**AEON LEGACY MANIFESTO: (unofficial Joy of Satan Ministries consolidation) by Brother Reconciliation**

**Lucifer/Satan's number is two for duality, while the enemy's is the number one for semblance, like with Jewish Communism. Satan means adversary/accuser in Hebrew. The origin of the name Satan is Sanskrit. The Indian Punjabi Sanskrit derived chant SaTaNaMa is Satanic. 'Sa' means infinity, 'ta' means birth, Na means death and Ma means rebirth. SaTaNaMa and Satnam are chants in Kundalini serpent yoga that are derived from the Sanskrit words 'sat' and 'nama'. The Sanskrit word Sat means 'true essence' and the root 'A' means 'absolute existence'. Nama means 'reverence/in the name of', so sata-nama means 'true essence of absolute revered'. Sat with the suffix 'an' (breath) literally means 'breath of life/breath of god'. In Sanskrit 'sa' translates to prosody and 'tan' translates to expansion, so sa-tan denotes 'creation'. Sata is the Sanskrit number 100 that became the Hindi word satta, which means 'power'. Sata is the eternal serpent from the Ancient Egyptian Papyrus of Nu. The Sanskrit word Satya means 'eternal truth' in Sanskrit. Satanu is Sat 'true essence in union with Anu 'atom/molecule/body (physical)'. Satya (also Satyam) means truth is Sanskrit. Satya is also pronounced with an anusvara (nasal sound) at the end is Satyan, meaning 'the truth' in Hindi. It comes down to the fact that the name Satan means 'truth'. Ra is the root word for fire in Sanskrit and means also 'vibration' as it has a spiritual meaning. Ra means light and the Sun in Ancient Egyptian; also being Re (pronounced ray) like ray of Sunlight. Ra was perverted to darkness**

**and evil in Hebrew (Old Testament lexicon). Devi means 'divine' (masculine form of 'the Sanskrit word deva) in Sanskrit. Devi was perverted to devil by the Jews. The trident (trishula) of Shiva that represents three major energy centers of the soul was made into the Devil's pitchfork. Lucifer means 'morning star' in Latin. Venus is the morning star and Venus is the planet Lucifer/Satan rules. In Sumerian mythology, the creator of humanity named Enki, which commonly translates to 'Lord of the Earth'. Enki is Father Lucifer/Satan. Nonbelievers have stated that depictions of giants are just the royalty made to look like gods, due to their entitlement.**

***The Sumerian sky god Anu is an allegory for the element aether, being Enki's father. Ea (hEAvEn and EArth) from Sumeria literally means 'house of water'. Ea was the Babylonian god of wisdom and creation. He ruled from the Abzu (fresh water of the abyss) Lucifer/Satan's signs are Aquarius the water bearer and Capricorn the goat. Poseidon holds a trident like Shiva's trishul and is lord of the water. The Egyptian god Ptah is Lucifer/Satan. Ptah was later merged with the Demon Osiris/Oriax.***

***The Greek Titan Prometheus gave the fire of the gods to humanity, is in essence Lucifer/Satan. This statue is in the Rockefeller Center, which reinforces the idea for Christians and possibly Muslims that the Illuminati is Luciferian/Satanic. This is a common theme with the Jewish elite's scheme that is revealed in this work.***

***The Sumerians called the Nordic gods the Anunnaki, translating to the likes of 'royal seed'. They desired servile workers. Lucifer/Satan created the Gentile soul.***

***Egypt, Sumer and Peru. Lucifer/Satan and the Elder Gods taught the Brotherhood of the Serpent in mystery schools for advancing Gentile souls, before being viciously attacked. There were 13 mystery schools along the Nile River. German secret societies knew of the Nordic underground cities and had contact with Nordic extraterrestrials. 'Jesus Christ is fictitious. People's prayers to this being that never existed have created a thoughtform of 'him' on the astral plane. This is actually a Hebrew cabalistic spell to manifest the Jewish messiah. Latin Christus came from the Greek word Christos that was derived from the Indian Bengali Kristo, which is a variation of Krishna. In mythology, Krishna is an avatar incarnate of Vishnu, later perverted into Jesus being the incarnate of Jehovah. Jesus translates back to Yeshu/Yesu in Aramaic (Syrian Semitic dialect) meaning 'to deliver'. This name later became Yeshua that is an acronym meaning 'may his name be blotted out'. This is believed to be about 'Jesus Christ', but it's really directed at Lucifer/Satan. The Jewish elite want Gentiles to believe that they oppose Christ as they blaspheme 'Yeshu' in their Talmud, written in Babylon 200 AD and 500 AD. There is no historical evidence of the life of Jesus Christ and there are no paintings of 'him' either. 'Jesus Christ's' has been depicted is a corruption of the Greek Sun god Apollo.***

