I built their Common Ground Cafe in Rozelle and their Yellow Deli in Katoomba. Every year we'd build the Common Ground Cafe at the Royal Easter Show."

The businesses were highly profitable. "Once I helped them carry \$40,000 in cash out of the Easter Show. But I never saw a cent."

When Abraham turned 13, he was taken out of school - "they told me I had a bad influence on the other students" - and set to work, digging trenches and chopping trees. By the age of 14 he was working with Mark in a bakery in Lidcombe, where the Tribes made buns to sell at the Woodford Folk Festival.

"The bakery was the worst," Mark says. "For the first three weeks we slept on mattresses with doonas, on the ground, in a shed next to the bakery. We ate from the bakery, every night, doing 12-, 15-, even 20-hour days."

After 18 months at the bakery, Mark snapped. "I just said, 'F... this, I'm leaving.' I didn't tell Rose - anything I told her, she'd tell the elders. So my son and I just pissed off. We hitched a ride to Sunnyholt Road. I had some spare change in my pocket and I called my brother, Peter, who lived in the Blue Mountains and told him to pick us up."

Mark and Abraham slept at Peter's house that night. But the next day, Israel turned up. "Israel had met my brother and he knew where he lived. He also knew that we had next to no money and that I'd be at Peter's place."

Mark and Abraham surrendered and were driven back to the community.

Mark's family, most of whom live in New Zealand, never had any suspicions about the Twelve Tribes. "They just thought we were in a nice Christian community," he says. But Rose's family was different. "We knew from the beginning that it was a cult," says Rose's sister, Cathy Cruzado, who lives in Paris.

In 2000, Cathy and her brother Henry made plans to visit Rose in Sydney. But when Rose told the elders of their imminent arrival, all hell broke loose.

"Nun became convinced my family was coming to get me," Rose says.

Within a week, Rose, Mark and the three children were on a plane to Spain, where they were installed in a Twelve Tribes community in Zeberio, in the Basque Country. Rose's mother lived nearby, in Laredo, just 20 minutes' drive away, but Rose was not allowed at first to visit her. Instead, she was instructed to call Cathy and Henry and tell them that she and the family were in Boston. "The whole time, one of the Spanish leaders, a guy called Yowcef Rodriguez, was sitting next to me," Rose says. Cathy was upset and cancelled her flights. But Henry decided to go anyway, visiting the community in Picton, where he was served tea and cake "by robotic looking ladies wearing large skirts".

"I talked to the leader," says Henry. "He was courteous and charming until I asked him his reasons for hiding my sister, when he laughed in my face and replied that he had no idea of Rose's whereabouts."

Henry would make a total of five trips to Australia over the next decade, often with Cathy. They contacted Matthew Klein, an ex-Twelve Tribes member, for help and worked with Melbourne cult buster Raphael Aron. "I travelled 100,000 kilometres and saw my sister once, for a total of 10 minutes," Henry says. "It was in 2004 and Rose had finally agreed to meet me at Peppercorn Creek Farm."

Henry had brought a rolled poster of the Cruzado family tree since the 16th century, to show Rose that she already had a family. But Rose rebuffed him.

"I was scared stiff of Henry, because the elders had been saying he was part of an anti-cult movement and that he'd kidnap me and the kids."

The minute Henry appeared, Abraham and his sisters were whisked away by an elder and hidden in the roof of the main building. "I was devastated," Abraham later recalled, "because I knew I'd just missed the best and perhaps the last chance to escape."

Dodging Rose's family was surprisingly easy: whenever Henry showed up, the family would simply be shuffled between a network of properties - an apartment in Leura, a house in Burwood, a hotel in Lithgow. At one stage the Tribes rented them a bungalow near Parramatta, then a house on the beach in Coledale, and later a home at Seven Mile Beach, near Gerroa. The elders were so paranoid about Rose's family finding them that they wouldn't allow Mark to renew his New Zealand driving licence. "They thought the authorities might use it to track us," Mark says.

