ANNIVERSARY

Hi, Xavier,

## ***STC Consulting is celebrating its 7th anniversary!***

We want to take this opportunity to thank YOU, our friends, and customers, for trusting and supporting us. At STC Consulting, we take great pride in working with our amazing clients and assisting them in maximizing their profits and productivity.

It's been a 7-year journey of learning and growing for our team. [We have proudly served over 170 clients in healthcare, logistics & transportation, construction, manufacturing, and professional services.](#) At STC Consulting, our mission is to continue and uplift business owners, corporate executives, and professionals by creating wealth, increasing financial intelligence & empowerment, and improving the bottom line.

On a personal note, earlier this year I was honored to receive the ["Women of the year 2023, Entrepreneur without limits"](#) award from The Texas Ecuadorian American Chamber of Commerce and ["Houston's 50 most influential women of 2022"](#) a prestigious recognition that has been part of Houston Woman Magazine for 19 years. Thank you for such honors!

Our vision continues to be strong: to support our clients with knowledge and expertise so they stay competitive in the market, optimize their business, and achieve their goals, and reach financial freedom. We are looking forward to a bright future with limitless possibilities, great partnerships, and an unwavering commitment to uplifting our community.

We welcome your referrals. [We offer 30-minute complimentary consultations for new clients.](#) To schedule a meeting with us, please visit our web page and click on schedule appointment. THANK YOU!

Best regards,