***The 33 years of the fictitious Jesus Christ's life is a perversion of the 33 vertebrae of the human spine where the Kundalini (serpent of fire) energy ascends and also, the 33 degrees of Freemasonry. The The resurrected Pagan savior was applied to Judaism, creating Christianity. There are 18 plus crucified Pagan Gods, such as Odin/Wotan hanging from a tree and Egyptian Osiris' resurrection in Pagan mythologies. These predate Christianity by thousands of years. These legends depicted the alchemical process of transformation. Alchemy is the process of turning lead to gold, but originally was transmutation of the soul into purity. The Sun is at its lowest point in the sky in Winter on December 22, symbolizing it's death. The Sun stays at its lowest point to in the sky for three days December 22-24 in the constellation of the southern cross/crux before beginning its ascent on the December 25. The Sun 'dies on the cross' and is 'resurrected'. By Easter the Spring Equinox, the Sun has defeated the darkness and has ascended.***

SOUTHERN CROSS

DEC 22,23,24

***This is what Christmas and Easter are based on. Easter was stolen from the Pagan Spring Equinox holiday called Ostara that celebrated the goddess and fertility. The three wise men – the three kings (taken from Orion's Belt) that visit Bethlehem at 'Christ's Birth' were Magi that were practitioners of witchcraft. This was corrupted in the Bible of alchemy. The Greek Pythagorus was a Magi who summoned a Daemon to acquire his mathematical theorem. Demon means 'genius spirit' in Greek mythology. Sirius A is the Biblical Star in the East. Christmas on December 25 is the birthday of the Persian god Mithras, who was surrounded by the 12 zodiac signs (perverted into Jesus Christ and his 12 apostles). The Roman festive holiday Saturnalia was on December 25th. Modern day holidays are taken from Pagan holidays. Halloween is a Satanic holiday. The Jewish Rabbinate including Jew Saul of Tarsus (Apostle Paul) were involved in this process. The Flavian Dynasty (69-96 AD) was when Jews infiltrated Rome and the Christian lie began to manifest. Cain and Abel is taken from Set and Osiris; Osiris slays as Set as the 'Sun sets'. David killing Goliath is stolen from Norse Thor slaying the frost giant Hrungnir. Like the 12 fictitious disciples of 'Jesus Christ the Nazarene', the 12 Tribes of Israel they represent were stolen from the 12 signs of zodiac; Judah with the symbol of the lion us a perversion of Leo the lion. Jewish Noah's Ark was stolen from King Zuisudra. Jewish Samson was stolen from Heracles. Jewish Abraham is an anagram of Brahma that represents ether and Godhead that is nirvana, ascension and immortality. Abraham was also stolen from King Hariscandra. Moses was floated down the Nile River in a basket of reeds like Horus. Christian 'Amen' was stolen from Amon Ra, who is also the god Marduk. Ezekiel's Wheel was stolen from the Chariot of Amon Ra. The Ten Commandments was stolen from the Code of Hammurabi (that's been edited to resemble nothing of its original form). Jacob's Coat of Colors is a metaphor for the human aura. The list goes on. Judah was a result of a schism that supposedly occurred within Israel from 1,020 to about 930 BC. The Nordic Elder Gods are known as the Anunnaki. ***Nordics speak. Sanskrit is another language of the Nordic Elder Gods. Enochian and Sanskrit are both cabalistic, meaning that they both have numeric values to the frequencies of their vibrations. Cabalistic speech is the vibration of creation itself. The Old Testament states that 'in the beginning was the word'. When pronounced correctly (the ancient way) Vedic mantras are an example. Daemon means 'genius spirit' in Greek. The Elder Gods taught Gentile humanity agriculture, linguistics, craftsmanship, architecture, art, metaphysics and mathematics during the Golden Age. It is debated as to whether aliens or the ancients created the advanced works of precision of stonemasonry at the site Puma Punku in Bolivia. The site is dated to 536 AD, but it could be 12,000 years old, or so. The Inca could have just inherited it. The Mayans, Aztecs, Toltecs and Incas came after the Olmecs, who were the oldest Mesoamerican Pagans.***

***The god Thoth is the Greek Hermes and the Aztecan Quetzalcoatl, who is presumably the Mayan god Kukulcan. However, the pre-Incan god Viracocha is the oldest Mesoamerican god that is Lucifer/Satan.***

***Crop circles have been spotted being created by orbs of light as the extraterrestrials use advanced technology. Nordics have been with their flying saucers in crop circles by crop circles. Alien crop circles bend the grain stocks, unlike human made crop circles where the grain stocks are broken. The Extraterrestrials are likely communicating with governments and/or using advanced mathematical metaphysical symbols to enhance Gentile consciousness on Earth.***