Mark enjoyed living at Gerroa; for one thing, it meant he wasn't slaving his guts out. It also meant he could go surfing again. "I'd found this board in the rubbish and repaired it," he says.

But one day, when Mark and Abraham were out in the surf, some elders paid a surprise visit. "Man, were they angry," says Mark.

The elders took the family back to the farm where they staged a meeting or "cohol", interrogating Mark for five hours. "They just hammered me," he says. "They were quoting verses from the Bible, telling me I 'loved the world', and that anyone who 'loves the world would lose their life'."

Their solution was to split up the family, sending Mark and Abraham away, firstly to Katoomba, then to Bargo, while the women stayed on the farm.

"Rose was allowed to visit me from time to time," says Mark, "so that I could see Lebana, who was still only little."

Throughout the mid 2000s, Mark and Abraham were allowed to come back to the farm from time to time to reintegrate. But Abraham would invariably do something "worldly" - cut his hair, smoke a cigarette, wear his trousers low - and be reprimanded. Then, when Abraham turned 15, the elders asked if he would like to "get washed", or baptised. "You can all get f...ed," he told them. "The elders almost had a heart attack," Mark says. "After that, they sent us away again, to this farm they own in Bigga."

The property, near Crookwell in the NSW southern highlands, was 460 hectares, with no power, water or house. "We just lived in this shed," Mark says.

"Drank rainwater off the roof. They put a phone on for us and gave us gas cylinders to cook with. And every few weeks, Rose would visit." Their job was to chop wood, which was taken to Picton for heating. But Mark was increasingly disillusioned. "I was just so pissed off by then. Rose was in turmoil, too."

Then, in 2009, the elders sent Mark and Abraham to New Zealand. "They just wanted us out," he says. "So they gave me a couple of hundred dollars and said, 'Your New Zealand family can look after you.'"

It was in Auckland that Mark finally decided to leave the group. "I rang Rose and said, 'I think I'm leaving.' She said, 'My life is with you, I'll come with you.'"

Mark had the family sent over, ostensibly just to visit. Once there, he told them of his decision. Abraham was thrilled: "That's the best thing you've ever told me," he said. But Undila was devastated. She didn't want to leave, and began crying. She was due to marry Erez, a young man who had been sent over from the community in France. So Mark let her return. "That was the stupidest thing I ever did," he says now.

The family spent a year in Auckland before returning to Sydney. "We wanted to be closer to Undila," Mark says of the decision to return. "At that stage we thought we might have a chance of maintaining contact."

But they were wrong. Undila, who had a daughter in 2011, has made it clear she wants nothing to do with her family. "When you ring her she says doesn't want to talk to us," Mark says. "When you go there, her husband comes to the gate and says, 'Look, I told you, you're not allowed here. Don't come here.' The last time we went there, Rose got very emotional. She was crying. Our little granddaughter was there, and a couple of elders came up to cover the situation."

Mark and Rose now live in the Blue Mountains, with Lehana and Abraham, and are slowly putting their lives back together. Mark works in maintenance and has got back into surfing and music. He plays drums in a band called the Fabulous Shapelles and gives drum lessons at home. "I'm 53 years old, but it feels like I'm 21," he says. "It's like I'm starting over again, because you come out with nothing."

Rose works as a cleaner. "It's a bit of a disappointment to my family," she says. "I don't want to spend my life being a cleaner."

She has read about mind control, trying to come to terms with her experience. "When I look back, I can't believe it all happened. It's so bizarre. It's like I became a completely different person."

In the cult, she notes, they decide who has the right to exist and who does not. "But here we are," she says. "We still exist. That's something."

-----  
We've known key players in this old biblical Christian group, one from 1996 and others since 2004.

This biblical group is most definitely not a cult in the mainstream traditional mode/sense, even though they live and work together as a group, making money as a group, living as a group, etc, etc, and yes the biblical and a, b, c, 1, 2, 3 inculcation runs deeply through their veins believing they are doing the right thing, etc, but they are not an organised cult. They are just a group of people who are living the biblical way, determined to get out of "The System" (whatever they believe is wrong with this) when their messiah saviour arrives.

