Boys And Girls Club Celebrates 89th Anniversary

The Boys' Club of Boston was established in 1893 in response to a social need for a place and a way for boys to engage in wholesome, developmental activities during their leisure time. In 1982, the need still exists in these more sophisticated, somewhat more prosperous, but essentially same environments of Boston.

From its original modest setting on the second floor of a small wood frame building in Charlestown, the organization has grown to include three large clubhouses and memberships in Charlestown, Roxbury, and South Boston. The program was expanded in 1979 to include girls and was subsequently renamed The Boys and Girls Clubs of Boston.

In its 89th year of service, the Boys and Girls Clubs is today a big and busy Clubhouse — a place and a way for fun and learning. Its activities are recreational and educational, its new and expanded programs in keeping with current demands upon the boys' and girls' futures. Stimulating the interests, energies, and intellects of the over 5000 members, its general program incorporates numerous sports and games, vocational and cultural classes, training in civic, government, and citizen responsibilities. In an unregimented, non-sectarian milieu, this training is characterized as informal while it is directed toward the individual — his particular talents and problems.

The Boys and Girls Clubs of Boston offers youth a well rounded, year-round set of choices regarding their use of their free time. It also makes some new ways and some new places for every youth, including that youth who feels he/she does not fit his prescribed world.

The Boys and Girls Clubs of Boston is eighty-nine years old, and wiser than ever to the way and play of boys and girls.

Congratulations to this outstanding Charlestown/Boston institution which is providing the boys and girls of Charlestown — a place to go and a way to grow!

Views On Dental Health

by Jeffrey D. Cohen,
D.M.D.

SETTING THE FACTS STRAIGHT

It is not a "fact of life" that several or all of the permanent teeth have to be lost as we grow older. Except for accidents or malformations, teeth are lost as a consequence of decay or periodontal (gum and bone) disease - conditions which can be prevented or arrested by timely and proper care. The primary cause of loss of teeth is neglect!

A toothache that "goes away by itself" does not mean that the tooth has recovered from whatever affected it. Pain is a warning signal that something is wrong and that no time should be lost in consulting a dentist.

Fillings do not weaken teeth! The truth is that unfilled cavities weaken teeth, and if neglected lead to loss of a tooth which timely filling could have completely prevented.

Drinking lots of milk does not prevent tooth decay. Milk is the richest dietary source of calcium, needed for teeth and bone-building, and an excellent food. But milk cannot arrest the process of tooth decay or prevent its inception.

A public service to promote better dental health. From the office of Jeffrey D. Cohen, D.M.D., 338 Main Street, 242-3550.

TIPS FOR TEETH

Steven A. Arena,
D.M.D., M.S.D.

ORTHODONTICS

For the treatment of crooked or overcrowded teeth, for spaces that can be closed, for bites (occlusion) that do not properly mesh, for health reasons to preserve the dentition, and for esthetics to make the teeth conform to the facial structure.

There are about 4,000,000 dental patients being treated with orthodontics in the United States at this time. One fifth (20%) of these patients are adults, twenty years of age or older. The increase in adult patients is primarily due to the technical developments in orthodontics making braces less noticeable and more acceptable to many adults. Patients have become more educated in what orthodontics can do. We realize that serious dental disease, like gum disease or tooth loss, may be prevented by orthodontic treatment. Also many adults are just dissatisfied with the appearance of their teeth and wish to do something about it. Perhaps it is status to be under treatment; perhaps it is desire from childhood; or perhaps it is an opportunity to be the center of attention. Whatever the reason, adults are being treated.

One other reason could be that financially orthodontics is not a terribly expensive procedure and a very good value because of the benefits that may be derived. Furthermore, dental insurances may help to reduce the cost and newer methods do not show the stainless steel bands that used to be so unsightly. And if there are many people having orthodontics done, it is a comfort for the new patient to go along with the treatment. What a subject to talk about!

Dr. Steven Arena, orthodontist, may be contacted at Dental Associates, 89 Cambridge Street, Charlestown (at Sullivan Square.)

WONDER HOW BILLY'S DOING, GEN. HAIG?

Somehow, I find it hard to fathom President Reagan sitting around the Oval Office-maybe with Alex Haig - wondering how good ole Billy McClellan is doing up in Charlestown.

Billy found it hard to believe too and that's why he responded back to the GOP Victory Fund with a letter which was reprinted in last week's Patriot. While I hadn't come to the same conclusions as expressed in Billy's letter about June bugs and German Shepherds, I would agree that such appeals are an insult to the intelligence of us all.