***The Ark of the Covenant of the Jews of Exodus that was a box with the Ten Commandments of 'Moses' was never found as it is really their Torah. There is no historical evidence for Exodus, where the Jews were enslaved by Egyptians. Exodus is celebrated with the Jewish holiday Passover. Exodus was supposed to have occurred during the year 1,446 BC by authority of pharaoh Thutemose III. Exodus. There were no 'Plagues of Egypt' like the Old Testament states. Ancient Egyptian pharaoh mummies discovered in Egypt were Aryan. Ancient Aryan mummies were also discovered in China. The Aryan race is directly descended from the Nordic Elder Gods. ***stronger and weaker genetic traits than other races. Aryans are the Master Race. Arya means 'noble' in Sanskrit. Aryans are esteemed and are highly creative. The Jews refer to Aryans in their ancient book the Zohar as the 'seed of Amalek', the twin serpent of Samael (Satan) and that they must bolt out the serpent seedling of Amalek. Gentile souls are referred to as 'sparks of Amalek' in the ancient Jewish text the Bahir. These are Satanic souls that are in opposition to the Jewish agenda. The majority of the African Diaspora slave owners were Jewish, as they dominated the industry. The Jews owned most of the African slave ships. Newport in Rhode island was the center of the North American slave trade and this is where the oldest US synagogue is located. African slaves cultivated cotton, sugar and tobacco for Europeans. African kings traded their own people into slavery for guns offered by European merchants upon their arrival. Rivaling African tribal kingdoms began an arms race. Voodoo and Hoodoo are Pagan and Christian fusions of sorcery, but Pagan African Voudon witchcraft is ancient. The Kundalini serpent consists of two channels, the ida (feminine) ruled by the Moon and the pingala (masculine) ruled by the Sun. The shushuma is the etheric tube that connects the chakras, where prana/qi/vril 'life force energy' travels. ***The Tower of Babel is an lie. It represented the spine and it had seven stories for the seven chakras. The tower 'reached to heaven' like the Kundalini ascends to Godhead. The Old Testament tells that 'god' split peoples up and made humanity use different languages, so they couldn't communicate. However, Babel was the disconnection of the chakras via Hebrew sorcery that blocked the Kundalini from ascending. Compared to a higher state of consciousness, humanity's communication is 'babble'. So very many Pagans who had spiritual knowledge were murdered during the Inquisition. A substantial amount of them were tortured. The Sun, Moon and five inner planets rule the seven chakras, which is represented by a heptagram (seven pointed polygram). It was a Chaldean Babylonian symbol.***

***Uranus rules the masculine left hemisphere of the brain that governs logic and linear thought processing. Neptune rules the right hemisphere of the brain that governs intuition and feeling. Pluto rules the pineal gland. Love is ruled by Venus, while the heavenly and earthly energies connect the soul at heart chakra. The heart chakra is ruled by Mercury and not Venus as New Age disinformation states. The 666 solar plexus chakra is the powerhouse of the soul, not the heart chakra. Affection is felt and expressed from the throat chakra that instantaneously goes to the heart chakra where connection occurs. The traditional heart of Cupid is really the Kundalini masculine and feminine energies being fixed in the head and is formed by the Fibonacci spiral prevalent in creation.***

***The Vatican suppresses sexuality because it's creational energy. Orgasm also cleanses and opens the chakras, to an extent. Pagan crosses, like the Celtic Cross, are symbolic of union of matter and spirit and as sexual union. The Egyptian Ankh was associated with eternal life and sexual energy.***

***The cross of the zodiac represent the Four Corners of creation and the four seasons, with the Summer and Winter solstices and Spring and Fall/Autumn equinoxes. These occur because the Earth wobbles on its axis. 'Seventh heaven' is a code word for the crown chakra. The crown chakra is referred to in the east as the 'thousand pedaled lotus'. The pearly gates of 'heaven is a perversion of the pearl of the pineal gland. The Ancient Egyptian Eye of Ra/Horus represents the pineal gland that corresponds to the crown chakra.***

The ancient planet Phaeton that was populated by Gentile human was destroyed, forming the asteroid belt. This is depicted in a Sumerian tablet.***