<http://www.peppercorncreekfarm.org.au> and <http://twelvetribes.com/community/peppercorn-creek-farm>

Cults are derived ONLY from social engineering. Example....

1. creating thoughts/dreams/ideas to change other brothers/sisters of MAN with the intent to bring them under the image power of the original dreamer/thinker = social engineering.
2. going through the motions, implementation, planning, execution of the thoughts/dreams of social engineering....
3. setting them into motion through inculcation, etc
4. setting up an organisation to keep the social engineering intact so that it doesn't fall apart so no one can escape.

Let's have a look around.... government, education, banking, institutions, a, b, c, 1, 2, 3, religions, science, occults, esoterics, etc, etc, all fit the bill of the cult of social engineering. It is out of these cults that attacks are mounted against those who threaten their power infrastructure, keeping their victims trapped in their cults. They are the ones who claim that any group of men and women who chose to live together, working together to support each other, is a cult.

All the intel networks are there to come out and label any such group so that they are shunned and so those around them fear them.

"The System" and everything of "The System" is a cult of cults, all of it social engineering = brainwashing.

Which cult do you belong to?

## Sequential Order

We ask you to NOT believe anything we say and instead use scrutiny like an intense blow torch and go where the logic of truth/sense takes you. This is very, very important. Put everything you believe up to the test of scrutiny to see how it stacks up. If you are true to your heart/senses and go where the logic of truth/sense takes you will find that NO belief, etc, will stand up to the test of scrutiny. They just do not stack up because they are lies/fraud.

It is critical to fully comprehend insights relating to image power, "name", contracts to "name", "The System" of "names", "spelling", trauma, reaction to trauma, curses, processing curses, bouncing curses back, full-responsibility/liability, limited liability/responsibility (passing-the-buck), slavery, senses/sense vs non-sense/senses, 1st party vs 3rd party, re-presenting intellectual property, storytelling/storytellers, duality, controlled opposition, black-magic, belief, lies, "i", all seeing "i" (eye), etc. These themes and others are covered over and over and over again.

If you do not comprehend these insights and are unable to use your senses to sense your way through all the non-sense/non-sensory-images that enslave MAN under their image power (darkness = "The System" = Hell), men and women will remain deeply trapped under a terrible state of trauma. Our intention is to inspire men and women to remedy by showing them how to move away from reacting to trauma in all its nefarious and devious forms.

### We Stand For NO SYSTEM

Kindom (Do No Harm Communities) is the dream for freedom, but it is the dream for the freedom of those around us who also live the dream of freedom, because it is in living for the freedom of others that we get our freedom. When we live for the dreams of Kindom of those around us, we live life as a gift because we live for (dedicate our lives to) their dream of freedom, truth, peace, joy, abundance, etc, just as they live for our Kindom dreams too. This is true co-creation (cooperation) with no attack on the uniqueness of each of us. When we live this way, we have no need for any man-made system - everything/everyone has already been taken care of by our love for life.

Just as we do not have to jump 10 feet across the room to grab our next breath, neither do we have to worry about food, water and shelter because it has all been taken care of as we each co-create Kindoms/Kin-Domains for everyone. Now everybody and everything of the dream of life that is Kindom/Paradise is free (has been set free once again). The issue is greed and selfishness, power and control trips, arrogance, ignorance, being fed many many lies and being traumatised. The issue

is not overpopulation - there is more than enough land available for every family to have a hectare (2.5 acres Kin-Domain) to care for. The land of Australia can provide a Kin-Domain for every family across Earth, each with a food forest, clean fresh drinking water and plenty of space for building natural do no harm habitats and with plenty of land left over.

