

Let's Make a difference today!

June 26, 2017

Greetings,

Planttheseedmc organization can only achieve its goals with the assistance of generous donations from members of our community and abroad. Without these donations, serving our young adults seeking a college degree from an accredited University and beyond would be incredibly challenging.

Planttheseedmc became in existence in 2015 with a goal and mind set-on and out of love, wanting to make a difference and determination to be a part of the solution to our critical issues such as (crime, high school drop outs, no summer programs for our young youth and fatherless children) plaguing our communities today. Young adults within inner city communities' nationwide seeking higher academic endeavors are being faced with stumbling after stumbling block, lack of financial aid as well first time generation entering college in which support resources may be limited. It is with my deep compassion to lend a helping hand to those in need that I humbly ask for any size donation to Planttheseedmc where all donations received will go to Planttheseedmc scholarships which will lessen the burden for any college student(s) with financial hurdles that can impede on one's academic goal.

Since Planttheseedmc relies on the generosity of individuals like you, we write to ask you to consider a donation to our cause. Please visit www.plantheseedmc.org for donating options that can be donated online through our secure site (PayPal) or by mailing in your donation (check or money order) to Planttheseedmc, P.O. Box 44, Cheltenham Township, PA 19012.

Thank you in advance for your generosity.

Sincerely,

Michelle Colley, President