***The concept of Christian Hell is a perversion of the Norse goddess Hel of the underworld. The archangels were stolen from the four Crowned Princes of Hell. The Aramaic word Kepha for rock/stone was transliterated into Greek as 'kephos'. This became the name Cephas for 'Saint Peter' of the New Testament was one of the twelve disciples of 'Jesus Christ'. Peter is alike to the Greek word petros for rock/stone. Peter was stated to have been crucified upside down on an inverted cross by the Romans. The rock on the inverted cross represents the Magnum Opus that is the greatest working of witchcraft to attain Godhead. A ball of concentrated and condensed energy is circulated from the sacral chakra throughout all of the chakras up behind and down in front of the body, back to the sacral chakra to be stored there in. Christianity is a blasphemous insipid weaponized postulated perverted dogma. It dictates that Christians must be sorry and repent, which opens them to be vulnerable to psychic attack. Feeling love for 'Jesus Christ' and empathy for his suffering is sorcery. It makes one psychically open to the enemy thoughtform energy vortex. The Biblical term 'god' was created from perverting the Lombardic name Godan for the All-Father Odin/Wotan. Nature is self-aware and so it then converged to the singularity, becoming sentient. Each action has an equal and opposite reaction. One is Lucifer/Satan and the other is the evil communist Reptilian gods. Nature is all-merciful for making it the law that good is stronger than evil. There is no such thing as a completely omnipotent god. The glorious and righteous shining golden god Lucifer/Satan exalts himself in eternity. There can't be any posers in Hell's Army. The enemy gods created Jews by giving them a Reptilian entities (of the Biblical angelic Seraphim) Cohen/Levi genetic splice. Jewish genes can be expressed through Y-DNA, X-DNA, mtDNA and atDNA mutations. There is no such thing as a good Jew. Jews are wandering nomads, taking over a host nation like an infesting parasite. Jews have been expelled from at least 87 countries/nations/political entities. The Jewish race arrived on Earth, arriving in India in ancient times around 6,000 thousand years ago. Christian Creationists believe the Earth is only 6,000 years old and that carbon dating is a lie of the 'Devil'. Jews are subject to a host of diseases exclusive to their race. Jews are parasitic by nature and fundamentally differ from Gentiles. Gentiles and Jews are cosmic enemies. 'One love' doesn't apply to anyone with Jewish genes. Jewish souls are also different from Gentile souls. Jews are missing aspects of the soul that Gentiles possess. Jew psychologist Sigmund Freud came along and stated that all people were flawed and inherently perverted in ways, but that's not true. The Reptilian gods gave the wicked Hebrews (Jews) knowledge of how to defeat the Gentiles as they bound the Gentile soul with the curses in their sinister Torah. Lucifer/Satan and the Gentile Pagan Elder Gods wouldn't accept the agenda of the enemy Reptilian and Nordics, but were outnumbered.***

The Jewish Talmud states that each Jew will own 2,800 slaves when their 'messiah' would 'return' as dictated by the ancient Rabbi Zevi. The Jews call Gentiles goyim which means Gentile and also used to refer to Gentile nations. Goyim is a reversal of Sanskrit word yogin, a derivative of yogi, who is one that practices yoga. In the Talmud, goyim are slandered as being alike to cattle cattle and amongst Jews, goyim is often used as a derogatory term. The Protestant Reformation subverted the Renaissance. The Nazarene were incorporated into the Renaissance art. Jew Adam Weishaupt founded the Bavarian Illuminati two months before America earned its independence. Jew Mayer Amschel Bauer (Lord Rothschild) ingratiated himself to Prince William and incorporated Hebrew mysticism into Freemasonry. Frankism is a sect of Judaism that does not follow the Halacha (Jewish law and philosophy) guidelines. In a pure democracy, there is no restraint on the majority in this way and so it can impose its will on the minority. The Founding Fathers had three mottos in Latin, being Annuit Coeptis (our enterprise is a success), Novas Ordo Seclorum (new order of the ages) and E Pluribus Unum (out of many - one). The Founding Fathers made the complex US government, so it's difficult to get things done and keep them that way, so that the nation is gridlocked and generally just temporarily sways in a political direction. This can be replaced by an egalitarian 'National Socialist' fascist totalitarian corporatism at the culmination of Lucifer/Satan's great enterprise. The three branches of government and federalism (having state governments) are testament to this. The Founding Fathers were geniuses and knew how to structure the country to create stability for the coming generations that had to deal with Jews and their Gentile lackeys.***

