Atrium Health, formerly Carolinas HealthCare System, is an “integrated nonprofit health system” with more than 70,000 employees. It operates 42 hospitals, six freestanding emergency departments, over 30 urgent care centers, and more than 1,500 care locations in North Carolina and Georgia.

clinics. The organization was formed on 1 July 1997 by the merger of Carolina Mediacorp of Winston-Salem, North Carolina and Presbyterian Health Services of **Charlotte, North Carolina**.

There are plenty of other regional hospitals in the Charlotte metro area, including **Lake Norman Regional Medical Center** in Mooresville, **Gaston Memorial Hospital**, serving Gaston County, and **Northeast Medical Center** in Concord.

There's no four-year medical school in Charlotte, **but local training programs for doctors and nurses produces many practitioners who remain in the area**.
