What will you Get with Turbo JV Page Builder?

The package is built cleverly around these Modules:

Module 1: **Turbo JV Page Builder Software**

Module 2: **Conversion-Driven Sales Letter & Thank You Page**

You want to sell and make money right away? No problem.

They accelerate your success by providing you a professionally ready-made sales letter expertly written to convert your visitors into buyers.

Following a proven and time-tested copywriting formula, this sales copy uses the hybrid video sales letter approach that is guaranteed to bring you results.

Module 3: **Hypnotic Sales Video Promo**

Can you really sell effectively without a video nowadays? It's almost unimaginable.

But listen...

They got you covered! They are making your sales page **LIVELY** by adding a professionally done sales video message on it.

This video has been carefully crafted using the ‘hypnotic’ copywriting formula that will ENGAGE your visitors and skyrocket the overall sales conversions.

This video is to be used in conjunction with the sales copy above to achieve maximum results.

Module 4: ‘WOW’ Graphic Designs

“**WOW**” - That’s the exact word your customers will say when they visit your website.

Considering that “The first impression is always the last”, with a ‘**good-looking**’ website design you can be sure to impact the minds of your website visitors immediately.

It helps **convey the right message at the right time.**

It gives you **INSTANT authority and credibility.**

There’s absolutely **NO** compromise on the quality of our designs. They have the very best dedicated team of graphic designers in this industry and their works speak for themselves.

Module 5: Customer Support System & Legal Pages

Customer experienced is everything. Once you make the sale, you need a 'place' to allow your clients to communicate with you in case they have any concerns.

They've got you covered.

You'll get a ready-made support system integrated within your website where your customers can reach out to you.

Each ticket will be redirected to the email address you desire for your references.

But that's not all...

To keep you in compliance with the laws and give your website a very professional look and feel, they also provide you **done-for-you legal documents** to place on your website.

These include:

- Income Disclaimer
- Privacy Policy
- Terms and Conditions

Module 6: Stunning 'Lead Grabbing' Page

You also get a HOT looking squeeze page that will suck **unlimited amount of leads** so that you can follow up with them and make more sales.

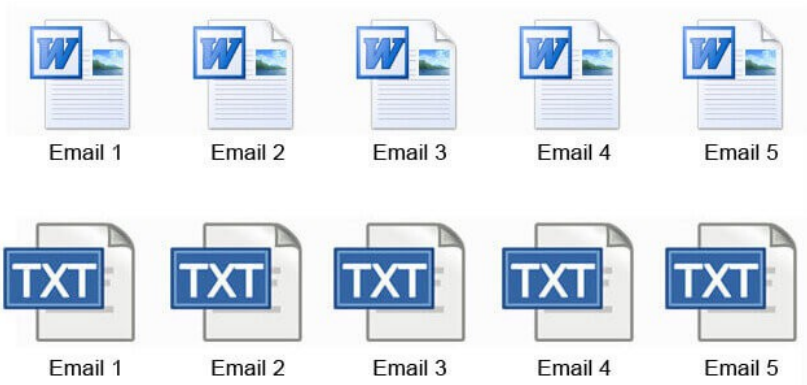

The design is completely unique and message is **strictly attached to the THEME** of the product you're selling. Why?

Higher conversions.

It's like telling your customers: *“OK – Get a sneak preview before you decide!”*

Super powerful stuff!

Module 7: Credibility Boosting Email Series

Now that you've people on your mailing list, you need to send them email messages to **gain their trust and build credibility**.

You educate them about your product and how it can change their lives for the better and definitely that's a LOT of work!

But here's the good news.

They've prepared a complete e-course delivered by autoresponder emails to skyrocket your sales by this product to your subscribers. These content emails have only one purpose – **make you money!**

Module 8: Adaptive Mobile Friendly Website

You get a **full-mobile friendly website.**

All pages. No exceptions.

This is definitely a **HUGE advantage** you'll have over your competitors. This turnkey website is **search engine friendly** PLUS that's exactly what Google is looking for.

You can even sell to the mobile users as they will have no problem accessing your website. **That means a real boost in income right off the bat.**

Module 9: Professional Set Up & Training Video

A professionally recorded video to explain your customers how to use this awesome software.

Never worry about explaining your customers individually how to do the technical stuff.

Our expert team has prepared a step by step video tutorial to make sure your customers can use this software without any headache.

Give this free to your customers to enhance your customer service.

Module 10: **Fast Installation Guide**

A step by step user manual to guide your customers through the set up process.

This is for the technical savy and don't want to spend time watching the tutorial video, they can quickly scan through the document, see the pictures and implement the instructions right away!

Give it to your customers to add more value to your offer and reduce your customer support tickets to a bare minimum.

Module 11: Product License Certificates

What if after all the talks and promises that they made above you're not given any document to validate that really you own a rights to this product after your purchase?

That would just be insane, right?

That is why they went ahead to create certificates of ownership that is for you and also for YOUR customers.

They even took care of the documents that you'll pass on to your clients. Isn't that wonderful?