***Protocols of the Learned Elders of Zion* was the first conference of the Jewish elite that was held in Switzerland for planning their world domination. Anyone with a copy of this book in the USSR was executed. This book was unleashed to the public in April 1903 because of the Kishinev pogrom (looting and vandalizing of a Jewish neighborhood). This occurred due to the discovery that the Jewish community was involved in a kidnapping of a Gentile child named Andrei Youshchinsky, who was used in a ritual sacrifice in a sorcery against the Czar. The Christian mystic Nilus' version is a plagiarized forgery. The Bolshevik Revolution occurred in 1918 when Zionist Jews assassinated the Russian Gentile Tsarist autocracy, the Romanov family. This is how the Soviet Union was created. The Zionists who executed this operation came over from New York City on a ship during World War One, sent by Jewish bank Kuhn, Loeb and Co., who helped fund the Bolsheviks. The Bolshevik Jews of Russia starved to death 10 million Aryan people behind the Iron Curtain of communist Soviet Russia in Ukraine in 1932-33. This genocide of starvation is known as the Holodomor killed about 10 million people. Bolshevik Gulag concentration camps in Siberia and Kolyma (East Russia) were used to intern and systematically work these poor people to death. These Gentiles were tortured beyond belief. The USSR even persecuted some Jews for show to fool the masses. Joseph Stalin was a Jew. Karl Marx the Bolshevik philosopher and his revolutionary successor Vladimir Lenin were Jews. ***needs. This becomes tyrannically dictated by an oligarchy with the citizens below them. Ideological subversion is Jewish sorcery that deceives the masses to oblivion by Marxist and Leninist indoctrination. Subversion in Latin means to overthrow. Marxism is theorem and methodology that analyses and critiques societal conflict relating to class relations, economics and politics. It uses a materialist interpretation of historical development and a dialectical view of social transformation for 'emancipation' of the working class. Marxism claims that all people are equal and that class dictates how people think; that ideas come from these historical patterns. Marxism asserts that if the method is continuously attempted then it'll eventually work, which is Jewish insanity. Cultural Marxism is anti-Aryan. 'Racist' was coined by Bolshevik Jew Leon Trotsky in 1917 to slander all nonconformists to the communist ideology of assimilation. This instills resentment and even hatred in other Gentile races. Aryans are forbidden from being White Nationalists, or else they're 'racist' and 'Nazi sympathizers'. Jewish racism against Gentiles (mostly Aryans) has been coined by the term of 'Loxism'. Leninism is defined as the political theory for the organization of a revolutionary vanguard party and the achievement of a dictatorship of the proletariat (working class) as political prelude to the establishment of socialism. This is about becoming united by a common struggle that creates a situation where 'glorious' revolution occurs, by force if necessary. Socialism fails and then leads to stateless Communism. Leftists are literally socialists used to do the communist oligarchy's bidding. They are instrumental in destabilizing a nation, by enforcing ideological subversion. Leftists believe in equal outcome over equal opportunity, which is folly. There are constitutional inalienable negative rights (land, liberty and property) and positive rights (government granted) that the Left wants. Leftists are then often assassinated for speaking out against the establishment once they have become radical. They're known as Useful Idiots. Leftists become narcissists and are often greedy. They become disillusioned because they know too much. It takes 15-20 years to demoralize a nation via ideological subversion and then another 15-20 to reeducate the masses. Those who are victims of ideological subversion cannot assess facts as true. The Jewish KGB secret service of the USSR used subversion as the CIA uses it in the US. The US is controlled by Israel, so it's not totally sovereign. Much of the masses believe the government is about espionage and intelligence, however, this is not the case. The media brainwashes the masses. Liberalism and socialist leftism use anecdotal arguments. The National Rifle Association is funded by Russian money, so the American liberals have more disdain for Russia. This just compounds the US liberal preexisting frustration at their alleged collusion with Donald Trump. Russia doesn't want Trump making America great again. Russia wants to meddle in the US elections to create civil unrest and destroy the US from within. This along with the George Soros funding anti-Aryan and American nationalist sentiment because the Jews want both martial law and a communist revolution in the US, like in Russia in 1917. Socialism is defined by the fact that it dictates the individual should not own land and that the state owns all, which is owned and controlled by an oligarchy that tyrannically governs over the public sector. The problem with this system is there's too much bureaucracy and too large of a government. The quality of life diminishes with socialism and of course, communism. Capitalism is defined as an economic and political system in which trade and industry of a country are controlled by private owners for profit, rather than by the state. Socialism dictates that society should be geared toward classlessness for the good of the group. Socialism has excessively high taxes. Capitalist banks lend money with interest, which is Jewish usury. Capitalism is essentially Torah applied to economics. Failed capitalism results in fascism. The New Testament Bible forbids Christians from lending money. Karl Marx's criticism of capitalism gave Zionists the information necessary to crash this system. The Jews enslave with debt. Big cities are generally more Democratic/liberal because there is more demand for regulation. The bigger the government is, the more influence and control of the populous it has. This means more taxation and in a free market, more regulations are a negative. Ideally, a government is smaller, has low taxes and is moderately conservative with spending. Of course, some spending stimulates economies. Capitalist corporate monopolies like Amazon and Starbucks hurt small businesses and should be heavily taxed. This happens in a free market, where the government doesn't stipulate regulations. As they say, CNN is literally the 'conspiracy news network'. This is true with all liberal fake news propaganda. Fox News is controlled opposition that appeals to a largely Christian base. Western Jewish controlled media divides by reinforcing polarization with a bipartisan issue dialectic. Democrats attempt taxing the US out of the recession, which would just increase monetary inflation via quantitate easing (printing more money). Keynesian macroeconomics is about cutting corporate taxes, so companies can grow and create more job opportunities. Democrats assess that this system is plutocratic. However, corporate shareholders devalue wages, while getting rich by hoarding the plunder. Democrats want corporations taxed, but that doesn't solve the issue of free market, where the state doesn't control corporations. Capitalism is about the individual and not the group. The state is the priority for the good of the race. Outsourcing manufacturing jobs to China is a nonpartisan dilemma. Neocons support Israel with wars and billions of dollars in military aid at the expense of the US. The US and EU send troops to die for Israeli Jewish wars. Neocons, like Democrats, often supports censorship and big-tech corporations. The political right oftentimes disregards environmental stewardship, being in league with oil barons. They disregard progressive clean energy solutions. The progressive political left pathetically obsesses over marxist identity politics, to no avail. Allegedly, Hitler fronted by publicly ridiculed Himmler's expeditions because the SS. Hitler didn't speak against Christianity publicly, although he and Heinrich Himmler moved against it. The Third Reich wasn't on good terms with the Vatican. Pope Pius XII was warned by his affiliates not to condemn the Third Reich because of escalating tensions that would lead to Nazi retaliation. The Vatican and Third Reich spied on each other during the war. Allegedly Eva Braun's hair was discovered on a brush where she lived and supposedly it revealed Jewish genetics when forensic genetic test was performed on it. This is literally most certainly false because she doesn't have Jewish physical features, which anyone with Jewish genes has at least a little of. Adolf Hitler has also been accused of being paternally related to the Rothschild dynasty, which has no factual backing. It's believed that Adolph Hitler and other high ranking Nazis committed a ceremonial suicide on the Pagan holiday the Eve of Beltane and that the Soviets took their corpses. However, other possibilities are that high ranking Nazis escaped on a U-Boat to Argentina, in flying saucers to Shambhala with Tibetan monks, or to Base 211 in Antarctica. Hitler will be returning to rule the Fourth Reich. Hitler channeled Lucifer/Satan in his speeches. The Nazis flying saucers were designed with Nordic extraterrestrial aid, during the war. Mercury is spun around inside the flying saucer to create an energy vortex, like a chakra. Mercury has anti-gravity properties. This spinning creates a stable field around the flying saucer that makes it sustainable for life, unlike how astronauts lose their health in zero gravity. Every city in Germany was viciously carpet bombed by Britain and the US. Ships carrying thousands of refugees were sank. The allied forces then invaded and raped women en masse. Many remaining Germans fled to die in the cold. German neighborhoods were looted. Germans were starved as their means of production and railroads were destroyed. This happened while the Allied forces dined lavishly. 50,000 orphans were left to scrounge and only the fittest survived. After the war, General Dwight Eisenhower ordered the execution of Nazi officers and Nazi political party members. Eisenhower had the remaining five million Nazi soldiers placed in concentration camps. General Eisenhower reclassified the Nazi 'prisoners of war' as 'disarmed enemy forces to circumvent the Geneva Convention. The prisoners were crammed together so that they couldn't sit. They were starved and forced to defecate where they stood. Some died of thirst after being so desperately parched that they felt compelled to drink their own urine, while acknowledging the running stream on the other end of the barbed wire fence. A form of HCN (hydrogen cyanide gas) that is called Zyklon B was used to fumigate clothing for the disease typhus. This was not dropped into the gas chambers as pellets and there were no shower head gassings or steam chambers for gassing. The Soviets modified the concentration camps after the war to make it appear that there was gas chambers. This was at building Krema I, where aerial photos display the vent holes in the roof. Prussian Blue (Iron Blue) residue from Zyklon B interacting with iron was found on the walls and roofing of the delousing chambers (used for typhus) at the camps of Auschwitz-Birkenau, Lublin-Majdanek and Stutthof. There are no markings on the bath and disinfection room (barrack 41) ceiling for the hatch like at Auschwitz-Birkenau as it was installed during the actual building process of the structure. Nazis wore gas masks while administering Zyklon B pellets. The hatch at barrack 41 was used as a vent.***