Everyone must have the freedom to take full-responsibility for their lives, for the water they drink, the food they eat and for their shelter. Currently, "The System" forces everyone to give up taking full-responsibility so that we become grown up children accustomed to sucking on the nipples of "The System" corporations for everything, having to use money to get by and to follow the rules of money because we are not co-creating freedom, peace, truth, joy and abundance for each other. Money only leads to haves and have nots and all the abuse, manipulation and distractions that we are subjected to as slaves to money.

When we give up living for other's Kindom dreams, we start creating hell ("The System") all around us because we become self-centred - now it's all about "my freedom", "my money", "my land", "my belief", "my saviour", "mine", "mine", "mine", "i", "i", "i", "own", "own", "own", etc. To protect what we claim we own requires a man-made system with FORCE to protect those self-centred claims. This is ALL trauma based and all story-telling (brainwashing/braindirtying).

### **NO SYSTEM = KINDOM/DO NO HARM COMMUNITIES**

Our true freedom comes when we set our thoughts of freedom into motion so that we live freedom rather than just talking and thinking about it while we still slave for "The System". Kindom will not happen while we meditate for hours in the bush or do yoga retreats or wait for Jesus or follow the processes of the OPPT (One People's Public Trust now called One People). This is not freedom because we are not living freedom because we are living the story-telling of Jesus or Zeitgeist or The Secret or Thrive or One Earth/Consciousness/People.

Living Kindom is very, very hard work as we set about repairing the damage to MAN/Earth/Nature that we are ALL responsible for but the burden becomes lighter the more of us put our life-energy into the dream of returning Earth to Paradise. Day-after-day, we all have to work our arses off until Kindom is all around us (MAN) once again. This is the price we pay to set each other free on a piece of land (Kin-Domain), so that no one is under the image-power (education/brainwashing/story-telling) of another MAN anymore and so that everyone can have their space of love to create and live their unique, do no harm dreams. This only happens once we have the Kindoms set up so that everyone is provided for.

Once we re-create the food forests, whether on land or in the suburbs, we can re-claim our freedom, breaking the strangle-hold of "The System" because we are no longer reliant on its services and benefits and no longer turning each other into slaves of "The System", cogs in the wheels of "The System" machine. If we don't put the effort in to set everyone and everything free all around us then we still live in HELL ("The System"). The key is to live for everyone else's freedom so that we can have it too.

### **A Collection Of Various Love For Life Posts**

#### **Providing The Big Picture We See**

#### **Sequential Order**

We ask you to NOT believe anything we say/share and instead use scrutiny like an intense blow torch and go where the logic of truth/sense takes you. This is very, very important. Put everything you believe up to the test of scrutiny to see how it stacks up. If you are true to your heart/senses and go where the logic of truth/sense takes you will find that NO belief, etc, will stand up to the test of scrutiny. They just do not stack up because they are lies/fraud.

After you have watched and read all the material and any questions are left unanswered, send us your landline number and we will use the internet phone as a free unlimited call. We are on Sydney NSW Australia time. Best times for us to chat are between 11.00am and 6.00pm.

It is critical that you fully comprehend Image Power, "Spelling", Trauma, Reaction To Trauma, Curses, Processing Curses, Full-Responsibility/Liability, Limited Liability/Responsibility (passing-the-back), Slavery, Senses/Sense vs Non-Sense/Senses, Re-Presenting Intellectual Property such as but not limited to "Name", Storytelling/Storytellers, Duality, Black-Magic, Belief, Lies, "i", All Seeing "i" (eye), etc..... These themes and others are covered over and over and over again.

If you do not comprehend these insights and are unable to use your senses to sense your way through all the non-sense/non-sensory-images that enslave MAN under their image power (darkness = "The System" = Hell), men and women will remain deeply trapped under a terrible state of trauma. Our intention is to inspire you to remedy by showing you how to move away from reacting to trauma in all its nefarious and devious forms.