I have had the same urge to respond to incredulous and unsolicited direct mail money appeals and maybe now Billy has given me the push to zing back at money appeals, too!

As Republican Ward Chairman, I can understand being on the GOP Victory Fund mailing list but how did Billy get on it? Betcha, he won't be getting any more appeals from the GOP and betcha the President doesn't think about Billy anymore in the Oval Office either!

PETITIONS GROWING

Joe Kent already has some 600 signatures on that petition to Frank Bellotti and he's going for a thousand...No one was surprised that the Kennedy Center's Executive Board meeting last week never materialized. The more things change, the more they stay the same. Any wonder people are rushing to sign the petitions, a final straw and bottom line in this controversy which is hurting lots of folks who need the Kennedy Center's services.

Open the books, pull up the shades and give people the facts! Do that and get back to the business of being a social service agency for a change of pace!

PACMAN FEVER

There has been an application for 40 video machines to be installed in a vacant Bunker Hill Mall store and a hearing will be held by the City's Licensing Division on Wednesday, April 28 at 11:00 a.m. in Room 801 at City Hall.

TOWN MEETING

The next Town Meeting will be held on Tuesday, May 4 at the Legion Hall at 7:30 p.m. and the agenda will be the Bunker Hill Day Parade. The city will not be providing any funds this year and the parade's future is in question. If you're concerned about having a parade come on out at 7:30 p.m. on May 4.

A GRAND KNIGHT

The recent dinner/dance celebrating the 90th anniversary of Bunker Hill Council 62 was super. Charlestown has the honor of having the oldest K. of C. Council in the state.

MBTA STRIKES OUT

Can't understand why MBTA employees would strike out at the public the way they did last week. Should have heard the Pat Whitley Show.

If callers had their way, all of the strikers would be

unemployed today!

Granted the MBTA

management is employing union busting measures with part-time help but after Reagan and Patco, public employee strikes

were out-dates. If union busting tactics are to be challenged, the idea should be to get the public on your side not on the other team.

In Europe - I believe Italy - people saw a public employee strike by transit workers but instead of walking off the job, strikers let

passengers ride for nothing...The T workers might consider those tactics instead of self-defeating ones!

First Boston Milk Run

The First Annual Boston Milk Run was held on Sunday, April 4, 1982. In the two hours preceding the race, the gathering runners and spectators were treated to a typical dose of New England weather, including rain, hail, snow and high winds. The inclement weather did not dampen their spirits and there was excitement in the air as the start of the race approached.

The Boston Milk Run was sanctioned by the TAC as the Men's Open 10K National Championship, the first such Championship held in Boston since 1950. Top runners in the field included: Geoff Smith, Bob Hodge, Ray Treacy, Brendan Quinn, Mark Anderson, Jack Fultz and Ellison Goodall.

At the conclusion of the race, the runners were treated to a variety of dairy foods and other assorted culinary treats. An awards ceremony concluded the day's activities with prizes and gifts being awarded to the top finishers.

Charlestown residents who finished the race were:

C.Y.H.A. News

This weekend, both Pee Wee "A" and "B" squads won the Play-off Championship in their respective divisions. The "B" team also won the division title, finishing in first place. The "A" team finished in fourth place and so came in as the underdog.

The Pee Wee "A" won their game 5-4 in OT. Their first goal was scored by Jimmy Donovan. It was a nice slap-shot from about twenty feet out. The next 3 goals belonged to Ipswich. Then Charlestown, backed by their strong net-minder, Kevin O'Donnell, came back to take the lead, 4-3, with 5 minutes left in regulation time. With 3 minutes left, Ipswich tied it up on a deflection off the

skate of previously mentioned net-minder, Kevin O'Donnell.

Time ran out with the score tied at 4-4. In sudden-death overtime, Charlestown's John Lyons put the puck in the net for the game winner.

This team was coached by Eddie Greateorex, Sonny Tucker and Dave Hansen. It was managed by Pam Enos.

Story by C. Roche

Congratulations to the Squirt II Team, and to the Pee Wee II Team, and to the Pee Wee I Team for winning their playoffs up in Danvers last week, concluding a successful season for C.Y.H.A. Also, congratulations to the Pee

Wee Division for winning their district Mini One-On-One. This team will appear on TV in the fall of the 1982-83 season.

The coaches for the 1982-83 season have been selected. They are: Midget I - Dan Harrington Bantam I - Mark Urquhart Bantam II - John Dillon Pee Wee I - Ed Greateorex Pee Wee II - David Hansen Squirt I - Jim Tucker Mite I - Lou Marino Mite II - Mike Donovan

As of yet we don't have coaches for the Midget II Team or the Squirt II Team.