***The Nazi bomb shelter that was originally a morgue at Auschwitz was transformed by the Russians to appear as a gas chamber; putting four wooden hatches on the roof in after the Soviets entered Poland in 1945. ***'Gas chamber' (shower room) at Dachau with no Prussian Blue on the brick that contains iron.***

***The delousing chamber at Dachau was coated with paint impermeable to gas or water, so there was no Prussian Blue staining. Krema buildings II and III allegedly had wire mesh columns for introducing Zyklon B canisters, but this cannot be proven as these are not present today because both of these buildings are in ruins. In the rubble of Krema II and III there is no evidence of hatches for introducing Zyklon B pellets. Krema IV was the shower room, not a gas chamber disguised as one. Krema I 'gas chamber' was adjacent to the crematorium, so concentrated Zyklon B would have combusted. There is no blast proof lighting there. The 'gas chamber' at Auschwitz-Birkenau had a two inch off the ground wooden door, not a metal door. A door was comprised of non hermetically sealed wooden planks. The doors were not gasketed doors, but some were lined with felt. Bunker I at Auschwitz II allegedly had an air tight door with a metal wheel attached to a screw lock, but this farmhouse 'gas chamber' is nothing but a foundation today. Other Auschwitz-Birkenau doors opened inward, which would have been blocked by corpses. Another door made of planks was inches off the ground at the bomb shelter 'gas chamber' as well. The delousing chamber door had a latch on it. The SS would have been exposed to the high concentration of Zyklon B inside the facility and even the lower levels outside, which would be more volatile than the lower concentrations used for delousing.***

