# Zooz Bike coupon code, review and promo code 2021

In today's world, where every time we open the news, we see pollution and its effects on our environment. So, why not use something in our daily lives to ride that is not damaging the environment, but rather super stylish, extremely lightweight, great to ride, and super affordable with great features. Zooz Bike is an amalgamation of bicycles and motorcycles. Apply [ZooZ Bikes coupon code](#) to get various discounts from the website.

## Why Do We Need Zooz Bikes?

Zooz bike is a new age e-bike which not only looks super cool but also super affordable and you can also get a promo code for a discount from the website, which is not an ideal deal? It can be ride from anywhere and everywhere and the best thing is that it does not require a license to run. You get the best partner to move from one place to another.

## **What makes Zooz Bikes different from others?**

Zooz bike is the best electric urban bike. It is made up of a unique concept of comfort, speed and style. Its design and price are its USP. The bike's handmade setup with minimalistic carbon fiber bodywork and the battery in it is exactly what you are looking for compliments and is with you anywhere and everywhere.

## **PRICE & PRODUCTS**

The UU 250- Urban UltraLight 250 is the lightest bike among the three. It is light as well as has a great speed, which is perfect for a younger rider.

Product Price is \$ 1,500.00

The UU 750-Urban UltraLight 750 is the best because it is designed for a thrilling electrification ride and original Zooz experience. It is the perfect power to weight ratio in sports.

Product price is \$ 2,000.00

UU 1100- Urban UltraLight 1100 is for those who do not get enough speed. Although heavy, it has far more power, range and speed than the other two models. It also includes 4- 4-piston brakes that stop everyone.

Product Price is \$ 2,500.00

## **FAQs:**

*Is there any warranty?*

Yes, all the bikes have a limited one-year warranty.

*Does it require a license to ride?*

No, it doesn't require a license to ride and it is also not for bike lane use.

## *Is there any trial for the bike?*

Yes, a demo network is there at some location where the customers can go and try but all the orders need to be placed via the website.
