

Made in From? by Tundroid APPS Privacy policy & Usage terms

Made in From? does not collect or transfer any data to us or to any third party unless stated below.

Camera access

Made in From? must use your phone's **Camera** to scan barcode. **Made in From?** does not collect or transfer any photo or video to us or to any third party.

Other cloud services

Made in From? does not supports other cloud services such as Dropbox and Google drive.

Advertising

Made in From? uses Google's mobile advertising platform Admob. Admob uses Google's Advertising ID API (which CR has no access) to provide adverts to you. These adverts can include targeted ones. You can access settings related to advertising under Google settings app on your phone. Those settings enabled and controlled by Google. You can read it <https://www.google.com/intl/en/policies> and <http://www.google.com/intl/en/policies/privacy/partners/>

Analytics

Made in From? uses Google Analytics to collect information about how many people install and use it. Analytics data helps us to improve **Made in from?**. Collected information is neither personally identifiable nor contains personal information. You can read related Google policies at <https://www.google.com/intl/en/policies> and <http://www.google.com/intl/en/policies/privacy/partners/>

Limited Liability

You accept that; we (Tundroid APPS including developer(s), owner(s), contactor(s), director(s), providers and apps) do not have any sort of liability what so ever for anything that may arise from the use of our properties including our apps and/or our communications.

Support for this version

We will do anything we can to fix issues you might have with **Made in from?**. Unfortunately, **Made in From?** on Android depends on the phone and Android version.

- We might not be able to solve the issue if you upgrade to a new Android version, which might have call recording issues

- We might not be able to solve the issue if you change your phone to a different one

Storage of Information

This application don't store any information