***The 'gas chambers' had no ventilation. The delousing room had fans and vents. Zyklon B could kill a room full of insects at 16,000 ppm (parts per million) and it could allegedly kill a human at 300 ppm. 300 ppm was originally used on rabbits and was attributed to humans, who need a higher exposure to be killed. The Zyklon B minimum explosive point is 56,000 ppm. The lethal dose used in United States gas chambers is 10,000 ppm. Eyewitness accounts of Jews dying in gas chambers during the Holocaust (Shoah in Hebrew) are that these 'victims' died within 10 or less minutes, however a high concentration of Zyklon B would have been needed to fill the gas chamber that quickly due to its slow evaporation rate. This would have put it above the explosive six percent threshold. There would have needed to be 10 times the amount of Zyklon B because only 10 percent evaporates in that period of time. There was no means of accelerating the ventilation process of this toxic gas in the alleged gas chambers. It takes 20 hours for Zyklon B to evaporate. Zyklon B and carbon monoxide leave bodies blotchy red not blue like Holocaust survivors state the bodies were. The bodies would have also been bloated if they were gassed. No Diesel engine gassing occurred at the German concentration camp Treblinka. The ground up ash deposits of a cremated adult prisoner would have been able to fill about a shoebox at most. These were allegedly dumped in ponds and/or the surrounding fields, but the ashes were not in that high of volume. There are no mass graves at Treblinka I and II as well as the Belzec concentration camp. Auschwitz-Birkenau had a pit for ashes, not for corpses to be burned. Treblinka had pits for gravel. ***digging. The Nazis did not burn Jews alive. Holocaust historians state that they cremated a body in 10 minutes, but it takes two to two and a half hours to cremate at 1,400/1,800 Fahrenheit. Bodies cremated today at 2,000 degrees Fahrenheit only need just about 1.25 hours. Alleged cracks in the bricks of the oven lining (supposedly filled with clay) would have been caused because of prolonged high heat and possibly frequent fluctuation between heating and cooling. At most the ovens would only have been used for 12 hours a day and they had maintenance performed on them. There was not enough coal to burn the multitudes of bodies projected. There were 52 muffle ovens of Auschwitz I and II combined, with another six from Lublin-Majdanek. There were 46 muffle ovens at Auschwitz II as of 1942. Each Oven at Auschwitz-Birkenau could burn five to six corpses a day in a 12 hour period. The muffle ovens were never operated at all once. Allegedly there were three to four emaciated corpses jammed into these ovens at a time, but this was not the case because there were no homicidal gassings. German engineer Kurt Prüfer did not design the ovens to be able to handle multiple corpses at once. There may have been specific instances where more than one corpse was cremated in the same muffle oven, but this was certainly not the norm, unless the corpses were small, which is a possibility. There were two to three muffles (openings) per oven. The maximum amount of corpses that could have been burned at all of the Nazi concentration camps in one day was 430,600 (hypothetically over a 24 hour period). This number multiplied by four for multiple emaciated corpses is 1,722,400, which was not the reality. These muffle ovens were operated for 12 hours a day at most, reducing 430,600 in half to 215,300 incinerations.***

***Multiply this by 365 and the number is 78,584,500, which is a completely outrageous gross exaggeration. The bodies would also have taken longer to cremate if they were jammed together in the muffle oven. The pits Jewish corpses were allegedly burned in did not have enough oxygen and the Nazis didn't have that fuel recourse. Aerial photos show no smoke or open burning pits. Less than one million Jews died in Nazi concentration camps. It was absolutely not six million. Wartime photos above Auschwitz did not show the massive plume of smoke that was allegedly always above the camp. Commander Rudolph Hoess admitted Auschwitz had mass gassings because he was tortured during the Soviet Nuremberg Trials of 1945. Treblinka was a transit camp not a camp for extermination as many were sent to Lublin-Majdanek to work for the war effort. There were never more than three million Jews in any Nazi occupied territory. The world almanac of Jews went from 16,588,259 in 1938 to after the war when the New York Times published a maximum of 18,7000,000 Jews, which is less disparity than maximum of 18,700,000 Jews. Germany is still paying reparations to Israel to this day. Saurer trucks were passed off homicidal 'gas vans'.***