## **Peaceful Transition Through Sacrifice And Service**

We feel there is an essential peaceful do no harm transition required to get all of MAN back to standing on MANS feet without reliance upon another MAN for water, food, shelter. As it stands everyone in "The System" are highly dependent and reliant on the "group mind-set" that forms "The System" of slaves providing services and benefits for the emotionally addicted slaves to "The System" (and you can put us in the same basket too). The transition is to get MAN back to relying ONLY on nature without 3rd party interlopers, intermeddlers, interceders getting in the way. The transition is a team effort with the foresight for setting all of MAN free down-the-line so that MAN is no longer dependent on slaves and masters providing services, benefits, privileges and exclusivity while being bound to contracts, rituals, procedures, conditions, rules & regulations which compromises MAN severely.

This transition is all about shifting from limited liability/responsibility to full liability/responsibility. This full responsibility is all about caring for our health, nature all around us, clean uncorrupted (pure) water and food, partner/co-creator, children, shelter, animal-friends in partnership, etc. In "The System", we are already together destroying each other - we have to come together to create peace together so that we can all have peace. We cannot live peacefully when we are islands, not taking full responsibility for the lives of those around us until EVERYONE can take full responsibility for their life, which means that EVERYONE is healed of system trauma. In "The System", we all come together to make slaves of each other - now is the moment to come together to set each other free, to live for each other's freedom, peace, joy and abundance. Once we have set each other free, we are free.

## **The Cristian Family Declaration**

The Cristian family and The Love for Life Campaign are apolitical, non-religious, non-violent, anti weapons, anti drugs (both pharmaceutical and recreational) and anti any ideology that denies the existence of Do No Harm Communities (Kindoms) and suppresses the uniqueness and freedom of all men, women and children.

The Cristian family and our Love For Life work is unaligned to any big business corporation, intelligence agency, government body, "system" law, "system" think tanks, "system" green or environmental movements, religion, cult, sect, society (fraternity, brotherhood, sisterhood, order, club, etc,) secret or not, hidden agenda, law or sovereignty group, occult, esoteric, New Age or Old Age.

The Cristian family supports and promotes the remedy that brings an everlasting peace, freedom, truth, joy, abundance and do no harm for all of life without causing loss of uniqueness or the need for having slaves and rulers. We are not into following the one in front or being shepherds for sheeple. Most importantly, we take full-responsibility for everything we think, feel and do.

The Cristian family are not Christians.

## THE CRISTIAN FAMILY PLEDGE

Being of clear brain, heart and intention, we each declare the following to be true:

- We have no intention of ending our own lives.
- We will not tolerate suppression of truth, ideas, freedom, or our work. We stand for freedom of speech.
- We stand together to support others in the expression of truths and freedom to speak out no matter how radical those ideas may seem.
- Standing for freedom takes courage; together we shall be strong in the face of all odds.
- If it is ever claimed that we have committed suicide, encountered an unfortunate accident, died of sickness/disease, disappeared, been institutionalized, or sold out financially or in any other way to self-interested factions, we declare those claims false and fabricated.
- We testify, assert and affirm without reservation, on behalf of all those who have dedicated their lives to the ending of secrecy and the promotion of freedom of thought, ideas and expression that we shall prevail.
- We Do Not Have Multiple Personality Disorders

## Update Regarding The Love For Life Home Page And Quick User Guide

We are turning the Love for Life Quick User Guide <http://loveforlife.com.au/node/6608> into a blog of all the main insights of our work since March 2005, whether through articles, videos, podcasts or discussions/debates.

As we do not have the time to compile everything we have written into a book, as many have suggested we do, compiling all our most important work into one area of the website is a way of providing easy access to this work so those interested are able to fully comprehend the big picture.

Instead of having to find our different articles, videos, etc, in various parts of the website, it will all be accessible here: <http://loveforlife.com.au/node/6608> and here: <http://loveforlife.com.au/node/3385>.

## **Love For Life Videos**

As amateurs and posted in the Quick User Guide below the Facebook links, we're currently creating and posting a series of videos called "The Dream Of Life" which covers the ground of all the Love For Life insights. We plan to have the videos completed by December 31st 2012. Once this is behind us, our intention is to create a 2 hour or so video covering the body of this work. All videos are embedded in the quick user guide <http://loveforlife.com.au/node/6608> and uploaded in Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife>.

