OPEN CALL FOR EVS VOLUNTEER

Amiens, FRANCE

Duration : from August 28th to December 28th

The Europe Direct Centre in Amiens, France is looking for one EVS volunteer from each of the 27 other countries of the EU to be involved in an Erasmus+ project.

Project description

The main goal of the project is to promote the European mobility and celebrate the 20 year anniversary of the EVS through a European Student Village that will take place in Amiens City Centre in September. The organizers would like for this project to have a big impact, which is why they will welcome 27 volunteers at the same time. We hope the volunteers will transmit the "mobility virus" to every young person in Amiens and its region.

However, the "European village" will not be the only event the volunteers will attend. In September, for the European Day of Languages, they will also participate in an event called "ZE DICTEE", a dictation for students in foreign languages. In October and November, they will tour along the region to promote mobility and language learning in high schools. Finally, in December, the volunteers will visit local schools so that they can share with the pupils the traditions of their home country about Christmas and New Years Eve.

The main job of the EVS volunteers will be to promote European mobility and to share their experiences with young people from Picardy. They will represent the Europe Direct and EVS structure within forums and job fairs. Another main part of their work will be interventions at schools (from primary schools to university). The volunteers will be asked to prepare PowerPoint presentations about their countries (culture, history, language, actuality) so they can work as ambassadors of their own countries. Finally, they will also visit the EU Institutions in Brussels (3hrs from Amiens) to meet our representatives.

Accommodation, food, money, transport

The volunteers will be hosted either in a flat or at Amiens Youth Hostel. Every month, they will receive the food money (that is 7€ per day) and 115€ pocket money. They will be entitled to holidays: 2,5 days per month. If they happen to work during the weekends, they will be able to take extra days off during the week. The organizers will pick up the volunteers at the airport when they arrive and drop them off when they leave. In Amiens, they will be given a subscription to city transport. As for the profile of the volunteer, knowledge of basic French will be an additional benefit, but it is not a requirement to participate in the project.

DEADLINE FOR APPLICATION IS 1st JULY 2016!

Please send your CV and motivation letter in English