***Soviet genocidal gas vans were in use before World War Two. There is no evidence of Nazi gas vans that allegedly were used to kill 700,000 people. The design of the gas vans was blamed on Nazi Alois Brunner, who escaped the Israeli intelligence agency the Mossad. The Nazis worked to free the Slavs from communist rule of the USSR. It is the desire of the Pagan Elder Gods to prevent the Gentile races from mixing by creating one race. Each race has their own characteristics. The Bible instructs Gentiles to race mix to mongrelize Gentile gene pools and destroy Aryans. It's okay if one is of mixed-race because the Elder Gods accept any Gentile who comes to them. Bastardized mixed-race mongrels should pair with each other. Diversity is not cultural enrichment. International events like the Olympics are fine. Gentile races are not on the same wavelength. The Gentile races don't complement each other that well and aren't as compatible as many people like to think. Each Gentile race needs their own nation to evolve in. Nowhere in the animal kingdom do species intermingle homogeneously like with humanity. The Gentile races will be separated by the will of Lucifer/Satan and the Pagan Elder Gods. Cannabis can lower insulin tolerance. Marijuana (like other drugs) is ruled by Neptune and can cause delusions of grandeur in some people already inclined toward mania. It can also cause psychic visions. It allows one to think 'outside of their box' and offers a different perspective to mental and emotional blockages as it brings the subconscious to a conscious level. This can bring up intense fear. Cannabis can be spiritually centering and aid in letting go. However, overuse of weed can cause a paranoia disorder. Weed can leave the user open to psychic influence and suggestion, making them potentially very psychically vulnerable. It would be wise to use this drug in moderation if the individual enjoys its effects. THC does diminish theta brainwaves, which are responsible for achieving deep meditative states. Overuse of weed causes brain damage by disinhibiting neuron function and literally starving the frontal lobe of oxygen. There are no moderators in***

'Teacher plants' such as cannabis, caapi, wild dagga, calea ternifolia 'dream herb' and blue lotus flower are spiritual tools, but are not completely necessary for spiritual advancement. THC lowers blood sugar, which starves candida and causes hunger. The Joy of Satan Ministries does not encourage the use of any recreational drug. They advocate a clear mind for spiritual advancement. This subject is a synopsis based on personal experience. Percolating the smoke is beneficial to the lungs, cardiovascular system and liver as it removes much tar and toxins. The heat of weed smoke is unhealthy for the kidneys, so percolating it in clean and cold water is favorable. Weed drains the adrenal glands and can leave the user feeling burned out. Overindulgence with weed can cause a leaky aura, so this means building a tolerance to it's psychoactive affect. Astral leach entities and enemy gods control the user and feed off their energy.***

Most people don't understand the shamanic concept that weed is like a key to another dimension and it often times becomes a doorstep. ***Alcoholics/Narcotics Anonymous (12 Step Program) is helpful for those who are addicts, or chemically dependent. However, addicts are taught that they are always going to have the disease. If someone owns a disease then it affirms the energy on a subatomic level that goes to a molecular level and then becomes cell memory. What fires together wires together neurologically manifests metaphysically. What is focussed on will manifest if enough energy is put into it. This is the law of attraction. Powerlessness with drugs creates unmanageability that creates or intensifies preexisting self-loathing that inevitably causes resentments for others and a resistance to life. Resent is recall, like re-sent (replay) and re-sense (visceral rumination). Living in the past is often times just weakness (not really referring to PTSD). This is just another rationalization that can be used to allege that Jews are Satanic, which is false, of course. The Cherubim angel outside the gates of 'Eden' that stood before a tree with a flaming sword, represents the cutting off the serpent from ascending, so it lays dormant at the root chakra. The Jews have cursed Gentiles to death by binding the Kundalini serpent in the root chakra, like how the serpent was cursed to slither on the ground in the Old Testament by 'god'. **Lord Pirrie chairman of Harland and Wolff ship builders funded Titanic and Olympic as well as Britannic for White Star Line. These ships were designed by engineer J. Bruce Ismay. Pirrie had an agreement since 1902 with Zionist Jew JP Morgan, who owned the International Mercantile Marine Co. a monopoly of transatlantic commercial passenger and cargo sea fairs. On June 14, 1911 the Olympic made her Maiden Voyage under commodore EJ Smith. A week later it collided it's stern with a tug boat in New York called the O.L. Hallenbeck, which almost caused this tug to sink. Again there was another collision on the fifth voyage on September 20, 1911 on the Hudson River with the British warship HMS Hawk in the brambles channel in South Hampton waters. The Olympic did not get bailed on a claim because its was drawing smaller ships into it's tug. They wanted to avoid costly repairs that would decrease their funds. February 12, 1912 Olympic left New York Harbor and ran over a sunken wreck and this shock loaded the drive shaft and stressed the motor. It struggled back to New Hampton to be repaired at the Thompson dry dock. Olympic was sent back to Belfast, North Ireland for permanent repairs on October 11.
