Living God

Jesus calls his followers to seek first your Kingdom.
Renew us as we make your love known;
Release us to share freely together in mission;
and Rejuvenate us to be fruitful in your service.
Give us courage, wisdom and compassion,
that strengthened with the grace of the Holy Spirit, we may, as the Diocese of Sheffield, both flourish and grow through Christ our Lord.
Amen

Eco-Church

Environmental issues are very much in the news at present, and for some time the Church of England has been asking parishes to consider its own carbon footprint and impact on the environment around.

For more information please see the following website:

With this in mind Tricia would like to get a group together to look at this important issue. If you are interested, then please do have a word with Tricia.
