CANVASS SCRIPT

The important thing in a canvass is to have an authentic connection with the voter. This might take an extra couple of minutes but it's worth it. The script is only a guide – make it your own.

Introduction:

Hello, my Name is_____. I'm working with my Temple/Mosque/Church/Sangha to reach out to voters in our neighborhoods about the things they care about. I'm out here because…
(share 1-2 sentences about something you care about.)

What do you care about in the community? (*You might have to ask this 2-3 times before they open up)*

(Let Voter Share Their Story, maybe ask a question about it)

Your vision/concern/interest, sounds a lot like ours and I believe that voting is one way we can have our voices heard about these issues.

Can we count on you to Vote on Tuesday, November 6th?

Response: ***Yes/Undecided/No***

[Next Steps (optional)
Opt In/Get Involved: *We would like to connect again soon and hear more about your ideas to create change in our (city/county).*

Can we call/email/text you to remind you to vote?

(Confirm phone or email)

Just a reminder the 2020 Census is coming, please make sure to get counted, so we can have all the funding and resources we need for our community.

Thank You For Your Time!