## **Love For Life Music**

We have started recording songs, with others, that express the themes of Love For Life. They are now being posted on Arthur's YouTube channel: <http://www.youtube.com/user/ArthurLoveForLife> and are embedded in the quick user guide <http://loveforlife.com.au/node/6608>. We have over 100 songs to record. A few rough demos have already been used as the soundtrack on the first "Dream of Life" video.

## **About Us - Love For Life & The Cristian Family**

Also, everything we, the Cristian family, have gone through, from bank fraud and the theft of the family home to death threats and attempts on Arthur's life, is documented in the Quick User Guide too. If you, the reader, are prepared to put the effort in, you will comprehend the extent to which we have all been tricked into becoming slaves, giving up our uniqueness and our full-responsibility for life and destroying everything of life to the point where life is in danger of dying out completely. You will also comprehend the remedy to all this chaos; a remedy that requires only love for life and the determination to do what needs to be done. Though our focus is very strongly on the remedy that creates a world of freedom, truth, peace, joy, abundance and Do No Harm for all of life without loss of uniqueness or the need for slaves and rulers, we realise that it is vital to comprehend how to get there and what stops us from getting there. This is why there is so much information on the hows and whys of everything going wrong in the world today. We are not into peddling conspiracy theories, we are into routing out all forms of organised crime.

## **ADDITIONAL DISCLAIMER**

### **THE CRISTIAN FAMILY SUPPORTS FREEDOM OF SPEECH - FREEDOM OF THOUGHT**

**Posted Wednesday 17th June 2009**

**Updated September 2011**

**NSW Jewish Board Of Deputies  
Has Threatened To Shut Down  
The Love For Life Website**

**No Freedom Of Speech - No Freedom Of Thought**

Love For Life does not support harm doing in any shape or form. However, we are supporters of free speech and post articles, documentaries, etc, that represent a wide cross section of ideas. See the Love For Life extensive research library where over 6000 documents, articles and videos are posted: <http://loveforlife.com.au/node/82>. We clearly see the evidence of the destruction to MAN and the earth that has been caused by ALL religions over the centuries and are therefore not supporters of religions, cults, sects or any group that demands conformity of thought, speech or action, or has

rules, regulations or rituals that must be followed. Religions, nationalities and cultural "identities" are formed as a result of the brainwashing we receive from childhood. They are part of the tactics the Establishment uses to keep us all divided from one another and fighting one another.

All religions promote discrimination and division, leading to hatred and even violence and murder. None of them have yet to produce a remedy to all the suffering, poverty, unhappiness and discrimination in the world. If any religion truly had the remedy to all the suffering on earth, there would no longer be any suffering. What have Christianity, Islam, Buddhism, Hinduism, Judaism, atheism and the New Age done to end the suffering in the world?

Since December 2006, there have been many attempts to take down the Love For Life website. Any attempts have been thwarted by Love For Life supporters inundating the harm-doers with emails, etc, objecting to them taking down the website for a variety of reasons. The trouble makers usually back off when they realise that they can post all their views, arguments, beliefs, etc, in the Love For Life website without censorship or restriction imposed. They get to see that even the Queen, Pope, Prime Minister, President of America, etc, can post all their views without hindrance or sabotage and that we support freedom of speech/thought which means we support the right of all sides to express their views.

Of note, there is a vast amount of information posted in the Love For Life website which we do not agree with but we leave it all up because we refuse to be biased, opinionated or self-centered/self-serving. Of the many thousands of comments posted over the years we have only removed posts containing secret links to commercial advertisements, terrible foul language, threats of violence and death, etc, and attacks on other people's characters that avoid the subject/debate at hand. Besides links to advertisements, we have taken down less than six comments due to the above. We usually leave everything up, all warts and all, even those posts threatening to do terrible things to Fiona, our children, our dogs, our friends, family & supporters, etc.

