Testosterone Enanthate is more difficult to get in the UK than some other medications as it is under license in the UK with no generic options. This makes it much more expensive. Luckily at OptiMale we have sourced a supplier which allows us to provide it at a reasonable price with the same pharmaceutical grade quality.

Overall Testosterone Enanthate is an option for some patients on testosterone therapy or TRT in the UK or TRT in Europe. New dosing formulations are available on the market in the USA, but unfortunately the market is not large enough and the regulatory environment too difficult for justification for new TRT options in Europe or TRT Treatment in ... If you are motivated by progress and seeing results, write everything down, take pictures, take videos, don't delete anything (even if you think you look like), and get more storage space because it is not going to be a short journey.
