It does not matter whether you use a single nail polish color or multiple ones; you need to know the top trendiest nail polish colors.

In addition, you need to match the shade of the nail polish to your dress otherwise you will not look stylish. At the present time, we are going to present you the 7 best nail polish colors that every woman should know. Have a look:

Bordeaux

It is rich-toned wine shade that is quite vibrant enough to enable the red hue to glance through. This shade has different depths so you can choose the depth of your choice.

The brighter color will look more vibrant on the deep skin tones. On the other hand, the Bordeaux is considered as one of the best pedicure colors.

Millennial Pink

It is truly a soft pastel pink shade that can give your nails a trendy and modern touch. It is popular as many artists have been seen using it. This nail polish color will give your nails a classical touch.

This nail polish color is popular because it flatters to all lengths and shapes of nails. You can also mix it as well as match it with the Bordeaux. You can use Bordeaux on the toes and millennial pink on the fingers.

Dove Grey

It is a soft grey that will beautify your nails for sure. This shade is quite cozy and a good substitute for a dark grey manicure. This nail polish shade will make your nails look neat and clean.

Chrome

Metallic silver is also quite in these days. There are many top actresses that have worn this shade at various events. The glad shine will let others notice your nails.

If you want to hit the sparkle then you should try out this chrome nail polish shade on your nails. In the event that you like smoother surface then chrome will give you a smoother touch.

Black Patent Leather

In the event that you are wearing a lightly shaded dress then you can apply this nail polish shade to make your nails prominent. It will go with an outfit of any shade and style. Whether you are going for a business event or party, for both places you can wear it easily. It also goes with all types of skin tones.

Sky Blue

Sky blue is also a good shade. It is mostly used by teenagers but old women can also use this shade. It will give a new touch to your nails. This shade can be worn in summer.

If you are going to spend time with your loved ones on the beach then it is a great idea to use this shade onto your nails. However, those who have darker skin tone should try to avoid this shade as it will look good on fair skin tones.

Evergreen

You do not have to be afraid of the dark green shades. It is a soothing shade as well as attractive. In the months of February, March, and April, you can wear this shade to beautify your nails in a unique style.

Whether you apply it in a simple manner or make designs, in both cases it will suit you. It goes very well with those who have fair skin. Still, those who have darker skin tones can also wear it.

Last Word

All these nail polishes are becoming trendy with the passage of time. You can use any of these shades that suit your skin tone and style. However, always purchase a nail polish that is wrapped in [custom nail polish boxes](#).