The Love For Life website has information from all sides on many subjects, whether about Islam, Judaism, Christianity, Law, health, psychology, mind control, vaccination, aspartame, MSG, Chemtrails etc. There are over 11,000 articles, documentaries etc on the website and they are so diverse that we are sure that everyone would be able to find something they loved and something they hated, if they took the time to search. If we removed all the articles hated by everyone, there would probably be nothing left! We are not anti anyone but freedom of speech is freedom of speech and no one should condemn the work of another without taking the time to research the subject themselves. Yes, there are articles by those who have a less-than-rosy-viewpoint of Judaism, but there are also articles on the dark side of Tibetan Buddhism (and it is very dark) for those who are interested in the truth: **Tibet - Buddhism - Dalai Lama**: <http://loveforlife.com.au/node/6271> Should the authors of these articles be abused and imprisoned for daring to challenge the widely conceived reputation of Buddhism as being the religion of peace and love and that of the Dalai Lama as a saint, or should those interested be allowed to study the work and come to their own conclusions? The same applies to all the articles, documentaries, etc, about Christianity, Islam, Freemasonry, New World Order, etc.

The Love for Life website also shows how the Rule of Law, the Bar, the Government, the Monarchy, the system of commerce, the local, national and multi/trans-national private corporations, all the courses and careers on offer from our universities, all the educators, scientists, academics and experts, the aristocrats and the Establishment bloodlines have also done NOTHING to end the suffering in the world. The website maps the insanity of a world where there is no help for those in need, just as there was no help available for us when we were victims of terrible bank fraud: "**NSW Supreme Court Case - Macquarie Bank/Perpetual Limited vs Fiona Cristian - Victims Of Bank**

**Fraud Condoned By Judges"** <http://loveforlife.com.au/node/5> (orchestrated, condoned and protected by an international crime syndicate/terrorist organisation of judges, barristers, registrars, lawyers, politicians, banksters, big business representatives, media moguls and other lackeys who, all together, put up a wall of silence despite our trying many, many avenues. After the family home was stolen and business destroyed we were left close to poverty and destitution caring for 4 young daughters. Three years later not much has changed regardless of all our efforts. Where were all the followers of all the religions to help us? Or do we have to be members of those religions to receive help from others involved in them?

The New South Wales Jewish Board of Deputies accused us of being anti - Jewish, see: <http://loveforlife.com.au/node/6616> and <http://loveforlife.com.au/node/6665> because we had posted an excerpt from **James von Brun's book: Kill the Best Gentiles:** <http://loveforlife.com.au/node/6054> in which he blames Jews for the problems of the world. Obviously this is not our view because of what we have stated above. We do not hate anyone, whatever religion they follow. We are always open to talk to any religious leader or politician and meet with any judge, member of the Bar, experts, academics, educators etc to share the remedy we offer that heals all the divisions between MAN and MAN, and MAN and the EARTH.

Today, a representative of the New South Wales Jewish Board of Deputies is threatening to close the website down, because they have decided it is anti - Jewish and that we promote racism. What has the New South Wales Jewish Board of Deputies done to end the suffering in the world? Can they show that they are concerned with the suffering of ALL men, women and children AND ARE SEEN TO BE DOING SOMETHING ABOUT IT or are they only concerned with Jewish affairs? If so, they, along with all the other religions that only care for their own, are part of the problem, not part of the solution. The man who rang Arthur today was only concerned with Jewish affairs; he was not interested in our intentions or in anybody else, just as most Christians, Muslims, Sikhs, Catholics, etc, are only interested in their own. While we separate ourselves into groups, dividing ourselves from others with rules, regulations, rituals, procedures and conditions, we will never solve our problems.