With all the so-called complaints about last year's coaches, we have had absolutely NO, and I repeat NO volunteers for any coaching positions, and this I call a disgrace because the people who do the complaining, do not want to volunteer their time to try to help the boys. As a board member and as president of our organization, I respect the people who give their time unselfishly and wish there

were more like them.

Ronald Vitale
President - C.Y.H.A.

Irish Update

by Marty O'Brien

The regular monthly meeting of the Bunker Hill Irish Heritage Society will be held on Wednesday, April 28, 1982 at the American Legion Hall on Chestnut Street at 8:00 p.m. All members are invited to attend.

Membership is still climbing. It shouldn't be long before we hit the 1000 member plateau. Don't forget, you don't have to be a resident of Charlestown to become a member of the Bunker Hill Irish Heritage Society. All are welcome. As it is, we now have members from many of the surrounding towns as well as those not so close, e.g., Randolph, East Falmouth, South Weymouth, and Nashua, N.H.

Don't forget elections of officers on Wednesday, May 5th at the American Legion Hall on Chestnut Street. Voting hours will be from 12 noon to 8:00 p.m.

In last week's issue of the Patriot, a partial listing of the nominees and their of-

fices was printed. The following are the remainder of those nominated and the offices for which they were nominated: For Recording Secretary—Patricia Pelton (unopposed); Historian—Joe Scadding (unopposed); Corresponding Secretary—Marty O'Brien (unopposed); Advocate—Pat Sweeney (unopposed); Board of Directors (4 to be elected)—John McLaughlin, John Walsh, Grace Campbell, Edna Kelly, Lillian Boutilier, Joe Freeman, Ed Callahan, Gladys Gauthier, Phil Kelly, Rita Sullivan, Jack Kelly, and Rita Kelly.

All "FULL" members are eligible to vote. So, come on down and cast your ballot for the candidates of your choice. Good luck to all candidates on election day.

There was a pretty good turnout last Sunday afternoon for the Irish Football workout. If you missed last Sunday, and registration Wednesday evening, you can still get involved by getting in touch with the Athletic Committee via P.O. Box 202, Charlestown, MA., 02129. But hurry,—the season will be starting soon.

Garden Concert On Sunday

Organizers of the upcoming concert at St. John's Episcopal Church have announced that a limited number of tickets will be available at the door. The performance by the Boston Society of Music, a forty piece orchestra conducted by J. Kenneth Scott, will benefit Gardens for Charlestown and the Rev. Walcott Cutler Memorial Forest Garden at the rear of St. John's, 27 Devens Street.

Sarah Damron-Brown will be soloist in Rachmaninoff's second piano concerto, the feature work of the concert, which begins at 3 p.m. on Sunday, April 25th. Weather permitting, the reception following will be held in the garden. The concert is funded in part by a grant from the Massachusetts Council on the Arts and Humanities, a state agency.

Issues On Aging

Questions: When is a person old?

Answer: A person need not be old at the age of 65. This age was first chosen by Emperor Bismarck in Germany in the 1800's to denote the time when citizens should begin to collect benefits and was later adopted by the U.S. government for social security purposes. Unfortunately, the age of 65 became a symbol in our society of being old, of suddenly having reached the declining years. Yet, this is not true for many people. Everyone ages at different rates. Heredity, health, personality, and the environment are just a few of the factors which influence aging.

We all know people who stop functioning in their 50's and others who go on well into their 90's. Consider the creativity and later life success of conductor Arthur Fiedler, anthropologist Margaret Mead, and George Burns, acting into his 80's. There are several older people in our community who, although less famous than those mentioned above, are none-the-less living their lives to the fullest—still working, socializing and learning—at any age many would consider old.

Aging is a totally individual process. There is no definite number of years that makes a person old. As Tyron Edwards (1809-1894) stated "Age does not depend upon years, but upon temperament and health. Some men are born old, and some never grow so"

by Ilene Springer

My Sincere Thanks

A sincere thank you to my family, friends, and neighbors for your prayers, visits, cards and many acts

of kindness extended to me during my hospital stay and since I returned home. Thanks, also, to the

parishioners of St. Catherine's for their prayers and for the lovely Easter plant. I would like to thank Sister Nancy, Father Quinn, Father Conway and Father Buckley for coming to see me in the hospital and since I returned home. Your thoughtfulness will always be remembered. I wish you all health and happiness.

A special thanks to all my little friends who came to play cards with me and brighten the long days.