No matter what we in the Western World Civilisation of Commerce have been promised by our politicians, religious leaders, scientists, educators, philosophers, etc, for the past two hundred years, all we have seen is ever-increasing destruction of men, women and children and the earth. None of the so-called experts and leaders we have been taught to rely on are coming up with a solution and none of them are taking full-responsibility for the fact that they can't handle the problem. All religious books talk about end times full of destruction and suffering but why do we have to follow this program when there is an alternative to hatred, mayhem and death? Why are our leaders following the program of destruction and death rather than exploring the alternatives? It seems that any mainstream politician, priest or academic are only interested in supporting the RULES OF THE DIVIDE, that maintain the haves and the have nots. For 200+ years, 99% of the world population have been so trained to pass on their responsibility for themselves, others and the earth, that the 1% of the population that make up the leaders of the rest of us are making all the decisions leading to the destruction of all of us and the earth. Let's not forget the education system that brainwashes the 99% of the population that we are free and have equal rights while, in fact, we are feathering the nests of those at the top.

At the root of all our problems is self-centredness, an unwillingness nurtured by the Establishment that keeps us concerned only with our own needs rather than the needs of others around us and the Earth. Instead of creating and releasing acts of love for those around us as gifts to benefit them and the earth, we take, take and take, until there is nothing left. The whole point of the Love for Life website is to show people the root of all our problems and to share the remedy. The extensive research library is there to attract browsers and to provide access to information not available through mainstream channels. If the New South Wales Jewish Board of Deputies can, after careful

examination of our work, prove that anything we are saying is wrong, we will be happy to accept their proof. If they cannot, and they are still insistent on closing the website down, they will be showing themselves to be traitors to MAN because they are not interested in pursuing any avenue that can end the suffering in the world.

All religions, corporations and organisations that support and maintain the Western World Civilisation of Commerce are part of the problem because our civilisation is a world of haves and have nots, racism, violence, hatred, poverty, sickness, discrimination, abuse, starvation, homelessness, corruption, collusion, vindictiveness, social unrest, arrogance, ignorance, fear, war and chaos. While we support civilisation, we support death and destruction because ALL civilisations that have ever existed are apocalyptic by design.

If we truly want peace on earth and freedom for all, we have to let go of all that which keeps us divided, and come together as MAN, conscious living co-creators of creation. The Love For Life website offers a remedy to the problems we all face in the form of DO NO HARM COMMUNITIES: <http://loveforlife.com.au/node/3641> For more details see here: <http://loveforlife.com.au/node/6511> and here: <http://loveforlife.com.au/node/3385> - We also highly recommend that everyone read the brilliant Russian books called **The Ringing Cedars**: <http://loveforlife.com.au/node/1125> - The **Love For Life Website Homepage** also provides lots of inspiring remedy based information: <http://loveforlife.com.au> - If you want to be kept up to date with our work please register to the **Love For Life Mailing List** here: <http://loveforlife.com.au/content/09/05/14/ mailing-list>. ### Clarification Regarding Our Intentions Behind The Use Of Donations

The Love For Life website is offered for free without a fee and without any conditions attached. If people are inspired to donate money, then we accept their gift and have provided an avenue for them to support the work we do through Fiona's Paypal or ANZ bank account <http://loveforlife.com.au/node/8515>. There is no obligation whatsoever to donate and all are equally welcome to our work and to our "time", whether they donate or not. Over the last 9 years, all the Love For Life work has been put out for free and it has often been donations from supporters that have enabled us to renew the domain name, etc, to keep the website going. While some complain that we have an avenue for donations, others complained when we didn't! Either use it or don't - the choice is yours.

Since Love For Life started March 2005 and website December 2006, Arthur has worked 16 hours a day, 7 days a week unpaid for much of this period, putting together the website and sharing insights to wake people up to what has been done to them, whether through the 11,500+ individual articles, videos, podcasts, debates, discussions, pdf's, research documents, etc, found amongst the 8,500+ posts, as well as helping many, many men and women over the phone, and through email, website correspondence, Facebook and YouTube, and creating the Love For Life food forest vege garden and Love For Life music recording studio. This is our life is a gift commitment to serve MAN/Nature/Earth but we are still severely compromised by "The System" and still have to give to Caesar what is claimed to belong to Caesar, which is where the donations help us.
